## Aberjona To Be Cleaned

METROPOLITAN OFFICIALS PROMISE RELIEF

Chairman George Redding of the Board of Selectmen received a phone call from an MDC official Tuesday, in which he was informed that funds have been found by the MDC to enable a crew of men to spend several weeks cleaning up the Aberjona River and its banks. It is also planned to install chlorinating facilities at the mouth of the river.

This will be good news to the people of Winchester who have finally made their protest about the pollution of the Aberjona sufficiently vigorous to impress the State authorities. For years the river has been an eyesore and at times a disgrace to the town. What it is proposed to do immediately will not affect any permanent relief but it is a long step in the right direction and is most welcome.

## ZWETSCH — DEXTER

On Saturday, June 23rd, at Naval Air Base Chapel, Pensacola, Fla., Miss Marjorie Dexter, daughter of Mr. Raymond Chandler Dexter and the late Mr. Dexter, became the bride of Ensign Richard Frederick Zwetsch.

Gladiolas and chrysanthemums decorated the Chapel for the 4 o'clock candlelight ceremony with Rev. S. D. Ellis officiating.

Miss Dexter was given in marriage by her uncle Mr. Charles Young Lewin of Fall River and attended by her sister, Mrs. John William Allen, Northfield, Ill., as matron of honor.

The bride wore a waltz-length princess style gown of white yarn dyed taffeta with an off-the-shoulder neckline, embroidered with hand fashioned velvet flowers and shadow lace and carried a cascade bouquet of white orchids and stephanotis. Her chapel length veil was held in place by a pearl crown.

Mrs. Allen, matron of honor wore a princess style dress of yellow polished cotton with matching cap and carried yellow and white chrysanthemums.

Mr. Gilbert F. Zwetsch, brother of the groom was best man and the ushers were Ensigns Harry C. Watts and Ensign Michael Lestead.

A reception was held after the ceremony at the Muston Beach Officers' Club.

Mrs. Dexter, mother of the bride wore an embroidered blue linen with matching accessories and a pink corsage. The bridegroom's mother, Mrs. Zwetsch wore white lace over blue with navy accessories and a corsage of red roses.

The bride's aunt wore a white dress with a white corsage and carried a white bouquet of white roses and white carnations.

After a short honeymoon at Panama City, Florida, Mr. and Mrs. Zwetsch will live at Paradise Beach Court, Myrtle Grove, Florida.

The bride is a graduate of Colby Junior College and Lesley College.

Mr. Zwetsch is a graduate of Harvard College class of '55. He is now serving as Ensign in the United States Navy.

## WATER JOB TO FITZGERALD

The J. J. Fitzgerald Contracting Company, old time Winchester firm, has been awarded the contract for constructing over two and one-half miles of 10 and 12 inch water mains in various streets of the town.

The new mains will parallel existing mains and one section will start on Highland avenue opposite Englewood road and extend along Highland avenue past the hospital, thence running to Forest street and to the Stoneham line.

The other section will begin at Oxford street at Church street and will run to Woodstock street, thence along Woodstock street to Woodstock road. Turning on Woodstock road, the mains will pass under the Winter Pond bridge continuing to Pond street.

The Fitzgerald Contracting Company was the lowest of five bidders. Its bid was \$58,900.00. A bond issue to complete the work was authorized at the Town Meeting in March.

## BABE RUTH LEAGUE ALL-STAR TEAM

At the meeting of the Managers of our four Babe Ruth teams, Sam Bellino of the Phillies, Paul Connors, Indians, Ted Freeman, Giants and Bill Cawley, White Sox, the following players were selected for practice sessions with the possibility of changes to be made before the first game with Watertown, July 14th at their Victory Field.

J. Gibbons, D. McGee, J. Peckham, A. Tofuri, M. Morton, D. Thomson, R. Gray, W. Smith, K. Kelley, C. Arlanson, J. Martin, K. Roberts, R. Carlson, P. DelRossi, D. Martell and S. Powers. Several have been put on the reserve list subject to call before July 10th.

An All-Star team consists of 15 players, the manager this year will be Sam Bellino, coaches, Paul Connors and Bill Cawley and one Bat Boy to be picked from one of the teams.

## IMPORTANT NOTICE TO STAR SUBSCRIBERS

The vacation season is at hand and Star subscribers who want their paper to follow them to their summer homes or to the place where they are vacationing must notify this office. The post office will no longer return your papers to us with forwarding addresses, so your paper will continue to go to your home address unless you personally notify us where you want it sent during your absence from town.

## WINCHESTER PROFESSOR AUTHOR

"THEORY OF LINEAR ANTENNAS" BY RONALD KING

Prof. Ronald W. P. King of 92 Hillcrest Parkway, Gordon McKay Professor of Applied Physics at Harvard, has recently published by the Harvard University Press in Cambridge a new scientific book, entitled "The Theory of Linear Antennas," with charts and tables for practical application.

In this book Dr. King brings together the results of many years of research and teaching. He has taught graduate courses in electromagnetic theory and its applications at Harvard for fifteen years. He has been supervisor of the wartime and post-war fundamental research sponsored by the Office of Naval Research, in the field of electromagnetic radiation.

Dr. King is the author of "Electromagnetic Engineering and Transmission-Line Theory" (McGraw-Hill); a co-author of "Transmission Lines, Antennas and Wave Guides," and has published many technical papers in professional journals.

The chief concern of his "Transmission-Line Theory" is with the high-frequency aspects of transmission lines and with their steady-state behavior. The book is designed to serve as a necessary and fundamental introduction preceding serious work in wave guides and cavities as well as antennas.

Miss Elliott attended Wheaton College and was graduated from Cambridge Junior College and the United States Navy and is stationed on the USS Siboney.

Dr. King's "Theory of Linear Antennas" is an advanced analytical study of electromagnetic radiation, transmission, reception and scattering as related to practical structures made from cylindrical conductors of relatively small cross section. Proceeding from fundamental electromagnetic theory, the work derives formulas and calculates numerical results for actual, rather than idealized, structures. Approximations in analysis are pointed out, as are limitations of experimental techniques in verifying theoretical predictions.

The book is the first systematic and comprehensive survey of linear antennas and arrays of linear antennas, including circuit and field properties. Both theoretical and experimental aspects of the subject are treated and Dr. King takes special care to correlate theory with experiment. Extensive tables, charts, and curves are included so that the theoretically derived and experimentally verified results may be more easily applied in practice. The book sells for \$20.00.

Dr. King has lived in Winchester since 1941. He is married to Justine M. King, and they have a son, Christopher, a pupil in the 9th grade of the Winchester High School.

Dr. King attended the public schools of Rochester, N. Y. His father, J. Percival King, was professor of German at Williams College when his son was born, but moved from Williams to a similar post at the University of Rochester. His son followed him to Rochester, receiving his A.B. there in 1927 and his S.M. in 1929. He then came to Winchester, incidentally the father, now Professor Emeritus of German at Rochester, makes his home at 33 Grayson road in Winchester.

Following graduate work at University of Munich in Germany and at Cornell University, Dr. King received his Ph.D. from University of Wisconsin in 1932. He taught physics at Lafayette College and was a Guggenheim Fellow in Berlin and Munich in 1937-38.

He joined the Harvard faculty in 1938, and is now Gordon McKay Professor of Applied Physics there.

Edward H. Tarr, a former Winchester High School bandman, whose father, Rev. Donald Tarr, was assistant pastor at the First Congregational Church during the family's stay in Winchester, was adjudged the best amateur instrumentalist in Wisconsin in the big Music Festival recently conducted by the Milwaukee Journal.

Tarr, a trumpeter, showed a flawless technique in his performance of "Trumpeter's Lullaby," playing with a clear tone and deft lightness in the staccato runs.

As a result of his win in the huge Milwaukee talent contest, Tarr will be sent east by the Milwaukee Journal to New York, where he will appear on the Ted Mack Amateur Hour, Sunday, July 8, Mutual TV, at 9:00 p. m., eastern daylight time.

He will play part of the Haydn Trumpet Concerto, and undoubtedly many of his friends and former band associates here will welcome the opportunity to hear and see him.

## BIRTHS

Mr. and Mrs. Peter V. Farnsworth (Carolyn Zinn) of Seattle, Washington, announce the birth of their first child, a daughter, Joyce Ann Farnsworth, born June 28, 1956. Parents are Mr. and Mrs. Vincent Farnsworth and Mrs. B. E. Zinn. Great grandparents are Mrs. Harold French of Winchester, Mr. John A. Collier of Tyngsboro, and Mr. Joseph Zinn of Dorchester.

Mr. and Mrs. J. Vance Holdam, Jr., of 10 Sheffield road, announced the birth of their fourth child and fourth daughter, Wendy (Gwendolyn Anne) on June 28, at the Winchester Hospital. Grandparents are Mr. J. V. Holdam of Chatsworth, Tennessee and Mr. and Mrs. Hugh A. Warner of St. Petersburg, Florida.

Mr. and Mrs. Harry M. Brettell (Constance Budgell) of Melrose, are the parents of a second child, first son, Stephen Albright Brettell, born June 28, at Melrose Hospital. Grandparents are Mr. and Mrs. Harry Brettell of Melrose and Mr. and Mrs. Paul T. Budgell of Church street.

## INDEPENDENCE DAY OBSERVED

ENTERTAINMENT AND SPORTS FOR KIDDIES AT LORING AVENUE PLAYGROUND

Winchester's Celebration of the Fourth was conducted by the Veterans of Foreign Wars, Post 3719, at Loring Avenue Playground, from 2 to 6 p. m., with about 400 children and adults enjoying the fun.

The Committee, headed by Ralph Fiore, included Post Commander Al Thorne, Creighton Horn, Warren Bolivar, Sid Horn, Ernie Luongo, Joe DiTucci, Tom Macario, Glen Landry, Packy O'Melia, Max Kelley, R. J. Horn, Fred Murphy, John Yore, Frank Hennessey, and Tom Bolivar. Auxiliary members assisting were: Eva Macario, Mary Thorne, Rose DiTucci, Mildred Thorne, Blanche Costello, Gert Fiore, and Jean Bolivar.

## MISS WHITING ENGAGED

Mr. and Mrs. W. O. Whiting of 17 Harrison street have announced the engagement of their daughter, Coraly, to Mr. Olin D. Samson, son of Mrs. L. E. Samson, Boston, and the late Dr. L. E. Samson of Franklin, Vermont.

Miss Whiting is a graduate of Colby Jr. College and of the University of Vermont.

Mr. Samson, a graduate of the University of Vermont, is now in his third year of Medical School at the University. He is a member of Nu Sigma Nu fraternity.

An August wedding is being planned.

## MR. SKERIK TO OFFICIATE

The Rev. John Skerik, minister of the Second Congregational Church, introduced the Rev. Robert E. Lawson of Wollaston, when he spoke Sunday evening, July 1, to the young people attending the First Pinewoods Camp on Long Pond in Plymouth.

Mr. Lawson, minister of the Wollaston Unitarian Society, is a member of the board of directors of the Planned Parenthood League.

An active member since 1954, he is now a member of the Speakers' Bureau. Mr. Lawson, who holds his bachelor of divinity degree from Meadville Theological School, Meadville, Pa., held pastorates in Reading, Winchester and Beverly before serving for two years as a U. S. Navy chaplain in World War II.

Since the war he has served from 1946-49 as minister in Pittsburg, Pa., and from 1949-52 in Dayton, O., before returning to the ages of 17 and 22 years who are interested should secure permission to take the examination from Congressman Edith Nourse Rogers at Lowell.

On Monday, July 9th, at the Lowell Post Office a competitive examination will be held for the appointments to the U. S. Naval Academy at Annapolis and the U. S. Military Academy at West Point. Young men between the ages of 17 and 22 years who are interested should secure permission to take the examination from Congressman Edith Nourse Rogers at Lowell.

## PLUMBING &amp; HEATING SERVICE

Your plumbing costs less when done by an expert. When you put a Nicholson man to work on your plumbing job he needs no watching. He wastes no time. He does no experimenting. He makes no mess of your house. He gets the most out of every working moment. You get the most out of his long, intensive training. And, believe it or not, your bill is not high, but justified to a dollar by the very excellence and lasting quality of the work that has been performed.

## PLAYGROUND NOTES

Last Wednesday, the West Side Juniors were leading 3-1 in the third inning when the game was called because of rain. Day and Peckham connected for homers for the leaders but their hits were scratched from the records because of an incomplete game which is to be made up at a later date.

On Thursday, McElholm's Leonard Field Intermediates kept in the winning column by defeating Davenport's Ginn Intermediates, 7-4. Billy Rogers, Dale Grinnell, Doug Thomson, Don McGee and Tierney were the big stickers for the winners. Don McGee got two doubles and Thomson hit for a single and double.

For the losers Hosmer connected for a three bagger to bring in two runs. Tony Tofuri pitched a winning game while Frank Leverone and Kevin Kelley tossed for the losers.

This past Monday, Berquist's West Side Juniors defeated Davenport's Juniors 3-1. Franson was the winning pitcher and throwing them up for the losers were Reade and Peckham.

Rodney Gay was the big man at the plate for West Side with a homer accounting for two tallies. Richie Keenne had a single and double to his credit and for the losers Gerry Sarno hit a long drive to deep left center for four bases.

On Tuesday, the West Side Intermediates visited Leonard for a game that was tied up in each of the first four innings before Berquist's West Side took the lead to win 8-6.

Leonard scored three in the first on hits by DeMinico, Carroll and Tierney. In their half of the sec-

ond the visitors tallied three times to knot the count with the runs coming on hits by DeRossi, Day, Martin and Gray.

The score was tied 5-5 in the fourth and in this inning Gray met DeMinico's pitch for a bases loaded triple that scored three runs and West Side went ahead 8-5.

Leonard made it 8-6 in the next frame when Brenner hit a triple. Partle walked and Bellino scored Martin with an infield hit. Leonard had bases loaded but failed to take advantage of it. In the final frame Brenner opened with a single, Grinnell flied out, Muraco struck out, Mulloy fanned for the final out and the West Side won 3-6.

In the Arts and Crafts Department, instructor Gloria Muera has the youngsters happy and busy making gimp bracelets, earrings, pins and pot holders. Gloria insists that the youngsters keep the articles made for an exhibition which is to be announced at a later date.

It is pleasant to listen to the youngsters mention that this and that article is to be given to their mothers or some one else close to them as a gift. And the gifts are something to see and treasure, especially since they have been made by the youngsters themselves, and because they are so excellently made.

Other projects are to be instituted as time goes on so keep posted with your youngsters and they will inform you as to what they are making. Maybe you can suggest their making something that can be of use to you.

All in all the youngsters are having a wonderful time and the opportunity is present so let's make use of it. Have your youngsters report to the fields nearest their homes!

Sunday night residents in the vicinity of Cambridge street and Calumet road were alarmed by what sounded like an explosion on Cambridge street. Police Headquarters was notified and Sgt. Irving Reardon and Officer Archie O'Connell found that there had been an explosion in an Edison manhole just north of Oneida road. Edison repair men said the trouble was due to water getting into an electric main trunk line.

## WINCHESTER HAD FINE BASEBALL SEASON

Winchester High completed a truly great athletic year in June, with one of the best baseball seasons it has enjoyed in several years. Including its 11 games, the Indians won 16 and lost only three, annexing the Middlesex League Championship and winning a place in the State Intercollegiate Tournament.

Winchester won 13 and lost only two in winning the Middlesex League Championship, and the second loss, to Reading, came in a game played after the Indians had the league crown and a playoff bid in their pockets. The locals were away below par for that one and were soundly drubbed by a Reading team, that in addition to its usual delight in beating Winchester at anything, had to win to ensure its self second place in the league and a tourney playoff spot.

This year's team, coached again by Frank Provinzano, established its great record primarily with its bats. This is not to say that the club was ineffective afield, or that it did not get some good pitching through the season. It was, however, the offense that pulled the Indians through time after time, and when you recall that only twice, once in the playoffs, was Winchester held to as low as three runs, you get an idea of the power potential of Coach Provinzano's boys.

Led by Bellino's .449, Winchester had three regulars hitting well over .300. Quentin Roberts, .329; Bellino, and Ron Roberts, .360. Others who fell below the charmed .300 circle, yet contributed some timely hitting that helped to win games were Capt. Bobby Haggerty, Roger Symmes, Henry Quill, Rennie Johnston, and Jim McElholm.

Scaling down from First Baseman Mike Callahan's .382, Winchester had nine regulars fielding above .300: John Chapin, .358; Joe Bellino, .355; Bill Morton, .353; Henry Quill, .334; Ron Roberts, .326; Quentin Roberts, .322; and Capt. Haggerty and Jim McElholm, both .304. Reserve Pitchers Terry Stowe, and Don Flynn and Outfielder Joe Flaherty all handled their few chances without error.

John Chapin led the local pitchers with a record of seven games won and one lost. Big "Jawn" worked 74 innings, allowed 42 hits, walked 41 and fanned 51 for a winning percentage of .889. Terry Stowe won four and lost one, pitched 44 innings, allowed 38 hits, walked 31 and fanned 41.

In the State tourney Winchester won from Malden in the opening round and lost to Everett, the ultimate titlist, in its next game. The Indians gave Everett its toughest game of the tourney, losing only 5-3, and having the bases loaded with only one out in the ninth.

Following is the season's record:

## EDITORIALS

Several weeks ago the Star spoke of a plan to relieve the congestion in the center when the Bacon street by-pass is closed to permit the final completion of the underpass there.

Need for such a plan was brought to our attention by McHenry Browne a Boston newspaper executive who lives in Winchester and takes a deep interest in anything affecting the town. Mr. Browne told us the original idea was not his, but that of a taxi driver he rides with, and briefly, it is to use the under-pass leading from Common street into Waterfield road, at least for pedestrians while Bacon street is tied up.

With Bacon street closed to automobiles and pedestrians all the West Side youngsters going to junior and senior high schools will, if no alternate route is provided have to go through the center. The center about the time school starts up again is likely to be a very busy place and crowds of school boys and girls from the west side added to those who naturally go that way to school from the North End are going to give both the police and workmen there a bad time. Above all, there is the danger to the youngsters themselves! It all adds up to a situation worth some thought and every expense to avoid.

The taxi driver's solution, relayed to the Star by Mr. Browne, is to move the railroad gates now operating at the Wedgemere by-pass to Common street and have them operate there while Bacon street is closed. The railroad is unwilling to let pedestrians use the Common street underpass without protection there as long as the trains are on the ground level. Their thinking is doubtless sound, but with gates, already in operation, a short way from Common street, moved to that location, the danger should not be great, nor the responsibility of the railroad involved.

In our first mentioning of this plan we admitted our total lack of knowledge of the technical aspects of the situation. It does seem to us that the plan is quite practical and should not involve too much expense. It should be well worth the trouble and expense to keep as many school children as possible out of the center during a period when that same center is likely to be a pretty busy place.

The Star in its zeal for assisting the movement to clean up the Aberjona made an incorrect statement in its caption under the picture of industrial waste published in last week's issue. The error was called to our attention last Friday and we are glad to do what we can to correct any misapprehension the picture and caption may have caused.

The picture showed industrial waste, which we said in our caption was flowing into the Aberjona River, which in turn winds southeasterly past Leonard Field Pool, at one point only some 30 feet distant from the beach and water.

Though not named last week, the waste in the picture came from the J. O. Whitten Company gelatin plant. Now the waste is there! It could not have been photographed if it were not, but as plant representatives pointed out, and as the Editor of the Star was able to see from the roof of the Whitten plant, it does not reach the river, but bends back in the shape of a U some 25 or more feet from the stream.

Plant representatives contend that there has been no movement of this dried industrial sludge since it originally overflowed a drying rack at the building and moved across a roadway into a company-owned field adjacent to the Aberjona. It is wet only when there is rain, and the only possibility of any of it getting into the river is when some may be washed in after several days of heavy rain. The Star was told that during such periods of heavy rain, under conditions as they have been, "everything gets into the river", and this is not hard to believe.

The water we saw flowing from the plant into the drying rack was as clean as tap water, and we were told it generally is that way, though there are times when it is colored a chalky white by lime used in some of the processes at the plant.

The Star was told at the plant that at no time does what is generally thought of as sewage get into the dry rack, or anywhere near the river. It was also told that arrangements are now being made to pump the quantities of clear water used at the J. O. Whitten plant for cooling directly into the river instead of into the sewers.

This water, of drinkable quality, except that it is warm, should aid conditions appreciably by increasing the volume of water in the river and adding to its flow.

The Winchester Hospital has just received The Ford Foundation's check for half of the Foundation's grant to help the hospital improve and extend its services to our community.

The total gift, of which the Winchester Hospital's check is just a

part, was, no doubt, the largest single disbursement of philanthropy in our history. Two hundred million dollars were set aside for voluntary non-profit hospitals across the nation to help them in the task to which they are dedicated, bringing to the American people the best care in the world.

Magnificent though this gift was, helpful though it will be to the Winchester Hospital, we cannot expect it to do the full job. It would be tragic indeed were our community's support for our hospital to be lessened by the amount of the Ford gift.

The Ford grant was conceived as "seed money," a gift which could result in a greater harvest of community understanding and support of the total needs of the modern hospital. The full job is still, and always will remain, the job of the community, the immediate beneficiaries of this essential hospital care.

The voluntary hospital is an example, not only of our charity toward each other, but it is also a bulwark of our voluntary system. The hospital is an essential social institution in our 20th century community.

It is a tribute to our good sense that we have not given up our individual primacy for reliance on government alone but that we have learned how to have government and free enterprise live in a mutually respecting and complementary effort.

The Ford grants give almost total leeway to the trustees of our hospital. They now have a responsibility to all of us to translate this gift into maximum benefits for our community. We are sure they will prove equal to this task.

The Selectmen have received from the MDC a huge book embracing the Commission's plans for greatly increased recreational facilities in Metropolitan Boston. Some of these plans vitally affect Winchester, and it is too bad that the Selectmen did not learn of a hearing held Monday of this week before a Legislative committee at which these plans were discussed and several persons were recorded in favor of them. None was heard in opposition.

It is quite unlikely that every community to be affected by the plans is whole heartedly for them. Winchester certainly will not be overjoyed at the Commission's plans for its role in the over-all picture.

As the Star understands it the Commission envisages greatly increased use of Mystic Lakes for recreation, with increased boating and bathing facilities there. This will be especially good news for the embattled householders of Everett avenue and Cambridge street, to say nothing of those who will have to fight their way through greater numbers of parked cars and bathers at an enlarged Sandy Beach. It is bad enough now!

Of even greater concern is the proposal to take Winchester's watershed and reservoirs for boating and bathing facilities at that point, and to turn that beautiful portion of Middlesex Fells into a big recreation park. Nearer town, off Border road, there is talk of turning open land into a municipal golf course.

These recreational plans are going to cost a thumping lot of money. (The book describing them must have cost a pretty penny), and you know where the money comes from! When local authorities talked with State officials about the joys of having an open sewer coursing through Winchester they were told of the extreme difficulty of getting funds to correct such a situation. Surely if the State has any doubts about getting adequate sewage disposal for a town like Winchester, it ought not to be planning to pay out millions to bring increased crowds into the town and create further waste to be taken care of.

With State taxes now at a high that is making it hard to do business, or even live in Massachusetts, with the apparently prevalent feeling that considerably more money must be spent in the State for schools and with a huge road schedule in the offing, it would seem that a good long look, to say the least, should be taken at these proposed increased recreational plans of the MDC.

Winchester wants to look them over carefully, you may be sure, and also to have an opportunity to be heard in connection with them. It was not through indifference or blind acquiescence, that the Town was not represented at that hearing on Monday.

## MUSIC HALL STILL FUNCTIONS

## AWAIT DECISION ON OPERATIONAL CHANGES

During last April residents of the Ginn road section complained to the Board of Selectmen that the Music Hall, which is all that is left of the old Edwin Ginn mansion on Bacon street, was being used for commercial purposes in a district zoned exclusively for residence. They also complained of the nuisance of service vehicles at functions at the Music Hall, for some years now in use as a place for wedding receptions, concerts and other social gatherings, and of traffic congestion in their neighborhood when the hall was being so used.

The Selectmen do not have jurisdiction over zoning violations, and their investigation convinced Mr. MacDonald that the hall was being used commercially, in that fees were charged for its use over and above the actual cost of operation. He notified the Selectmen to this effect, and also had several talks with the owner of the hall, former Selectman William C. Cusack of Lakeview road.

Mr. Cusack, who has developed and is developing the former Ginn estate, on which the Music Hall stands, and on which Ginn road is located, told the Star in the course of an informal conversation that he had originally planned to tear down the Music Hall when he removed the remainder of the mansion, believing the development of the property covered by the hall would bring him a greater return than the building.

Many, however, who saw in the hall a real community asset, urged him to retain the building as a place for social gatherings, concerts and other cultural affairs, and especially as a place for wedding receptions, for which it is particularly well adapted. The hall was not a part of the original Ginn mansion. It was added, and a fine pipe organ installed in it, as a place primarily for concerts, often given in the hall by the late Mrs. Ginn, who was an accomplished musician.

In response to popular demand Mr. Cusack decided to retain the hall, and it has been extensively used, for wedding receptions, and by local groups for musical, cultural and purely social gatherings. The famous official United States Army Band gave its memorable concert there a few years ago.

When he learned of the petition asking that the hall be closed Mr. Cusack took no immediate action, choosing to wait for further development. Meanwhile he told the Star he received both verbal and written requests to have the hall continue as it had in recent years.

Learning that the Building Commissioner felt that the hall could not be operated at its location as a commercial project, Mr. Cusack talked with Mr. MacDonald and first verbally, and later in writing agreed to make no charge for the use of the Music Hall, other than for the actual expenses of its operation. Those using the building for any purpose have to assume the actual cost of this use.

This latest development, and Mr. Cusack's agreement, have been forwarded to Town Counsel Vincent P. Clarke, who has taken the matter under advisement and will give the Building Commissioner an opinion. Upon this opinion will depend the next steps to be taken.

## GOOD WILL MISSIONARIES!

SWENBACK'S RESTAURANT  
ROW, SALEM WILLOWS,  
SALEM, MASS.

Editor of the Star:

Thursday, June 28, we had the pleasure of serving, 14 men, custodians of Winchester School Buildings. Each and every man was a good will missionary for the town of Winchester!

This was their fourth outing at Salem Willows and dinner with us, and from all indications they enjoyed their dinner and the relaxing environment of our Park.

It was our pleasure serving them. Sincerely,  
Herman R. Swenbeck

## QUIET "NIGHT BEFORE"

Winchester had a very quiet "Night Before" with only sporadic reports of illegally discharged fireworks to remind old timers of the bedlam that prevailed for a week before and after the holiday years ago.

At Police Headquarters not a single entry had been made on the blotter during the night, with no complaints and no arrests. At Fire Headquarters the same report was made, no fires and no false alarms. Things were very quiet around the center, the morning of the holiday with relatively little traffic.

While on patrol last Saturday night at 9:30 Officer Callahan discovered a good sized pane of glass broken in the Junior High School on the north side of the building. The schools have really been having a rough time of it with broken glass since vacation began.

CAN HELP!

As a modern house-  
wife, you probably  
feel at times as if you had to be  
a magician—manage the  
house, take care of the children,  
keep things running smoothly...  
and also be the family "banker."If part of your job is to see  
that bills are paid and accounts  
kept in order, then you need  
the help of a checking account here.When you pay by check, you save  
your time, and equally important, it's easy  
to keep your records straight,  
right in your checkbook.The

### HOOD ADDRESSED FLORIDA ROTARY CLUB

The Star is indebted to Retired Police Officer John J. Murray, now living in Clearwater, Fla., for the following report of an address given before the Rotary Club of Dunedin, Fla., by Gilbert H. Hood, Jr., of Everett avenue, vice president and treasurer of H. P. Hood and Sons, Boston, new owners of the Minute Maid frozen fruit plant in Dunedin.

"The danyankee has come to stay and offers you his friendship in appreciation for the hearty welcome that you have already given him," said Mr. Hood.

He told listeners that his firm is in the citrus business because they have always been interested in the distribution of quality foods. Hood's record as distributors of milk, cream, ice cream and other food products, it was stated, is an enviable one, which has progressed over the 110 years they have been in business.

Service is the fundamental objective, according to Mr. Hood, who stated that he represents the third generation of a family devoted to farming, dairying, and food merchandising. About 3,500 of the employees and producers were said to be stockholders in the company.

About two years ago the firm started delivering chilled fruit juice with the milk supply and decided they should not only be distributors of the product but producers as well. Consequently a jointly-owned company was formed to produce and distribute the fresh chilled orange juice.

Mr. Hood emphasized that the Dunedin plant is the largest he has ever been associated with. There are over 9½ acres of available floor space and it presents a real challenge. The success of the plant depends on a full supply of fruit which the firm understands is available providing the growers have confidence that there will be a continued market for their crops and they will receive good prices and proper service.

Mr. Hood said his firm will stand on its record as good buyers of milk from 7,000 milk producers.

He stated there is no limitation on the types of product that they can process provided there is a

sufficient demand to make the operation practical and at the same time sound and consistent with the other products they can handle.

He said there are some local disadvantages to overcome. At present it is found deliveries to most markets from Dunedin cost two to three cents a case more than from other producing centers in this area. The first challenge is to the Atlantic Coast Line Railroad to haul products out of Dunedin as favorably as their competitor can with products from other areas.

Mr. Hood feels there is a good labor market here and that the firm will be able to build up a fine organization. He said he is proud of the service record of his company over the years. There are some 6,000 employees of which nearly 900 have been with the firm over 25 years. Over 3,000 have been with the company more than five years.

#### WENTWORTH POSTS TO TANSEY

Faculty committee assignments for 1956-57 academic year at Wentworth Institute were announced today by H. Russell Beatty, Wentworth president.

J. Joseph Tansey, of 19 Canal street, former Selectman, instructor in English and Athletics, has been named to the Faculty Pension Plan committee, to the Library committee, to the Rooms for Out-Of-Town Students committee of which he is chairman, to the Athletics committee of which he is also chairman, and to the Orientation Program committee of which he is also chairman.

Mrs. Elsie Tompkins, a widely known resident of Winchester, after undergoing surgery at the Winchester Hospital, is now recuperating at her summer home in Lyndeborough, N. H. Mrs. Tompkins left the hospital last Friday, much improved generally, and was driven to Lyndeborough by her grandson, Sam Tompkins, a former Winchester boy who now makes his home in Lyndeborough.

#### NEWS FROM OFFICER MURRAY

The Star received this week a letter from Johnny Murray, former Winchester Police Officer, now retired and living in Clearwater, Fla. Johnny writes that he is feeling fine and looks forward to reading the Star each week.

He was expecting a visit from his brother, Henry, flying south, when he wrote, and after "Doc," a month's visit from his Winchester friends, Mr. and Mrs. Alfred Pullo of Stowell road, and their son and daughter.

John writes that the Walter Clafins are among his neighbors now, and that he is constantly running into Winchester people, either living or vacationing in Florida. He makes his home at 1223 E. Druid road, Clearwater.

## TWO N. E. PREMIERES

Two plays are having their New England premieres at the Tufts Arena Theatre this summer, "The Jacaranda Tree" by Alejandro Casona opening Tuesday night, July 10, and "The Great Gesture" by Rodolfo Usigli opening Tuesday, July 17.

Between them the Magic Circle for Children at the Arena Theatre is producing "The Man Who Married a Dumb Wife" by Anatole France, adapted for children by Edith Owen Steinberg. Mrs. Steinberg is directing the show which runs Thursday and Friday mornings, July 12 and 13.

Marston Balch is directing "The Jacaranda Tree," July 10 through 14, and John Woodruff, who lives on Sheffield road, is doing "The Great Gesture," July 17 through 21.

Every now and again you hear of dogs or cats being killed sums of money of greater or less size, and Winchester is not without its dog of importance, this one being a dog with a bank account at the Winchester Cooperative Bank. The dog would be Chula, Heitz, owned by Virginia Heitz, one of the bank's tellers, and the account is in Chula's very own name and all, a doggone good account!

Humanity's need for effective prayer will be emphasized at Christian Science services.  
Keynoting the Lesson-Sermon entitled "Sacrament" is the Golden Text from Psalm 137:14: "Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O Lord, my strength, and my redeemer."  
The importance of earnest prayer to God is brought out in readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, which will include the following (4:3-9): "What we most need is the prayer of fervent desire for growth in grace, expressed in patience, meekness, love, and good deeds. To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done."

## SCHOOL CUSTODIANS HELD OUTING

The custodians of the Winchester Public Schools held their annual outing Thursday, June 28, at Salem Willows, the group leaving the Junior High School at 8:30 in the morning.

Soon after arrival at the Willows Robert Fiore, in his capacity as Chief Chef, had his portable grill in place and the charcoal red hot, preparatory to serving well-cooked hotdogs, smothered in mustard and relish.

Peter Benson, president of the Custodians, took charge of the activities program, and soon had the boys pitching horseshoes with Henry Drown and Ken Pratt opposing Dan O'Donnell and "Skitchie Fiore" in the championship round.

Henry, in his final year at the Noonan, tried mightily hard to take the barnyard golf championship with him to Florida, but to no avail. The Scotch-Italian team of O'Donnell and Fiore was just too good. Pratt's ability as a square dancer aided but little in the battle for supremacy.

A very pleasant surprise occurred at mid-afternoon when in walked Fred Morris, all the way by bus from Boston. Needless to state, Fred got a royal welcome, and proceeded to retain with the greatest of ease his championship rating at checkers. Ben Cullen handled the card sharps at 45s with the same facility.

Dan O'Donnell captained the old timers in the subsequent soft ball game, with Oscar Johnson leading the youth movement. Seven innings of thrilling, if not expert, play resulted in a most satisfactory 24-24 tie.

"Skitchie" Fiore proved the only "he-man" at the outing, bringing along his bathing trunks and cooling off after the softball game with a dip in the briny. So delicious did he report the water that Patsy Mazzei removed his shoes and went in ankle-deep amidst thunderous applause.  
Dinner was delicious with the menu embracing everything good from steaks to scallops. Some of the more hardy souls continued the sports program after dinner with others enjoying a peaceful "snooze" in the grove. General regret was expressed that School Superintendent Harry Gilson and Building Custodian Tom Drapeau were unable to be present.  
Among those who were present were Al McKenzie, Dan O'Donnell, Ben Cullen, James Allen, Skitchie Fiore of the high school; Oscar Johnson, Patsy Mazzei of junior high; Ken Pratt of Mystic; Vernon Thimney of Parkhurst; Larry Keane of Wymond; Peter Benson of Lincoln; Henry Drown of Noonan and Bill Gibbons of Washington.

The past week opened with our new steward and his wife, Mr. and Mrs. Bernard Dwyer, who are doing their best to please everyone. The three point score races, Saturday and Sunday, were won by Clarence Borggaard, who seems to have developed a winning streak.  
On Wednesday, the Ladies under the direction of Mrs. G. P. Taggart and her efficient committee ran a most successful Desert Bridge, 27 tables were present. On Thursday evening, in the race, for the Jones trophy, Borggaard held the lead 'til the last quarter mile, when Herbie Alderson took over, with the aid of a lucky puff.  
In Saturday afternoon's point score race, Rodney Long with his Rebel looked like a winner, but Dickie Ivers beat him out at the finish. We noticed last year's champion, Jim Newman, was crewing for Rodney.  
In the turn about series, Heide Snow came in first and George Field second. On Sunday, with a strong wind, Dickie Ivers came in first in both races, though pressed hard by Rodney Long.  
In the turn about series, Ann Sheldar came in first, with Heide Snow second.  
A reminder to the ladies! The next bridge comes on July 11, under the chairmanship of the Commodore's wife, Mrs. Robert W. Armstrong.

## CARRY FAMOUS NAMES INTO NAVY

Herbert Hoover, Ty Cobb, Henry Ford and "Rocky" Marciano have forsaken their civilian occupations for the lives of sailors aboard the attack aircraft carrier USS Randolph.

In addition, Phil Harris, Wayne Morris, George Murphy and Robert Ryan are welding swabs and standing watches aboard the Randolph instead of starring in motion pictures.  
All of the people mentioned are sailors with names similar to those of the more famous and better paid civilian personalities.  
Herbert C. Hoover, a gunner's mate third class from Pittston, Pa., will probably never become president, but he does a fine job in the ship's gunnery department.  
Ty Cobb, R. Cobb of Dallas, Tex., never achieved a batting average of .367, but he's happy as an airman aboard the Randolph.

As a commissaryman first class, Henry W. Ford of Franklin, Tenn., will never make a million dollars, but his talents in the ship's galley are appreciated by the crew.  
And "Rocky" Marciano, really Joseph P. Marciano of Baltimore, Md., is a good man to have around the Randolph's operations department even though he's not likely to win the world's heavy-weight boxing championship.

While on patrol in Car 53 Saturday morning at 2 o'clock the suspicions of Officers John Boyle and William Callahan became aroused by a car parked on Pond street at the rear of the Texaco Filling Station at the corner of Cambridge and Pond streets.

Upon investigating they found a 15 year old Somerville boy in the machine, who police say, admitted stealing the car, owned by Herbert G. Carroll of 15 Grand View avenue, Somerville.  
The theft was made in Somerville and the youth was turned over to the police of that city.

### MRS. BERTHA R. CAMPBELL

Mrs. Bertha Ryder Campbell, widow of Alphonso S. Campbell, of 19 Ridgely street, died early Wednesday morning, July 4, at her home following a six months illness.

Mrs. Campbell was the daughter of Samuel J. T. (Pooley) Ryder. She was born in Plymouth, June 10, 1881, and as a young woman studied both art and music, her brother, the late Arthur H. Ryder, having been the Copley Society, the Salon of Allied Arts and the Winchester Art Association.

Though an accomplished pianist, she played only for her own satisfaction and the enjoyment of her friends. She was for some years a supporting member of the Little Symphony Group of Boston.

She was also a member of Trinity Church of Boston and a former member of the Women's Fortnightly Club.

On October 24, 1906, Mrs. Campbell was married in St. Stephen's Church, Boston. Her husband died in 1941.

She leaves two sons, Cortland R., of Grosse Pointe Park, Mich.; and Kenneth Campbell of New York City and a son-in-law, also five grandchildren.

Funeral services will be held Saturday afternoon at 2:30 at the Church of the Epiphany with the Rev. John W. Ellison officiating. Burial will be in Wildwood Cemetery.

### MRS. ANNIE J. IRELAND

Mrs. Annie J. Ireland, widow of Albert P. Ireland, a former Winchester school teacher, died Wednesday, July 4, at a nursing home in Somerville.

Mrs. Ireland was the daughter of Francis Stillman, and Sarah Johnson (Dexter) Richardson. She was born July 26, 1866, in Winchester in a house that still stands on Lake street and was educated in the Winchester schools and at Winchester High School, showing special aptitude as a pupil that she went directly from high school to teaching in the elementary schools of the town.

She was married April 16, 1895, and after her marriage lived in Newton Highlands. Her husband died a few years after their marriage, in 1902, and she returned to her home in Winchester and her teaching here, leaving town in 1914 to take up residence in Somerville and to teach in the Somerville schools until her retirement.

Mrs. Ireland leaves a daughter, Mrs. Helen Gertrude Reed of Guilford, Conn., a son, Harold Stone Ireland of New York City, two grandchildren, Roland Keene Reed, Jr., and Mrs. Nancy Fried; also three great-grandchildren.

Funeral services will be held this Friday afternoon at 2 o'clock at the Fudge Funeral Parlor in Somerville. Burial will be in Wildwood Cemetery.

### MRS. ALBINA F. TANSO

Mrs. Albina F. Tanso, wife of Charles Tanso of 92 Forest street, died at her home suddenly last Friday morning, June 29, at the age of 57 years.

Born in Boston, Mrs. Tanso was the daughter of Frank M. and Mary Kay (Leverone) Ercole. She had lived in Winchester for the past 17 years, previously having made her home in Medford. She was a member of the Italian Medford Women's Club, Italian Women's Republican Club of Boston and of the Sacred Heart League of Women.

Besides her husband, Mrs. Tanso leaves daughter, Mrs. Peter Benkus of Malden; two grandchildren, a sister, Mrs. John Germaine of Framingham; and two brothers, John Ercole of North Reading and Thomas Ercole of Medford.

The funeral was held Monday morning from the Lane Funeral Home with solemn requiem high mass celebrated at St. Mary's Church. Burial was in Oak Grove Cemetery, Medford.

## Rotary Honors Quigley

## "T. Q." Rotarian Of The Year

At the recently held annual meeting of the Winchester Rotary Club Thomas Quigley, Jr., familiarly known as "Tom", or "T.Q.", was elected Rotarian of the Year, an honorary title accorded each year to an outstanding member of the local club.

"Tom" is a charter member of the Winchester Rotary and has taken an active interest in the club and its work since its inception, working on the various club projects and vying each year with the "Homespun Boy", Al Elliott, in picking up "White Elephants" at the big Rotary Charity Auction.

"T. Q." was born in Winchester and has lived his life in the town. As a boy he lived in the house on the left side of Washington street above Swanton street later occupied by Mr. Harry Benson's family. Later he lived on Main street at the site of the present Bonnell Motors show-room and service station.

"Tom's" father, for whom he was named, was a Nova Scotia man. He came to Winchester as a young man and for more than 50 years had a contracting business in town. "Tom" worked for and with his father until 1905 when he bought the business, conducting it successfully from that time until he finally sold out his equipment and retired three years ago.

When Mr. Quigley acquired the business its headquarters were on Main street where Bonnell's now stands. He had the business only short time before he moved to his present address on Lake street, the expansion of the business making it necessary to have more room for garages and yard while the ledge on the Lake street property made it advantageous for contracting use.

During his years in active business he did the foundation work on many of the town's fine buildings, such as the May house on Myopia Hill, the Schraft and Downes estates on Myopia Hill, the old Baptist and Congregational Churches, and it was he who put in the foundation for the present Star Building.

For many years "T. Q." did work for the Town of Winchester. In the days of horse-drawn snowplows, the Town had one such winter, some 15 or 20 of them, from Mr. Quigley, and in 1916 he did the first truck-driven snow-plowing for the town, adding a truck a year for several years for his use.

Most, if not all of the heavy equipment used by the town in the old days, shovels, cranes, etc., were hired from Mr. Quigley.

One of the things Mr. Quigley is proud of is his former service with the Winchester Fire Department. He entered the department in 1897 and served for nearly five years, driving the two hose hitches and pulled hose 1, and acting as captain of the Hook and Ladder Company. In those days the apparatus driven by Mr. Quigley was housed in the old Central Fire Station located at the rear of the Savings Bank Building where the Police Station now stands.

"T. Q." has been much of a "jiner." Besides his Rotary affiliation he is a member of Waterfield Lodge, I.O.O.F., and like so many of his generation, was a member of the Calumet Club, captaining one of the club bowling teams.

Through the years "Tom" has seen some changes in Winchester, and he says, "helped to make some." He was a member of the Waterways Committee during the depression of the thirties, that cleaned the rivers both sides of the railroad tracks going north on Black Ball. He served on the Finance Committee and was the leader in the movement to have the Town purchase the Skillings estate, being proud of the fact that the motion picture "The Water Tower" was made on Lake street. He and the late George Davidson put through the purchase of the land for Wedge Pond Park at the corner of Lake and Main street. He was a member of the Water Tower Removal Committee that relocated the former Symmes Park water-tower, and he was a one-man committee who bought for the town the pipe shop for the Water and Sewer Department on Lake street. He and the late George Davidson put through the purchase of the land for Wedge Pond Park at the corner of Lake and Main street. He was a member of the Water Tower Removal Committee that relocated the former Symmes Park water-tower, and he was a one-man committee who bought for the town the pipe shop for the Water and Sewer Department on Lake street.

"Tom" makes his home on Lake street in the double house adjacent to his yard and his former contracting activity. Unmarried, he makes his home in one side of the house, at No. 56. His sister, Elizabeth, lives in the other side, at No. 58. Hale and hearty, he is around and about, always ready to chat in his terse way, and to answer questions about the old days, or the present. But don't ask him if you don't want to know how he feels about it!

The Star joins his fellow Rotarians in a salute to "Tom" Quigley, "Rotarian of the Year."

## SWIMMING NOTICE

The Park Commissioners have been notified by the State Health authorities that tests have shown the water of Mystic Lakes now safe for swimming, due to chlorinating the river. There had been no swimming at Sandy Beach and the Winchester Boat Club for the past two weeks after tests found the water unsafe for this sport.

## IMPORTANT NOTICE TO STAR SUBSCRIBERS

The vacation season is at hand and Star subscribers who want their paper to follow them to their summer homes or to the place where they are vacationing must notify this office. The post office will no longer return your papers to us with forwarding addresses, so your paper will continue to go to your home address unless you personally notify us where you want it sent during your absence from town.

## STRUCK — COON

Miss Roberta Louise Coon, daughter of Mr. and Mrs. James Hathaway Coon of 14 Norwood street, wore an heirloom gown of ivory satin and pin-cloth with an heirloom veil of Alencon lace and orange blossoms for her marriage on Saturday afternoon, July 7, to Henry Philip Struck, son of Mr. and Mrs. Henry E. Struck of Richmond, Washington. The ceremony took place at 4 o'clock at the First Congregational Church with the minister, Dr. Dwight L. Cart, officiating. White gladioli and carnations decorated the altar which was covered with a blue altar cloth. Miss Sylvia Smith played the bridal music.

Given in marriage by her father, Miss Coon had her sister, Miss Myra L. Coon of Winchester, as her honor attendant. Miss Terrell U. Coon of Winchester, small niece of the bride, was flower girl, and the bridesmaids were Miss Louise Gray and Miss Ann Hooper, both of Winchester.

The honor maid wore a dress of blue flowered organdy with matching hat and carried blue delphinium and yellow daisies.

The bridesmaid dresses were of blue organdy and they too wore hats to match their gowns and carried bouquets like that of the maid of honor. The flower girl wore a yellow organdy dress with a matching veil and carried a basket of rose petals.

Theodore Elliott, Jr., of Winchester was Mr. Struck's best man, and ushering were James H. Coon, Jr., son of Mr. and Mrs. H. E. Coon, and Robert Coon of Syracuse, N.Y., all brothers of the bride; and Timothy F. Harrington, Jr., of Winchester.

A reception was held after the ceremony in Chidley Hall of the church, with the mother of the bride, the bridegroom's sister, Miss Sue Struck, the bridesmaids and flower girl assisting in receiving.

Mrs. Coon wore a gown of cadet blue crepe and lace with matching hat and rose gladioli. Miss Struck wore a black and white silk print with matching hat and a rose and white corsage.

After a wedding journey Mr. and Mrs. Struck are planning to live for the present at Fort Hill, Orono, Maine. The bride is a graduate of Winchester High School, attended Hiram College in Ohio and graduated from Whitman College in Walla Walla, Washington. She is a member of Alpha Chi Omega sorority. Mr. Struck, who is an instructor in communications at Fort Hill, Oklahoma, received his A.B. from Whitman college and is a member of the Sigma Chi fraternity.

Mrs. Ann E. Lane, widow of Oscar C. Lane and a former resident of Stetson Hall, died Thursday, July 5, at the home of her son, Kenneth M. Lane, in Ridgewood, N. J., following an illness of several months.

Mrs. Lane was the daughter of James M. and Louise M. (Goff) Cushman. She was born May 14, 1874, in Taunton, and was educated at the Taunton schools and at Bradford Academy. She was married June 19, 1895, and came to Winchester from Taunton in 1913, living first at 20 Lawson road.

Later she lived at 20 Bacon street, and it was while at that address that her husband died in 1926. Following an interim spent in Summit, N. J., and in travel, she returned to Winchester in 1941, and lived in her home until she left town to take up residence with her son about a year ago.

Mrs. Lane was a member of, and active in the Unitarian Church, a member of the Fortnightly Women's Club, the Women's Republican Club, Winchester Country Club and Nashua Country Club. While in Taunton, she was a member of the Segregansett Country Club and of the Taunton Chapter of the Daughters of the American Revolution. She was also a life member of the Bristol County Historical Society.

Surviving are two sons, Kenneth M., of Ridgewood, N. J., and Robert C. Lane of Readfield, Me.; three grandsons, Robert M., of Miami, Fla., John S., of Ridgewood, N. J., and Hayward Lane of Readfield, Me., also three great-grandchildren.

Funeral services were held Monday afternoon at Meyer Chapel of the Unitarian Church. The minister, Rev. Robert A. Storer, officiated. Burial was in Wildwood Cemetery.

## "Sam" Murphy Elected State Commander Of American Legion

Robert F. "Sam" Murphy, one of the best known Legionnaires in Massachusetts, was elected State Commander of the American Legion in a thrilling convention that closed with a big parade in Boston last Saturday. Elected by the close margin of two votes, the New Commander reviewed the parade of 30,000 from the official Legion reviewing stand.

Murphy had previously been an unsuccessful candidate for State Commander. A member and past commander of Winchester Post, 97, he had served as county

## LITTLE LEAGUE FINAL STANDING—SECOND HALF DODGERS WIN BOTH HALVES; ALL STAR SELECTIONS

At the conclusion of the regular Little League season the Kiwanis Dodgers and Bonnell's Braves tied for first place, each having won 5 and lost 4, necessitating a play-off to determine the second half championship. The game was played off on Sunday, July 8th and was won by the Dodgers 7 to 5. The Dodgers having won both halves therefore, there will be no play-offs in the regular Little League. The Rotary's Yankees and the Moody's Red Sox both won 4 and lost 5 in the second half season.

In the Farm League, Jack Page's Lions also won both halves and so there were no play-offs in the Farm League either.

The All Star Team has now been picked for Little League Tournament play. The team will be handled by the Manager Arthur Johns and his assistant Gordon Peckham. Those players who made the All Star Team are as follows:

The Dodgers — Jack Page, Richard Bond, John Peckham, Richard Casalinova.

Braves — Rodney Gay, Paul Malloy, Thomas Mooney.

Red Sox — George Neville, Bob Hanley, Butch Franson.

Yankees — Mike Bellino, Jimmy Flaherty, Tom Callahan, Bobby Colclough.

Winchester's first tournament game will be played July 28th, at

the Winchester Little League Field. Winchester is the home team and the visitors will be Wilmington. The next game, if Winchester should win its opener, will be July 31st, and it is believed will also be at Winchester. If Winchester continues to win, the third game would also be at Winchester on August 2nd.

On the basis of the season's play, it would seem that Winchester should be well represented once again this year. Practice for the All Star Team will commence by national ruling July 15th, at the earliest.

Airman, Third Class, Peter T. Gamage, son of Lt. Col. Hall B. Gamage of 1 Everett avenue, has been assigned to the 3415th USAF Technical School at Lowry Air Force Base, Colo., as a student in the Dept. of Guided Missile Training.

## BOAT CLUB NEWS

In the first Junior race on Saturday morning, July 7, Anne Lege, after some nice sailing, with a good breeze, came in first with Freddie Thompson, second.

On the Fourth, Rodney Long took one of the races and Dickie Ivers, the other. Over 225 members and guests sat down to the 14th annual Clam Bake, under the direction of Commodore Bob Armstrong and his very efficient committee. There was plenty of clam chowder, lobster and watermelon for everybody.

In the Junior fishing contest, Ann Shidder ran off with first place with 23 fish; Sarah Shidder was 2nd, and Kevin Powers, 3rd. The youngsters splashed all day in a gigantic swimming pool, provided by the

waterfront chairman, Tommy Lege. Others contested in numerous games. The square dance was held on the black-top, and from the general enthusiasm, must have been a great success.

The sailors are getting ready for the Race Week at Marblehead, starting July 21, and making plans to attend the annual picnic at the Light-house on Sunday, July 22.

There will be a Bean Supper on Saturday night, July 14th, also outdoor movies on Friday evening, July 20, and the popular "Beach Coffee for women and children," 9:30 - 11:00, on Monday, July 23rd. This will be under the able direction of Mrs. Fred Schiffmacher.

This coming week, some of our top sailors are going to the Quasapaug regatta at Naugatuck, Conn., to try and regain the NBC Trophy captured by them last year.

## BOYS' JUNIOR TENNIS LEAGUE

Winchester's New England Junior Tennis League team got off to a winning start Tuesday, July 10th, at it edged Wellesley, 4-3. The matches were close at all positions with the deciding point garnered by Ricky Smith and Dave Hopkins in the final doubles match as they defeated Vay and Bachrach of Wellesley 7-5, 6-2. Smith also came through in singles, winning 6-3, 9-7 over Joe Vay.

Jim Reid, making his first start in league play, scored a decisive singles win and partnered Jeff Hills in winning their doubles encounter. The summaries: R. Smith (Win.) defeated J. Vay; W. Bachrach (Wel.) defeated Dave Hopkins, 6-3, 10-8; E. Rosenberger (Wel.) defeated Jeff Hills, 7-5, 6-1; Jim Reid (Win.) defeated A. Burgoyne, 6-2, 6-3; L. Hild (Wel.) won by default; Smith-Hopkins (Win.) defeated Vay-Bachrach; Hills-Reid defeated Burgoyne-Hild (Wel.) 6-3, 6-1.

FRED L. BOHN  
HEADS ELKS

Fred L. Bohn of Zanesville, Ohio, was elected Grand Exalted Ruler of the Benevolent and Protective Order of Elks at the Order's 92nd Grand Lodge Convention in Chicago, Monday, July 9. Bohn, who defeated Cyril A. Krenser of Lakewood, Ohio, will be installed at the closing session Thursday, succeeding John L. Walker of Roanoke, Virginia.

Mr. Bohn, 54 years old, is a partner in a plumbing and heating and supply firm. He was editor of the Zanesville "Signal" from 1928 to 1938. The fifth Ohioan to head the Elks since the Order was founded in 1868, Mr. Bohn formerly was chairman of the Grand Lodge's Board of Trustees and has held other high posts in the Order, in which he has been active since 1925.

Mr. Walker, the retiring Grand Exalted Ruler, reported to the convention delegates that the Order's membership gains and new lodges last year extended a record of uninterrupted growth since 1939. He said that the membership as of April 1, stood at the all-time high of 1,173,494, a gain of 23,818. Thirty-eight new lodges were organized during the year to bring the total to 1,762.

## AIR FORCE COMMISSIONS TO WOMEN

Women with college bachelor degrees can now receive direct commissions as officers in the Women in the Air Force.

It was recently announced by the Air Force that young women interested in executive careers will be commissioned second or first lieutenants depending upon their education, professional experience and age. These WAF officers will hold responsible positions in such career fields as personnel, administration, law, intelligence, psychological warfare, supply, comptroller and auditing.

Applicants must possess a baccalaureate degree, be unmarried (although there is no restriction against marriage after joining the Air Force), between the ages of 21 through 33 years, be a citizen of the United States, and be able to pass a medical examination, officer selection test, and personal interview.

WAF officers receive the same pay and allowances as male officers. A newly commissioned second lieutenant, for example, receives an annual base pay of \$2,667.60 plus a \$574.56 subsistence allowance and an \$820.80 rental allowance if government quarters are not available. These earnings are increased by regular periodic pay raises based on longevity and promotions.

Young women interested in the stimulating and rewarding work that this career offers, and in the opportunities for travel, adventure and security it provides can obtain any information they require by contacting Sgt. Al Raftopoulos, 49 High Street, Medford.

## EMMANUEL ALUMNAE AIDING

Emmanuel alumnae from Winchester are members of an active committee planning the annual Emmanuel College Night, Tuesday, July 24, at the South Shore Music Circus in Cohasset.

The featured presentation will be "Kismet," a musical Arabian Night starring Norwood Smith, Lee Venable, Joanne Spiller, Frank Foretta and many of the original Broadway company. It is the story of a dashing poet beggar and his romantic adventures in the fabulous days of 14th Century Baghdad.

Local alumnae helping to plan the event are Mrs. Bernard Hanley, Mrs. Henry Kiley and Mrs. John Driscoll.

## WHY NOT DREDGE RIVER?

Editor of the Star:

After reading the report of the committee that traversed the area along the Aberjona River, I could not help noticing that they neglected to mention the numerous piggeries that dot the landscape, in the North Woburn - Wilmington area. It is perfectly obvious that these piggeries drain into the river. So, among other things, this river is just a slop-run for these piggeries. In response to Mr. Jones query—What to Do? We can drain this river in the same manner that they drained the water from Cutters' Pond. Cutters' Pond was located in the Middlesex street, Horn Pond Brook road, Sylvester avenue and Canal street section. It extended down through the lowlands, along the present Horn Pond Brook, to the rear of Clark street and the rear of the present Town Yards. When I was a youngster, the only visible remains of this pond, were the Old Swimmer's Hole (of happy memory) appropriately named "Middle Deep," and the swamp further above.

My father (God rest his soul) told me about this pond. When I asked him, "What happened to the water?" he told me they drained off the water, when they dredged the Lower Mystic River.

During the past few years, I have had occasion to pass through Medford many times. Every time I passed over Craddock Bridge in Medford Square, I stopped and looked at the locks and dam. I asked the attendant the purpose of these locks. He said the purpose was to control flood conditions in winter time and for the passage of boats. I doubt if many boats pass through these locks in the course of a year.

It seems to me, that if they dredge the river below, it would control flood conditions and would enable Medford to reclaim a great deal of land. As we come up the river to the Mystic Lakes, the level of water could be regulated by the use of locks, dams or other devices. The most important part of cleaning up our own mess, would be knocking out the dam at Converse place. Draining this river and enlarging the sewer should make this valley a healthier place to live. It would also result in the reclamation of much valuable land from here to the North Woburn - Wilmington line.

As an afterthought, would it not be possible to run the trains underground if the water is drained off? The people in the Mystic Lake sec-

tion can tell you what they have to put up with, listening to the racket from the motor boats. Just imagine what it will sound like when the trains go rushing, whining and roaring overhead, sounding like a jet plane, flying too low. It won't make any difference which way the wind is blowing because you will hear it the loudest, the longest and the furthest on a cold, clear, still night and early morning. Which is most important health or wealth?

Sincerely,  
James P. Cullen  
66 Salem street

## MRS. JAMES BRUCE MCGOVERN

MCGOVERN — CARROLL

Wearing tissue silk trimmed with Chantilly lace, Miss Marjorie Ann Carroll, daughter of Mr. and Mrs. Walter J. Carroll of 11 Prince avenue, was married on Sunday evening, July 1, at St. Mary's Church to James Bruce McGovern, son of Mr. and Mrs. James I. McGovern of 48 Everett avenue. White gladiolus and carnations made an attractive setting for the 8 o'clock service which was read by Rev. Edmund Parker.

Miss Carroll was given in marriage by her father. Her gown was fashioned with a boat neckline, cap sleeves and a chapel train; and her Alencon veil was attached to a crown of seed pearls. She carried a cascade bouquet combining white gladiolus and roses with ivy.

Miss Anne Donahue of Arlington was maid of honor, and the bridesmaids were Miss Joan Patterson of Newton, Miss Grace Elliott of Waltham, Miss Sandra Corbin of Lynn and Miss Libera Principe of Pittsfield.

All the bridal attendants wore matching headpieces and shoes. They carried modified cascade bou-

quets of pink roses and dracene. William Duffy of North Andover was Mr. McGovern's best man, and ushering were Lane McGovern of Winchester and Gordon McGovern of Downingtown, Pa., brothers of the bridegroom; David Lawrence of New York City and John Roray of Winchester.

A reception was held after the marriage at the Music Hall on Bacon street with the mothers of the bride and bridegroom assisting in receiving. Mrs. Carroll, mother of the bride, wore blue lace over taffeta with pink accessories and a corsage of sweetheart roses. The bridegroom's mother, Mrs. McGovern, wore white roses and matching accessories with her shrimp-colored silk gown.

After a wedding journey to Nassau, Mr. and Mrs. McGovern will live in New York City.

The bride is a graduate of Winchester High School and of Boston University Sargent College of Physical Education. She has been teaching at Columbia High School in Chatham, N. J. Mr. McGovern, who is studying at Cornell Medical School, prepared at Phillips Andover Academy and graduated from Amherst College. He is a member of Beta Theta Pi fraternity.

THANKS WINCHESTER POST

Editor of the Star:

I wish to express my appreciation to the American Legion, Winchester Post No. 97, for having made it possible for me to attend Boys' State, at the University of Massachusetts, Amherst, Mass., from June 22nd to June 30th, as one of the representatives from Winchester High School.

The program consisted of highly intensified courses in the functioning of our state, county and city governments and presented an opportunity to observe the practical application of our American form of government, as well as the responsibilities and duties of good citizens. There was also a varied program of baseball, swimming, tennis and track. Not only did we learn a good deal but it provided a wonderful chance to meet and know boys from all over our state.

Again I want to say "thanks" to the American Legion for this tremendous week!

## NO ZONING VIOLATION

Editor of the Star:

I read your article about the Music Hall. To my knowledge as of this date I know of no violation of the Zoning By Law. Both the Building Commissioner and the Town Counsel advised me orally at 2:21 p. m. on June 1, 1956, at the Building Commissioner's office, that as of that time there was no zoning violation.

I have investigated traffic, parking and fire conditions on Ginn road. Following are reports bearing on these conditions from both the Police and Fire Departments: Town of Winchester Headquarters, Fire Department May 1, 1956

Mr. William C. Cusack  
2 Lakeview road,  
Winchester, Mass.

Dear Mr. Cusack:

On April 28, 1956, I received a telephone call at my home at approximately 4:30 p. m. from you to see if there were parking violations on Ginn road from a Fire Department point of view. I responded to the area and completed my investigation at 4:45 p. m.

From a Fire Department point of view I would say there were no violations. There was a green sedan, Mass. Registration 9910 parked on the westerly side of Ginn road at number 6 headed in the wrong direction.

Very truly yours,  
(signed)  
James E. Callahan  
Chief

Police Department

Winchester, Massachusetts April 30, 1956

Mr. William Cusack  
2 Lakeview road,  
Winchester, Mass.

Dear Sir:

In answer to your inquiry of April 30, 1956:

Ginn road was accepted as a Town Way under Article 14, the year 1954, and at this time there is unlimited parking both sides of said street.

Upon examination of our car listings find car bearing Mass. Reg. plates 9910 to be a 1953 Ford Coach, registered to one Muriel S. Barnes, 6 Ginn road, Winchester, Mass.

Very truly yours,  
(signed)  
Charles J. Harrold  
Chief of Police

The Music Hall was built in 1912 and from that year until 1924 there was no zoning in Winchester. It was used during that time for gatherings of a musical, social or cultural nature. Zoning regulations were adopted by the town in 1924, and from that year until 1946, with the Zoning By-Laws in force, the Music Hall continued to be used for gatherings of one sort or another. I personally paid admission there to a meeting of the League of Women Voters, and have a program of the event benefiting the League on that occasion.

I acquired the Ginn property in 1946, tore down the mansion house and subdivided the property into house lots and street layouts that have already added some \$650,000 worth of desirable taxable property to the town, and will eventually run these figures to the million dollar mark.

When I commenced work on the development down the Ginn property, it was publicly announced in the Star that the Music Hall would be retained as an asset to the social and cultural life of the community. I personally received at the time many strong requests for the retention of the hall from citizens of all walks in life. I have discussed the Music Hall with many town boards and officials, including the Planning Board, and have never met any opposition to its use as I have been using it from any of them.

It has been my purpose to continue the use of the hall. It would have been much easier and financially much more advantageous to me to have torn it down with the mansion house and sold the 100,000 feet of land on which it stands.

I was unwilling to do this because of my firm conviction that the Music Hall is a thing of beauty and a real asset to the community. No one could have bought land in my development not knowing the hall was there or not knowing how it had been used.

I live adjacent to the property I have been, and am developing. I would be the last to wish to do anything detrimental to the proper

development of that property or the section of the town in which it stands.

I have informed the Building Commissioner and the Town Counsel that I propose to continue the use of the Music Hall as a place where social, cultural and other meetings may be held. If this is not satisfactory to the Building Commissioner and Town Counsel I ask only that they tell me in what way the building can be operated to suit them. I stand ready to comply with their requests. At least ten police officers as-

signed to duty at Music Hall have signed reports stating they have observed no traffic or parking violations there. Some of these reports are on record at the police station.

There is also ample space for parking on the grounds of the Music Hall when it is in use. While nothing in the law prevents the use of Ginn road for parking there is no necessity for persons using the Music Hall to do so.

### PLAYGROUND NOTES

Rainy weather was responsible for cutting down much of the playground activities in the past week but conditions have been back to normal in the past few days with increases in the number of participants for each of the playgrounds.

Last Thursday, Jim McElholm's Leonard Juniors defeated Joe Cussen's Loring Juniors 6-0. Jack Brenner tossed them for the winners and also got one of his team's hits. Richie Casalinnova got a single but the big stickler was Paul Mulloy with a single, triple and a homer. Brenner had a no-hitter going into the final inning when Bob Colelough spoiled it by hitting safely. Jim Flaherty and Carroll pitched for the losers.

Friday's game between Craig Davenport's Ginn Intermediates and Joe Cussen's Loring Intermediates was rained out and will be played at a later date.

Rain also prevented the Leonard Juniors and West Side Intermediates game to be played and it has been rescheduled.

On Monday afternoon, the Sheila Gallivan West Side combined girls and boys softball team easily romped over Connie Snelling's Ginn

group by a wide margin. Playing on the winning side were Moran, Johns, Franson, Mahoney, Morton, Hendrickson, Birnie, Grady, Vinagro, Gay, Stout, Gray and Gaci. Those that played for the losers were John Donovan, Chris Green, Gail Snelling, Jonathan Green, Bill McEwell, George Snelling, Richie Keane, Reed and Peckham.

On Tuesday morning, Joe Cussen's Loring Intermediates won over Jim McElholm's Leonard Field unit by a 6-2 score. "Whipper" Smith pitched a two-hitter for the victors and was able to get a hit and score a run for his team. Dan Serieka was the big hitter for the winners with a single and triple and also crossed the plate for a pair of runs. Mike Bellino and Roger DeMinico were able to reach "Whipper's" slants for a single each.

Ruth Flaherty and her combined girls and boys softball team visited Sandra Lawson's Loring Field team and Leonard won 12-5 in a very interesting game. The winning team was made up of such future athletes as Susan and Judy Yore, Cathie Corkery, Arlene Coughlin, Marcia McLatchy, Richie Casalinnova, Bill Branley, Arthur Gallagher, Peter Mawn, John Cussen,

Dave Rowe, Ronnie Lynch, Charlie Pietrantonio and Mark Sullivan. Those playing for Loring were Phil Gallagher, Jack Gallagher, Joe Mawn, Barbara Diapella, Bob Branley, Richie Falletta, Roy Mulloy, Mickey McDonough, Phil Doherty and Mike Penta.

Gloria Mucera has the Arts and Crafts Department going in full swing and in the past week the youngsters have been kept interestingly busy in making such items as pot holders, bracelets, earrings and pins.

### WORKING AGE LOWERED

The State has lowered the age at which working papers are necessary from 21 to 18 years.

This means that persons over 18 do not need these permissive papers, a fact apparently not generally understood, since the School Department is getting repeated requests for such papers from young men and women who do not need to have them.

If you are over 18 you can work without State permission. Those looking for work, or hiring help should bear this in mind.

### PROMOTED BY SHELL OIL COMPANY

Donald Frederick Knowlton has been named merchandising representative for the Long Island, N. Y., District, it was announced today by C. F. Martineau, sales manager of the company.

Mr. Knowlton joined Shell in 1946 as a member of the Marketing Service Department. He has held various positions such as analyst and salesman up until the present time.

He served as a lieutenant (j.g.) during World War II. Prior to this he attended Harvard University from which he received his degree in 1946.

Mr. Knowlton lives at 108 Dartmouth street, Rockville Centre, with his wife, the former Polly Kimball of Winchester, and their three children, Judith, John and Richard.

**COMMONWEALTH OF MASSACHUSETTS**  
Middlesex, ss. Probate Court.  
To all persons interested in the estate of **ELIZA J. HUNTER**, now or formerly of Winchester, in the County of Middlesex, and said Commonwealth, or her heirs, devisees or legal representatives; Executors, Administrators, or assigns.  
Whereas a suit in equity has been begun against you in our Land Court, by FRANCES N. SWISHER of said Winchester, and we Command you, if you intend to make any defense, that on the fourth day of September next, which day is the return day of this subpoena, or within such further time as the law allows you to cause your written appearance to be entered and your written answer thereto lawful pleading to be filed in the office of the recorder of said Court at Boston in the County of Suffolk, do so; and that you do defend against said suit according to law, if you intend to make any defense, and that you do and receive what the Court shall order, adjudge and decree therein.  
Herein fail not, at your peril, as otherwise said suit may be adjudged, and orders and decrees entered therein, in your absence.  
The plaintiff alleges to be the owner of certain land on Lyndis Road in said Winchester, that there appears in the chain of title affecting said property a deed running from **ELIZA J. HUNTER** to **ROBERT T. EVANS** and **AGNES W. EVANS**, dated May 3, 1944 and recorded with Middlesex South District Deeds in Book 6788, Page 377, in which a mutual mistake between the parties exists in that the words "and" were omitted from the subject clause, and praying that said deed be reformed.  
And it appearing to the Court upon the suggestion of the plaintiff that the whereabouts of some of the defendants are unknown and they cannot actually be served with process, it is ORDERED that notice be given by publishing a copy of this order once each week for three successive weeks in the Winchester Star, a newspaper published in said Winchester, the last publication to be one month at least before the said fourth day of September next.

How spiritual understanding of God as divine Life brings increased strength and usefulness will be brought out at Christian Science services the Sunday.  
Scriptural readings in the Lesson-Sermon on "Life" will include the following: "The Golden Text is from John (8:28): 'As the Father hath life in himself; so hath he given to the Son to have life in himself.'"  
Among the selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (487:27): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the divinity reality of Life, its almightiness and immortality."  
The Golden Text is from John (8:28): "As the Father hath life in himself; so hath he given to the Son to have life in himself."

Now Offers You

### A Complete Savings Department

- VOLUNTARY SAVINGS PLAN.** For those who wish to make deposits and withdrawals whenever convenient.
- COMPULSORY SAVINGS PLAN.** A program to help you save systematically by setting aside a fixed amount each month—from \$1.00 to \$40.00. Joint accounts may save up to \$80.00 each month. As an incentive to help your savings plan work, a fine of 2¢ per dollar is imposed whenever you fail to make your monthly deposit.
- PAID UP SHARES.** Sold in units of \$200.00 each, appeal to those who wish to make a lump sum investment. Each paid up shareholder receives dividend checks by mail. Many re-deposit these dividend checks regularly in our voluntary savings plan thereby further increasing the rate of return on their original investment.

Choose the plan that fits your purse and purpose. All savings plans currently pay a dividend of 3%.

ing in her studies in the U. S., but

things including such sports as  
swimming, skiing and tennis elude  
her if she can help it.Helga and her companions in the  
program, Dieter Otti of Graz and  
Margarete Woelfel of Klosterneu-  
burg, were scheduled to arrive in  
New York July 11 and proceeded to  
New Windsor, Maryland, to partici-  
pate in the Brethren Service Com-  
mission's orientation program be-  
fore visiting the communities  
where they will live for the next  
year.The Burrows expect her at their  
home about September 1. She  
will have one schoolmate in the  
Burrows' older son, Bill, 14, a high  
school sophomore. The other son,  
Jack, is 9 and attends the 4th grade  
of the Parkhurst School.

## TRADERS DAY AUGUST 1

Winchester will observe Traders  
Day this year on Wednesday, Au-  
gust 1, and housewives will do well  
to mark this date on their kitchen  
calendars, for if the day runs true  
to form, it will be hard to do much  
of any shopping around town on  
that occasion.Winchester merchants have been  
observing Traders Day as a holi-  
day for many years. Originally  
the local business men made much  
of the occasion, with a big outing  
at Salem Willows, or Canobie Lake,  
or Bass Rocks, and a sports pro-  
gram and varied menu that had  
to be experienced to be believed.No one planned to get over Traders  
Day in the old days much short of  
a week, and even the hardier souls  
took three or four days of treat-  
ment with amica and bicarbonate  
of soda to get back to normal.The automobile and other re-  
creational facilities have changed  
all that, and now there is no con-  
sidered outing with the east side of  
the center competing against the  
west side business men, and water-  
melon, steamed clams, tonic and  
ice cream galore.Every one goes his own way in  
the modern Traders Day obser-  
vance, but the town will be just as  
tightly shut up on August 1, as it  
used to be in '99. Remember this  
and act accordingly.Merchants can get Traders Day  
Closing celebrations at the Star Office  
as usual.

## PLAYGROUND NOTES

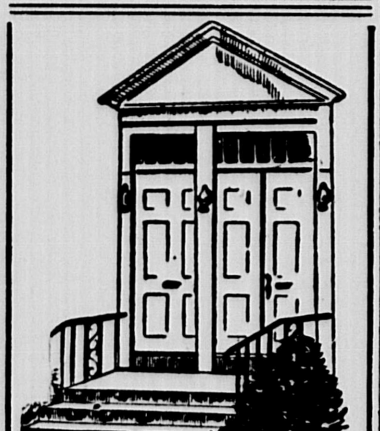

As you are reading this article the Winchester playgrounds are enjoying a Field Day against the Reading playgrounds in which there will be a baseball game for those up to ten years of age, another for those up to twelve, a third for those up to fifteen, a softball game for the girls up to the eighth grade and a kickball game for those of the elementary grades. This has been an annual affair and there has always been a lot of fun for all participants. All playgrounds are represented in the activities and those taking part have been selected by the instructors on the various fields. The results of these contests will be printed for you in this column next week.

## THE MOISTURE PROBLEM IN THE HOME GROUNDS

By Max G. Fultz  
(County Agricultural Agent)

With the coming of the warmer summer months the moisture supply will be a very important factor in the home grounds. Even though the situation does not reach a critical point and the over-all rainfall seems sufficient, the soil dries out more quickly. In our native soils, the sub-soil on the average is not too retentive and moisture depletes quickly. Soil that was well-prepared ahead of planting with ample provision for organic matter keeps a much more even moisture balance than that of poor texture.

Long-established lawns, and shrubs and trees that have been planted a long time, are more likely to get dry. The soil gradually loses its organic matter over the years unless it is replenished. In the lawn, it is hard to do, particularly if there was not plenty of material worked in ahead of seeding. Of much help in the lawn is to make the best possible use of the grass clippings. Except during extreme drought it is best to mow rather frequently so that the clippings may be left on without smothering the grass. Raking the clippings from the lawn may well remove one of the best sources of humus supply that we have. The grass should be cut relatively high with the mower set at 1 1/2" to 2". Cutting into the crown of the grass will damage it in dry, hot weather.

Around trees and shrubs and evergreens in particular, mulch is very helpful in conserving moisture and in increasing the organic matter. Mulch will also aid in keeping down weeds which in turn are excessive users of water. Almost any type of organic material is good as long as it will break down with relative ease. Peatmoss, straw, hay or leaves will do the job. Mulch should be placed in a wide, circular band over the operative root system of the tree or shrub, or if the plants are rowed it would be placed in strips up and down the rows. It should not be placed against the trunk or base of the plant because of the danger of making it a harbor for mice or other pests.

Applying water should not be delayed until the moisture is too nearly exhausted. Waterings, however, should not be too frequent. Soaking the soil well about once a week is the best procedure. One inch of water is a good application and less than one-half inch will not do too much good in dry weather.

## WINCHESTER WIGHTMAN WINNERS

On July 10, the Winchester Junior Wightman Cup Team defeated the Milton Junior Wightman Cup Team 6-0.

The scores were as follows:

**Singles**  
Jeanne McKenzie (W) defeated Regina Mitsch (M), 6-1, 6-2.  
Dottie Smith (W) defeated Mary Dacey (M), 7-5, 5-0.  
Mickey Doherty (W) defeated Betty Hambro (M), 6-4, 6-2.  
Ann Smith (W) defeated Carol Sevettore (M), 6-3, 6-2.

**Doubles**  
Jeanne McKenzie and Dottie Smith (W) defeated Regina Mitsch and Mary Dacey (M), 6-1, 6-1.  
Mickey Doherty and Ann Smith (W) defeated Betty Hambro and Carol Sevettore (M), 6-1, 6-4.  
This was the team's second victory, having defeated Arlington 7-0 on June 29, 1956.

## STAR ISLAND

A large representation of delegates from the Winchester Unitarian Church has been attending the conference on this interesting island ten miles out in the Atlantic off the coast of Portsmouth. Unitarians and Congregationalists have been holding summer meetings here for fifty years. Carrier pigeons are being used with success this year to notify the hotel how many passengers are on the boat which leaves Portsmouth every morning at 11:00. Pigeon fanciers all over the nation have shown great interest in this practical use of messenger birds.

During Youth Week, the following Winchester Unitarian young people were in attendance: Carol McLean, Susan Black, Jean Gross, Ellen Glowacki, Betsy Burton, Kenneth Brown, Sandra Dantona, David Eldridge, John Trump, Carolyn Hutchings and Jonathan Handy.

During Religious Education Week, Mrs. Ralph Lasselle served as Dean. Rev. Robert Storer and Mr. Bruno Visco taught the Junior and Senior High Teaching and Dramatics. Delegates from Winchester included Mr. and Mrs. Darwin Carroll and Judy, Mr. and Mrs. Richard French, Mr. and Mrs. Arthur Rich and Margaret, Mr. and Mrs. Leon Dantona and Susie and Sandra, Mrs. Lindsey Caldwell, Mrs. Peter Laban and George and Kary.

Through the generosity of the Women's Alliance, several scholarships were made available to the young people and the Church School teachers. Mrs. William Spaulding, president of the local Alliance, is in attendance this week.

During World Order Week, the Misses Mary and Catherine Spaulding, who have served on the committee, will be at the island. Scholarships for foreign students were made possible for this week by Mrs. Erwin Renz and a committee of ladies from the Winchester Unitarian Alliance headed by Mrs. Lewis L. Wadsworth, Jr., as chairman.

New construction practices may involve new hazards. It is reported that when lightning struck a farm house recently, insulated with a metal foil, the foil spread to every room and gutted the house.

## LOCAL MUSICIAN ATTENDS FRED WARING SCHOOL

Mother Jeannette Larossee, R.C.E. of Marycliff Academy, a director of choral and general music, is among a select group of more than 100 professional musicians attending the Fred Waring Music Workshop at Delaware Water Gap, Pennsylvania, this week. The six day, highly concentrated course is taught by the same instructors who train the famous Waring Pennsylvanians and is personally headed by Fred Waring.

Inaugurated in 1946 by Fred Waring, this is the tenth season for this unusual summer music activity that offers a unique meeting ground for the director of non-professional groups and the professional musician. Each summer, seven one-week courses are offered that attract a total of some 1,000 leaders of school, college, church, community and industrial music groups from every state in the country and Canada.

## WINCHESTER BOAT CLUB

## SNIPE SKIPPERS FAIL TO REGAIN REGATTA TROPHY

Last year, Harry Allen of the Quansapung Sailing Club in Connecticut, won the Winchester Boat Club Snipe Regatta and waited off with the Challenge Cup. In past years, winners outside of Winchester have returned the Trophy for resailing, but the boys down in Connecticut chose to stage a regatta of their own for this coveted cup this year.

Six of Winchester's able skippers accepted the challenge and set off to regain the prize. And although they didn't win any of the trophies or retrieve the cup, they came back with heads held high.

In every single race, and there were four including a tune-up, a Winchester Skipper finished in the first three. Rodney Long won one race, Dick Ivers scored a second and third and Jack Cummings also scored a second, a pretty nifty performance for our boys.

There were 39 boats competing and although Rodney Long was the highest Winchester scorer, placing 10th, Dick Ivers was the Winchester standout. Going into the final race, he was in fourth place, but a tough break at one of the markers which cost him disqualification, dropped him way down the list.

Only sour note of the safari was a broken mast suffered by Fleet Captain Borggaard's fine ship Rag-a-Bag during a squall. Other skippers who sailed included Cliff Austin, Peter Montminy and Dan Coakley.

Next Ladies Bridge Party is scheduled for Wednesday, July 25th. Co-Chairmen are Jean Mead and Rita Schmidt.

"Ed" Dalton of Water street is back around town after a vacation spent at Bear Point, Meredith, N. H. According to "Ed" that's the place for rest and quiet, but the mosquitoes there have all got their growth and have been around for a long time.

HELP WANTED—TO BEAT THE HEAT!

Are you spending this summer in the city? You're not alone.

Many children in our community have to stay in the city, too. By sharing some of your free time with them you can make their summer a lot happier, and have a wonderful time yourself.

At least two hundred volunteer leaders and counselors are urgently needed for Red Feather recreation centers and day camps here in Greater Boston. The centers are ready with varied and lively programs, but they must have more volunteers or some of the boys and girls may have to be disappointed.

If you can spare as little as a half-day a week won't you offer your services? You read stories to the little tots, help play games, assist with simple arts and crafts or take groups to parks and beaches. You'll have fun by joining in their fun.

Interested? . . . call the Red Feather Volunteer Service Bureau, Richmond 2-2000.

A truck owned by the Bartlett EGR Distributing Company of Georgetown and driven by Rodney Kerry of Georgetown, had its roof torn off last Friday afternoon when the operator tried to drive the vehicle under the railroad bridge on Cross street. Truck traffic has increased on Cross street with the overhead construction in the center, and though the bridge clearance is plainly posted, occasional accidents occur.

Two Winchester men were among the employees of the Monsanto Chemical Company, Everett plant to receive long-service awards this month. Mr. Seth U. Shorey of 35 Jefferson road received a ruby-studded pin for 25 years service. Mr. Albert Massaro of 4 Summer street received a gold pin for 20 years service.

## ON TO PORTLAND OREGON

A big second inning with 5 runs was sufficient for the Winchester Babe Ruth All-Stars to defeat the Watertown All-Stars at Victory Field, Sunday afternoon.

A well placed sacrifice bunt by Carl Arlanson and a triple by "Whipper" Smith were the high lights of this inning. Kevin Kelley had two hits and 2 runs batted in, he also pitched a fine game allowing only 4 hits during 6 2/3 innings. Bob Gray relieved Kelley in the 7th and struck out the last Watertown batter. Joel Peckham caught a fine game and threw out the only Watertown player trying to steal a base.

This is a strong team under the supervision of manager Sam Belino and Coaches Paul Connors, Tony Saraco and Bill Cruwys which will give a good account of itself in the State Tournament and we hope will represent New England and Canada in the World Series at Portland, Oregon.

## WINCHESTER MIDSHIPMEN ON CRUISE

Two Winchester Midshipmen 3/c, Francis P. Hurley, son of Mr. and Mrs. Frank P. Hurley of 107 Mt. Vernon street, and Henry A. Morgan, Jr., son of Mr. and Mrs. Henry A. Morgan of 184 Cross street, are among 3,000 midshipmen from the U. S. Naval Academy and the Naval Reserve Officers Training Corps of 20 colleges and universities participating in a training cruise in the Atlantic.

Midshipman Hurley is attached to the destroyer, USS Ross, and man's an anti-aircraft gun. He is a sophomore at the U. S. Naval Academy. Midshipman Morgan, also a Naval Academy sophomore, is aboard the heavy cruiser, USS Des Moines. He is shown in the photograph "shooting the sun with a sextant."

The cruise originated at Norfolk, Va., June 5, the ships participating being two battleships, two heavy cruisers and 16 destroyers. Ports in Sweden, Norway, Denmark, England and Germany, will be visited during the "at sea" training and the cruise will be climaxed with gunnery training at Guantanamo Bay, Cuba, prior to the return to Norfolk, August 2.

## EDITORIALS

The work on the overhead railroad moves right along, and blessed with good weather during much of the spring and early summer, the Maney Company has made excellent progress on a job that now looks as if it will be finished on time, or before schedule if the favorable weather continues.

Nearly every day the Star hears people say how much better conditions are, and have been, around the center than they had expected that they would be, and how much more expeditiously traffic has moved through the construction zone that it was feared would be the case.

The Maney Company can take a bow for this. At its own expense the company has provided eight police a day in addition to the regular police traffic details to ensure traffic mobility and more important, public safety. The Star can recall no mishap of any importance either to a motor vehicle or person resulting from the huge construction job being done. At Police Headquarters they too could recall none.

Not only has the Maney Company been to considerable pains and expense to safeguard Winchester pedestrians and motorists, but the Company has been most cooperative in acquiescing to little requests which the Selectmen have made from time to time for the convenience or advantage of the community. Wherever at all possible the Company has done things as near the way the town has wanted them as they could.

We should all remember this, for there is going to come a time, not too far distant, either, when things are not going to be so good. Closing the Bacon street by-pass is going to add to the congestion in the center, and as the work on the overhead nears completion it could very well affect the general public rather more than it has up to now.

If this is so, let us all have patience, and remember how well things have gone in the past. No one expected the overhead could be constructed without inconvenience. There has however been considerably less inconvenience than we expected. Now if we do not "have it so good", let us grin and bear it!

Winchester can well be proud of its fellow townsman, John Volpe. To have one of its citizens receive the Decoration of "Commandatore" of the Order, "Al Merito della Repubblica" from the land of his forebears, Italy, is an unusual distinction, both for the recipient and his community, and when the presentation of the decoration is accompanied by such laudatory remarks from those in high places about the person honored the honor bestowed becomes doubly significant.

The things said about John Volpe Monday evening at his beautiful home on Everett avenue by the Italian Consul, Girolamo Vitelli, who presented the award on behalf of the President of the Italian Republic; by Governor Herter, Mayor Hines of Boston and Rt. Rev. Msgr. Francis J. Lally, editor of the Pilot, official publication of the Boston Catholic Archdiocese, were good to hear, not only by Mr. Volpe and his family, but by the more than 200 associates and friends invited to his home to share in his honor.

Each speaker paid eloquent tribute to Volpe, the public servant, praising his ability, courage, integrity and his attention to duty. Each told of his incessant labors in behalf of the Commonwealth and stressed the hours he has given to making even more friendly the relations between the United States and Italy.

It is significant that the award was made as a token of appreciation of Mr. Volpe's constant and steadfast participation in all activities of the Italo-American community, and for his generous support of all initiatives intended to provide assistance and relief to the poor and needy, not only in the United States but also in the old country.

All this, we repeat, was good to hear, but even more gratifying were the tributes paid John Volpe, the man; "outstanding citizen," "exemplary public servant," "fine family man," "Christian gentleman!" The Governor's homely and warmly personal remarks to, and about Mr. Volpe emphasized his own feeling for the man who has served him and the Commonwealth so well as Commissioner of Public Works.

Over and above the praise of the dignitaries, and their obvious liking for the man they came to honor, was the open delight of the many friends who came to share his honor. It was everywhere apparent in smiling faces and tear-dimmed eyes. This was the supreme accolade. The joy of friends in the good fortune of a friend! We believe Mr. Volpe will agree he has received no higher honor than this!

## THOUGHTLESSNESS THE CAUSE OF BAD HABITS

Editor of the Star:

A special dispatch from Detroit to the "Boston Herald" on June 5, quoted Dr. Richard H. Overholt of the New England Deaconess Hospital as saying that "within 25 years one out of every 10 men will die of lung cancer due to a great degree, to smoking." A medical team studying the subject, reported that tiny specks of cancer are found in the lungs of cigarette smokers far more often than among non-smokers. "A microscopic examination of the lungs at an autopsy of 117 men showed that thirty-four, all smokers, had died of lung cancer. The other smokers and non-smokers died of other cancers."

An article taken from "Southwestern Medicine" and published in the March "Readers Digest" under the caption "Why Do Doctors Smoke?" states "it has been adequately proved that tobacco produces only harmful effects. It is time that the medical profession becomes at least consistent and begins to exert pressure to bring about a decrease in the use of tobacco."

The laboratory of the lungs was made to purify the blood brought there by the hemothorax heart from all parts of the body and to extract the vital oxygen from the inhaled air, infiltrating the blood with it, which is then returned by the left side of the heart to all the tissues from which it was brought for treatment.

The function of the nose and throat filter made by the Creator to clean the inhaled air before it reaches the lungs is impaired by the cigarette addict who blows a cloud of irritating, poisonous smoke through which the air must pass after it has left the filter. Did habits that nullify what is good for men impel Montaigne to exclaim: "Man corrupts all that he touches."

The mildest result of the cigarette habit is catarrh, hoarseness, cough and rhinitis; the most serious is cancer of the lungs.

From the "copy-cat" first cigarette the genesis of the tobacco habit to the enslaved addict is easy to follow. Beguiled by mimicry it seem to him the smart thing to do. Having become a victim of the senseless habit because it was considered the smart thing to do, why does one persist in it if he is aware of the fact that it is injurious, expensive and dangerous; that ninety percent of the fires are caused by careless smokers; that it is neither "victuals nor drink"; that he becomes a nuisance by compelling abstainers to become second hand smokers by inhaling his exhalations, especially in closed cars and at public meetings; and that he sets a bad example to thoughtless youth. "Childhood is the sleep of reason." "What has been sown in the mind of youth blooms and fructifies in the sun of riper years."

"Oh!" says the smoker, "it soothes and quiets my nerves and gives me rest." Then he has become an addict. The first cigarette didn't do it. The narcotics, heroin and opium do the same thing for the victims. The cost of the peace and rest this indulgence gives is far greater than anyone can afford. The alcoholic is ruined by the same craving, induced in the same way. "Habit is a cable; we weave a thread of it every day and at last we cannot break it."

The billions of dollars spent in this country every year for these unnecessary and harmful things would change the whole picture of the nation if they could be diverted to the welfare of all the people. Slums and poverty would be abolished; education in endowed colleges would be free to all; the dives would be closed and there would be more happiness in the homes. Add to these diverted billions money allotted to war—war where even the victor loses, one realizes how misery is largely self-inflicted. George M. Kofke said "every war is a national calamity whether victorious or not." "What fools these mortals be."

We must ever bear in mind that there are more good people in our country than bad although the bad get the headlines. We honor and are proud of the vast number of men and women who are giving their lives for the welfare of the people. Theodore Roosevelt said "No man is worth his salt who is not ready at all times to risk his body, to risk his life-being, to risk his life in a great cause."

Daniel C. Dennett, M.D., Winchester, Mass.

## REPRESENTED WINCHESTER AT SCOUT ROUNDUP

Editor of the Star:

I, Stephanie Hersey, Winchester's representative, was one of the 6,000 Senior Girl Scouts enjoying the fun and excitement of the first International Senior Girl Scout Roundup in the State Park of Michigan. Here, in the city of tents which sprang up over night, two weeks cooking all their meals (steak, lamb chops, chicken, etc.) on charcoal fires.

Girls were there representing every state plus Alaska, Hawaii, Virgin Islands, Puerto Rico, Norway, Denmark, Switzerland, Canada, England, and more. In my troop were three other patrols from California, Texas, and Ohio, while my patrol consisted of one girl from New Hampshire and one from Maine with the rest from different parts of Massachusetts.

We were all fortunate to have such famous people come and speak to us as Charlton Heston, movie actor; Jackie Coogan, famous woman flyer; Dr. Lillian Gilbert, mother of the twelve children in Cheaper by the Dozen; and the Mayor of Michigan. Since the President was unable to get out to see us we received a very wonderful letter from him and a message from his wife, Honorary President of the Girl Scouts.

How impressive it was to sit in the arena and hear 6,000 Girl Scouts sing part songs in perfect harmony, or to see jet planes, in salute to the Wing Scouts, fly so close it seemed almost possible to touch them, or to see so many girls sitting for a church service in a down-pour of rain.

All in all I am thankful for be-

ing able to have taken such a small part in such a big and important affair.

## U. S. JOBS RUN GAMUT, A TO Z

If it is true that "men must work, and women must weep," they at least may find a smile in the names and natures of some gainful occupations.

Listen to the lilt of the bushing-and-bung-boring-machine operator. And consider the image of the wrinkle-chaser in a boot and shoe factory, the joy loader in a coal mine, the pulpit man in a steel mill, or the stiff-leg derrick operator on a construction job.

These are but a few of the 60,000 names affixed to the 24,000 different jobs defined in the United States Department of Labor's Dictionary of Occupational Titles. The two-volume compendium, says the National Geographic Society, now lists the livelihoods of 80 percent of America's job holders—from archivist to assembler, from zangero (supervisor of irrigation ditches).

**Cheers and Sympathy**  
It recognizes many a laborer whose services might otherwise be taken for granted: the cracker-stacker, doll-eye setter, baseball glove stuffer, back-pocket attacher, bologna lacer, fan-mail clerk, and the ribbon-tier who makes red bows on Valentine's.

It also inspires sympathy for those who work under such psychologically hazardous titles as knee-pants operator, bag holder, teacher, bumper, knocker, neck cutter, on-and-off man, dieing-out machine operator, first faller and former man. Happily, on the up-lifting side, there's a backer-up bucket-up and build-up man.

Many job titles can mislead the innocent. The flapper, for example, is a male copper worker; the gandy-dancer lays and repairs railroad tracks. The hoarder shapes and removes wrinkles from nylon stockings, while the tipper dresses poultry. The keep-off girl, as like as not a friendly lass, searches insurance reports for suspicious losses. The chamberman, not a male chambermaid, makes sulfuric acid. The pretzel peeler loads raw pretzels on a conveyor belt.

A donkey doctor repairs donkey engines for the logging industry. A banking inspector peers at parts of watches. And a leg inspector eyes empty hose in a stocking factory.

The "sage" engineer, not necessarily wise, is a victim of the alphabet age. Actually a semi-automatic-ground-equipment specialist, he holds one of many jobs—such as the experimental-rocket-sled mechanic and the electric-eye-sorting-machine technician—created in the last 10 years.

**More To Come**  
Other new jobs listed in the latest Dictionary supplement reflect graphically the mood and manner of the times. To name a few: the automobile self-service attendant who runs a gas station, the launderette attendant, the cigarette-lighter repairman, the security officer, and the electrocardiograph technician. Jobs not yet listed but knocking at the Dictionary's door include the "listen-to-er" who lends her ear to people's troubles at \$3 an hour, the stick-man whose only function is to scare off anyone who might touch a welder working on the third subway rail, a hat ager who rumples hats for a Hollywood studio, and a "lost-kid finder" who rounds up stray children at fairs.

## GEOGRAPHIC ODDITIES AND BRIEFS

The Great Wall of China is thought by astronomers to be the only work of man that would be visible to the human eye from the moon. The structure is 2,000 miles long, says the National Geographic Society.

Horse racing, sometimes called "the sports of kings," became a favorite pastime in Greece at least 600 years ago before the Christian Era. It grew popular in England under King Aethelstan, more than a century before the reign of William the Conqueror.

One of the last remaining regions where giant gorillas survive in the wild is the high bamboo forest on the slopes of Belgian Congo volcanoes, says the National Geographic Society.

Children of some Berber tribesmen in North Africa wear pigtailed hanging from the crown of their otherwise shaven heads, says the National Geographic Society. According to tradition, the pigtailed enable angels to pull children up to heaven.

## FLOWERS BRING PROSPERITY TO CALDY, WELSH "ISLE OF SAINTS"

On the isle of Cald, off the south coast of Wales, Cistercian monks are distilling prosperity along with perfume from fragrant lavender blossoms that grow profusely there.

The new scent-making industry—whose delicate product is marketed in nearby mainland resorts as well as in the monastic community shop—is reported to be bringing a welcome addition to the monastery's modest income from exports of farm and dairy output.

With its broad green fields stretching behind a bold cliff front, Cald is both productive and scenic, says the National Geographic Society. Most of its 600 acres are under cultivation. Lilies, primroses, bluebells, purple thistle and golden gorse mingle with lavender to spread carpets of color amid more prosaic wheat, oats and barley.

**Ancient Farming History**  
Caldy's Cistercians of the Strict Observance (Trappists) follow a simple, austere regime of toil, meditation and prayer far removed from such feminine frivolities as perfume. But all garden and farm work is in line with the historic interests of this ancient religious organization.

Founded in 1098 as a Benedictine-reform offshoot, the Cistercian Order made major contributions to Europe's agricultural and stock-breeding progress during the Middle Ages. Dependent on the land for livelihood, the monks introduced practical improvements in farming techniques and methods of selling crops and livestock. To carry out their extensive operations, they set up a system of lay brothers to help with the endless chores.

Gradually, through successive periods of strength and decline, the Order spread around the world from its original home at Cîteaux, France. The monks of Cald, or Caldey as it is often spelled, moved there from Chimay, Belgium, in January, 1929. They bought the property from a modern religious group that had taken over the site from a private owner in 1906.

As the "Island of Saints," however, Cald's connection with monasteries goes back long before the 20th century. At least as early as the 6th century, Celtic monks lived on the island, known then as Ynys Ebor. Many early saints—including David, patron saint of Wales, and Samson, Cald's own patron saint—are reputed to have visited or served there.

**Medieval Treasure Hidden**  
For 400 years, from the 12th to the 16th centuries, Cald was the home of the Benedictines of St. Dogmaels. Several sturdy priory buildings still stand on this era, along with the even older St. David's Church.

Henry VIII's Dissolution of Monasteries ended Benedictine rule, and gave rise to a local legend of devotion and sacrifice. In the 16th century, says the story, a monk disguised as a peddler came to Cald with church treasure to be concealed from the king. A hole in the massive church wall was chosen as hiding place; and there, after he had been left alone with the stone and mortar, the faithful monk sealed himself in with his treasure.

Today, about 40 monks and 20 lay people—most of them retired, and all tenants of the Order—live on the island. Summer tourists, taking the two-and-a-half mile ferry from the mainland, are permitted daylight visits, but are restricted to the main trail, away from the secluded scenic areas.

For Americans, peaceful Cald holds a little-known footnote to Revolutionary history in Jones Bay and Jones Spring, named for John Paul Jones. While raiding British shipping in its home seas, the daring naval officer landed at Cald and from its spring took needed fresh-water supplies.

The father of the gasoline automobile in the United States was an inventor named George Selden, who applied for a patent on a "road engine" on May 8, 1879. Selden's patent dominated the industry until Henry Ford successfully challenged it in court in 1903.

Red squirrels voluntarily swim streams and lakes, including such waters as Lake George and the broadest parts of Lake Champlain, the National Geographic Society says.

Some 38,000 people live in the Indian Ocean's Seychelles archipelago, one of Britain's least known colonies. Only a few hundred are Europeans and of these more are French than British, the National Geographic Society says.

Walrus got their name from Norse sailors, who called them "hvalross," whale horse.

Parts of the interior of Alaska have temperature ranges of 170 degrees Fahrenheit—from 100 degrees in summer to minus 70 in winter, the National Geographic Society says.

Thousands of Americans visit Grand Canyon every year to marvel

at its scenic grandeur. But an early American explorer thought differently. He described the Canyon as a "profitless locality (where) there is nothing to do but leave."

Washington College in Maryland is the only one to hold that name with the consent of George Washington, the National Geographic Society says.

BRIEFS  
To foster international good will,  
Cleveland maintains a series of  
gardens in Rockefeller Park, each  
honoring a different national cul-  
ture, says the National Geographic  
Society. The project was begun in  
1926. Thus far, 16 of the Cultural  
Gardens are finished.Most of Pakistan's population  
live in East Pakistan, only one-sixth  
the size of West Pakistan. East  
Pakistan covers 54,500 square miles  
of jungles, rivers and alluvial  
plains, and provides a home for  
42,000,000 people.At Alert weather station far  
north on Ellesmere Island round-  
the clock daylight or darkness is a  
general rule, says the National  
Geographic Society. The sun never  
sets for 147 days a year, never rises  
for 145.New York Harbor boasts 24,000  
annual arrivals and departures of  
ocean-going vessels discharging and  
picking up cargo and passengers,  
more than any other port in the  
world. Each month 1,000 ships sail  
away.Clarke School for the Deaf at  
Northampton, Massachusetts, and  
New York City's Lexington School  
for the Deaf, both founded in 1867,  
started the movement in America  
to teach deaf children to speak and  
read lips, the oral method of edu-  
cation.The conquest in 1953 of the  
world's largest peak, Mount Ever-  
est, broke the spell that had guar-  
anteed other giants of the Himalayas.  
Italians in 1954 climbed K-2, sec-  
ond-highest mountain. Kanchen-  
junga (28,166 feet) and Makalu  
(27,790 feet) yielded in 1955.RADAR HELPS EASE  
TORNADO'S TERRORSThough science knows no defense  
against the spinning winds of a tor-  
nado, a new radar warning system  
may reduce the spring season's an-  
nual harvest of destruction.In a network of cities east of the  
Rocky Mountains, Weather Bureau  
observers scan radarscopes for the  
appearance of any distant squall  
line. Not every line bears a latent  
twister. But it is these frontiers  
of thunder, wind and rain that breed  
nature's most violent storm, the  
National Geographic Society says.  
When one is spotted an alert is  
flashed and hundreds of volunteer  
ground corpsmen begin watching  
for possible formation of the dark  
pilot cloud that swings down to  
earth as an elephant's trunk,  
wrecking nearly every thing in its  
narrow path. Even a few minutes  
warning saves lives.With Track Hurricanes  
The first widespread network of  
radar was established in Texas in  
1954. Since then the Weather Bu-  
reau has extended the system to  
other parts of the country.In the spring of 1957, the  
Bureau plans to complete radar in  
stations throughout the eastern  
United States. These will serve the  
dual purpose of tracking hurricanes  
as well as looking out for tornadoes.Dr. Morris Pepper, chief of the  
Weather Bureau's severe-storms  
research unit, attributes an ap-  
parent sharp increase in tornadoes  
to better reporting. "From our  
studies of the energies involved,"  
he said, "we know of no atmos-  
pheric changes that would cause  
more tornadoes."Tornadoes are a peculiarly Amer-  
ican problem and the continental  
interior is the favorite spawning  
ground. Most occur in spring and  
early summer when masses of  
warm, moist air drift northward  
and collide with cold, dry fronts  
from the Pacific.Attain Fast Speed  
Meteorologists know much about  
unstable atmospheric conditions.  
But no one knows the combination  
of factors that sends winds whirl-  
ing at speeds up to 500 miles an  
hour. An instantaneous cannot sur-  
vive the devastating wind, the vor-  
tex remains a mystery. Few  
people have looked up into the ter-  
rifying funnel of a tornado and  
lived to describe what they saw.Tornadoes can and do strike the  
same place more than once. Codell,  
a town in western Kansas, was hit  
three years in succession every May  
20. The approach of the date in-  
nervous Codell citizens to this day.The worst tornado in United  
States history combed a path across  
Missouri, Illinois and Indiana in  
1925, killing 689 persons and injur-  
ing 1,980 others.An earlier tornado thrust a pine  
plank through a steel girder on  
Eads Bridge at St. Louis. Legion  
are the stories of denuded chickens,  
straws driven into fence posts,  
water sucked from wells, and de-  
licate objects surviving the explosion  
of houses caught in the partial  
vacuum of the tornado's vortex.Tornadoes play many other  
curious pranks, but meteorologists  
discount the claim that one twister  
turned an iron kettle inside out.DOCTRINE OF FREE SEAS  
UNDERGOES A NEW TESTInternational jurists are seeking  
an answer to a puzzle as old as the  
saga of seafaring: How much ocean  
can a nation call its own?Under modern theory the high  
seas belong to everybody. By time-  
honored precedent a nation may  
control no more of its offshore  
waters than an eighteenth-century  
cannon could shoot—one league or  
three nautical miles. In actual  
practice nations throughout the  
world are putting "No Trespassing"  
signs on coastal belts extending  
from four to 200 miles from their  
mainlands.Some neighboring nations think  
that is bending the principle of  
freedom of the seas too far. Out-  
of-bounds waters present a particu-  
lar problem to far-ranging fisher-  
men and planners of hemispheric  
defense. In an effort to settle the  
intricate problems of oceanic geo-  
graphy, however, the United Na-  
tions this year will receive propo-  
sals from its International Law  
Commission for new rules befitting  
present-day conditions.Oceans Not Always Free  
World seas were not always free  
and common to all nations, the Na-  
tional Geographic Society says.  
Nearly every great maritime power,  
at one time or another, staked a  
claim over immense areas of water.  
In some instances alien ships had  
to call at certain ports, and pay  
ceremonial honor to the "mistress"  
of the seas.The first Phoenicians no doubt  
considered the Mediterranean Sea to  
be their exclusive highway. At the  
height of its power as a city  
state, Venice looked upon the Adri-  
atic Sea as a private lake and  
levied tribute upon foreign ships.  
The Roman Empire, after victory  
over Egypt, claimed the entire  
Mediterranean as Mare nostrum or  
"Our Sea."Ocean-grabbing became flagrant  
in the sixteenth century. Spain and  
Portugal literally divided up the  
waters of the New World. When  
Great Britain ruled the waves, the  
North Atlantic was referred to as  
the "English Sea." The right to  
claim sovereignty over high seas  
was not questioned.A Dutch jurist, Hugo Grotius, so  
forcefully enunciated the principle  
of freedom of the seas in 1609 that  
it was gradually accepted by all  
nations. His compatriot, Cornelius  
van Bynkershoek, is credited with  
popularizing the cannon-shot rule.Fishermen Barred  
Today, fewer and fewer nations  
accept the three-mile limit. It is  
unlawful, for instance, for foreign  
fishermen to drop nets within 12  
miles of Soviet Russia, Colombia, or  
Guatemala. Chile, Ecuador, Peru  
and 70-mile-wide El Salvador claim  
200-mile belts in the Pacific Ocean.While holding to the three-mile  
limit, the United States and a num-  
ber of other nations have reserved  
the right to exploit natural re-  
sources—chiefly oil and other min-  
erals—in the seabeds of their "con-  
tinental shelves." The width of the  
submerged rim of North America  
ranges from a mile off parts of  
California to some 200 miles off  
Cape Cod.GEOGRAPHIC ODDITIES AND  
BRIEFSBody heat of so-called "cold-  
blooded" creatures such as reptiles  
and turtles varies with outside tem-  
perature instead of remaining fixed  
as in mammals and birds.Thomas Jefferson had 54 house  
servants at his Monticello home in  
Virginia. Although his latter years  
were troubled by financial difficul-  
ties, he managed to keep up the  
mansion and a smaller place. After  
his death, however, Jefferson's fur-  
niture, silver, pictures, and even  
Monticello, were sold to pay his  
debts.Eskimos, born and reared near  
the water, almost never learn to  
swim—the water's too cold, says  
the National Geographic Society.The behavior of birds is governed  
by a built-in control system, says  
the National Geographic Society.  
Instinct tells them when it is time  
to assemble in flocks, to migrate,  
to stop migrating, to sing, to fight,  
to mate, to build a nest and lay  
eggs.Ancient Romans called an  
orange-yellow metal, mined on  
Cyprus "Cyprum aes," or Cyprian  
brass. From the Latin term, later  
contracted to "cuprum," came the  
English word "copper."When Lansing, Michigan, became  
the Wolverine State's capital in  
1847, it was a frontier clearing with  
one log house and a sawmill. Legis-  
lators chose it, half jokingly, after  
rejecting more populated townships,  
says the National Geographic So-  
ciety.HOT WEATHER TIP

WINS ITALIAN DECORATION

Public Works Commissioner John A. Volpe of Winchester receives the Commendatore of the Order Al Merito della Repubblica, one of Italy's highest decorations for foreign citizens, while Governor Christian A. Herter and Boston Mayor John B. Hynes stand by to offer congratulations. The decoration was awarded by president Giovanni Gronchi of Italy and presented by Italian Consul-General Girolamo Vitelli at a ceremony in Mr. Volpe's home on Monday evening. Left to right are Mayor Hynes, Consul Vitelli, Commissioner Volpe, and Gov. Herter. The award was for his "genuine interest in Italy and in all problems of mutual concern to the United States and Italy."

## GERRIOR METROPOLITAN MANAGER

John F. Gerrior, former manager of the company's Revere district, has been appointed manager of the Metropolitan Life Insurance Company's Arlington district office at 707 Massachusetts Avenue.

Mr. Gerrior succeeds Ralph F. Harney, who recently retired after 40 years of service with the company. Mr. Gerrior began his Metropolitan career as an agent in 1935, and later served as a district office assistant manager, field training instructor, and territorial field supervisor before his appointment as manager of the Revere office in 1953.

He is a member of the Boston Life Underwriters Association and the West Roxbury Kiwanis Club. He is married and has three sons and a daughter.

As manager of the Arlington district, Mr. Gerrior will be in charge of a district comprised of the following towns: Arlington, Winchester, Belmont and Stoneham.

Are you totally disabled and unable to work? If you have been totally disabled for at least six months and are still disabled, you should get in touch with the nearest social security office and inquire about the disability freeze provision in the social security law. This provision can protect your right to benefits as well as permit higher payments to you and your family in the future.

## TAKES OVER TAILOR SHOP

Louis Mercurio of 472 Main street, Woburn, whose skill as a tailor was developed in Rome, Italy, where he conducted a custom tailor shop for men and women until 1953, has taken over "The Tailor Shop" in the Gorassi Building in Woburn Center opposite the Strand Theatre, previously owned and operated by the late James Principato.

Since coming to this country in 1953, Mr. Mercurio has worked as a designer of clothes for men, women and children, and has specialized in fitting clothes. While in Italy in 1947, he received first prize in the exposition of design and custom made clothing. In 1951 he received a citation from the National Association of Designers in Milan, and in 1953, just before coming to the United States, he received honorable mention for his entry in the Milan Fashion Show.

Mr. Mercurio is married and has two children, Anna 9, and Lucia 3. His new shop is now open and all who like fine tailoring are invited to bring their problems to him.

# THE WINCHESTER TOASTMASTRESS CLUB

## A BRIEF HISTORY

About twenty-five years ago Mr. Ralph Smedley, a Y.M.C.A. worker in Santa Ana, California, organized a Club for the purpose of helping the young men at the Y.M.C.A. learn to express themselves when speaking before a group of people. He named his Club "The Toastmasters," and the Club was so successful that Mr. Smedley was soon deluged with requests for help in organizing Toastmasters Clubs. Toastmasters International soon spread over the western United States and moved rapidly eastward. It was the wives of some of these Toastmasters who organized the first Toastmistress Clubs. Articles of incorporation were signed on May 23, 1938 and International Toastmistress Clubs, Inc., became a reality on October 29, 1938, at a meeting at the home of Ernestine White in San Francisco, California. The first international officers were: President, Ernestine White; Vice

President, Vera Hansen of Palo Alto; Secretary, Edna Thorne of Salinas; and Treasurer, Mildred Hunt of King City.

The first Toastmistress Club on the East Coast came into being on February 12, 1948 at the home of Edna Crede, at 14 Brookside avenue in Winchester. Eighteen very enthusiastic homemakers were present at that first meeting. A nominating committee was appointed, a program was planned for the second meeting to be held at the home of Lou Leaf, 15 Chisholm road.

At the second meeting the following permanent officers were elected: President, Edna Crede; Vice President, Elizabeth Choate; Secretary, Lena Smith, and Treasurer, Violet Curtis. Lou Leaf was appointed Program Chairman. Thereafter meetings were held every second and fourth Tuesday of the month.

On March 4th, the first Board Meeting of the newly elected officers and the Program Chairman met to discuss the possibility of applying for a charter, to draw up recommendations for dues and to draft By-Laws for the Club. The By-

Laws were accepted by the Club on March 23, and by the I.T.C. By-Laws Chairman on June 26th.

Mrs. Raymond J. Beech, international By-Laws chairman, and former International Club President was present at the Hotel Vendome in Cambridge on September 28, 1948 to present the Charter to the Winchester Toastmistress Club.

On January 11, 1949, the following officers were installed: President, Rae Bagley; Vice President, Helen Pietz; Secretary, Alice Caldwell; Treasurer, Ruth Kelley; and Club Representative, Edna Crede. Installation night on June 28, 1949, brought the following members into office: President, Helen Pietz; Vice President, Hilda Hope; Secretary, Paula Bennett; and Treasurer, Zelma Schwartz.

On the occasion of the Club's first anniversary, a very successful demonstration meeting was held at the Hotel Vendome in Boston. This meeting had been preceded by a number of radio broadcasts by some of the members of the Club. This was responsible for the many interested guests who attended the meeting.

The following new officers were installed in January 24, 1950: President, Hilda Hope; Vice President, Zelma Schwartz; Secretary, Mae MacDonough; and Treasurer, Hope Powell.

On May 9th, a joint meeting with the Toastmistress Clubs of Quincy and Wellesley was held at the Winchester Public Library. Members of each of the three clubs participated in the program and helped make it a most stimulating and enjoyable evening for everybody.

Many of the members will remember with pleasure the Club's Guest Night, on May 23rd, at Mrs. Jones' beautiful home on Central

street, Winchester. Old friends and former members of the Club were guests of honor and it was very gratifying to have so many of them present at the meeting and to take part in the program.

June 27th, was installation night again and the following officers were installed: President, Zelma Schwartz; Vice President, Lillian Last; Secretary, Ann Mootz; and Treasurer, Edna Brownell. Recording Secretary, Olive Anderson.

On November 4, 1950, the New England Council of Toastmistress Clubs was founded at a meeting at the Hotel Vendome in Boston. Clubs taking part in the organization of the new Council were: Winchester Toastmistress Club, Quincy Toastmistress Club and the Wellesley Toastmistress Club. A fourth Club, the Malden Toastmistress Club, was admitted soon thereafter.

## FISHER CHOSEN

Directing Red Feather fund raising in Greater Boston's independent schools this fall will be Albert L. Fisher of 6 Bacon street, Winchester, dean of Fisher Junior College, Boston. His appointment is as a group chairman in the White (mercantile) division of the 1957 Red Feather Campaign.

Winchester Red Feather agencies participating in the drive are the Winchester Community Chest and Council, District Nursing Association, Home for Aged People, Society of St. Vincent de Paul, and Winchester Hospital.

Mr. Fisher, who has served in previous Red Feather drives, is a board member of Somerville and Greater Boston Family Service Associations, both Red Feather agencies.

He was graduated from Harvard School of Education and is a member of the Boston Advertising Club and Somerville Kiwanis.

Residing at 6 Bacon street, Mr. Fisher and his wife, Dorothy, have two sons: Peter, 20, a naval air cadet, Stephen, 16; and a 13 year old daughter, Suzanne.

## U.S. COUPLE'S "PRICELESS" MISSION

Ed. Note.—The following from "The Yorkshire (England) Observer" for July 2, 1956, should prove of interest to the friends of Mr. and Mrs. Morey, who have lived in Winchester at 10 Salisbury street for many years.

A gleaming 20 ft.-long American Cadillac car attracted attention in the quiet village of Pool-in-Wharfedale yesterday, far from the usual American tourist routes.

But, said the driver, Mr. Richard T. Morey, a 68-year-old retired paper merchant from Winchester, he and his wife are on a trip that could not be bought for a million dollars.

During the war they entertained in their American home 171 men of the Armed Services of the British Commonwealth who were training over there. Some stayed only a couple of days with them, but the friendships have survived the years.

## Kept Card Index

Mr. Morey said: "We have kept a complete card index of all our boys. We send them Christmas cards. We know all their birthdays, who they married and how many children they have got. Now we are making a three-month tour to see as many of them as we can."

Mr. Morey went on: "We have arranged to visit more than 40 in each, and stay a day or two with each. Our trip will take us right round Britain to places as far apart as Glasgow and Cornwall. We want to meet all the boys' wives and see all their children—and add a lot more birthdays to our mailing list."

## "Grand Couple"

At Pool the Cadillac stopped to rest outside the semi-detached home of Mr. William Marshall, Wharfe Crescent, an ex-Fleet Air Arm pilot. "I stayed only four days with Mr. and Mrs. Morey 13 years ago, but I have never forgotten them," said Mr. Marshall. "They were the grandest couple imaginable to all the English lads."

## Askern Today

Last night Mr. and Mrs. Morey stayed in at Otley hotel. Today they continue their goodwill mission to Askern, then to Sheffield, and on to Birmingham, Bristol, Oxford, and on to London, where they will have a trip to Norway, Sweden, and Denmark before returning to the States early in September.

## HACKETT GRADUATES

Mr. William Hackett, formerly of Winchester, recently graduated from a nine-month Air Defense Computer Training Course at Kingston, New York, under the auspices of the Military Products Division of the International Business Machines Corporation.

Son of Mrs. Ida Hackett of Kingston, N. Y., Mr. Hackett has been assigned to an Air Defense Installation at McGuire Air Force Base, Wrightstown, New Jersey, site of one of the Sage Air Defense computers being manufactured for the Air Force by IBM Military Products Division at Kingston.

## ON BUCKNELL LIST

Carle Clarke Zimmerman, Jr., of Winchester is one of 284 students who have been cited on the dean's honor list for scholastic achievement during the second semester of the 1955-56 academic year at Bucknell University.

Son of Prof. and Mrs. Carle C. Zimmerman of 6 Cliff street, he received the degree of Bachelor of Science in Chemical Engineering, Cum Laude, at graduation exercises in June.

Only those students who achieve a high average in their studies are named on the honor list.

## JAPANESE BEETLE WILL BE ACTIVE SOON

By Max G. Fultz  
(County Agricultural Agent)

Gardeners may expect to be facing soon the summer phase of Japanese beetle attacks. We have pointed out before the importance of chemical grub proofing of lawns and other areas. Also, the idea of community infection of the grubs with the milky spore disease is a very practical one.

Summer control is less simple because the adult beetle is a very general and voracious feeder. It attacks about 250 kinds of deciduous fruits, shade trees, shrubs and garden flowers. Not all vegetables are attractive to the pest. It was formerly somewhat rare in Massachusetts and in this area. It has built up rapidly in recent years, however, until it now occurs in practically all communities in eastern Massachusetts.

In appearance the Japanese beetle adult is beautifully colored a metallic green with coppery shining wing covers. It is oval in shape and about one-half inch in length. They often cluster up in feeding on plants that are susceptible to the pest is the basic control. DDT is best for general protection of plants where no problem of residue is involved. It should never be used on fruits or vegetables closer than four weeks to harvest. Rotenone or rotenone-pyrethrum combinations may be used on ripening fruits or close to harvest. Methoxychlor is somewhat safer than DDT, and malathion will deteriorate completely in time. The directions on the label should be carefully followed. Light applications, made often, on flowers or fruits is the best control.

Old flowers or bruised, decaying, over-ripe fruits should be regularly removed. On roses or special flowers some remove the buds at the peak of beetle activity. Screen-

ing is resorted to on choice flowers and fruits. Vigorous plants are relatively unattractive to the Japanese beetle.

## ARCHIBALD VICE-CHAIRMAN

H. Kimball Archibald, of Winchester, treasurer and Sales Engineer, Hayes Pump & Machinery Company, Somerville, will serve as a community vice-chairman of Bedford, Winchester, Lexington, and Woburn in the North Metropolitan division of the 1957 Red Feather Campaign, Leonard C. Tims, division chairman announced today.

Mr. Archibald, who has been an active worker in Red Feather Campaigns for a number of years, served as Winchester community chairman in last year's drive.

He lives at 5 Penn road, Winchester, with his wife and four children: David K., 22, Janet L., 20, Margaret E., 20, and Lawrence I., aged 10 years.

## JOINS "OLD SALTS CLUB"

Mr. Edward Narberg of 4 Blossom Hill road has recently become a member of the Old Salts' Club of Hampton Beach, N. H. This club in its third year, is sponsored by the Hampton Beach Chamber of Commerce and was formed to honor fishermen and fishermen landing a "real fish." The fishing fleets go out twice a day from each of two piers and some fish are brought in just by casting from the jetty.

Mr. Narberg won his membership in the Club by catching a 24 lb. pollack from one of Smith-Gilmore's boats and is proudly displaying his membership card, a red and gold emblem and a certificate of achievement.

This catch puts him into the 1956 Hampton Beach Fishing Derby. Awards will be made the evening of August 31st for the prize fish caught in the Hampton area waters.

### LIONS CLUB NEWS

The first cook-out of the summer was held by the Winchester Lions Club on Monday evening, July 16, at the home of Past President Peter Marchesi on Swanton street.

After the barbecued chicken with all the fixings, which were deliciously prepared and served by Anne Marchesi and Louise Lewis, President Dick Rogers called the meeting to order out in the open. Under a clearing sky and with charcoal embers still permeating the odor of barbecued chicken, the members discussed many worthwhile projects to raise money for the benefit of the Lions' Projects funds.

Howard McBride was initiated into the Lions at this meeting. He is the owner of a new business in Winchester, is married, lives in Malden and has been very active in civic enterprises, especially in the Little League in Malden. The Lions welcome "Howie" and they feel certain that he will be a credit to the Winchester Lions Club.

Past President Peter Marchesi reported on the Lions International convention which was held at the end of June at Miami Beach, Fla. During the meal he passed around some souvenirs that he picked up on his trip to Florida and they were thoroughly enjoyed by the members.

All in all, an enjoyable evening was spent by all and it is the hope of the members that more cook-outs are being planned by the Program and Entertainment Committee.

### MORE ON SCHOOLROOM PAINTING

The following from the pen of "J.L.F." in the Maryland News for June 22, 1956, was sent us by a friend in Montgomery County interested in having the Star publish the other side of the story that has arisen in connection with the alleged hiring of a \$50 a day color consultant by the Montgomery County Board of Education.

We have already printed two stories about this color consultant, sent us from Montgomery County, the local interest being that our former Superintendent of Schools, Dr. Forbes H. Norris, holds a similar post now in Montgomery County, and the color consultant in question, who is also described as a school principal in the county, formerly worked for the Winchester School Department during Dr. Norris' incumbency here.

The Star is always glad to print both sides of a controversy, and is taking no sides in whatever such there may be in Montgomery County. Fifty dollars a day seems quite a price to pay for advice on painting schoolroom walls, but we wouldn't know about such things, education-wise, and apparently the Montgomery consultant, Dr. Mildred Landis, got no such stipend here.

The School Department files show she signed a contract in the spring of '46 to work for the School Department as an art consultant at a stipend of \$1,000 a year, and she signed a new contract at the same figure for the next year. So far as the Star could learn she did little, if any, supervising of schoolroom wall painting while in Winchester.

Following is the article headed "Ednotes" of which we spoke above:

### EDNOTES

BY J. L. F.

Some light on the dark carryings-on about the Board of Education's \$50-a-day color consultant, her pay, her procedure and procurement.

Last week, downtown newspapers carried a story about the "discovery" of a color consultant retained by the Montgomery County Board of Education at the rate of \$50 per day.

The implications were those of intrigue, book-juggling, fact-shielding, and all other dark, vague and improbable connotations.

The particular "break" of the story seemed more than a coincidence. At the very meeting that

the color consultant's fee and duties were questioned, the Board has been justifying its budget requests. "It was a dandy piece of cheese, as some of the non-men grabbed at it."

"From early reports, the School Board was guilty by implication. They had padded the payroll. They were paying exorbitant sums for unauthorized duties."

"It was an incomplete and largely treacherous piece of reporting. Its dangerous and intended result was that every reader read between the lines all the baseless implications the reporter intended."

"This is the complete story. In 1945, Dr. Forbes H. Norris, Superintendent of Schools, had a corresponding position in Winchester, Mass."

"Winchester is a residential area near Boston. It is about six miles from Harvard University and approximately the same distance from the Massachusetts Institute of Technology."

"At that time, Dr. Mildred M. Landis, the color consultant in question, was supervising teacher training at Wheelock College in Boston."

"She had taken work at the Harvard School of Architecture and some study hours in administration. Also, at the same time, a man, Professor Gyorgy Kepes, instructed visual arts at M.I.T."

"Professor Kepes and Dr. Landis were a team. In any given school situation, the Kepes-Landis team visited the school, recorded the age of the pupils, the physical situation of the building, the view from the windows, the view from the classroom door, the available lighting and any other significant determinants."

"This complimentary and complementary team would then make recommendations as to the revision of existing color combinations."

"At the time she performed these services for the New Hampshire system, Dr. Edgar Fuller was the State Superintendent. Dr. Fuller is now the executive secretary of the Association of State School Commissioners."

"Dr. Fuller has said Dr. Landis' work was thoroughly professional, highly beneficial and unquestionably justified."

"After the tour in the New Hampshire system, Dr. Landis joined the staff of Syracuse University, Syracuse, N. Y."

"Then, in September 1955, she was summoned to Montgomery County."

"Dr. Norris recruited her on the understanding that she would be assigned to a position 'closer to the classroom' and that she would undertake the color consulting if possible."

"At the time of Dr. Landis' entry to the county, there was no stipulation, guarantee or mention of a fee for the service."

"Shortly after Dr. Landis' arrival in the county, Mrs. Margery Sinclair, art supervisor for all county schools, said she could not give the necessary time to color study and still fill the supervisory and instructional requirements."

"The Superintendent and the Board thought money might be the answer. They offered Mrs. Sinclair a bonus to continue with the work."

"Money was not the answer. Mrs. Sinclair said she still did not have time to devote to the color consultant business and still maintain full responsibility as county art director."

"Dr. Landis was assigned the job at the \$50-a-day fee."

"When the request for the money came up in the school board meeting, there were differences over the amount of the fee, but not its justification."

"For Dr. Landis, this has not been a gravy train. Out of that \$50 she must pay for her own stationery, her secretary, and her automobile expenses."

"She is given no staff help, no supplies and no mileage."

"Dr. Landis' consultancy starts with the ground-breaking. After the Board determines which price floor tile will be used, Dr. Landis certifies the color range."

"According to those who are experienced with building supplies, color is the most accurate index of quality standards."

"At that time, Professor Kepes worked on a salary basis. His salary, if computed on a daily basis, was \$50 per day."

"In some cases, the recommendations for new color schemes im-

proved lighting by 50%. Although there have been no studies made to determine (if determinable) whether the color psychology improves learning or reduces mental anxiety, there is a heavy body of opinion that claims it does."

"After the tour of color consulting near Boston, Dr. Landis went on full-time instruction at Harvard."

"After that, she went to the New Hampshire state system as a color consultant."

"No building supply dealer can put through a cheaper grade if Dr. Landis has determined the color range," says Dr. Norris."

"As for the official accounting of Dr. Landis' fee, it's all in the record."

"Consulting service fees for new buildings are taken from the capital (construction) budget as are fees for additions to existing buildings. Redecoration of old buildings is taken from the maintenance budget."

"So far, Dr. Landis has supervised color application to Walter Johnson Jr.-Sr. High School, Northwood Jr.-Sr. High School and Col. Joseph Belt Jr. High School. These were all new. The capital budget was tapped."

"The Twinbrook addition, Gaithersburg gymnasium, Glenmont and Garret Park were also capital expenditures."

"Redecoration of Bethesda Elementary came out of maintenance funds."

"Brian M. Benson, director of school finance, has a full accounting of all Dr. Landis' fees."

"So, all the dark and misguided implications and inferences that the School Board was paying exorbitant fees to unauthorized personnel are largely visions."

"The 'secret' of Dr. Mildred M. Landis, the principal of Woodacres Elementary school who does color

consulting on the side and for paltry reward, is out. "Its effects are as disastrous as a Sunday school picnic. It was as confidential as the President's first name."

No contest here either. Plymouth's really new, while other low-price cars look about the same as last year.

**5** Which leads in safety features?  
More than ever—Plymouth. New seat belts, door latches, headlights. Plus many exclusives, like Safety-Rim wheels.

**6** Okay, where's the best deal?  
At your Plymouth dealer's now. You'll get a generous trade-in allowance and money-saving financing. See him today!

PLYMOUTH costs less

From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more plymouths are used as taxis than all other cars combined.

LAND COURT  
No. 22861 Misc.

(SEAL) In Equity.  
To ELIZA J. HUNTER, now or formerly  
of Winchester, in the County of Middlesex,  
and said Commonwealth, or her heirs,  
devisees or legal representatives: Greeting.  
Whereas a suit in equity has been begun  
against you in our Land Court, by FRANK  
C. N. SWINER, an adult, residing in Win-  
chester, in the County of Middlesex.  
We Command you, if you intend to  
make any defense, that on the fourth day  
of September next, which day is the return  
day of this subpoena, or within such further  
time as the law allows, you appear in our  
written appearance to be entered and your  
written answer or other lawful pleading to  
be filed in the office of the recorder of said  
Court at Boston in the County of Suffolk,  
and further that you do not neglect said  
suit according to law, if you intend to make  
any defense, and that you do not receive  
what the Court shall order, adjudge and  
decree therein.

Hereby fail not, at your peril, as other-  
wise said suit may be adjudged, and orders  
and decrees entered therein, in your ab-  
sence.

The plaintiff alleges to be the owner of  
certain land on Lyndwood Road in said Win-  
chester; that there appears in the chain of  
title affecting said property a deed running  
from ELIZA J. HUNTER to ROBERT T.  
EVANS and AGNES W. EVANS, dated  
May 20, 1944 and recorded in the Middlesex  
South District Deeds in Book 6788, Page  
377, in which a mutual mistake between  
the parties estate in the land was stated  
and it is ORDERED that notice be  
given by publishing a copy of this order  
once each week for three consecutive weeks  
in the Winchester Star, a newspaper pub-  
lished in said Winchester, the last publica-  
tion to be one month at least before the  
said fourth day of September next.  
Witness, John C. Leggat, Esquire, of our  
Land Court, the twenty-ninth day of June  
in the year one thousand nine hundred  
and fifty-six.

The ever-availability of the healing  
power of the Christ, Truth, will be set  
forth at Christian Science services Sunday.  
Christ Jesus' healing of the centurion's  
servant, as recorded in Luke's Gospel (chap-  
ter 7), will be the subject of the sermon to  
be read in the Lesson-Sermon entitled  
"Truth."  
Selections from "Science and Health with  
Key to the Scriptures" by Mary Baker  
Eddy will include the following (142:31):  
"Truth is God's remedy for error of every  
kind, and Truth destroys only what is un-  
true. Hence the fact that, today, of  
yesterday, Christ casts out evil and heals  
the Golden Text as from Psalms (86:11):  
"Teach me thy way, O Lord: I will walk  
in thy truth: unto my heart to fear thy  
name."

**GEOGRAPHIC ODDITIES  
AND BRIEFS**

America's famed "Concord  
coach," built by New England Yan-  
kee in Concord, New Hampshire, left  
its tracks on stage lines not  
only across the West, but as far  
away as Australia and South Africa  
in the mid-1800's, the National  
Geographic Society says.

Lapp housewives of northern Fin-  
land make thread by splitting dried  
reindeer sinews into hairlike fibers.  
The fibers are then braided tightly  
and rolled between palms and  
against the cheek until they are  
smooth and round. Used with bone  
needles, the thread is so strong that  
it has to be cut rather than broken.  
Says the National Geographic So-  
ciety.

"Bum" bears that beg along the  
roadside of Glacier National Park  
have been trapped and carried 60  
miles away, only to return to their  
handout stations within a few  
weeks.

Although the gold rush days are  
gone, Alaska still yields more than  
\$8,000,000 worth of gold each year  
— more than the entire purchase  
price when the United States  
bought Alaska from Russia in 1867.

A German scientist named Mar-  
tin Heinrich Klaproth first identi-  
fied uranium in 1789 while studying  
ores of the dachyom silver mines  
of Bohemia, now part of Czechoslo-  
vakia.

## Summertime Storage Hints

Protect milk  
and cream  
from light,  
heat or sun-  
shine, and  
refrigerate  
immediately!

Canned food will keep  
perfectly well  
in the opened  
can, if covered  
and refrigerated  
promptly!

Don't wash  
eggs before  
refrigerating.  
Protective film will  
be destroyed.

Imperial margarine and  
butter should always  
be refrigerated.  
Double foil wrapped  
package also helps  
retain freshness.

Fresh meat needs  
cold air circulating  
about it. It should  
be loosely wrapped  
and used within  
one or two days  
of purchase.

Carrotoupe needs  
special isolation  
to keep its odor  
from penetrating  
other foods in  
the refrigerator.  
Cheese too!  
Wrap it well!

## LATIN'S HARD BUT LIVELY BOTH IN ITALY AND U.S.

In Rome today it's no easier to  
do as the Romans did than it is in  
the United States. Not, at any  
rate, when it comes to conquering  
the Latin language.

The wall heard through the halls  
of American high schools—"Latin  
is a language as dead as dead can  
be—First it killed the Romans, and  
now it's killing me!"—echoes across  
Italy. There, says the National  
Geographic Society, any youth who  
enters the equivalent of the Ameri-  
can high school must first translate  
300 verses of Virgil and 30 sections  
of Caesar's Commentaries.

Although the Italian language de-  
rives from Latin, the ancient tongue  
is so different that few graduates,  
after eight years of required study,  
can sight-read Latin. Educators,  
as a result, are considering a pro-  
posal to make the subject optional  
for students in technical fields.

All-Latin Magazine  
Those who value Latin as a char-  
acter-builder and a "traditional na-  
tional hardship" promise to fight  
the notion all the way to Parliam-  
ent. For in Italy, as in America,  
Latin is far from being buried.  
It is, in fact, showing signs of new  
life.

Three years ago the Vatican  
launched an 80-page, general inter-  
national quarterly magazine, the  
first all over the world. From Italy,  
Latinitas, to advertisements, it is  
written entirely in Latin. It con-  
cedes to vernacular on but one  
point: the dollar sign in the sub-  
scription rate.

Currently the magazine is stag-  
ing an article-writing contest. In  
the United States, another competi-  
tion, the 22nd annual Baird Mem-  
orial Latin Contest, drew 738 high-  
school students to New York Uni-  
versity this spring to pit their wits  
in translating the classics.

American teenagers have also  
published magazines in Latin, put  
on Roman banquets, and staged Gay  
Nineties melodramas with Latin  
lines and togas. The University of  
Maryland, which revived its  
classical-language department last  
fall, recently hired an extra profes-  
sor to meet student demands. And  
a few high schools have added Latin  
sections.

Others, however, in keeping with  
the long trend, have dropped the  
subject. Nowhere does Latin shine  
as it did in 1900 when more high-  
schoolers studied it than English  
and only algebra topped it in popu-  
larity. Latin lost its lead to Span-  
ish during the depression when col-  
lege and universities, in a death  
struggle for students, dropped their  
language requirements.

Modernized Latin  
In 1948, only 7.8 percent of high-  
school pupils were taking Latin.  
By last year, the percentage had  
fallen to 6.9. But in colleges, the  
language was holding its own. Out  
of all four-year degrees, 0.178 per-  
cent were earned in Latin and the  
Greek—more than in 16 other dis-  
ciplines including biochemistry,  
anthropology, public health and in-  
ternational relations.

Should any June graduate fear  
he's wasted sweat over dead old  
Latin, he owes it to himself to scan  
the modern Latin dictionary of  
Monsignor Antonio Bacci, the Vati-  
can's official Latinist. As up-to-date  
as Kansas City, this compendium of  
7,000 expressions lists such mod-  
ernisms as television (televizio),  
atomic bomb (glóbulo atómico),  
displacement (desplazamiento),  
reticuli ludus—sport with net on a  
handle).

As first aid to fractured Latin,  
the dictionary might also have been  
a comfort to marriage-happy  
Prince Rainier III of Monaco. Asked  
to translate the name of his honey-  
moon yacht (and the motto of  
Monaco), "Deo Juvante," the  
Prince balked: "God help us." The  
translation should have been:  
"With the help of God."

**NEANDERTHAL MAN  
KNOWN FOR CENTURY**

In August the world of science  
will celebrate the 100th "birthday"  
of a low-browed, hairy-chested  
great uncle of the human race—  
Neanderthal Man, Europe's Ice-  
Age cave dweller.

Best known of all prehistoric  
humans, Neanderthal Man actually  
had a life span not of 100 years but  
of some 150,000. He roamed three  
continents, was among the first to  
live in shelter and wear clothing,  
and gave the world the use of fire.

His bones first were found in  
Germany in 1856. In marking the  
centennial of that discovery, science  
looks back over a century in which  
the first clear picture of human pre-  
history has gradually been pieced

together. The National Geographic  
Society says.

**Skeleton in a Quarry**  
In August of 1856, workers in a  
limestone quarry near Dusseldorf  
dug into the floor of a cave 60 feet  
above the Dussel River and unco-  
vered the fragments of a human  
skeleton. They paid little heed, but  
when the quarry owner learned of  
the find he ordered the bones col-  
lected. Eventually they reached a  
Bonn University scientist.

His report that the skull repre-  
sented a human unknown "even in  
the most barbarous races" stirred  
up controversy and a flood of com-  
peting explanations by other scientists.  
One passed off the long-dead mys-  
tery man as "an individual affected  
with idiocy and rickets." Another  
authority proclaimed that the skull  
was "one of the Cro-Magnons who came  
from Russia in 1814."

The uproar was to continue for  
decades. The Neanderthal find  
(named for the Neander Valley in  
which the quarry lay) was followed  
by others in Europe and later in  
Asia and Africa.

**Life of the Cave Man**  
What sort of fellow was Nean-  
derthal? Many theories have re-  
sulted from popular imagination, usually  
depicted as carrying a club and drag-  
ging a lady by her hair?

From more than a hundred skulls  
of skeletons, anatomists have re-  
constructed him as squat, with  
powerful physique, an enormous  
head of low sloping shape, massive  
bony ridges above the eyes, and  
almost no chin.

Though slow-moving and clumsy  
by modern standards, he survived  
by being one of the best big-game  
hunters of all time. He went after  
ferocious cave bears and woolly  
mammoths, armed only with  
wooden spear tipped in his later  
days by a flint point.

As the third great advance of  
ice moved down across Europe, he  
took to living in the caves of lime-  
stone hillsides, learned to drape  
skins about him to keep warm, and  
discovered how to make and tend  
a fire. He first developed the art  
of "flaking" stones to achieve a  
sharp edge for weapons or tools.

In his caves, he buried his dead  
with their implements, indicating a  
dim awareness of life after death.  
His thinking, however savage, de-  
veloped the first stirrings of reli-  
gion in human history.

Neanderthal Man lived from per-  
haps 70,000 B.C. to about 30,000  
B.C., finally to disappear and be  
succeeded by Cro-Magnon Man—the  
first true Homo sapiens sapiens, or  
modern man. Most scientists today  
tend to place Neanderthal Man as  
a direct line of human descent, but  
in a branch that died out. Even as  
an uncle, however, he was quite a  
man.

## PLAYGROUND NOTES

Last Wednesday morning McElholm's Leonard Field Juniors defeated Davenport's Ginn team by a 9-3 score. For the winners Mike Bellino led the hitters with two singles and a double, while Mulloy, Bond and Benicassa got a single apiece and Neville got a two bagger. Jim Brenner was the winning pitcher. For the losers Peckham got two hits and his teammates Kane, Reed and Hession got one each.

On Friday Reading visited Winchester for four contests. A very pleasant and enjoyable day was had, Winchester winning in all but one contest, the Senior Boys' baseball game which Reading won 4-0 at Loring Field. Reading started fast with three runs in the first inning and got the fourth and final

run in the fifth. Playing for Winchester's "All Star" Senior group were Whipper Smith, Dan Serieka, Steve Powers, Peter Branch, Carl Arlanson, Jerry Sarno and Paul DelRossi.

At Leonard Field the Reading Juniors met Winchester's All Star Juniors and Winchester defeated Reading in a very close battle, 1-0. Rodney Gay pitched excellent ball to win and gave up but three scattered hits. George Neville became the hero of the game by slamming a homer in the first which was enough to win the contest. Making up Winchester's playground Junior All Star group were Mulloy, Neville, Bellino, Gay, Flaherty, Peckham, Coleclough, Ring, Donlon, Brenner, and Franson.

The All Star midget groups met at Ginn Field and here again the locals came out on top by white washing the visitors 6-0 with D. Hession the winning pitcher. Hession allowed no hits and no runs and did a fine job. Making up this group for Winchester were Tracy, Peckham, Frongillo, Doherty, Winn, Johns, Benicassa, Hession and Fitzgerald. The only extra base hit in the game was Johns' double.

In a softball game at West Side field the Winchester All Stars defeated Reading 4-0. Grady pitched a three-hitter for the winners and fanned ten that faced him. McClellan made a "Piersall" catch in left field that won much applause and Foley drove in three runs and scored the fourth himself. Foley was the big boy at the plate with two doubles and a single for the day. Moran had two singles and so did Grady. Making up the winner's team were St. Gray, Newton, Grady, R. Moran, Foley, S. Gray, McClellan, J. Moran, Diappella, Bailey, Nichols, Morton, and Venargio.

The Leonard Intermediates went to West Side field for a baseball game which Leonard won 7-5. Bruno was the big hitter for the winners with a single and double while his teammates Carroll, Grinnell and Brenner got one each. For the losers, Powers hit a single and a double for the day. Kevin Kelley hit a long triple and Dana Kelly and Mahoney had a single apiece.

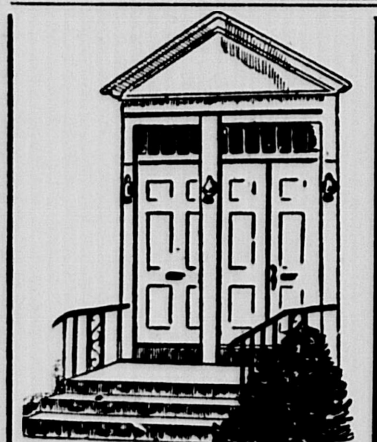

On Tuesday afternoon the Connie Snelling Ginn softball team visited Leonard and lost 2-0 in an exciting game. Jeff Peckham pitched a two-hitter for the losers and Gallagher tossed for the winning side. Playing for Leonard's winners were Kevin O'Donnell, Ron Lynch, Phil Gallagher, Dick Lindsey, Rich Casalino, Bob Branley and Joey Mawn. For the losers were Hession, Donlon, Peckham, Cunningham, Kane, Kirk, Snelling, Huff, and Kearns.

Gloria Mucera, the Arts and Crafts director, has the youngsters happily making pot holders, bracelets, key holders, walllets and jewelry. Next week Gloria is going to introduce the making of plaster-of-Paris figurines which are also to be painted and lacquered. Send your youngsters to the playgrounds for a pleasant summer.

## HOLE IN ONE

Charley Nahigian of 18 York road experienced the supreme thrill of all golfers last Saturday, July 21, when he scored a hole-in-one while playing in a foursome at the Bear Hill Country Club in Stoneham.

Charley, whose years at the game hardly rate him a veteran golfer, yet who is well out of the tyro class, scored his ace on the second hole of the Bear Hill Course, using a No. 3 iron.

His partner in the match in progress was Bill Brown of Lynnfield, and their opponents were Ralph Jenkins of Reading and Hugh Mitchell of Arlington.

## WENTWORTH INSTITUTE TO AWARD DEGREES

Authority to confer an Associate in Engineering degree has been granted to Wentworth Institute according to an announcement by H. Russell Beatty, president of Wentworth.

Power to grant degrees was made possible by an amendment to the Wentworth Institute charter approved by Commissioner of Corporation & Taxation of Commonwealth of Massachusetts and the Board of Collegiate Authority.

The degree, according to the president of 52-year old Wentworth Institute located on the 9-acre campus on Huntington avenue, will be awarded to students completing

the two year engineering technician courses. The first degrees will be awarded at commencement exercises next June in 1957.

## TODAY'S TEEN-AGER

(BOSTON TRAVELER, JULY 21 1956)

Today's Teen represented her church youth group at camp this summer. Sally Kimball, a junior-to-be at Winchester High School, attended Camp Becket near Pittsfield for one week.

Daughter of Mr. and Mrs. William R. Kimball of 8 Ginn road, she was a delegate from the First Congregational Church in Winchester.

## Active In Church Social Activities

"It was lots of fun being with groups from all over the state," Sally said. "We understood each other lots better for it."

"We had classes in the morning, sometimes outdoors, and plenty of free time to play badminton or softball and swim."

Sally is an active member of Forum, the church youth group, and looks forward to being chairman of the social committee this fall. She is already beginning to schedule dances for the coming year.

## Last year Sally was chairman of the Work Day for Christ.

"We worked one day," she explained, "and donated the day's pay. We collected \$320. It was the first time in four or five years that we had raised that much, and we're very proud of it."

This gregarious miss is also an active member of her high school class. In her freshman year she was secretary of the class and as a sophomore she served on the class dance committee and on the Red Cross executive board.

Sally is also active in Curtain

and Cue, the dramatic society. Her plans for the future point toward the field of merchandising. Right now she is thinking of attending either Colby Junior College or the University of New Hampshire.

For the present she's turning to baby sitting and doing volunteer work at the Winchester Hospital coffee shop.

When classes start again, Sally will be busier than ever. In addition to junior class activities she hopes to contribute to the school newspaper.

## ENROLLS AT WHEATON COLLEGE

Miss Mary Elizabeth Sargent of 8 Central street, who attended Connecticut College last year, has enrolled at Wheaton College in Norton and will begin her studies there in September. She is the daughter of Mr. and Mrs. Leon F. Sargent. At Connecticut College she was a member of the "Shuffles," a college singing group.

Officer Mario Buzzotta relieved a 13 year old Winchester boy of his air rifle when he came upon him discharging the weapon in front of his home in the Symmes Corner section of town last week. Air rifles are not allowed in Winchester and the police will confiscate any they find in any one's possession within the town limits.

## ALL-STAR DEFEAT LOWELL TO WIN DISTRICT 8 CHAMPIONSHIP

Winchester All-Stars defeated Lowell All-Stars Saturday, July 21, at Manchester Field, winning District 8 Championship of the Babe Ruth State Tournament. Joel Peckham pitched a fine game allowing only 4 hits and striking out 10 Lowell players. Winchester scored 2 in the first and 3 in the 3rd, putting the game on ice early. Lowell did not score until the 6th, bunting 2 hits and a pass for 2 runs. Kevin Kelley was again one of the batting stars with 2 hits and 2 runs batted in. The fielding feature was a "3 to 6 to 3" double play well executed by Bill Morton and Doug Thomson in the first inning. The summary:

## BARTLETT'S IN TOWN

Mr. and Mrs. Edward A. Bartlett of Bethesda, Md., formerly of Winchester, with their small daughter, Ann Elizabeth, have been in town this week visiting old friends.

The Bartletts have been stopping in Beverly with Mr. Bartlett's mother, Mrs. Edward Bartlett, but have been in Winchester nearly every day witnessing the changes apparent since their last visit during the Christmas vacation.

Mr. Bartlett was formerly assistant to the Principal of the High School here and producer of championship teams as coach of basketball and baseball. He has just completed two years as principal of Leland Junior High School in Bethesda, and next fall assumes the post of principal of the newly completed Northwood Senior Junior High School at Silver Spring, Md. He resigned his position in the Winchester school system to accept the Leland principalship.

The Bartletts' days in Winchester this week have been busy ones. Mr. Bartlett, former playground director, had to check up on the activity of the Town Softball League, which he formerly directed, and in which his wife, "Maggie," was also active as custodian of the bases and official scorer.

"Bart" formerly was Little League president and manager of Junior Legion baseball in Winchester. He and Mrs. Bartlett joined Park Commissioner Jim Coon at Monday evening's Babe Ruth League game, but the players and managers of the teams, being of a new era, failed to recognize "Maggie" and as a consequence did not insist upon her scoring the game!

## RACE WEEK NOTES

(Special to the Star)

The usual number of Winchester sailors were on hand for the opening day of Marblehead Race Week Saturday, July 21.

The first of the three race series sponsored by the Eastern Yacht Club was sailed in a light southeasterly breeze which at times was nearly a dead calm. This seemed to baffle many of the Winchester skippers who have had better success in former years.

In the U.S. One Design Class former Winchester ace, Byron Wiswell, brought "The Goose" home in third place, thereby increasing his lead in the summer series on the basis of added points.

Harry Bean in the first division of the 210 Class finished fourth after appearing to be well behind on the first and windward leg.

In the Snipe Class the Winchester entries were beaten for the top three places by skippers from Cottage Park. Winchester's Jackson Cummings finished fourth, followed by Pete Montminy and his "Allegro" in fifth place. Clarence Borggaard finished sixth with his "Ragabag".

Montminy Pleon Winner

On Sunday, July 22, the Pleon Yacht Club ran off their usual race for juniors under 21 years of age. This age limit eliminates many of the larger boats, and Winchester was represented only in the Snipe Class and Turnabout Class.

One of the closest races of the day developed between Snipe sailor John Montminy in his "Allegro" and Herb Alderson in "Bold Venture", with Montminy finally crossing the line only seconds in the lead, to win the Pleon Trophy for Winchester. Third place went to Morley of Cottage Park.

The Winchester club had only one entry in the Turnabout Class, youthful Heidi Snow, sailing her "Carousell" in a starting fleet of 23 boats. Unfortunately, her boat appeared a bit sluggish in such very light air, and in competition with the seasoned salt water skippers.

210 Victory to Bean

The second race of the Eastern Yacht Club series was sailed Monday in a light southwest breeze. A shift in the wind resulted in the last two legs being a reach, with no real beat to windward. In spite of this handicap, the Winchester Snipe skippers showed to better advantage than on Saturday.

In the first division of the 210 Class, sailed outside, Harry Bean skippered his "Beanie" home at the head of the parade. He plans to emphasize camping in the Scout program. The first meeting for all boys will be held on Tuesday evening, September 11th at 7 o'clock in Metcalf Hall. The revitalized Troop Committee is composed of the following men: Mr. Arthur Anderson, Mr. George Bollweg, Mr. Wayne Davis, Mr. David Wardwell, Mr. William Coady, Mr. Don Kroe, Mr. Robert Brotherton, Mr. Steven Morang.

in the Legere motor boat. He reported other Winchester skippers competing Monday and finishing in this order were: Kenneth Cook, fourth; Roger Swanson, fifth; Tom Legere, Jr., seventh; and Clarence Borggaard, eighth.

Just in case you are wondering, Winchester's winn' est skipper, Rod Long, is not racing this year.

## MORE RACE WEEK

In a light to medium breeze, the third and final race of the Eastern Yacht Club series on Tuesday showed a little faster action. The larger classes on the outside course, were again bothered by wind shifts, but at least two well known skippers solved this problem. In the U.S. One Design Class, Byron Wiswell, in "The Goose" finished second, just missing first place by thirty seconds.

Bean Wins Again  
Harry Bean, in the first division of 210 Class, repeated Monday's performance by again sailing his "Beanie" home in first place, and apparently winning the Eastern Yacht Club Trophy.

On the inside course, the southeasterly breeze seemed strong enough to send Snipe Class over two laps, giving two chances for skippers to show their skill beating to windward.

Winchester Snipes Score  
Except for third place, taken by Gulickson of Town River, the other first six boats to finish were from the Winchester club. Jackson Cummings finished first, repeating his success of Monday, and Ken Cook was second. Clarence Borggaard did a good job working his "Ragabag" from a poor position until he seemed neck and neck with the third place boat sailed by Alan Gulickson.

The judges, however, ruled that Gulickson was third and "Borgy" fourth, and Dick Ivers in his "Aquila" finished fifth.

Cummings Eastern Winner  
Jackson Cummings of the Winchester Club with the highest point score, won the Eastern Yacht Club trophy.

## TROOP 6, BOY SCOUTS

Troop 6 of the Winchester Unitarian Church will be reorganized this fall, with a new Scoutmaster, Mr. Robert Sands of 11 Hillside avenue and an enlarged Troop Committee. Mr. Sands, a chemical engineer and a graduate of Harvard University, has a keen interest in scouting, having been an Explorer in his youth. He plans to emphasize camping in the Scout program. The first meeting for all boys will be held on Tuesday evening, September 11th at 7 o'clock in Metcalf Hall. The revitalized Troop Committee is composed of the following men: Mr. Arthur Anderson, Mr. George Bollweg, Mr. Wayne Davis, Mr. David Wardwell, Mr. William Coady, Mr. Don Kroe, Mr. Robert Brotherton, Mr. Steven Morang.

## Directions For Making A Fire

You need charcoal (or charcoal briquets), newspaper, charcoal fire fluid and matches.

1. Wad up 1 sheet of newspaper and place in the center of your brazier fire bowl.
2. Pour charcoal over and around the newspaper. Note: The quantity of charcoal used depends on the size fire wanted. Only a small quantity of charcoal is necessary for most fires. Many people waste charcoal by using an excessive quantity.
3. Squirt charcoal fire fluid over charcoal. Be sure to use a good fire fluid. Good fluids leave no odor nor taste.
4. Ignite paper on 2 sides with match.
5. Your fire will be hot and ready for barbecuing if you wait 10 minutes after flames stop.

## SOMETIMES WONDERS!

Editor of the Star:

I sometimes wonder if we all realize the importance of Civil Defense. I was fortunate enough to be a by-stander in Portland, Maine, July 19, when they had a mock evacuation test called "Operation Homerun". This was for the people in the city to get to their homes as soon as possible once the sirens blew. My husband, who is Chief of the Auxiliary Police here in Winchester was very anxious to see how other cities handled traffic, civilians, etc., during a test.

We parked at the side entrance of the City Hall where Civil Defense is housed in the basement. I was allowed to stay in the car while my husband rode around with the Chief of Aux. Police to observe the various units in action. Men from all walks of life were involved in the test. Some were equipped with cameras, field glasses, and envelopes containing plans for "Operation Homerun". There were some Navy and Army Personnel as well. A crew was in charge of the walkie talkies to receive information and also to give it when necessary.

Windows were closed and shades were drawn inside the City Hall. Girls went out to get coffee for some of the staff, but walked at a snappy gait in order to get back before the big moment came.

At 3:40 there burst through the everyday noise of voices and traffic a terrific blast; the air raid was on. People seemed to appear like ants from everywhere, out of offices, stores, men from construction work, employees from the City Hall, all with one goal in mind, getting home!

The Police and Aux. Police and various heads of Civil Defense got into their designated cars and were on their way to their assigned posts. The planes were hovering overhead and this, of course, added to the confusing noise on the streets. Everyone had a specific job to do and it was being done.

In an amazingly short time, the streets became deserted and it was reported on the radio that traffic had gone out of Portland in orderly fashion and everyone had cooperated well. When the families were all at home, they were to turn on their porch light to indicate they were all together.

Around 4:10 some of the staff, who had gone out to observe, returned to the C. D. office and seemed well pleased with the progress of the evacuation procedure.

At 4:20 it was announced on the radio that "Operation Homerun" was officially over and had been very successful. The Police were commended on an excellent job of handling traffic.

After being able to observe the carefully planned work of the teams behind the scenes, it made me realize how important C. D. is and how much time the people put in organizing our communities' defense, so that we are all prepared in case of an attack. It is necessary for us all to know and help C. D. with the work and plans for our own town in case the time should arise that we might have to put our knowledge of evacuating to the test.

Mrs. George A. Hendricks  
6 Kenilworth roadWHY SHOULD YOU TRADE  
AT HOME!

For Just This Reason!

Your home-town dealer has a stake in his community. The welfare of its householders is his concern. He has to live with them, see them every day, be responsible directly to them if the service, or products he sells, turns out badly.

Not so the fly-by-night dealer who calls at your door. He's never going to see you again. If the job he does for you, or the goods he sells you do not turn out as represented, he'll be hard to find.

Your LOCAL DEALER will be waiting for you at his home-town store or shop. He wants you satisfied. He wants your business, not just a sale or one-time job. If his work isn't right, he'll make it right. If his merchandise is defective, he'll make it good.

So .....

THAT'S WHY .....

You should trade with your HOME TOWN DEALER: trade regularly with him. Get to know him and give him the opportunity to serve you better by getting to know you, and what you want in goods or service.

Don't be misled by a one-time price. Look ahead to all-time quality!

## A BELOVED CITIZEN

Editor of the Star:

With the passing of Miss Hattie Snow, the town has lost a beloved citizen. From her home, where for years she gave music lessons, and her garden, "Snowflake Garden", she shared her love of music and flowers very generously.

Those of us who received the huge and beautiful bouquets of flowers for the Flower Mission, which she sent regularly, realize how deeply she will be missed in even one small organization. How many others must feel this way! There were weeks when Miss Snow was unable to pick the flowers herself, and at such times neighbors picked them for her. She was one of the few who never let anything interfere with her desire to give flowers to those who needed the cheer they bring.

She will be missed. In her memory, the hampers will be filled on Tuesday, August 7th, giving her friends the opportunity to share in the work she loved so well.

Sincerely,  
Martha Hutchings

## GRATEFUL TO LEGION

Editor of the Star:

I am very grateful to Winchester Post No. 97, The American Legion for the opportunity given me to attend Boys' State, University of Massachusetts, Amherst, as a representative of Winchester High School.

The carefully planned program of instruction in state government and athletics was highly informative and enjoyable. Meeting boys from every section of the state and making new friends was an experience of lasting value.

I was privileged to be elected as Town Clerk of "Okinawa", one of the twelve municipalities constituting Boys' State, and also as a member of the Governor's Council.

My appreciation is also extended to Mr. Kenneth S. Hall of Post No. 97 for his courtesy and assistance.

Yours very truly,  
Daniel Doherty

How much do you  
overpay for heat?

If your heating system was designed for one fuel but converted to another, you'd probably be surprised and disturbed to learn how much you are paying right now for heat you don't get!

Hundreds of case histories prove heating bills dropped drastically when home owners switched to G-E heating equipment. Users say that a G-E system often pays for itself in 2-3 years — then the savings are money in the bank!

### Concrete should be used for Massachusetts' part of the National System of Interstate Highways

This state's part of the National System of Interstate Highways is a vital link in a road system that reaches every state in the Union, 42 state capitals and 182 of the 199 cities with a population of over 50,000. The map above shows this 40,000-mile network. These are the interstate routes authorized by Congress and selected by the Bureau of Public Roads and the various state highway departments. Although comprising only 1% of the total road mileage in the country, these key routes carry over 20% of the rural traffic.

These roads are essential to the smooth and economical flow of commerce; the swift movement of men and material in defense; the quick and efficient evacuation of cities in emergencies and the safe, comfortable and enjoyable travel of motorists.

The sections of the heavily-traveled Interstate System in this state should be paved with the longest-lasting, most economical pavement—Concrete. Concrete is moderate in first cost, requires little maintenance and lasts a lifetime. Result: low-annual-cost service.

And concrete is the safe pavement. Its gritty texture permits quicker, safer stops, wet or dry. And its light-colored surface reflects more light at night, providing better nighttime visibility.

The bill has been signed into law authorizing work to begin on these highways. Safe, long-lasting economical concrete will play a major role in making this needed network of roads a reality.

Since 1945 the nation's nine most populous states have constructed 5,679 miles of concrete pavement, a large part of which has been built to divided-lane expressway standards.

The States, in population order, and their mileages are:

1. New York	1,309 miles
2. California	591 "
3. Pennsylvania	960 "
4. Illinois	648 "
5. Ohio	578 "
6. Texas	647 "
7. Michigan	711 "
8. New Jersey	211 "
9. Massachusetts	24 "

Obviously Massachusetts has not kept pace with the other large states in the building of durable, low annual cost pavements.

## TO VISIT ST. JOHN'S

Mr. and Mrs. John P. Bushell leave today for St. John's, Newfoundland, driving to Halifax, N. S. and making the crossing from Bar Harbor to Yarmouth, N. S., on the Ferry Bluebonnet. From Halifax they will fly via Trans-Canada Air Lines to St. John's.

The Bicknell and Fuller Corrugated Container Corp. of Salem, of which Mr. Bushell is president and sales manager, ships containers to Newfoundland via steamer from Gloucester. Mr. Chester Manimon of Bacon street is treasurer of the corporation.

## UNUSUAL ACCIDENT

An unusual accident drew much attention in the center Saturday afternoon, when a motorist struck the "Slow" sign at the intersection of Main and Thompson streets, and dragged it and the smudge pot at its base as far as the Converse bridge.

A squad car gave chase to the offender, but was unable to catch up with him. A license number given to the police by a witness later was found to be incorrect.

## NEW DEVELOPMENT OFF RIDGE STREET

Development of land in Winchester off Ridge street at the Woburn, Lexington and Winchester line will add 150 house lots to that area on which it is expected that houses will be built over a two year period, subject to market conditions.

This development is in effect a continuation of Sun Valley Development in Lexington and the land affected is for the most part at the rear of Ridge street beyond the Henderson house, extending toward and including a part of Johnson road.

The Winchester Development Corporation will make the development.

Army Pvt. James N. Smith, son of Mrs. Mary Pearce of 58 Oak street, recently completed eight weeks of advanced radar specialist instruction at Fort Bliss, Texas.

District Attorney Ephraim Martin of Middlesex County today filed papers at the Secretary of State's office at the State House for the Republican nomination for the office he now holds at the September primaries.

COMMONWEALTH OF MASSACHUSETTS  
LAND COURT

Case No. 26363 Reg. No. 28861 Misc. In Equity.

To the Town of Winchester, a municipal corporation, located in the County of Middlesex, and said Commonwealth, vs. WINCHESTER SAVINGS BANK, ABIE T. McDONOUGH and DONALD J. McDONOUGH, all of said Winchester, its Executive Officers, and said Commonwealth, vs. RICHARD J. CUSHING, Roman Catholic Archbishop of Boston, a corporation sole, duly established by the laws of the Commonwealth of Massachusetts; and to all whom it may concern.

Whereas, a petition has been presented to said Court by FRANCES T. CONLON and THOMAS W. CONLON, Jr., both of Winchester, to register and confirm their title in the following described land:

A certain parcel of land with the buildings thereon, situate in said Winchester, bounded and described as follows: Easterly by Main Street 120.00 feet; Southerly by Glenwood Avenue 100.00 feet; Westerly by land now or formerly of ABIE T. McDONOUGH 120.00 feet; Northerly by land now or formerly of the Roman Catholic Archbishop of Boston 100.00 feet.

The above described land is shown on a plan, filed with said petition and all boundary lines are claimed to be located on the ground as shown on said plan.

If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defenses to each part of said petition, in the office of the Recorder of said Court, at the Court House, on or before the thirtieth day of August next.

Unless an appearance is so filed by or for you, your default will be recorded, and said petition will be taken as confessed and you will be forever barred from contesting said petition or any decree entered thereon.

Witness, John E. Fenton, Esquire, Judge of said Court, this twentieth day of July in the year one thousand nine hundred and fifty-six.

Attest with Seal of said Court.

## LATEST OVERHEAD SCHEDULE

August 1, 1956  
Mr. George B. Redding, Chairman  
Town Hall  
Winchester, Massachusetts

Dear Mr. Redding:  
As a result of a continuing review of the construction of the Grade Crossing Project, and with a view to relieving congestion so far as humanly possible at Winchester Center, in line with recent editorials in the Winchester Star, I am happy to give you the following progress schedule, as set up in discussions with the Boston & Maine Railroad, our very cooperative contractor, the C. J. Manney Company, and our staff here:

1. Bacon street will be closed to traffic on October 1.  
2. The main line tracks of the B & M will be put into operation on October 15, which will allow two weeks for closing the gap in the present detour.  
3. The detour main line tracks, which will be used for the Woburn loop temporarily, will be filled in with the new Woburn loop being put into operation on October 21.  
4. The main line temporary tracks will be removed and Common street opened to traffic on October 24.

5. The removal of the tracks at Bacon street and the excavation and construction for the westerly roadway and approach to the Bacon street underpass will be completed by late December.

In accordance with the above schedule, Bacon street will be closed approximately three months, but Common street would be opened within three to four weeks after Bacon street is closed. This will provide an auxiliary means for traffic and pedestrians through Common street, which, of course, will afford a great deal of relief.

Because of the railroad's belief that a hazard would be created at Common street if we tried to open this while both the main line tracks and the temporary tracks were in operation, and inasmuch as we have been able to reduce the time lag to such a small period, we believe that the solution arrived at above will cause the least inconvenience to the citizens of Winchester, and we will do everything in our power to meet these schedules which have been reviewed above.

I appreciate the interest and patience of my fellow citizens on this project, which I am sure, in the months and years ahead will provide great and lasting benefits to our town.

Sincerely yours,  
John A. Volpe  
Commissioner  
State Department  
of Public Works

## ALERT TODAY ALIVE TOMORROW

Although some of you readers may be receiving your Star at a summer resort we hope you will take time to learn about what Civil Defense is doing in Winchester. There are various branches and these are:

Auxiliary police and fire departments  
Communications  
Warden service  
Administration  
Civilian war aid  
Engineering  
Plant protection  
Rescue

There are vacancies in all of these departments, so please do not hesitate to call and volunteer. All of the present staff are volunteers and have joined together to make a strong unit here in Winchester. Naturally some Civil Defense plans have not been a huge success and they have been criticized. However, unless there are more civilians who take an interest and are willing to lend new ideas, we will not and cannot have an accurate means of defense.

Operation Alert July 20 to 26 proved to be fairly successful throughout the nation. Winchester control center was manned July 20, 21 and 22 from 8 a.m. to 11 p.m. during this exercise. President Eisenhower is observing Civil Defense Week September 9-15. It is hoped everyone will cooperate in this observance. More about this next week.

## MICHAEL MCKENNA

The funeral of Michael McKenna of 3 Bacon street, who died Thursday, July 26, at the Winchester Hospital, was held last Saturday morning from the Lane Funeral Home with solemn requiem high mass celebrated at St. Mary's Church at 10 o'clock.

Rev. Charles E. Anadore was deacon, Rev. Martin J. Dolphin, subdeacon, and Rev. John M. Manion, pastor of the church, subdeacon. Burial was in St. Joseph's Cemetery.

Mr. McKenna, though hospitalized only ten days, had been in ill health for some time. A native of Ireland, he was the son of Michael and Catherine (McGinnis) McKenna. For many years before coming to Winchester he resided in Everett where he was widely known as a custodian of the Hancock school.

He leaves his wife, Mrs. Margaret (O'Rourke) McKenna; two daughters, Mrs. George E. Kelley and Miss Catherine McKenna, both of Winchester; three grandchildren, Marion and Kevin Kelley and Daniel Coakley, all of Winchester; and a brother, Patrick McKenna, living in Ireland.

## NEW POST TO MITCHELL

Bill Mitchell of Gradner place, Waltham Chevrolet dealer, recently elected National Automobile Dealers Association Director for Massachusetts, in another special election was recently elected Regional Vice President by the National Directors representing New England.

Bill Mitchell has been one of the most aggressive leaders in an industry fight against fraudulent and "bait" advertising. A past president of the Chevrolet Dealers Association of New England and chairman of the Boston Better Business Auto Trade Program for the past two years, he has been commended by the Boston Better Business Bureau for his efforts to curb questionable sales tactics within the automobile industry.

He is married to the former Betty Chadwick, whose brother is Winchester's sole State Representative, Harry Chadwick. The Mitchell's have four children—Adele, Ledge, Chad, and Julie.

## CALDWELL — HERRICK

Miss Hilary Coleman Herrick, daughter of Mr. and Mrs. Newton Joharie, New York, became the bride of Sheldon Caldwell, son of Mr. and Mrs. Kenneth Furber Caldwell, of Mt. Vernon street, Boston, formerly of Winchester, on Saturday afternoon, July 28. The ceremony was performed at 2:30 by the Rev. Harold Brook in the Church of St. Mary of the Harbor, Provincetown.

Wearing a gown of imported dotted swiss with a coronet of white roses and carrying a white prayer book marked with the same flowers, the bride was given in marriage by her father. She was attended by Miss Kathleen M. Collins of Fairfield, Connecticut, as maid of honor and by Miss Fernand B. Herrick as junior bridesmaid. The Misses Polly N. Herrick and Tina van B. Herrick, also sisters of the bride, were bridesmaids. All the attendants wore yellow dotted swiss, the maid of honor having a coronet of yellow roses and carrying Gerbera daisies, while the others had headpieces of fabric to match their dresses and carried yellow sweetheart roses.

Mr. Eben Caldwell of Westfield, Mass. had been his brother and brother-in-law, the Rev. Dr. Westbury, L. L. Sheldon brother of the groom, ushered with Mr. George Miller, III, of Brookline.

Following the ceremony, a reception was held at the Colonial Inn with the parents of the bride and groom assisting in receiving.

The bride is a student at Boston University. Mr. Caldwell prepared for the Winchester High School and attended the School of Public Relations at Boston University. He is a member of Sigma Alpha Epsilon Fraternity.

## 85th BIRTHDAY

Mrs. Eureka Webster of 11 Lebanon street celebrated her 85th birthday Sunday, July 29, with an open house for family and friends during the afternoon and evening at the home of her daughter, Mrs. Hugh J. Erskine, 41 Lake street. The actual birthday fell on Monday, July 30, but because of the oxygen supply to her brain and causing her tongue to recede into her throat, stopping her breathing. Upon an emergency call to the Station Officer Cogran and Sergeant John J. Dolan, who were cruising nearby, rushed to the Buzzotta home.

They found the baby unconscious and seemingly dead. Cogran tickled the back of the child's throat with his finger, causing her to catch her breath. He continued to administer first aid until respiration was restored.

Officer Buzzotta, who had been on duty, arrived shortly thereafter and drove Marie to the hospital, where she was soon reported to be on the way to complete recovery.

A THANK YOU FROM "TOMMY"

Patrolman "Tommy" Hannon of the police department, who is ill at the Veterans Hospital in Jamaica Plain, wishes through the Star to thank all those who have remembered him with cards, letters and gifts during his illness. He is especially appreciative of the fine gift made him by a group of his friends around the square.

"Tommy", a fine all-round athlete while in high school, and one of the all-time best punters developed at the school, has been in poor health for several months. His many friends and all who admired his football skills in the past wish for him a speedy and complete recovery.

## VISITORS FROM PASADENA

Mr. and Mrs. William E. Spaulding, Jr., of Pasadena, Calif., with their two-year-old son, William E. Spaulding, III, have come east to visit Mr. Spaulding's parents, Mr. and Mrs. William E. Spaulding of Main street, at their summer home in Center Harbor, N. H.

A graduate of Leland Stanford University and of the Stanford Business School, Mr. Spaulding is an economist with the Sanford Research Institute. He has recently returned to Pasadena after two years service at the Institute's Honolulu office in Hawaii, and is now working on Civil Defense for the State of California.

## ENTERTAINED FOR COLLEGE MATES

Miss Elizabeth Sessa, Miss Marilyn Cassillo, both of Schenectady, N. Y., Miss Deedee St. John and Miss Roxanne Bessel of Amherst, Mass., Y. classes of Miss Kathleen Perkins at Vermont Junior College, have been house guests of Miss Perkins this week at the home of her parents, Mr. and Mrs. Perkins of Mystic Valley Parkway.

Among other parties in their honor, Miss Perkins gave a "Shipwreck Party" for them at her home last Sunday evening, with about 50 guests attending in costume.

The grounds were decorated with Japanese lanterns and colored electric lights, and a cocktail was followed by a floor show to records played over a public address system. Miss Perkins' mother was one of the dance winners with her partner, William Green of Nashua, N. H.

Another V. J. C. girl, Miss Ann Hennessey of Cabot street, assisted Miss Perkins with arrangements for the party, and was one of the two pourers, the other being Miss Perkins' younger sister, Gail.

## AT YMCA CAMP

The Wakefield YMCA Summer Day Camps will be operating for the next three weeks for young people in 12 communities. Winchester youngsters who are attending either boys or girls camps are as follows:

Nancy Clark of 16 Hileret Parkway; Lucy Cushman, 134 Mt. Vernon street; Barbara and Linda Knight of 11 Stone avenue; Nancy O'Neil, 25 Park avenue; Peter Fisher of 8 Fairview terrace; Hugh Fisher, 8 Fairview terrace; Drew Salling, 3 Euclid avenue; Christopher Tesar, 15 Euclid avenue; Paul and Douglas Wickwire, 9 Stone avenue; Richard and Michael Lunel, 30 Yale street; Paul O'Neil, 25 Park avenue.

These youngsters are enjoying a program at the Harold Parker State Forest that emphasizes swimming instruction in Berry Pond, fishing, crafts, athletics and nature lore.

The Winchester boys and girls are picked up by bus each day, 3 days for boys, 3 days for girls, either at the Stoneham garage of the McIntire Bus Co. or at the Woburn YMCA.

## NEAAU SWIM MEET

ON AUGUST 11

A week from tomorrow, August 11, Winchester will play host to NEAAU swimmers from all over New England. This outstanding program is presented annually in Winchester through the sponsorship of the Winchester Park Department, under the direction of the Winchester Red Cross.

Alex Houston, Red Cross Water Safety Director for the Metropolitan Boston Area has awarded the following events to Winchester: 1. Massachusetts State Championships

For Boys - 100m freestyle  
For Girls - 100m freestyle  
2. New England Junior 100m breaststroke for girls

3. New England Senior 400m individual medley for boys  
4. 50m freestyle for boys 14 and under (Winchester Residents only)

5. 50m freestyle for girls 14 and under (Winchester Residents only)

Winchester boys and girls who would like to enter any of these events may register on the beach provided at Palmer Beach and at Leonard Field Pool or at the Winchester Red Cross Office.

Any boys or girls who are at present on vacation, but who would like to swim in the meet may register by sending a letter or a card to Mr. Joseph F. Burns in care of the Winchester Red Cross specifying the event in which they wish to compete.

SAVED CHILD'S LIFE  
QUICK ACTION  
BY OFFICER COGAN

The quick thinking and action of Police Officer James J. Cogan, who saved the life of 15 months old Marie Buzzotta, daughter of Police Officer and Mrs. Mario Buzzotta of 2 Raymond place, Tuesday morning.

Marie had been suffering from a throat infection, and during the morning her temperature suddenly rose to 105 degrees, cutting off the oxygen supply to her brain and causing her tongue to recede into her throat, stopping her breathing.

Upon an emergency call to the Station Officer Cogran and Sergeant John J. Dolan, who were cruising nearby, rushed to the Buzzotta home.

They found the baby unconscious and seemingly dead. Cogran tickled the back of the child's throat with his finger, causing her to catch her breath. He continued to administer first aid until respiration was restored.

Officer Buzzotta, who had been on duty, arrived shortly thereafter and drove Marie to the hospital, where she was soon reported to be on the way to complete recovery.

A wedding breakfast and reception was held at the Country Club following the ceremony.

After a motor trip across the country, the couple will reside at the U. S. Marine Corps Base, Camp Pendleton, Calif.

The bride was graduated from Burlington High School in 1953 and is a senior at the University of Vermont, where she is a member of the Delta Delta Delta Sorority.

Her husband was graduated from Winchester High School, the Berkshire School in Sheffield, Mass., and Colgate University in 1955. He is a member of the Phi Gamma Delta fraternity.

## WALSH — MCKEE

In Christ the King Church, Burlington, Vermont, on Saturday morning, July 28, Miss Constance Lorraine McKee, daughter of Mr. and Mrs. George Robert McKee, was married to Lt. Robert Lawrence Walsh, USMC, son of Mr. and Mrs. Frederick J. Walsh of 276 Massachusetts avenue, Arlington, formerly of Yale street.

The Rt. Rev. Msgr. Charles A. Towne performed the double-ring ceremony with the Rev. John Gagnon and the Rev. William R. Mulligan in the sanctuary.

Given in marriage by her father, the bride wore a gown of imported Dupioni silk fashioned with fitted bodice, applied with seed pearls and a portrait neckline. Her finery fell from a hat of matching silk.

Matron of honor for her sister was Mrs. Chester J. Cook, who wore a gown of shirmp tulle styled with tucked bodice and cocktail-length skirt. She carried white China mums with blue delphinium.

Bridesmaids were Miss Marjorie Walsh, sister of the groom, and Miss Mary Jane Brynn and Mrs. David Boardman. Miss Mary McKee, sister of the bride, was junior bridesmaid. They were matching gowns of aqua and carried pink China mums.

Best man for his brother was Frederick J. Walsh, Jr., U.S. Army, who was Lt. (j.g.) John K. Sargent of Winchester, and David Wetterberg of Andover, Craig McKee, brother of the bride, and Chester J. Cook of Portland, Maine.

The mother of the bride wore a blue linen dress with a beige picture hat. The mother of the groom wore Dior-blue silk shantung with hat of matching tulle.

A wedding breakfast and reception was held at the Country Club following the ceremony.

After a motor trip across the country, the couple will reside at the U. S. Marine Corps Base, Camp Pendleton, Calif.

The bride was graduated from Burlington High School in 1953 and is a senior at the University of Vermont, where she is a member of the Delta Delta Delta Sorority.

Her husband was graduated from Winchester High School, the Berkshire School in Sheffield, Mass., and Colgate University in 1955. He is a member of the Phi Gamma Delta fraternity.

## MRS. MARY BOWEN CURTIS

Mrs. Mary Bowen Curtis, wife of Robert Curtis, died suddenly of a heart attack Monday, July 23, at her home, 83 Knollwood road, West Lynn.

Mrs. Curtis was the daughter of Mrs. Anne M. (Lyons) Bowen of 5 Everett avenue, and the late William H. Bowen, formerly of Lynn. She also leaves a sister, Mrs. E. Kirby Hayes of Melrose.

The funeral was held from the late residence with solemn requiem high mass at St. Bridge's Church, West Hartford, Conn. Burial was in Fairlawn Cemetery there.

## LEWIS ON A. I. B. CONFERENCE COMMITTEE

Donald J. Lewis of 17 Chestnut street, vice-president of the Second Bank - State Street Trust Company, is a member of the committee making plans for the New England Regional Conference of the American Institute of Banking to be held in the Hotel Statler, Boston, on August 3, 4 and 5. Almost 500 delegates from all parts of New England are expected to attend.

## CUSTODIAN RESIGNS

The Board of Selectmen has accepted with regret the resignation of Charles C. Cleat of Clark street from the position of custodian of the town hall.

"Charlie" has been a generally popular custodian, being both pleasant and cooperative. He was appointed an assistant custodian in 1948 and became custodian upon the resignation of Lee Mellett in October of 1955.

## NEW LIGHTING

FOR INTERSECTIONS

The Board of Selectmen and Edison engineers have been giving attention to lighting at the new street layouts arising from the overhead railroad and Skilling bypass constructions.

At Common street where it joins Church street beside the railroad tracks in the square the present light is to be retained with the addition of a new light on the easterly side of Common street. Three more lights are to be installed along Common street on the easterly side approaching the railroad station.

On Common street from the head to Church street there is to be a light on the northerly corner of the street opposite the Trust Company, and another light on the southerly side of the street approximately half way between Church street and the bend in the road.

The layout of the little square in front of the Postoffice will be considerably different, with three small traffic islands instead of the previous one big rotary island.

The three islands are placed where Thompson street enters Waterfield road, and there is to be a new street light on the middle and largest of the three. There is to be another light just above the intersection of Thompson street and Waterfield road toward the tracks and another double light on the southerly side of the street at the widening above the entrance to the parking lot along the river.

There will be another light directly at the entrance to the lot, but the Selectmen and engineers have not decided the exact spot for it yet. Another light is to be installed east of the parking lot on the southerly side of Waterfield road, and another on the northerly side at the bridge.

Main Street - Washington Street  
The Selectmen believe that there will be no further complaints of darkness at the intersection of Washington street and Main street. The new lighting is installed there.

The light is now located on Main street at the southerly entrance to the high school is to be retained, but those on the curve at the Dr. McManis house are to be removed with the one directly across Main street.

In their stead there is to be a light at the corner of Mt. Pleasant and Washington streets and one directly opposite at the Mt. Pleasant, Washington street corner.

The light now located at the corner of Washington street and Francis circuit is to be replaced with a new light more than midway between the circuit and Winthrop street and the existing light at the southerly entrance of the junior high school driveway is to be moved to the corner of the junior high lot at the intersection of Washington street and the Parkway.

A new light is to be installed across Washington street about opposite the driveway entrance with another to be installed between Winthrop street and the Parkway.

Still another will be installed on the westerly side of Washington street on the corner of the Library lot.

All the lights at street intersections are to be much more powerful than those previously in use there. They are to be 15,000 lumen, of the L.E.S. Distribution type. Other lights, especially where possible in front of houses will be of the 10,000 lumen variety.

## CHAPMANS LEAD

FATHER-SON GOLF

Shooting a hard-to-beat 71 on the opening day of the annual Father-Son golf tournament at the Winchester Country Club on Tuesday, "Dick" Chapman of Oyster Harbor, and his 14-year-old son, Dixie, led all contestants for that day and Wednesday's competition.

Dr. Frank Carr of Wachusett and Joe Carr, 17, fired a 75 Wednesday to make the nearest approach to the Chapman's opening-day card. With near-perfect weather was expected that the record entry of 253 pairs, established in 1951, would be exceeded by the end of the three-day tourney yesterday.

## MT. PERO HORSE SHOW

Camp Mount Pero, located outside of Plymouth, N. H., held its second annual horse show on Monday July 23 at the Hamlin Ranch. The camp's riding instructor, Ann Hooper directed and judged the horsemen along with Roland and Jayne Nault, the directors.

There were eleven groups in the judging with winners as follows:

Class 1: Jackie Nault, 1st; John McIntosh, 2nd.  
Class 2: Brad Joyce 1st; David Rowe, 2nd; Richard Wild, 3rd.  
Class 3: Joan Walton, 1st; Davey Browne, 2nd; Russ Wild, 3rd.  
Class 4: Walter Josephson, 1st; John Cudney, 2nd; Doreen Cullen, 3rd.  
Class 5: Doug Jones, 1st; Lane Crue, 2nd; Leon Arbene, 3rd.  
Class 6: Richard Rowe, 1st; John Donovan, 2nd; Bob Foley, 3rd.  
Class 7: Diane Nault, 1st; Gordon Eldridge, 2nd; Carolyn Stratton, 3rd.  
Class 8: Mary Ann Johnson, 1st; George Laban, 2nd; Dickie Clark, 3rd.  
Class 9: Richard Keene, 1st; Bob Joyce, 2nd; Rich McIntosh, 3rd.  
Class 10: David Garrison, 1st; Bill Johnson, 2nd.  
Class 11: Jinny Woodhead, 1st; Jean Eldridge, 2nd; Chappy Garrison, 3rd.

## Camp Notes

The campers were also able to get in some good tripping in spite of poor summer weather conditions. These included a boy's two-day canoe trip covering Big and Little Squam Lakes with an overnight stop at Loon Island. The canoers were Tom Hooper, leader, with Bob Joyce, Billy Johnson, Chappy and Dave Garrison, and Richard McIntosh.

The girl canoers were not to be outdone as they took a two-day trip from Center Harbor, N. H. to Long Island on Lake Winnepesaukee. The canoers were led by Ann Hooper, with canoers Marion Clogston, Liz Osborne, Jinny Woodhead, Nancy Stone, and Doreen Cullen. Choice weather was in order for mountain climbing. Two day trips were taken by leader Ann Hooper with Judy Kane, Janet Kane, Jinny Woodhead, and Marion Clogston. The girls trekked up Mt. Lafayette via the Bridle Path, slept near the AMC Hut, and came down via the Greenleaf trail.

## ELM TREES BURNED

Firemen found a large pile of dead elm trees burning unattended at the end of Tufts road Monday afternoon. These trees, which are cut because they are infected with Dutch Elm disease, are usually burned here by the Tree Department, so firefighters left them to their fate and put out the fire at nightfall.

Tom Hooper led his hikers up Mt. Liberty. They slept in the Liberty Spring Shelter and hiked much of the Franconia Ridge Trail on their second day. They came down the Flume Trail. Hikers on this trip included Bob Joyce, Tom Clogston, Chappy and Dave Garrison, Dick Clark, and Bill Johnson.

Eileen Oles was awarded merit for her craftwork during her stay at camp.

## YOUNG CYCLIST HURT

Richard Casalino, 12, son of Mr. and Mrs. Salvatore Casalino, of 42 Irving street, struck a parked car while riding his bicycle down the drive of his home Sunday afternoon. The car belonged to Robert Ross of 33 Irving street. Richard was treated at his home for an injured pelvis.

## ON TRIP TO ITALY

WINCHESTER MAN WAS TO SAIL ON ILL-FATED LINER

Mr. Giustino Baldacci of 28 Harvard street is sailing to Italy for a stay of two months. Once there he will visit with brothers and sisters whom he hasn't seen in 31 years.

Mr. Baldacci was scheduled to sail on the ill-fated Andrea Doria, which was to sail from New York on July 28. He will now sail on the "Independence", which leaves from New York on August 1.

On his return trip he will sail on the "Constitution", which will arrive about October 12. His family and his friends wish him bon voyage.

## EDITORIALS

Tuesday evening, while attempting to relax on our back porch, we were so conscious of the noise of the motor boats on Mystic Lake that we couldn't help wondering how our friends on Everett avenue and Lakeview road and terrace, to say nothing of Cambridge street and Robinson Park, were standing it. It is too bad the officials who think this boating is good, healthy, legitimate recreation couldn't hear the din on some quiet night when it is at its boisterous best. Bacon's Pond, at least, was never meant for any such activity, even before it was practically halved by filling in the cove.

Winchester's interest in improving the Aberjona River ought not to be confined entirely to stopping the pollution of its waters by waste matter from industrial plants. Industrial waste is by no means the whole story.

Last Friday we took a look over the parapet of the bridge on Main street at the Mill Pond and what we saw in the roundish pool at the base of the overfall was far from a pretty sight.

Floating on the coffee-colored water were beer cans, a pail or two, old boards and other debris; cartons, discarded papers and general rubbish, none of which came from any industrial plant.

Now we are not excusing the industrial plants for what they have done to the river, but none of what we saw in the Mill Pond last Friday was their responsibility. We know the town men are busy at this time of year, but it surely wouldn't take too long to rake the rubbish out of the overfall where it is in plain sight to passers-by.

And we all ought to remember that the river belongs to all of us. We ought all of us to accept our own responsibility for it and not add to the cluttering and pollution of its waters by throwing our own debris into the stream.

Merchants of the Thompson street and lower Main street area of the center will applaud the Selectmen's decision to reserve ten double parking spaces in the parking lot adjacent to Waterfield road and to meter them for use by shoppers rather than all-day parkers.

The new street layout of Waterfield road at the post office and the fact that when the railroad underpass joins this street with Common street the resulting road will be a through way has made it necessary to discontinue parking on the southerly side of Waterfield road and Waterfield Bridge.

Ten limited parking spaces are being lost by this restriction, including two or three spaces that used to be available beside the taxi stand. Merchants of the vicinity were concerned over the loss of limited parking spaces for their customers and asked the Selectmen to consider limited parking for a section of the parking space off Waterfield road to compensate for the loss of spaces necessitated by the new street layout at the post office.

The Selectmen were receptive to the idea from the start, and Monday evening voted the restricted parking asked for by the business men. Business in the Thompson street area should benefit from this decision.

## WINCHESTER SKIPPER WINS MARBLEHEAD HONOR

(Continued from Page 1)

Wiswell repeated his win on Saturday the final day of racing, and under much the same conditions. Off to a very bad start among the U.S. One Designers, he once more jockeyed his way into first place to clinch the One Class Corinthian Trophy.

The southwest wind was even stronger inside and there was some minor breakage of masts and rigging among the smaller boats.

The Snipes made a fast run around the two lap course, with Jack Cummings finishing first, Dick Ivers, second, and Ken Cook third. Tom Legere, Jr., in "Larus" was fifth, and Pete Montminy in "Allegro", sixth.

Long Out  
This race was Long's undoing as his Rebel broke a halyard, losing for her skipper the chance for a sixth straight New England championship. Another top skipper, Alan Gulickson of Town River, dropped out of the race after one lap, though in second place at the time.

Committee Boat  
For the first Marblehead Race Week on record, the Winchester Snipe fleet had the equivalent of their own private committee boat. Tom Legere, senior, piloted the course in his power boat every day, and was always ready to offer help when needed.

Fortunately, due to unusually good weather, there were no Snipes reported upset or seriously disabled except on the last day, when Rod Long's "Rebel" was forced to retire with a broken halyard. Tom Legere deserves a lot of credit for his efforts and for his interest in the fleet.

## AIR INSTRUCTION FOR PALLADINO

United States Military Academy Cadet D. J. Palladino, son of General and Mrs. Ralph A. Palladino, 19 North Gateway, is attending a 2 weeks Air Induction Course at Maxwell AF Base, Ala., and Elgin AF Base, Fla.

The Air Induction course is being presented by the Air University Command with assistance of six more major commands, for all second-year students of the Academy. The course will provide the future military leaders with a knowledge of the Air Force role in the Department of Defense and its capabilities and will give them a general insight into Air Force service. It will also give them an understanding of the requirements and opportunities for leadership in Air Force units.

Such knowledge is necessary to the cadets for two reasons. First, after graduation from the academy they may choose positions with the Air Force as Air Force officers. Present Congressional action allows 25 per cent of the graduating West Point cadets to choose Air Force. Second, officers in the field must have a working knowledge of air power deployment and operation in order to maintain efficient liaison between the Air and Ground forces.

Mr. and Mrs. Charles A. Murphy of Manchester, L. I., New York, formerly of Inverness road, were in town this week visiting friends. Their son, "Charlie," former Winchester pitcher and basketball star, a recent graduate of Colgate, has received his orders to report to Marine Training School at Quantico, Va. Young "Chuck" is a big boy now, standing two inches above the six-foot mark and weighing 194 pounds.

## PLAYGROUND NOTES

Approximately half of the summer playground recreation program provided for Winchester youngsters by the Winchester Park Department has passed, and it has been an excellent one thus far for those who have attended.

Everything is on the playground that any youngster would desire; it is suggested that these facilities be used as much as possible. If the youngsters do not make the best of the opportunities presented them, it is their own fault.

The instructors are understanding, happy, aggressive and willing to do their part. So have your little ones go to the playground nearest their homes for a very pleasant and enjoyable summer.

It might be mentioned that on next Friday, August 10, the youngsters of the Winchester playgrounds are to go to Reading for a play day with the youngsters of that town. There will be a baseball game for those up to ten years of age, another for those up to fifteen, with a kick ball and softball game for the girls. This makes a happy day for all and for both communities.

It is already planned that a beach day is to be held when Winchester girls and boys will bus to Crane's Beach in Ipswich for a day. The youngsters will take their lunches. Buses are to leave Winchester from the various playgrounds at about 9:30 and will return about four o'clock.

Those planning to go are to pay one dollar and have a note from their parents indicating parental approval. It will be a day long to be remembered.

All instructors of the playgrounds will make the trip to assist in supervising the youngsters so all will be safe and well cared for. Make your reservations as soon as possible so that buses can be reserved for us.

After this Beach Day it is being planned for the Winchester youngsters to attend a Red Sox baseball game at Fenway Park. The date for this will be announced very shortly.

Last Wednesday morning the Loring Juniors played the West Side Juniors and won by a close 2-1 score. Bobby Colclough was the winning pitcher. Getting singles for the winning side were Bob Bennessa, Richy Faeta and Bill Ring. The big batter was Jim Flaherty with two safeties. Dave Hession shone for the losers with a homer and Gay was the other hitter with two singles.

On Thursday the Loring Intermediates went to Ginn and the game ended in a 3-3 tie. For Ginn Kevin Kelley had two hits, Dana Kelly had a double and Carl Arlanson had a triple. For Loring Whipper Smith had two singles and Joe Butare got a triple. In the afternoon the Loring Girls Softball team defeated West Side 5-4 in a close game.

On Tuesday morning of this week the Loring Juniors defeated the Ginn Juniors 6-1. Bob Colclough connected for two homers and a triple to lead the winners at the plate. Jim Flaherty hit a homer and single. For Ginn Keane got a single and double and Peckham had a single and triple.

The West Side Juniors played at Leonard on the same day with Leonard winning 5-2. George Neville starred for Leonard with a single and homer with Bellino also coming through with a single and double.

On Tuesday afternoon the West Side softball team played at Ginn and in a very close and thrilling game Ginn won 1-0. Peckham scored the lone run in the first inning with two errors accounting for the run.

John also got a single and Jeff Peckham hit a double with Mac Donald hitting a single. Nam Gray started what could have been a rally for West Side in the third by opening with a single much to the delight of her team mates but she was unable to cross for a run.

Gloria Mucera has her Arts and Crafts going in fine fashion with youngsters making plaster of paris figurines, bracelets, lanyards, belts and pot holders.

## TOWN SOFTBALL LEAGUE

This week marked the close of the current regular season play of the Town Softball League, which was sponsored by the Winchester Park Department and under the directorship of Frank Provizano. League championship playoffs are scheduled to begin next Monday evening at Ginn Field but if it means conflicting with Little League play, the softball games will be played at Leonard Field until such time as Ginn Field can be used.

As this article goes to press the Sons of Italy and Holy Name Society were in a first-place tie with a "deciding" game for sole possession of first and second places to be played. The winner of this game will be the top team in the League and the defeated team in second place for championship playoff purposes.

Also, as this article is read, there is a possibility of the V.F.W. and Dineen's Grocery (formerly the Royal Spa) ending up in a tie for third and fourth places. Dineen's Grocery had to win the final game in order to hold third place. A loss in this game would mean a tie with the "Vets," which would also call for a playoff. Either way, the two teams are in the playoffs. The only unknown fact at this writing is what places the teams hold in the final standings.

It is definite that the first and fourth-place teams play next Monday (weather permitting) and the second and third place teams play on Tuesday. This rotation plan will be followed every evening until the "finish." The semi-finals are best two out of three, with the winners competing against each other in the finals for the championship in a three-out-of-five series.

This season the League has been one of the most exciting and closest for many years. If you have not attended any of the games you have missed something. Make it a point to see the playoffs! They start next Monday evening at Ginn Field on Leonard Field as mentioned previously in this article, depending upon the Little Leaguers and the use of Ginn Field.

## MORAN HEADS TURTLE DETAIL

When the alarm of "Turtle" goes up at the fire station, no one dashes for the hook and ladder, the emergency truck. Instead, a group of firemen, usually led by Charlie Moran, sallies across Mt. Vernon street toward the Mill Pond, armed with 10-foot-long "plaster poles."

And yet their mission is still one of saving lives—the lives of Winchester's ducks and geese which grace the banks and waters of the pond. These fowl have been the victims of a number of large snapping turtles which have been coming into the pond this summer. Charlie Moran, who with a steel-tipped pole on one hand and an axe in the other is the chief turtle-head hunter, believes the cleaning of the Aberjona upstream has stirred these turtles from their usual haunts.

Although nine of the killers, ranging from 10 to 15 pounds, have been caught and destroyed, there have been several casualties. One wild duck's brood has been reduced to 7 to 2, and the lone gosling narrowly escaped death last week when a turtle wounded it severely in the breast. If there are no young ones about, the turtles will attack the gosling mallards. Capable of taking off several of a man's fingers at a snap, these shelled monsters grab the legs of swimming ducks and drag them to the muddy bottom to drown.

The process of catching turtles is a combination of skill and luck; a hook and line with a large piece of meat on it is thrown into the water and left until one swallows it. Then he is pulled gently toward the bank, as any sudden movement or noise may alarm him, and cause him to snap the line with his razor-sharp jaws. When he is close enough to shove one of the firemen sends the plaster pole (usually used for ripping down ceilings) through his back. He is then quickly buried, without benefit of ceremony.

At the present time the firemen are especially on the lookout for a battle-wise snapper of gargantuan size, estimated to weigh between 40 and 50 pounds and reported to be as broad as the bottom of a tub. This monster keeps to the middle of the pond and so far has eluded his fate. However, the firemen are sharpening their spears, and we wish them good hunting.

## PLAY AIDS "JIMMY FUND"

A playlet in aid of the "Jimmy Fund" was produced and staged at the home of Dr. and Mrs. E. Robert Barlow, 7 Winthrop street, last Wednesday evening.

A group of children, "The Little Players," rehearsed with great enthusiasm for several weeks under the direction of Shirley Barlow, and Mrs. Babs Barlow helped during the final three days of rehearsals, which were fairly hectic and usually meant four rehearsals a day.

The play, entitled "Robin's Rainbow," was staged in the garden, which made a perfect setting for the little English play about the original Robin Hood's children.

Neighbors and friends crowded the terrace, and were enthusiastic in their applause. The sum of \$12.92 was collected for the "Jimmy Fund" and this amount was matched by Dr. and Mrs. Barlow, the total of \$25.84 being presented to Big Brother by Patricia Garvey and Linda Barlow on their television program.

The entire cast appeared last Friday, when Mrs. Barlow arranged to take them down to watch the show as a reward for all the interest and hard work they had put in to the play.

The cast follows:  
Robin—Patricia Garvey  
Marian—Linda Barlow  
Dillon—Carolyn Root  
Peter—Ellen Moody  
Gipsy—Rebecca Berry  
1st Hunter—Christopher Barlow  
2nd Hunter—Mary Gerish  
3rd Hunter—Heather Barlow

## REPRESENTING BAPTIST ACTIVITY

Led by their pastor, Rev. Walter Lee Bailey, Harriet A. Emery, V. M. England, Walter Josephson and John Foster have been chosen from the membership of the First Baptist Church to represent their church and Baptist Convention in regional meetings this summer to make plans for the intensive lay leadership program opening in September when Bay State Baptists pioneer a national program.

The local church sessions will culminate in a series of five dinner gatherings Sept. 17-21 in various parts of the state, when official delegates from the churches will receive initial training in five areas of Christian witnessing.

Rev. Dr. Edwin H. Tuller, Executive Secretary of the Massachusetts Baptist Convention, says of the program, "A trained disciplined lay leadership all along the line in church offices is crucial and indispensable to the development of an effective Christian strategy for our day."

## WINCHESTER LIONS CLUB NEWS

The second of a series of summer cook-outs and meetings of the Winchester Lions Club was held Monday, July 30, at the home of Lion Sam Bonasera, who was "Chief Cook and Bottle Washer."

The Lions Club also thanks Sam's wife, Julia, whose help was necessary to help make the cook-out a success.

After the food, which was well prepared and thoroughly enjoyed by everyone present, was eaten, the meeting was called to order by Pres. Dick Rogers. As is usual after a hearty meal, many discussions were held on the activities of the various committees. The membership committee reported that they have three new applications for membership.

Among those present was Al Brachum, the guest of Lion Peter Marchesi. Al is a resident of Woburn and he is in business on Main street in Winchester.

As there will not be a meeting on Labor Day, the Program Committee is making arrangements for three interesting meetings for the remaining three weeks in September.

## NEWSY PARAGRAPHS

Mr. Clifford Macdonald, son of Mrs. Fred Macdonald of 21 Kenwin road, a member of the executive staff of the American Baptist Convention in New York City, is attending the Sector Directors' Workshop of the American Baptist Assembly at Green Lake, Wisconsin, July 28-August 4. Fifty American Baptist pastors and church leaders are learning at the workshop improved methods of program building and financing an enlarged ministry in the local church.

Kenneth F. Whittaker of Weymouth, who sustained second degree burns of the right hand and forearm in the center last week Thursday afternoon when a compressor he was filling with gasoline exploded, proved not so badly burned as was first supposed. He was treated at the hospital by Dr. Philip J. McManus and was able to drive his car to the hospital in the evening. He was back on the job with the Joseph Morgan Co. in the center the next day.

Winchester's Representative Harrison Chadwick has introduced into the Legislature a bill for an interim committee to make a study of the pollution of the Aberjona River and the Mystic Lakes. The bill has already had a favorable committee report.

The fact that all things are possible to  
God will be brought out in the Lesson-  
Sermon entitled "Spirit" at Christian  
Science service Sunday.

Scriptural selections to be read from the  
King James Version of the Bible will in-  
clude Paul's statement to the Philippians  
(4:13): "I can do all things through Christ  
which strengtheneth me."

From "Science and Health with Key to  
the Scriptures" by Mary Baker Eddy will  
be read the following (182:30-41): "To  
admit that sickness is a condition over  
which God has no control, is to presuppose  
that omnipotent power is powerless on  
some occasions. The law of Christ, or  
Truth, makes all things possible to Spirit;  
but the so-called laws of matter would  
render Spirit of no avail, and demand  
obedience to materialistic codes, thus de-  
parting from the basis of one God, one  
lawmaker."

## CAMP STELLA MARIS

The following Winchester young  
ladies are looking forward to Sun-  
day, August 12, when they will en-  
ter Camp Stella Maris, Winger-  
sheek Beach, West Gloucester, for  
the final two-week period.

Kathleen Collins, 180 Pond street  
Janet Covino, 9 Sanborn street  
Rosalie Covino, 9 Sanborn street  
Nancy P. Doherty, 233 High st.  
Monica Hurley, High st. ext.  
Anne Hurley, High st. ext.  
Virginia Lawton, 111 Pond street

Miss Karen Armstrong of 15  
Pine street entered Camp Stella  
Maris on the opening day, July 1,  
is staying there for the season and  
will return to Winchester with the  
above group on Saturday, August  
25. The closing day of Camp Stella  
Maris is always one of great ex-  
citement with the banquet and  
awarding of the prizes which the  
campers have won during the sea-  
son.

Those Winchester girls who at-  
tended Camp Stella Maris this sea-  
son were very much impressed with  
the improvements made—the ten-

## A CAT-TALE

"Dave" and "Marge" Thoms of Maxwell road, with their daughter, Betsy, and sons, Billy, Charles and Robbie, are back in town with their black cat, Inky, after a vacation spent in Sanbornville, N. H. Inky nearly didn't make it on the return trip! Everything was going nicely until the new Thoms station wagon was rolling through North Andover. There Inky decided she had been a party to motor travel long enough and as the car slowed down going by a lush-looking meadow she took off through a strategic aperture the Thoms had overlooked in the dunnage at the back of the car.

It didn't take the whizzing feline long to lose herself in the tall grass of the meadow, and the best and concerted efforts of all the Thoms proved insufficient to woo her back to the family fold.

After exhausting every possible avenue of search, "Dave" and "Marge" and the kids climbed sadly into the beach wagon and drove sorrowfully home. During their luggage and the accumulation of things necessary for a family to vacation at a lakeside cottage, they

got to thinking of Inky, and once the station wagon was clear, "Dave" and the two older boys returned to the North Andover meadow for another try at the cat.

They found her right away! safely ensconced in a drain-pipe, and dunned if she would come out for all their persuading. Even advice secured from an Andover veterinarian proved worthless in the emergency.

Then "Dave" bethought himself of food! Might be the vet, for all his skill, had failed to take into account the imponderables that would prevent a lost cat in a drain-pipe from returning to the bosom of her family! Might be even that family didn't look good to the by then jaundiced eye of the badly frightened kitty! But food, ah! After an all-day fast, examined closely and from every angle, food seemed the thing to give the troops!

Placing a good-sized stone at the entrance to the drain pipe to preserve the status quo, the Thoms went in search of cat food. Returning with a succulent can, they removed the stone, and found their trip unnecessary! The stone had done it! Inky was awaiting them with open paws. She was ready for home and beddie-bye!

## M. S. P. C. A.

The members and friends of Winchester Auxiliary will be glad to know that on Monday, July 23rd the Senate in Washington passed the bill S1636, the Humane Slaughter Bill.

There were a few changes from the way it was first written, but Mr. MacFarlane, who has spoken to us a number of times, says it is a satisfactory step in the right direction.

The senators have received more letters in favor of that bill than about many other bills in years past. Further legislation in the next Congress will be needed.

There are so many laws passed for the benefit of those who break laws, why not a law for the decent humane handling of those living creatures, our food animals, who never have broken any laws!

We are pleased to tell you that the dedication of the Alford Wildlife Sanctuary at Bear Island in Lake Winnepesaukee will take place Sunday, July 29th.

Plans are made for Humane workers to be there from many places. It will be interesting to hear more about how our scholarship for a young Massachusetts

teacher will help in what is to be carried out there this summer. A new and far reaching project.

Mr. and Mrs. Harry Arlanson of Brooks street and Dr. and Mrs. Joseph Lynch of Grove street returned Tuesday from several days vacation at a camp on a small lake above Dover-Foxcroft in Northern Maine. Also in the party were the Lynch youngsters, Irene, Joe and Kevin, and the youthful Arlansons, Carl, Carol and "Susie-Q", not forgetting the Arlanson's toy Boston terrier, "Champie".

LORD ESTATE SOLD

Final papers were passed this week conveying title of the well-known Lord Estate, at 10 Pine street, once the home of Dr. Henry L. Houghton, to Professor and Mrs. Robert H. Gregory of Winchester, who are buying for a home. The beautiful well-cared-for grounds contain over 53,000 square feet of land as part of the estate. Not showing in the picture is a large building formerly used as a coach house and chauffeur's quarters. Sale was negotiated through the local real estate office of G. A. Josephson, realtor, 5 Church street.

## ITALIANS TO CELEBRATE ASSUMPTION FEAST

CARNIVAL OPENS AUGUST 16

Winchester's residents of Italian extraction will hold their annual celebration of the Feast of the Assumption next week, commencing with the Feast Day, August 15, and continuing for the remainder of the week, with a three-day carnival at the parking lot opposite the town hall, opening next Thursday evening, and the usual parade through the Italian section the following Sunday afternoon.

The Feast of the Assumption Society has arranged for a high mass to be celebrated at St. Mary's Church next Wednesday, August 16, a day observed everywhere in the Roman Catholic Church as a Feast Day.

The carnival opens the following evening, August 16, at 6 o'clock with the usual carnival features, merry-go-round, ferris wheel, kiddie rides, booths and as a special feature, a pie-eating contest, for both boys and girls up to 14 years of age.

Friday evening's special carnival feature will be a decorated bicycle contest with a prize awarded the best decorated machine.

Next Saturday, August 18, the Carnival will open at 2:00 p. m. and continue through the evening. Saturday's special feature will be a Beauty Contest, and as added features there will be band concerts by two well known bands.

Sunday's parade, in which specially selected bearers will carry a large statue of the Virgin Mary, will leave St. Mary's at 10 o'clock in the afternoon and proceed through the principal streets of the Italian Section of the town. In line will be members of the Assumption Day committee, a band, and a float carrying the statue. Colors and Color Guard, two bands, members of the Christopher Columbus Society and Ladies Auxiliary and young people's groups. Vincent Evangelista heads the committee in charge of arrangements with John Mercurio as treasurer; also Giorgio Fazio, Robert Riccio, Richard Fiore, Guy Maullari, Paul Maullari, Vito DiBenedetto, Romeo Lucentoni, Frank Dattilo, Domenico Ferraina, Joseph Michienzi, Alfonso Cuccolo and Joseph Tofuri.

## JOYCE — MILLER

At the Old South Methodist Church in Reading on Sunday afternoon, August 5, Miss Doris Anne Miller, daughter of Mr. and Mrs. Frank E. Miller of 455 Grove street, Reading, was married to Norman Lewis Joyce, son of Mr. and Mrs. Charles Joyce of 15 Webster street. Dr. William Gunter officiated at the 4 o'clock ceremony which took place in a setting of white gladioli, carnations and delphinium. A reception followed in the church parlors. Mrs. Minnie Hartman of Lynn played the bridal music.

Given in marriage by her father, Miss Miller wore a waltz-length gown of white flecked with gold and having a sweetheart neckline. Her corsage was of white roses and stephanotis.

Miss Judith Miller of Reading was her sister's only attendant. She wore a waltz-length gown of white dress trimmed with velvet.

Mrs. Miller, mother of the bride, wore a pink linen and white beige hat and accessories. The bridegroom's mother, Mrs. Joyce, wore a beige and blue voile print with beige accessories.

Sherman Saltmarsh of Winchester was Mr. Joyce's best man, and ushering were Robert Joyce of Winchester and Harold Joyce of Weirs, N. H., brothers of the bridegroom; and Paul Miller of Reading, brother of the bride.

After a honeymoon at Lake Winnepesaukee in New Hampshire, Mr. Joyce and his bride will make their home at 23 Mineral street, Reading. The bride is a graduate of Reading High School. Mr. Joyce is a graduate of Winchester High School and after four years in the service is now associated with J. H. Winn Co., in Winchester.

Mr. and Mrs. Murray S. Moore of 60 Wedgemere avenue announce the engagement of their daughter, Miss Joan Elizabeth Moore, to Ensign William Hicks, USCGR, son of Mr. and Mrs. Frederick L. Hicks of 7 Cliff street.

Miss Moore graduated from Winchester High School in 1953 and is a member of the Class of 1957 of Wellesley College.

Ensign Hicks is a graduate of Winchester High School in 1951, and Harvard University, Class of 1955. He is presently serving in the United States Coast Guard, and is stationed on the USCGC Yakutat.

## DORIA LIFE PRESERVER AT HEVEY'S

A life-preserver from the ill-fated Italian liner, Andrea Doria, has been displayed in the window of Hevey's Pharmacy this week, attracting considerable attention.

The life-preserver was picked up at the scene of the crash between the Doria and the Swedish liner Stockholm by 1st Class Cadet David J. Meskill, USCG, of this town, who was a member of the crew of a Coast Guard Cutter sent from New London to the crash area off Nantucket.

Cadet Meskill, son of Mrs. Joseph and the late Fire Lt. David J. Meskill, had newly arrived in New London on a Coast Guard cutter home from a training cruise in South American waters. The cutter arrived at New London shortly after the Doria and Stockholm collided and was immediately dispatched to the scene of the accident.

Cadet Meskill's ship arrived too late to see the Doria afloat, but did pick up some of the articles from the ship, including the life preserver. Mrs. Cary Grant, wife of the movie star.

Among their other duties the crew of the cutter had to sink several of the big costly Doria lifeboats which had capsized and were constituting a menace to navigation.

## MARRIAGE INTENTIONS

John Joseph Barre, III, of 1520 Cambridge street, Reading, and Joan Claire Harrigan of 12 Stone avenue.

Howard Joseph Hayes of Depot street, Duxbury, and Glenna Eleanor McTeague of 33 Cambridge street.

Norman John Delorey of 31 Clark street and Dorothy Winifred Knowles of 15 Clark street.

John William Ottiano of 27 Pierpont road and Teresa Christine Ross of 165 Beach street, Wollaston.

Robert M. Hall, R.F.D. No. 1, Salem, New York, and Joanne Meskill of 8 Bridge street.

## WINCHESTER MOTORISTS

Police officers have suggested that because of the extreme congestion in the center while the roads under the overpass are being resurfaced, residents of Winchester and nearby towns would find it to their own advantage to bypass the center when journeying to Stoneham, Woburn or points south. Those going to Boston and Medford will find the Bacon street route much quicker.

## EPIPHANY SPONSORS REFUGEE FAMILY

For a year and a half, the Church Service League of the Parish of the Epiphany has been trying to sponsor a refugee family. A suitable German family was chosen and the various wheels set in motion—only to have everything stop when one member of the family developed tuberculosis. A Greek family was then chosen—but the Greek quota had already been filled and the family will not be able to come. Finally, a Dutch family from Indonesia has been chosen.

Mr. Floris C. van den Berg was studying to be a lawyer in the Hague when the occupation of the Netherlands closed all the universities. He took a position with the government audit office in the Hague. Shortly after his marriage, he refused to go to work in Germany and had to go into hiding. Following the war he went to Indonesia where he continued to work in the government audit office.

His wife and son Hendrik joined him there in 1950, shortly after the son's birth. Due to communist uprisings in Indonesia they are now refugees emigrating to this country.

Mr. van den Berg has aspirations other than auditing: "I should like to be a teacher. I might teach French, German, Italian, Latin, Greek, or classical history." Mrs. van den Berg speaks several languages and has been given awards for her distinguished work with the Red Cross.

At the time the women of the Parish of the Epiphany collected a supply of furniture and kitchen utensils for the German family which was to come. At a time when the hopes of helping a family come had diminished, the furniture was contributed to an auction sponsored by the Rotary Club. They are now in need of gathering enough furniture, bedding, utensils, and dishes for the family of three.

The van den Bergs will arrive in New York on September 1 and will be in Winchester that day or the next. Anyone who would like to contribute articles for this family may call Mrs. Fred Cameron, Winchester 6-1984.

## MRS. ALTON R. ESTEY

Mrs. Alton R. Estey (A. Josephine Gurney) of Newburg, Maine, died on August 8, at the Eastern Maine General Hospital in Bangor, after an illness of approximately six weeks duration. Mrs. Estey was born and brought up in Winchester and attended school here. She was the daughter of the late D. W. Gurney, formerly of Hemingway street.

Resides her husband, Mrs. Estey is survived by a brother, Walter F. Gurney of Hemingway street; two sisters, Mrs. H. Harold Dover of Vine street and Mrs. Angelo J. Crovo of Reading.

Interment was at Newburg, Me., where she had made her home for the past eight years.

## ENGAGEMENT

Mr. and Mrs. Robert Finn of 4 Hillside avenue and Rockport announce the engagement of their daughter, Kathleen, to Mr. B. Paul Russo, Jr., son of Mr. and Mrs. B. Paul Russo of 14 Oxford street.

Miss Finn, a graduate of the Boston Academy of Notre Dame, received her degree from Regis College, Weston, with the class of 1955.

Mr. Russo, a graduate of the College of the Holy Cross, Worcester, class of 1953, recently separated from the United States Army after a tour of duty in the Far East, will enter Georgetown Law School in September. A Christmas wedding is planned.

## FRED E. DODGE

FORMER RESIDENT OF WINCHESTER

Fred E. Dodge, former resident of Winchester passed away suddenly at his home in Strong, Maine, on August 5th. His friends in Winchester will remember him as the manager of the Winchester Garage for many years.

Since leaving Winchester his time had been spent in traveling for the Dodge One-Up Signal. He is survived by his wife, Laura Dodge and brother, Warren Dodge both of Strong, Maine.

Funeral services were conducted at the Methodist Church in Strong on August 8, 1956.

## NEAAU MEET AT LEONARD POOL TOMORROW

Tomorrow afternoon, Saturday, August 11, at 2:30, an original NEAAU Swimming Meet will be held at Leonard Field pool, under the auspices of the Winchester Park Department and directed by Joseph F. Burns of the Winchester Red Cross.

Competition in NEAAU Swimming Meets is limited to New England swimmers of outstanding ability, and Winchester is indeed fortunate to be able to hold this exhibition each year and to see New England swimming at its best.

Winchester parents who are interested in having their children become good swimmers should make every effort to attend this affair and bring their boys and girls with them. The high quality performance that will be put on by the NEAAU swimmers will be a sight worth seeing.

One of the most interesting of all swimming events is the NEAAU senior boys 400m. Individual Medley, in which each competitor is required to swim four laps of back stroke, conventional breaststroke, butterfly and free style. This is really grueling competition and only the most highly trained and skillful swimmers can compete.

This event last year was won in Winchester by Carl Woolsey of Brockton, who currently is in Detroit competing for a berth on the U. S. Olympic Swimming Team.

Following is the order of events: Mass. Championship—Boys—100m Freestyle—50m Freestyle—Boys—14 and under—Winchester residents only. Mass. Championship—Girls—100m Freestyle—50m Freestyle—Girls—14 and under—Winchester residents only.

NEAAU Junior—Boys—100m breaststroke. NEAAU Senior—Boys—100m Individual Medley.

The following competitors who are Junior and Senior champions have signified their intention of taking part.

Jack Geyser and Roberta Robison of Rhode Island Central Boys' Club in Providence; George Downey and Neil McGarry, Lincoln Square Boys' Club of Worcester; Sheila MacCabe, Worcester Aqua-Maids; Phyllis Ghoussy, Gardner; Sheila McCarthy, Lexington; Ann Neville, Winchester Swimming Club; and Jean Gilman, Metropolitan Swimming Club of Boston.

Winchester will be represented in the Massachusetts championship 100m freestyle for girls by Brenda Cunningham, Brenda McGowan and Carlene Johnson. In the NEAAU Junior 100m breaststroke Ann Neville and Patricia Murphy will carry the Winchester colors.

Championship medals will be awarded to first, second and third place winners in all events.

The Winchester Park Department has erected bleacher seats at Leonard Field and there will be ample seating capacity for all who wish to attend.

Winchester boys and girls interested in swimming in the 14 and under event may enter their names with Mr. Burns up to noon tomorrow at Leonard Field.

## COMING EVENTS

AUG. 14, Tuesday, Flower Mission. Chairman, Mrs. A. H. Monson. Crawford Memorial Methodist Church, Winchester 6-8223.

## CHAPMAN'S FATHER-SON GOLF WINNERS

FIRST DAY 71 WITHSTANDS ALL CHALLENGERS

Dick Chapman of Oyster Harbor, aided and abetted by his 14-year-old son, Dixie, fired a star-spangled one-under-par 71 with low 30th annual Father and Son Golf Tournament at the Winchester Country Club last week. A record-breaking entry list of 294 teams vainly tried to equal the Chapmans' card posted during the first day of competition, Tuesday, July 31.

The Chapmans' 71 was gross and was two strokes under the 83 of A.C. and Bruce Derosiers of Fresh Pond. Joseph and Charles Bachelder of Salem were third with 74.

Other prize winners were: Fathers With Sons Under 12—Low Net, Dr. Frank and John Carr, Wachuset, 83-74; second, Dr. Arthur and Steve Smith, Great Barrington, 88-74; third, Arthur and Glenn Hardy, Happy Valley, 102-74.

Fathers With Sons 12-15—Low Net, Dr. Frank and Charles Carr, Wachuset, 78-62; second, Evander and Evander French Jr., Winchester, 80-64; S. and Stanton Oppenheimer, Wellesley, 77-65.

Others With Sons over 15—Low Net, John J. Wilson, Marshfield and Jack Wilson, Winchester, 81-62; second, Dr. Frank and Joseph Carr, Wachuset, 80-63; Benjamin H. Bowden, Tedesco and Benjamin F. Bowden, Jr., Winchboro, N. C., 79-65.

Father With Two Sons—Low Net, Dr. Frank Carr with Charles, 78-62; with Joseph, 75-65; total net, 157.

Grandfather-Grandson—Low Net, Percy Goodale, Winchester and Tom Goodale, Woods Hole, 93-70.

## HISTORY REPEATS

In 1955 against Malden American, Paul DeRossi pitched a one-hitter. No batters were passed and only one player reached second base in the 5 to 0 win. Monday, August 6th, Johnny Peckham, in his first starting assignment, duplicated this feat, striking out nine.

Mike Bellino scored a run in the first inning on a single by George Neville and homered in the second on a two aboard to give Winchester a four run lead. Seven of the nine Winchester players hit safely. The extra base blows were Bellino's home run and Butch Franson's triple.

This game was the quarter-final of sectional play and if Winchester wins its semi-final on Thursday they will be in the finals for the championship of Greater Boston to be played in Newton on Saturday August 11th at 2 p. m.

## SAILS FOR TEACHING POST

Miss Carolyn Padelford, daughter of Prof. and Mrs. Norman J. Padelford of 6 Ravenscroft road, will sail from New York, August 22, on the S.S. Independence for Turkey, where she is to join the teaching staff of the American Academy for Girls at Uskudar, Istanbul.

She will serve under the American Board of Commissioners for Foreign Missions which appointed her to a three-year term as a teacher in the Near East. The American Board, the oldest missionary society in this country, is the foreign service arm of the Congregational Christian Churches.

Miss Padelford was born in Utica, New York, (1934). She attended the Winchester High School, Fisk University at Nashville, Tenn., and Oberlin College, Oberlin, Ohio. She was graduated from Oberlin in 1956.

The American Academy for Girls at Uskudar was founded in 1874.

## More Classrooms Will Be Needed Soon

## New High School Nearing Capacity

Superintendent of Schools Harry Gilson told the Star this week that it is not going to be necessary to use locker rooms and a typewriting room as home rooms because of a space shortage at the high school, but he did admit that an expected enrollment of over 1000 pupils this fall will necessitate the use as home rooms of two physical education rooms adjacent to the locker rooms not originally intended for that purpose. There is no intention of using the typewriting room as a home room, as it is not suitable, either from a pupil-facility standpoint or because of the probable damage to the valuable typewriters it houses.

The Winchester High School, when it was remodeled and enlarged from the junior high school, was designed for 925 pupils under optimum conditions. In explaining the plans to the town at the town meeting in 1953, Mr. William J. Speers, Jr., chairman of the Building Committee, said that the building would have an outside capacity of 1200 pupils. It was the Building Committee's belief, at that time, that it and the junior high building, remodeled from the old high school, would be adequate for from 10 to 12 years.

Again at that time Mr. Speers stated that the Building Committee felt both buildings might be full in six years, and later he said that they might be at or near capacity when they opened. Now, after little more than a year of use, the high school is right at or close to capacity, though Mr. Speers told the Star that the building ought to be usable with no loss of educational efficiency for another two years or so.

Mr. Speers told the Star that the Committee had not believed that the capacity of the building would be reached so soon, but he also said that the Building Committee had never believed nor had he, representing the Committee, ever stated, or intended to convey the impression that the remodeling and enlarging of the junior high school to house the senior high and the remodeling of the old high school for use as a junior high school would end for all time the town's secondary-school housing problem.

The Committee did feel at the time the town voted to remodel and enlarge its present buildings instead of new construction that the high school, perhaps not ideally, but adequately, could house up to 1200 pupils. On a three-year, high school basis such a school could be expected to adequately provide housing for high school pupils until the town reached 20,000 to 21,000 inhabitants.

It was the Committee's judgment in 1953, and so stated at town meeting, that when the high school population reached 1900 it would be advisable to adopt the 6-3-3 plan of education, having the high school house three grades and the junior high school house three grades, a system favored by any education including the Winchester school authorities.

Mr. Speers said at the 1953 town meeting that the Building Committee then had a plan to convert one of the high school to a three-year school, the housing problem could best be served by the construction of a new junior high school.

The committee has now changed its thinking somewhat in considering a proposal of Superintendent of Schools Gilson, who suggests that there would be several advantages in adding a classroom wing to the present centrally located junior high school so that such present facilities as gymnasium, auditorium and cafeteria would not have to be duplicated.

With school population on the increase the Committee has also been considering the possibility of making use of a part of, or an adaptation of the plan proposed by Superintendent Gilson, and the plan proposed by Jerry Foster and Lester Gustin, that of closing off Main street at Washington street and constructing a campus type of secondary school center on the area within the construction of a new bypass through the Skillings estate one of the most serious objections to this plan has been eliminated.

With the plan to construct 150 homes off Ridge street and the possibility of some 35 to 50 homes going up on the land recently taken over by the town from the City of Medford, the Winchester school authorities are weighing the possibility of new school construction with a very few years.

## CLARENCE ADRIAN LAVIN

The funeral of Clarence Adrian Lavin of West Palm Beach, Florida, was held Tuesday morning from the M. G. Moffett Funeral Home with requiem high mass celebrated at St. Mary's Church. Burial was in New St. Joseph's Cemetery, Waterbury, Conn.

Mr. Lavin, whose family have been long time friends of the Leonard Barrios of Lakeview road, died Sunday morning, August 5, at the Pratt Diagnostic Hospital, following an operation. A native of Waterbury, Conn., he was 50 years old and had been a hotel operator in Florida, making his home at 241 Olive, West Palm Beach.

He leaves his wife, the former Marion Buzzell, and several brothers and sisters.

## LITTLE LEAGUE SCHEDULE

If the Winchester All Stars won last night from Wyoma League of Lynn at Woburn, they will meet the Section 3 champion, Belmont, Saturday afternoon at Gill Stadium, the two-year-old Little League Field in Newton. Take 128 to Norumbega Park, turn off there and the stadium is about 100 yards past the park. Starting time, 2:00 p. m.

The winner of Saturday's game will play the Section 4 champion representing Maine, New Hampshire, Vermont and the Maritime Provinces of Canada, August 15, at Forest Park, Woburn.

## WINCHESTER 7, MELROSE AMERICAN 2

In the semi-final of District 6, the Winchester Little Leagueers overcame the Melrose Americans for a 7 to 2 victory.

Three Winchester pitchers, Rodney Gay, Jack Brenner, and Johnny Peckham with two innings each, gave up five hits and two runs. Neville homered in the second to put Winchester ahead. In the top of the fourth, Gavin of Melrose hit a home run with one aboard to take the lead. In the last of the fourth, an error by the third baseman and successive hits by Flaherty, Neville and Peckham produced three runs and Winchester was ahead 4 to 2. Two bases on balls and a single by Francon added three more in the fifth to give Winchester its third win in All-Star play.

## DISTRICT CHAMPIONS

On Saturday, August 4th, at Forest Park in Woburn, the Winchester Little League All-Stars overcame a three run lead to be the Wakefield Nationals 5 to 3.

The win was sparked by a double and single by Dutch Francon and two doubles by Rodney Gay. Mike Belino allowed only four hits and fanned twelve. Centerfielder George Neville made a driving catch of a sinking line in the eighth and sent the team into Sectional Play. WAKEFIELD NAT. WINCHESTER

## WINCHESTER BOAT CLUB

### REGATTA SCHEDULED FOR WEEKEND

There'll be big doings at the merry manor on the Mystic—the Winchester Boat Club—this coming weekend as the Fleet stages another regatta. In addition to our own Snipe Skippers, there will be a host of visitors vying for a super collection of nifty trophies. Last year you may remember, the visitors romped off with top honors, but this year our boys are determined to do their damndest to cop the cups. There will be a tune-up race Saturday A. M., and the first official race in the afternoon. Then two more races Sunday A. M., at nine and eleven o'clock.

So if you want to see small boat sailing at its thrilling best, line the lakes on the Mystic and watch the Snipes sail by.

Fleet skippers, their families and crews and the visiting skippers. Should be a real wing ding.

Shipwreck Dance  
Another big event in the offing is a dance for the adults of the Club and their guests and is set for next Friday, August 17 at 8:00 P. M.

Because the committee knows how much the men folks hate to dress up, its going to be a shipwreck party, so they can come with nothing on but the radio if they wish.

Seriously, it might be a good idea to think a little bit about what you wear, because there will be prizes for the best and most original rigs.  
Just come dressed like you were when the ship started to sink—and boy does that give you plenty of leeway.  
There'll be a real gone band and

lots of laughs so lets put it over with a big attendance. If its a success, there'll be lots more.

Teen Agers!  
Tonight, Friday the 10th, there's a teen age record hop from 8:00 to 11:30 p. m. If, by any chance you hadn't heard about the hop, hustle on down tonight.

Fleet Facts — Herby Alderson and Tommy Lepore shared honors over the weekend—each scoring a spectacular win over the Fleet.

WHAT  
ABOUT  
YOUR  
FUTURE?

Everyone hopes to be financially comfortable some day. And while the opportunity is open to most of us — it is only the few who reach their objectives.

Why? Because so few people are trained to manage money — either to retain what they have earned or — to put their money to work productively.

Perhaps we can help you to get the most from your earned dollars. A discussion involves no obligation on your part.

## ARMY MUSICIANS SOUGHT

Fort Devens' 18th Army Band is seeking qualified young musicians for direct enlistment to the band, according to Sergeant First Class William Bonnell, local Army recruiter.

In addition to meeting the usual requirements for enlistment in the Army, men seeking to join the Fort Devens Band must have had at least two years experience playing their instrument in a band or orchestra. Experience with a dance orchestra will be acceptable.

The sergeant states there are openings now for men experienced on the piccolo, flute, oboe, bassoon, E flat clarinet, B flat clarinet, French horn, trombone, alto saxophone, tenor saxophone, piano and electric guitar.

Interested musicians may obtain full information by visiting the Army Recruiting Station at 49 High Street, Medford Square, or by calling MYstic 6-5777.

Drastic steps should be taken at once to stop the driving of automobiles around town without motor mufflers. Many in town will testify to the increase of this practice, which is a nuisance at any time, and especially so at night. Nor are those responsible all teen agers, though the latter are well represented. We live in an age of increasing noise which some medical authorities will tell you has an adverse effect pathologically on the human nervous system. The town can not apparently do much about the roar of motor boats on the lakes, but it can do something about the roar of auto motors, and horns, on its streets. It should!

Manchester Field has never looked as well as it does this summer and its playing surface has never been in such good condition. Park Commissioner Jim Coon's weed removal and watering campaign has produced exceptional results which should pay big dividends when the field is put to heavy use with the resumption of the high school athletic and physical education program in the fall.

And while we are on the subject of appearance, hasn't the Common looked a lot better this year. The Park Department crew has greatly improved its appearance. Keep up the good work!

Motor Registrar Rudolph King, in his unprecedented action of revoking parents' registrations of motor vehicles for what he believes to be the misuse of these cars by teen agers, has taken a long step toward bringing home to these parents the anti-social actions of their children. Words of warning about the youth of the land spoken by clergymen, educators, youth workers, physicians and police have in most instances fallen on deaf ears, but we believe the loss of the family car will strike a responsive chord and have a salutary effect upon parental concern with juvenile delinquency.

When you take away the right to use the car you really hit a family where it hurts, for America, for good or for bad, has become a nation of motorists.

If Registrar King's action against parents for the misuse of cars by their children is maintained and carried out without fear or favor, we predict a lot of potential young criminals will do a right about before arriving at that deplorable state. Pop and Mom, if they know the family car is at stake, will see to it that their sons and daughters are not out "helling around" in their automobiles, and they, after all, are really the ones to do it!

Every day we hear people exclaiming over the winning proclivities of our Little League All Stars, and wondering how it is our boys do so well in competition with boys from other communities, many of which are larger than Winchester and have a greater number of boys to draw from for their teams.

Winchester's great Little League record didn't just happen. It is the result of hard work through the years by an interested, you might even say dedicated, group of men who have not only taught the boys baseball and good sportsmanship but have given up long hours to the even larger job of providing the funds and organization necessary to the existence of actual Little League competition.

There have been many who have worked hard for Little League in Winchester, too many to mention individually, especially from memory. Ted Bartlett, who got the League away to such a good start, and Ken Hall, Mr. Little League himself, whose interest, efforts and example have meant so much to all our Little Leaguers, are two who might be singled out for special mention, with, of course, Art Johns and Gordon Peckham, whose expert handling of our All-Star teams has always been par excellence, both from a baseball and sportsmanship angle.

And we mustn't forget Mom, either. She, too, has done more than her share for Little League in Winchester.

## WAIT TILL OVERHEAD IS COMPLETED

Editor of the Star:

It must be gratifying to the citizens of the town to know that some attempt is being made to clean up the Aberjona River. If anyone believes this is the only permanent solution, let him disburse himself of this idea by taking a look at the \$20,000 beautification project at Horn Pond Brook. Can anyone say that this is not a menace to health, in its present condition? We all know these things cost money and are reflected in the tax rate, which is an important factor in our lives, albeit only one factor. We must give it due consideration.

Speaking of the tax rate, does anyone have any idea how high the tax rate will go when the trains start running overhead? It is a well known fact that a child is born with only two fears. The fear of falling from a high place, unsupported and the fear of a loud unexpected noise. Have you noticed the sporadic and fitful attempts of a child to sleep, once its slumber has been disturbed? Do you know why a mother is infuriated when her sleeping infant is awakened? Is undisturbed sleep necessary to maintain good health?

How many children, or adults for that matter, will be able to enjoy a full night's rest when the trains start running overhead?

If the Civil Defense Department wishes to find out how fast this town can be evacuated, let them wait till the overhead is completed. They will witness the fastest and most complete evacuation in history. When the trains go up, the real estate values will go down, down, down and the tax rate will go up, up, up. Where it will stop, God only knows. When the people find out this is no longer a healthy place to live, this will truly be the Ghost Town on the Aberjona.

Yours for more peace and quiet.  
 Sincerely,  
 James P. Cullen  
 66 Salem street

While passing through town last Saturday a Star reporter saw Chairman George Redding of the Board of Selectmen personally policing the shore of the Mill Pond along Converse Place. The place was considerably improved as a result of his ministrations, but we can not say the same for George who had the misfortune to slip on the wet grass while retrieving a carton from the edge of the water and fall in the pond up to his knees. It is fortunate that the MDC had done what cleaning they have done before he took his plunge!

## TOWN SOFTBALL LEAGUE

On Monday evening the playoffs for the Town Softball League championship got off to a fast start with last year's runner-up, S. O. L. defeating last year's champs, V. F. W., by a decisive 9-3 score.

The V. F. W. got off to quick scoring with two runs in the first frame when Tim Connors bunted safely, Paul MacDonald scored him with a double and Paul then scoring on a hit by Tom Cogan which went for a triple. The Vets scored one more in the second to go ahead 3-0 until the fourth inning when the "Sons" had a big inning by scoring six runs.

Joe Berardi and Pete Provinzano started things rolling with two consecutive singles. LeRoy Penta then hit a triple to deep right center scoring Berardi and Provinzano. Penta then tallied on a long fly by Tony Bucci. F. Ganzi walked and B. Bucci reached on a fielder's choice. Joe Amico then connected for a single to score Richie Bucci. Moose Bellino walked, Joe Berardi walked and Pete Provinzano doubled to score two before Bill Fiore grounded out to end the inning.

The Vets were held scoreless for the remainder of the game while the "Sons" crossed twice more in the fifth and once in the sixth. Joyce and Saunders pitched for the Vets and Dickie Tofuri and DiMambro for the victors.

The second game was played on Tuesday evening with Dineen's Grocery losing to Holy Name Society in a close 5-4 contest. Dineen's were held scoreless in the opening frame and in the bottom of the inning Holy Name scored two quick ones when Johnny Farrell and John Dilorio crossed pay dirt on hits by Ken Donaghey and McManus.

Dineen's tied it at 2-2 in the second. Tom Connolly walked, McManus singled to score Connolly and McManus scored on Dineen's single.

Holy Name came back in their half of the frame for two more runs by Don Kenton, who scored when Lou Farrell homered. The next two innings went scoreless for both teams and while the Holy Name got down the Grocers in order in the fifth they themselves crossed for one more run when Donaghey walked and Goodrow hit a double.

In the sixth Dineen's scored one more to make it 5-3 in favor of the Holy Name, who were tied down in the last two innings while the Grocers came back in the last inning to score one more but still behind 5-4. The game ended with two men on and the last batter flying out to John Dilorio at short.

These games were played at Leonard Field because, as mentioned in last week's Star, the Little Leaguers were still winning in their competition and Ginn Field still kept aside for their use.

The softballers are quite content to play at Leonard and will continue to play there as long as the Little Leaguers keep on winning. So you Little Leaguers—keep going—we are with you!

If the season ends for the Little Leaguers, the rest of the softball games will be held at Ginn Field.

The softball semi-finals are now being played between first-place S. O. L. and fourth-place V.F.W., and second-place Holy Name Society vs Dineen's Grocery in the best two out of three.

The winners of the above series will then play a three-out-of-five series for the championship.

If you haven't seen these boys in action, you should make it a must.

At the end of the season a game will be played for the benefit of the Jimmy Fund between an all-star group of the Town Softball League and the all-colored aggregation, Harvard A. C.

## BRUSH FIRES FREQUENT

A series of grass and brush fires, caused by the prolonged spell of arid weather, plagued the Fire Station at the end of last week.

Thursday, the engines were called to brush fires at the end of Tufts road, in the woods off High street opposite the golf course, and on property belonging to the City of Medford near South Gateway. Friday afternoon a grass fire was extinguished on the south side of the Aberjona River near Wins Watch Hand factory on upper Washington street.

## PLAYGROUND NOTES

The playground season has just passed its half-way mark and is still going strong but in the past week several of the "regulars" have been absent because of leaving town for various vacation spots. Nevertheless activities are still held and the youngsters are kept happy and busy. Last Thursday morning Jim McElholm's Leonard Intermediate 13-0. Whipper Smith pitched a no-hitter and also connected for a grand slam homer in the fifth inning. Doug Martel also met Tony Bruno's pitches for two homers and Powers had two doubles with three RBIs for the day. Dan Serieka came up in the sixth to also hit a four-bagger with the bases empty. Billy Rogers and Tony Bruno pitched for the losers.

In the afternoon Sandy Lawson's Leonard Sophomores visited Leonard and Ruth Flaherty's nine won 8-5. Dickie Lindsey knocked the first two runs in, in the third inning with a double. Bill Branley hit for a single that scored the Gallagher and Sonny Mulloy in the fifth frame and in the sixth Art Gallagher connected for a single that scored Joey Mawn who reached first on an error.

Craig Davenport's Ginn Intermediates went to West Side Field on Friday for a baseball game with Dave Bergquist's group and Dave's boys came through with a 4-0 score. Paul DeRossi was the big gun who pitched a no-hitter and also got one of his team's three hits. Franston got a single and Powers was the strong arm with a triple.

On Monday morning the West Side Juniors visited Ginn Field and returned with a 4-3 loss. Sullivan pitched for the winners and he and Andy Page were the only ones that met Dave Hession's slants for hits. For West Side Dave Hession was the big stick with a single and double and Steve Gray followed with a single and a triple.

The West Side Intermediates went extra innings to defeat Ginn 5-4. Larry Capodilupo pitched a two-hitter for the winners.

Ted Freeman homered in the fourth to knock John Peckham in and tie the score at 4-4. Then in the eighth Peckham was walked, reached second on a fielder's choice, reached home on a relay, and scored.

Kevin Kelley pitched for Ginn and he also had a single and double for himself. Carl Arlanson connected for a single and triple. Richie Bond had a two bagger and "Slater" Martin had a single.

As for Arts and Crafts, Gloria Mucera, now has the youngsters making leather projects such as key-holders, wallets, lanyards, compass straps and other items.

As you are reading this column the youngsters from the various playgrounds are enjoying a field day at Reading, which you will be reading about in this column next week.

On Thursday, August 16, the Winchester tots will go to Crane's Beach for the day. They are urged to bring lunches. Reservations must be made in a day or so, so please have your youngsters bring a note indicating your approval of their going to the beach with one dollar for his fare. A trip to Fenway Park is also in the plans of which an announcement will be made shortly.

## EISENHOWER'S PROCLAMATION

The object of National Civil Defense Week which has been proclaimed by President Eisenhower, September 9-15, is to show appreciation to the workers and to acquaint people with the importance of having a planned program in effect should a natural disaster or enemy attack occur.

On September 9th, the President will appear on Television. This will be over national hookups and it is hoped everyone will be interested enough to watch. Winchester plans to participate and our plans are in the development stage.

Town Hall employees this week gave a combination going-away and wedding shower party for Charlie Sosa, retired custodian, and Norman Delorey, who will be married on the 18th of this month.

## OVERHEAD NOTES

The Board of Selectmen have been informed by the Department of Public Works that the cost of such construction will prevent the erection of half-height retaining walls on Swanton street on both sides of the new underpass.

Residents of the district had asked the Selectmen to see if such walls could not be installed there, and the request was passed along to the Department of Public Works. It was finally decided by the State authorities that the cost of such walls, said to be \$97,000, is prohibitive, especially in view of the reported \$78,000 for slope damages.

Commissioner Volpe, who gave the matter sympathetic consideration, informed the Board that rounded curbs might be installed at the back of the sidewalks in an effort to help as much as possible.

The Selectmen have signed an amended contract with the Boston & Maine which will enable the railroad to keep their freight yard where it has been temporarily located at "blueberry hill" near the cemetery in the northerly end of town.

The freight yard was moved to this location from its pre-overhead site on Swanton street and the new spot has worked out so well in every respect the railroad asked to keep it there instead of returning it to Swanton street. The Board agreed, feeling the more northerly location is best from the town angle too.

The railroad stations to replace the present structures at Winchester and Wedgemere are to be built by the railroad instead of the State, it having been found that the Commonwealth could not legally build them.

The railroad will be compensated by the State for the amount spent on the stations and the Board is trying to ensure the best appearing buildings possible for the amounts of money available.

REVISED PROPOSALS  
 FOR GRADING AND  
 SURFACING OF  
 BLACK TOP AREAS  
 AT WEST SIDE OF  
 SENIOR HIGH SCHOOL  
 BUILDING  
 TO BOULEVARD

Sealed proposals, plainly marked "High School Site, Grading and Surfacing of Black Top Areas," addressed to: The Building Committee for Additional Facilities for Senior and Junior High Schools, c/o Office of Superintendent of Schools, 84 Washington Street, Winchester, Massachusetts, will be received at said office on or before 9:00 o'clock, A.M., Eastern Daylight Saving Time, on Tuesday, August 21, 1956, at which time they will be publicly opened and read, covering the following:

The grading and surfacing with black top of all areas at the west side of the Senior High School Building designated "New Black Top Parking Area" or "New Black Top Surface" or "New Black Top" on Plan of Louis Warren Ross, Architect, dated August 7, 1956, and in accordance with specifications prepared by Louis Warren Ross, Architect, dated August 7, 1956.

Copies of the Plan and Specifications may be examined or obtained at the above office.

The contract will be awarded as promptly as possible after the opening of bids, and in any event within fourteen (14) days thereafter. Bidders should state in their bids the specific period following award within which they agree to complete the work, in the absence of causes of delay beyond the control of the contractor. The Committee may consider such stated time of completion in making the award.

The contract will provide for payment of the contract sum ninety-five (95) days after completion of the work, or earlier in the discretion of the Building Committee upon submission of evidence to its satisfaction of due payment by the contractor for all labor performed, equipment hired or material used in the completion of the work.

The Committee reserves the right to reject any or all bids or to accept such bids as may be for the best interests of the Town of Winchester. It should be noted this is a revised invitation, all bids on a similar invitation dated July 20, 1956, having been rejected. The Plan is identical, but the Specifications have been revised.

## NEWSY PARAGRAPHS

Walter E. Cuff of 2 Summit ave-  
nue, reported to the police that  
early Wednesday morning, another  
car struck and damaged his auto  
on South Border road near High-  
land avenue.

If you've noticed a difference  
around the center of the past two  
weeks, it was just that Leon Smith,  
popular custodian of the First Con-  
gregational Church, has been on  
vacation and you have missed his  
smile and friendly greeting. Leon  
had planned to spend a part of his  
vacation on a trip with Mrs. Smith  
to Pennsylvania.

Jim and Bertie Newman of Ginn  
road are back after three weeks  
vacation at Big Tein Lake in Michi-  
gan, making the trip west and back  
by plane. Jim claims the fishing at  
Big Tein is exceptional but that he  
personally had no luck at all during  
his stay. He did get in a spot of  
snipe sailing, and said it was quite  
an experience to be able to tack for  
three or four miles after sailing on

How Christ Jesus healed sickness and  
discord of every kind will be set forth at  
Christian Science services Sunday.  
The Master's reply to the messengers of  
John the Baptist will be included in the  
Scriptural readings in the Lesson-Sermon  
entitled "Soul" (Luke 7:22): "Then Jesus  
answered, saying unto them, Go your way  
and tell John what things ye have seen and  
heard: how that the blind see, the lame  
walk, the lepers are cleansed, the deaf  
hear, the dead are raised, to the poor the  
 Gospel preached."

Among the correlative selections to be  
read from "Science and Health with Key  
to the Scriptures" by Mary Baker Eddy is  
the following (210:11-16): "Knowing that  
Soul and its attributes were forever man-  
ifest through man, the Master healed the  
sick, gave sight to the blind, hearing to  
the deaf, feet to the lame, thus bringing  
to light the scientific action of the divine  
Mind on human mind and bodies, and giv-  
ing a better understanding of Soul and  
salvation."

Officers Thomas Parsons and  
William Nash had to take a trip to  
Palmer Beach last Saturday  
afternoon to eject three young men  
who were drinking and throwing  
bottles about on beach property.  
Before ejecting the men the officers  
had them clean up the mess they  
had made.

CRACKDOWN ON TEEN-AGE  
MOTOR MISUSE CONTINUES

Attorney General George Fin-  
gold met this week with other top  
State and municipal law enforce-  
ment officers to map out plans for  
the continuation of the crackdown  
on teenagers using autos for gang  
warfare and other improper activi-  
ties.

The major announcement to come  
out of the meeting was a warning  
to parents that they run the risk  
of losing the car registration if,  
while being used by teenagers, the  
vehicle is involved in any incident  
endangering the safety of others.

In the general discussion cov-  
ering the recent outbreak of teenage  
gang warfare, the following points  
were brought out.

1. Not every community has been  
plagued by the rash of gang war-  
fare involving automobiles, but the  
group expressed their determina-  
tion not only to prevent its spread  
but also to stamp it out completely.

2. In the most recent major in-  
cident, which occurred in Wake-  
field on July 18, very few of the  
involved in the gang fight were  
from that town or its vicinity. Most  
of the youngsters came from 8 dif-  
ferent cities and towns far afield  
from Wakefield.

3. That in communities where  
the police take a genuine friendly  
interest in youngsters, there have  
been no incidents or organized  
juvenile delinquency.

4. That in no reported incident of  
juvenile delinquency involving  
motor vehicles has the offender  
been given driver training in school.

5. Police investigation has shown  
that in many cases the juvenile  
offenders were allowed by their  
parents to leave school to "go to  
work and buy a car."</

### ANNOUNCES CANDIDACY

Bruce R. Hunt of Arlington this week announced his candidacy for the Republican nomination for the office of State Senator representing the Sixth Middlesex Senatorial District, which comprises the towns of Arlington and Winchester and the cities of Medford and Woburn.

Mr. Hunt was educated at Harvard University and is a veteran of the United States Marine Corps in World War II. He is employed as Assistant-Treasurer at Commercial Filters Corporation in Melrose. He is also President of Bax-Wood Construction Corporation, a local home improvement concern.

### JOINS ARMY RESERVE

Sherman Josephson, son of Mr. and Mrs. Gustave Josephson of 8 Fairmount street, has enlisted in the United States Army Reserve and has elected to serve two years active duty.

Sherman recently received his baccalaureate degree from Boston University, where he majored in public relations. Prior to his enlisting, Sherman was active in sales for his father's real estate agency. He will leave on September 19 for Fort Dix, New Jersey.

### AUTO HITS POLE

Late Saturday night a car driven by Richard S. Cooke of 36 Central street struck an Edison Co. pole in front of 60 Church street.

The driver, who was slightly injured, was taken to the Winchester Hospital for examination. The auto was damaged extensively on the right side and front end.

### LEGION FAMILY OUTING

Middlesex County Council, the American Legion, is staging a Family Outing on Sunday, August 12th, at Soiretta Park, Natick, from 12 noon until dark.

Commander Herbert L. Froberg of Winchester Post No. 97 has been

appointed Co-Chairman of the arrangements Committee. Food may be purchased at the field or brought. Children under 12 are admitted free, and may ride the fire engine and participate in games in which the winners will receive a nice prize. A Miss Middlesex County Beauty Contest for those under 12 will be staged.

**LIGHTING DESIGNER****AT TUFTS THEATER**

Jackson Wilcox, son of Mr. and  
Mrs. Woodford L. Wilcox of 29  
Calumet road, served as lighting  
designer at the Tufts Arena Theater  
this summer. Mr. Wilcox is a  
student in the College of Engineer-  
ing of Tufts University.

The co-directors of this twelfth  
summer season were Marston Balch  
and John R. Woodruff, the latter a  
resident of Sheffield road. Pro-  
fessors Balch and Woodruff are  
both members of the Tufts depart-  
ment of drama and speech and  
prominent figures in American  
community theater.

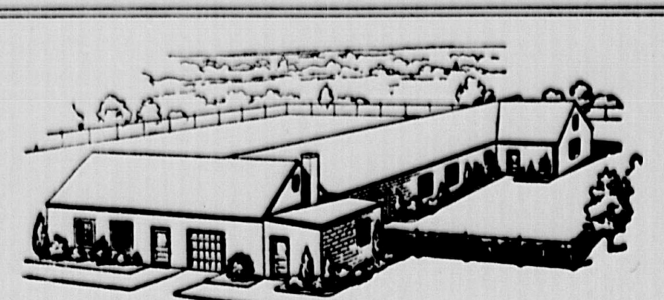

The Tufts Arena Theater is New  
England's first and only permanent  
indoor theater utilizing the distinc-  
tive "theater-in-the-round" tech-  
nique. Theater activity at Tufts is  
not restricted to the summer  
months; last year twenty-five pro-  
ductions were offered.

**Have a Safe Trip, Folks!**

You've awaited this trip with mounting excitement. Now, as you stow away the luggage you're anxious to be off.

Remember, though, most roads were designed for yesterday's traffic. You'll encounter narrow lanes, steep hills, sharp curves and short sight distances. So drive accordingly. Be sure to have a safe trip, folks!

Wherever you go you'll be safest on concrete roads. At night light-colored concrete reflects light. You see farther, get more time to act in case of danger. Dark-colored pavement absorbs light. If you can't see you can't be safe!

Concrete's gritty, skid-resistant surface grips your tires firmly. That enables you to stop fast in emergencies—even in the rain. And concrete's freedom from ruts and washboard ripples spare you these additional driving hazards.

Yes, night or day, rain or shine, you will be the safest on concrete. So don't take chances with your loved ones. For a safer, smoother riding, more enjoyable trip, stay on concrete.

Motorists in the neighboring states of Connecticut, Rhode Island and New York, among others, benefit by the safety of concrete pavement when they travel their principal highways. And they have the added advantage of a lighter tax burden resulting from modern, properly constructed, smooth concrete highways which have moderate first cost, plus low maintenance cost and long life, resulting in low annual-cost service.

What You've Been Waiting For

## Winchester and Woburn Police

## Softball Game for Jimmy Fund

This is it! Positively this is it! Talk about P. T. Barnum and "The Greatest Show on Earth!" Not a bit like it, really! All previous extravaganzas pale into insignificance in the face of the coming spectacle. And a spectacle it will be!

The Winchester and Woburn police are going to play each other at softball at Library Park in Woburn under the lights Saturday evening, August 25, at 8:15. Proceeds will go to the Jimmy Fund, and even if you believe the game itself won't be worth the price of admission, the fact that your contribution will help little children suffering with cancer should get you to the game.

The Star has no doubt at all about the game as entertainment, whatever doubts we may entertain as to the merits of the brand of softball to be played. All we would need to know further to make things perfect would be that Phil Silvers and Duane Dohertyman are to do the umpiring. That would really put the show on the road!

Apparently this impending softball imbroglio has its inception in a challenge to a basketball game hurled by Woburn at Winchester last winter. Woburn is accusing the local "finch" of "chickening" out of the proposed game, while Winchester avers the tanning city bluecoats filed the challenge in their wastebasket.

Complimentary letters have been exchanged, and feeling that there could be no better way to stimulate interest in the August 25 event, they are reproduced herewith in their original form:

August 11, 1956  
Winchester Police Department  
Winchester, Mass.  
c/o Entire Department (especially Mr. Dukes Farrell)  
My Fellow Officers:

Several months ago the Woburn Police Department challenged the Winchester Police Department to a game of basketball. Unfortunately you never accepted our offer. Now we would like to give you an opportunity to come out of hiding and see if you have any sporting blood at all.

We the members of the Woburn police softball team do hereby this day challenge you, the Winchester police, to a softball game at Library Park, Woburn, on August 25, 1956, at 8:15 p. m. We imagine you can field at least 9 men who can at least go through the motions. The entire proceeds of the game will go to the Jimmy Fund. Hoping to hear from you soon, we remain,

Respectfully,  
Woburn Softball Team  
P. S.: We supply spit-toms in the outfield so it won't cost you \$5000.

August 15th, 1956.  
Woburn Softball Team  
c/o Woburn Police  
City Hall  
Woburn, Mass.  
My Fellow Officers:

In your letter you refer to a basketball game which was to be played some months ago. Evidently that challenge was put in file No. 13 (wastebasket).

However, we champions of New England Softball are ready and willing to accept your challenge to play on the night of August 25th, at Library field. However, we reserve the right to have one of our police officers in uniform to stand at the light switch to make sure that the lights do not go out.

Also no scooters will be allowed out on left field during the game. Hoping that the turn out from Woburn will be as large at Winchester for such a worthy cause as the Jimmy Fund.

Respectfully,  
The New England Softball Champions.

P. S.: Don't forget the Spit-toms. Ed. Note—At a recent softball game between the Woburn Police and Fire Departments the field lights were reportedly extinguished in some unknown manner, such as a fireman hit one in the general direction of North Woburn with three men on bases.

ANNUAL RED CROSS  
SWIMMING CHAMPIONSHIPS  
SATURDAY, AUGUST 25

The annual Red Cross swimming championships will be held at Leonard Field Pool on Saturday, August 25. This event, which is sponsored by the Winchester Park Department and the Winchester Red Cross, is for Winchester boys and girls only.

There will be between 25 and 30 events covering free style, breast stroke and back stroke. The distances will be 25 meters for the younger children and 50 meters for the older ones.

The age groups will be as follows:

1. Boys 10 and under; girls 10 and under
2. Boys 12 and under; girls 12 and under
3. Boys 14 and under; girls 14 and under
4. Boys open; girls open

Winchester boys and girls who wish to enter may do so by signing their names on the sheet provided at either Palmer Beach, Leonard Beach, Winchester Country Club, Winchester Boat Club, or the Red Cross office.

Out-of-town Winchester boys and girls who wish to enter may do so by writing to Mr. Joseph F. Burns at the Winchester Red Cross and telling him the event in which they would like to compete.

Medals and trophies will be awarded to first, second and third place winners in all events.

## WINCHESTER LEGION AUXILIARY

Again by popular request the Winchester Legion Auxiliary Unit 97 will hold a Cook-out and Dance, at the Legion home on Vine street, Saturday, August 25. Come down and enjoy the good food and dancing.

## OFFICER HENRY P. DEMPSEY

Veteran Officer Henry P. Dempsey of the Winchester Police Department died Friday evening, August 10, at the Winchester Hospital of a heart ailment with which he had been afflicted since April. He was twice hospitalized, entering first on April 28. At that time his condition was very serious, but he improved greatly and after eight weeks was able to go to his home at 89 Washington street, East Woburn.

For a time he continued to improve, but on Monday, August 6, a bad turn sent him once more to the hospital, critically ill, and this time he failed to rally.

Officer Dempsey was the son of Patrick and Sarah (Melia) Dempsey. He was born in Winchester, January 17, 1900, and grew up in town, attending the Winchester schools and Winchester High School.

For several years he worked around the center for James Gargas, whose fruit and produce shop was where Winton's Hardware is now located, for Richardson's Market and for the late P. H. Randall, then proprietor of Randall's ice cream and candy store on Mt. Vernon street.

February 9, 1925, he was appointed to the Police Department for the usual probationary period of six months, receiving his final appointment as a permanent officer August 15 of that year.

The late William R. McIntosh was chief when Officer Dempsey entered the department, and the latter served under three chiefs, Chief McIntosh, Chief William H. Rogers and the present Chief, Charles J. Harrold.

During the more than 31 years he spent on the force he was for the most part on night patrol duty on the West Side of town, first on foot and later in a cruising car, the exception being a short period of traffic duty in the square several years ago.

Officer Dempsey was generally popular not only with his superior and brother officers but with the public as well. His sense of humor, good nature and real Irish wit often softening the rebukes he was called upon as a police officer to administer.

He once detected a Greater Boston judge violating a traffic by-law in Winchester, summoned him to court and got a conviction. Many motorists or other law violators came off second best in a battle of wits with "Red" as he was known everywhere.

He was a member of the Winchester Police Relief Association and of the Massachusetts Police Association.

On April 9, 1929, Officer Dempsey married Alice Lannen of Woburn, who survives, with two sons, Henry J., Jr., of Los Angeles, Calif., and Peter Dempsey of Woburn; four sisters, Katherine, Melia, Edna and Barbara Dempsey, all of Winchester, and five brothers, Lt. Detective John F. Dempsey of the State Police in the Cape Cod area, Stanley, of Billerica, a member of the Boston & Maine Railroad Police; Walter, of Lowell; Edward, of Cambridge; and Richard Dempsey of Stoughton.

The funeral was held Tuesday morning from the late residence of Mrs. Dempsey, 89 Washington street, at St. Joseph's Church in East Woburn at 10 o'clock.

Rev. William J. Gorman, pastor of St. Joseph's, was celebrant with Rev. Walter Doy of St. Peter's Church, Reading, deacon; and Rev. James Curtin subdeacon.

A detail of Winchester Police headed by Chief Charles J. Harrold and including Lt. Joseph J. Derro, Sgts. Edward F. Bowler, John Elliott and Irving Reardon, and sixteen patrolmen, acted as a guard of honor both at the Dempsey home and at the church.

Members of the Board of Selectmen and other town officials attended the funeral and there were delegations from the plain clothes division of the State Police and from the District Attorney's office. Chief Thomas Maguire and Lt. Joseph Doherty represented the Woburn Police Department at the funeral.

Retired members of the Winchester Department, Sgts. Thomas F. Cassidy and Patrolman James F. Noonan were also present. Among the State Police present was Lt. Arthur T. O'Leary of this town. Chief James E. Callahan and retired Chief John J. Gorman represented the Fire Department.

Following the mass the casket was carried from the church by members of Officer Dempsey's brother officers standing at attention, and the police headed the funeral cortege on its way to Calvary cemetery, Sgts. Elliott and Reardon, leading detachments marching at each side of the hearse.

At Calvary Cemetery the interment was made in the family lot.

CRUSHED BENEATH  
BARREL STAVES

Leo D. Brenner of 107 Cross street was painfully injured Monday morning at the International Co-operative Co., on Swanton street, where he is employed.

A stock pile of barrel staves fell from a storage space onto Brenner as he was working. The police ambulance, manned by Officers Thomas Parsons and Clarence Dunbury, rushed the injured man to the Winchester Hospital.

On Wednesday his condition there was described as serious, but he is steadily improving.

## NO PARKING!

Parking has been prohibited on the southerly side of Waterfield street, from the Postoffice to the entrance to the old Manchester Field Parking lot to Mystic Valley Parkway.

The new street layout at that point has necessitated, and signs were erected this week announcing the ban.

## TEACHERS' WORKSHOP

POLIO DELAY LAST YEAR  
RESULTS IN THREE-DAY  
FEATURE

Winchester teachers will have a three day "workshop" period before school opening this year as the result of the longer discussion and orientation period in effect a year ago when the polio scare postponed the opening school for some ten days or so.

While the schools were closed last fall the teachers were in their class-rooms, preparing for the opening of school by attending discussion periods, conferences with superintendent and principals and orientation gatherings. Results seemed so beneficial from the administrative viewpoint and so helpful to new teachers that it was decided to hold another three-day "workshop" period this year, postponing the opening of school from the usual Wednesday after Labor Day until the following Monday.

Superintendent Harry Gilson told the Star the teachers were not unresponsive to the idea in spite of the two days extra they will be called upon to be in school. The regular 181 days of school will be in session in addition to the three day "workshop."

In the past Winchester teachers have been required to return to school a day early to get their books, meet their superintendent and principals and generally prepare for the first day of school. School administrators believe a day is insufficient preparation for regular school sessions, and it had been the regular thing to dismiss pupils on the first day of school after getting their names, assigning them to rooms and giving out school equipment. This year with the "workshop" period the first day of school Monday, August 10, will be a normal school day.

The first day of the "workshop" will be devoted to administrative meetings, school principals meeting with the superintendent and principals and with their respective teaching staffs.

On the second day supervisors, directors and department heads will meet with their staffs and with teachers in the elementary schools.

On the third day teachers will get their programs in working order, receive their books and other equipment and generally make last minute preparation for school opening the following Monday.

Superintendent Gilson described the "workshop" as especially helpful in orienting new teachers to the Winchester schools system and in briefing them on local methods and the town generally.

## JOSEPH E. LYNCH

Joseph E. Lynch, 56, of 320 Cross street, died Sunday morning, August 12, at the Winchester Hospital, following a long illness. He was found in critical condition by his wife, who had been shopping at a shopping trip and was ordered to the hospital immediately by Dr. Richard W. Sheehy. All efforts to save him proved unavailing.

Mr. Lynch was the son of William and Mary (Norris) Lynch. He was born June 17, 1900, in Charlestown, and had made his home in Winchester for the past 25 years. Until ill health forced his retirement more than three years ago he had been a house officer at the Hotel Manger in Boston. He was a member of the Winchester Council, 210, Knights of Columbus.

Mr. Lynch leaves his wife, the former Eda C. Lynch, of Winchester, and three brothers, William and Edward, both of Medford, and Charles Lynch of Lawrence.

The funeral was held Tuesday morning from the M. G. Moffett Funeral Home with solemn requiem high mass at the Immaculate Conception Church. Rev. Charles A. Driscoll, pastor, was celebrant; Rev. Stephen McInnis, deacon; and Rev. Charles Anadore of St. Mary's Church, subdeacon. Burial was in Wildwood Cemetery.

UNION SERVICE  
AT FIRST BAPTIST CHURCH

On Sunday, August 19, at ten o'clock, Rev. Walter Lee Bailey, sermon, "Living At Our Best," should prove inspiring to all worshipping at this Union Service at First Baptist Church.

Miss Lydia Jackson, soprano soloist, and Mrs. Mary R. Witham, organist, will furnish the music.

A cordial invitation is extended to all in the community to share this worship service.

## Regional Little League Semi-Final To Winchester

GOOD GOING, DICK, BOY!

Photo by Bill Ryerson

Little League mates welcome Casalnuovo as he crosses plate after his second-inning home run in the Little League regional semi-final between Winchester and Gardiner, Maine, Wednesday at Woburn.

MANCHESTER FIELD  
MUCH IMPROVED

The Park Department has been busy getting Manchester Field into the best condition it has yet enjoyed in advance of the football season this fall. The playing surface of the field has been reseeded, low spots filled and leveled and an intensive weed-killing campaign has given the grass a chance to develop. So thick has the grass become as a result of the recent care that it was necessary to rake the field after cutting the grass this week.

James Violante of the Winchester Modernizing Company commenced this week the job of constructing storage space underneath the permanent bleachers on the easterly side of the football field near the entrance to the high school gymnasium. This space will be used to store bleacher seats and sports equipment, and is something the high school Athletic Department has wanted badly.

The press box above the bleachers has been cleared of the painted signs that disfigured its sides and the movie booth atop the box has finally been housed in so as to prevent persons from getting into the press-box from the platform above. At the southerly end of the field near the scoreboard a big old willow tree that has long been an eyesore there has finally been chopped down and the tangle of bushes and shrubbery along the fence, which has marred the appearance of that end of the field, has been removed. It is the Park Department's plan to reseed this area and possibly put in small evergreens later in the year. Already this part of the field has been greatly improved in appearance.

The baseball diamond has come in for attention as well as the football areas. The infield has been loamed and brought up to grass grade, and the areas around the pitcher's box and catcher's box filled and graded. After settling through the winter, rolling should put the diamond in top shape for next spring's baseball.

The area in front of the permanent bleachers on the easterly side of the field has been filled with loam and graded, and the tennis courts remarked and put in good condition. Not since it was constructed has the field appeared to such good advantage, and when the final work in connection with the enlarging of the school is finally completed Winchester ought to have an athletic field of which it can be proud.

## Tense Pitching Duel Between Bellino and Gardiner's Goggin

## Brenner Home Run In 10th

## Decides Regional Contest

Winchester's amazing Little League All Stars won their way into the Region I Final with a never-say-die 4-3 victory over Gardiner, Maine, at Woburn's Forest Park Wednesday evening, keeping a huge crowd tense with excitement that overflowed in a full-throated roar from the big Winchester delegation in the stands and around the park as Relief Pitcher Jackie Brenner belted a home run in the last of the 10th inning to decide the issue.

Both teams were jittery as the mounting pressure commenced to take its toll, and without knowing too much about Gardiner's regular game, Winchester's performance was not its best by quite a bit. The local boys mustered several chances to win in regulation innings, but win they did and that is what counts.

Gardiner, winner of the series among champions of Maine, New Hampshire, Vermont and the Maritime Provinces of Canada, proved a worthy representative of its region and especially brought a fine pitcher to Winchester in Goggin.

This boy deserved a better fate, showing a great curve and real change of pace that set down 15 of the hard-hitting Winchesterites on strikes. The local Stars found him for seven hits, away from his usual allowance, and belted three home runs which really decided the ball game.

Nevertheless the Gardiner boy got a great hand from the crowd when he was taken out at the end of nine frames, the limit for Little Leaguers, and he got another ovation when he came to bat in the 10th.

Winchester's "Mikie" Bellino matched the Gardiner ace, pitch for pitch, giving up only three hits while fanning 14. Proof of the way he was bearing down is the five walks he issued. Usually his control is much better.

Gardiner arrived at the field in a fire truck and left the same way, getting a fine ovation as its disappointed players and coaches left the field after a heartbreaking defeat.

Home Runs Win  
Regional Semi-Finals

Three-hit pitching by Mike Bellino and home runs by Bellino, Casalnuovo, and Brenner accounted for a 4 to 3 victory over Gardiner, Maine, in ten innings at Woburn on Wednesday night, August 15.

A crowd of approximately twenty-five hundred howling fans witnessed the most exciting game of Little League tournament play in the first inning Mulloy reached on an error and a 230-foot home run by Bellino gave Winchester a 2-0 lead. In the second Casalnuovo belted a home run over the left centerfield fence to make the score 3 to 0.

A walk, two errors and a passed ball gave Maine two unearned runs in the top of the third inning and in the first of the fifth a double by Goggin, a passed ball and a single by Guay allowed Maine to tie the score.

Brilliant pitching by Bellino and Goggin held both sides scoreless for the next four innings. Having pitched the Little League limit of nine innings, both pitchers were replaced in the tenth. Jackie Brenner, who relieved for Bellino, struck out fifteen batters and accounted for two of his team's three hits.

Gardiner should certainly be proud of Ronnie Goggin, who is the pitcher of the Maine team in order and then with one out homered over the left-field fence to win the game for Winchester.

THE BIG ONE!

Reserve Pitcher Jackie Brenner tags plate after his home run that won the ten-inning Little League regional game for Winchester, 4-3.

Jackie Brenner is now credited with three tournament victories and his tenth-inning home run will long be remembered by the Winchester fans.

## N. E. JUNIOR TENNIS

Winchester's entry in the New England Junior Tennis League continued its undefeated record as it scored two wins last week defeating Melrose, 6-1, August 8th, at the home courts, and journeying to Lexington on the following day, where a 7-0 shutout was administered by the Winchester boys.

Leading the stampede in both matches was Captain Ricky Smith, playing the No. 1 singles slot. Smith was extended in Wednesday's match with Fabian Cox of Melrose, dropping the first set 6-1 and trailing 3-5 in the second, but fought from behind to pull out the second set at 7-5, and stormed the net for a 6-2 margin in the final set. Cox was unable to contain Ricky's attack to the backhand and yielded to the constant pressure of Smith's greater depth and pace.

At Lexington, Ricky faced another problem in the steady Chris Barry, who made good use of a heavy chop to confound the local player. However, after an hour and 40 minutes of patient maneuvering Smith won 6-2, 6-4 as his superior ground strokes gave him outright winners or passage to the volleying position in the second set.

Southpaw Paul Sullivan of Winchester, making his initial start of the season at No. 2 singles, scored two decisive victories in straight sets, as he employed his heavily-topped forehand with telling effect. Joel Peckham also won both of his singles matches and has consolidated his game considerably in the past year.

Among the younger Winchester players, Parker Gray and Jim Reid showed the virtue of good control, as they moved down their opponents with a minimum of errors and fine concentration.

Also starring for Winchester were Gerry Hills and Ben Bacon who carried the more experienced No. 1 Melrose doubles team to 7-5 in the third set before going down to defeat. Both Bacon and Hills displayed a sound knowledge of doubles plays which brought them to even terms with their older and more powerful foes.

Dwight Bellows, youngest member of the Winchester team, garnered two doubles wins as he partnered Jim Reid against Melrose and Gerry Hills of Lexington.

## CARNIVAL IN PROGRESS

The final sessions of the big Carnival sponsored by the Town's Italian residents in honor of the Feast of the Assumption continues this evening and Saturday afternoon and evening. The Carnival opened Thursday evening at the parking lot opposite the Town Hall on Mt. Vernon street and is continuing there.

The Feast of the Assumption Society arranged for a high mass to be celebrated at St. Mary's Church on the actual Feast Day, August 15. The Carnival continues the next evening with a pie-eating contest for boys and girls as a feature event.

A merry-go-round, Ferris wheel, kiddie rides, booths and other features were regularly in operation at the Carnival and tonight's special attraction is a decorated bicentennial float. Opening time for the Carnival tonight is 6 o'clock.

Saturday the Carnival will open at 2 p. m., and continue through the evening. Special attractions will be the band, a Beauty Contest to be held during the evening, and a parade.

Sunday the usual Feast of the Assumption parade, in which a large statue of the Virgin Mary will be carried, will leave St. Mary's Church at 2 p. m. The line of march will be through the principal streets of the Italian section of the town, with members of the Assumption Day Committee acting as escort to the statue. Two bands, the Christopher Columbus Society and Ladies Auxiliary will be in line with young people's groups and other floaters.

Heading the committee in charge of arrangements is Vincent Evangelista with John Mercurio as treasurer. Committee members include Orazio Fiore, Robert Fiore, Richard Fiore, Guy Moriari, Paul Churro, Vito DiBenedetto, Romeo Lucentoni, Frank Dattilo, Domenico Ferraina, Joseph Michienzi, Alfonso Cuello and Joseph Tofuri.

## NEW CUSTODIAN

The Board of Selectmen has promoted Assistant Town Hall Custodian Norman Delorey of Clark street to the Custodian's position, replacing Charles Sousa, who recently resigned.

David R. Grel of 815 Main street has been appointed assistant custodian of the hall to fill the vacancy caused by Mr. Delorey's promotion. Mr. Grel is 23 years old and comes to his new job well recommended. He is married, experienced in the sort of work he will be called upon to do and has seen service with the United States Coast Guard.

## SERVING IN CANADA

Army Pvt. John T. Anderson, son of John S. Anderson, 8 Niles lane, is a member of the 7099th Area Service Unit at Fort Churchill, Canada.

Anderson, a truck driver, entered the Army in October 1954, and received basic training at Fort Dix, N. J. He was stationed at Fort Meyer, Va., before arriving in Canada in December 1955.

The 19-year-old soldier was graduated from Winchester High School in 1954 and was formerly employed by the West Paint and Varnish Company, Everett, Mass.

### TO STUDY IN MUNICH

Mr. and Mrs. Thomas P. Goodman (Sally Lou Kriner) visited Mrs. Goodman's parents, Mr. and Mrs. C. M. Kriner of 339 Main street for several days before sailing aboard the "Nieuw Amsterdam" from Boston on August 14th, for a year in Europe.

Mr. Goodman who is on the Faculty at M.I.T., has been awarded a Guggenheim Fellowship and Fulbright grant for post-doctoral study at the Technical Institute in Munich, Germany. Before settling in Germany Mr. and Mrs. Goodman will visit in England, Norway, Sweden, and Denmark.

The Star received on Tuesday a card from Leon Smith, custodian of the First Congregational Church, now concluding his vacation. He wrote from Old Orchard Beach, Maine, after a trip to Pennsylvania, and seemed at the time he penned the card at least to be doing all right.

### VOLPE SCHOLARSHIP AWARDED

**YOUNG ENGINEER FROM ROME TO STUDY HERE**

Northeastern University has announced the selection of a young civil engineer from Rome, Italy, as the recipient of a two year graduate scholarship at the university's School of Engineering.

The scholarship sponsored by the John A. Volpe Construction Company of Malden, has been awarded to Luigi De Vecchi, 26, who was graduated last November from the University of Rome with highest honors as a building construction civil engineer. Selection of De Vecchi was made by the Rector of the University of Rome and Salvatore Rebecchini, Mayor of that city.

During his term at the University of Rome, DeVecchi won a Kinner Institute Scholarship and participated in an instruction trip to Scandinavian countries organized by the Architectural Institute of the University of Rome.

Preliminary plans for the scholarship were made last December, during Boston's Salute to Rome celebration. At that time Massachusetts Public Works Commissioner John A. Volpe, acting as president of the construction firm bearing his name, proposed the scholarship to Roman Mayor Rebecchini who was then visiting Boston.

In notifying Commissioner Volpe of the selection of De Vecchi, Mayor Rebecchini said, "I am particularly glad of this scholarship, because I am sure that it will tighten even closer the links of friendship between our two cities."

### HOW TO HIT 'EM, "ROG"

Little League teammates welcome Roger Gay after his first-inning, three-run homer that decided the Winchester-Belmont Greater Boston championship game at Newton last Saturday. Winchester won, 4-2.

### NO-HITTER FOR BELLINO

On Thursday, August 9th, the Winchester Little League All Stars moved into the finals of Section III which comprises all of Greater Boston by beating Lynn—Wyoma by a score of 10 to 0.

Mike Bellino, in his third assign-

ment, pitched a no-hitter, striking out eight and allowing three bases on balls. He was in control all the time. For two innings it was a tight ball game but in the third the Lynn pitcher walked the first three batters and before the inning was over Winchester had scored five runs without a hit.

In the fourth, Bellino opened the inning with a single and Gay drove a vicious liner down the first base line which Witham caught and turned into a double play. Then came George Neville's clout over the fence for the only earned run of the game. A hit by Flaherty a walk and two errors added two more runs before the inning was over.

In the fifth, a walk, a single by Bond and two more errors accounted for two runs to make the final score 10 to 0.

The alert baserunning of the Winchester team was the cause of the errors and the high score as every batter reaching first base was there on a hit, a walk, or a fielder's choice.

### GREATER BOSTON CHAMPIONS

In 1954 the Winchester Little League All Stars in the finals for the Championship of Greater Boston, lost to Needham 1 to 0. In 1955 they won over East Boston 18 to 2. On Saturday, August 11th, they retained their title by beating Belmont-North 4 to 2 in an exceptionally well played game.

Little Johnny Peckham with his curve working smoothly gave up three hits, struck out six and allowed only one walk. The first nine boys to face him went down in order. In the fourth, the first two batters hit safely and with one out an error loaded the bases. A wild pitch allowed one run to score but still calm and unruffled Johnny struck out the next batter and made the following one line out to Mike Bellino at short. In the fifth, Kollas, the Belmont catcher, put one over the fence. Peckham struck out the next two and after giving up a base on balls the third out was a fly to left field. In the last inning, under pressure, the first batter fied to center and the next two hit the ball back to Johnny who easily threw them out at first. A well pitched game.

Winchester was visiting team for the first time this year and started off with a bang. Mulloy walked, Bellino beat out a slow roller to third and Rodney Gay put one far over the fence to knock in three runs which were enough to win the game. Neville grounded to second, Flaherty fied to right, Peckham singled and Franson struck out to end the inning.

The Belmont pitcher, McCormack then settled down and retired the next ten boys. In the sixth inning George Neville hit his third Tournament Play homer to make the lead 4 to 2.

Every position, except right field, had a put-out or an assist in this game which proves that the All Stars are a well rounded team and while pitching and home runs get the most publicity every single player deserves a lot of credit for winning the Championship.

### BABE RUTH LEAGUE

Since the close of their regular baseball season, several out of town teams who have won their league championship have challenged our winning Phillies to home and home games and arrangement have been made to play Watertown Babe Ruth League, Yankees, at Victory Field, Watertown Saturday, August 18th at 2:00 p. m.

While it will not be possible to field the complete Phillies team now, agreements are made so other league players can be used for replacement.

The donation received at these games will be given to the Babe Ruth Mothers who are now planning a cook-out with special events for our boys in September.

Master Steven Barstow has been spending this week in Shorham, Vermont, on the Patterson Farm, visiting with his uncle John McKinley who is working there this summer.

## EDITORIALS

The recent publicity given teen age motorists emphasizes the opinion expressed to the Star not long ago by one whose life has been devoted to working with young people.

This gentleman, a director of Physical Education and highly successful athletic coach, believes that automobiles are bad for youth, and that no youngster under 18 should be licensed to drive a car. The Star would go further and make the age limit 21.

Getting back to the youngsters. Not only do automobiles make it possible for teen-agers to get to the place of their gang activities, but they also help them to get away afterward much more easily than would be the case without such transportation. Motor cars are in themselves lethal instruments in the hands of dare-devil youth, just as dangerous to the boys and girls who ride them as to those who encounter them on the road.

It was not entirely for these reasons, however, that the gentleman whose opinion we quoted believes automobile driving by youngsters under 18 should be forbidden. He, like others in his profession, is concerned with the physical deterioration of our boys and girls, a deterioration which greatly disturbed President Eisenhower when it was recently brought to his attention.

The habitual riding in automobiles robs youth of one of its best forms of exercise, walking. The driving of kiddies and young people to school and everywhere else is a mistaken kindness which health authorities believe may lead to weak hearts, diabetes and other physical ills.

Children of foreign countries easily outstrip our American youth in standard physical fitness tests. They have to depend on their legs and bikes to get them around and they have the benefit of strenuous play to harden them physically instead of recreation by TV and radio. Their lack of what we give our children as a matter of course is making foreign-born children better physical specimens than our American youngsters. There are plenty of statistics to support this contention, strange as it may sound in view of our better nutrition, medical care and superior living conditions.

So with all our vaccination, polio shots and fluoridated water our youngsters do not stand up physically against those of foreign lands, at least on the basis of tests that have been made.

One of the big contributing factors to this lack of physical fitness is probably the automobile. There can be no question about its contribution to juvenile delinquency!

Winchester's Manchester Field has been greatly improved during the summer and is commencing to look like the field it was intended to be. The Park Department has done a commendable job on the surface and surroundings of the field, and with this in view it is too bad that a few thoughtless people are tending to undo all their efforts.

For the most part the trouble is with automobilists who persist in driving their cars onto the playing surface of the field or around the running track, and with youthful bicyclists who, especially, find the track an inviting place for racing or just riding. The casual observer might well believe neither an automobile nor a bike could do much damage to a running track. Such is however not the case.

The treads of tires rip up the top surface of a track and tend to make it uneven. Bikes do the same in much lesser degree, but they mark the track and over a period of time can harm it appreciably. It's an expensive job to resurface a track!

No one needs to have pointed out the damage that driving a car on its surface does to sod. New grass especially is torn up by the tires and noticeable ruts are made in the relatively soft surface.

The Park Commissioners who care for the field are concerned about the increasing number of automobiles being driven on the playing area and are considering means of stopping the practice. The same is true of bicyclists, which are forbidden to be taken on the field at all.

Many of those who drive on the field do so thoughtlessly, just as an occasional enthusiast knocks a golf ball around the surface to the great detriment of the turf. The Park Commissioners want the field to be used, but used for what it was intended. They are asking motorists and bicyclists to keep off the playing surface of the field and the track, not to interfere with their pleasure, but to keep the field in top shape for athletics and physical education.

The Commissioners do not want to get "tough" about the whole business, but they may have to. They, and all thinking persons, especially the taxpayers, do not want to see a \$100,000 town investment damaged by a few thoughtless persons who put their personal convenience or desire ahead of the public good.

## HASSETT — HURLEY

At a 9 o'clock Nuptial Mass in St. Mary's Church Saturday, August 11, Miss Lorraine E. Hurley became the bride of John H. Hasset, son of Mrs. James Hasset of Worcester and the late Mr. Hasset. The Reverend Frederick H. Brigham officiated, and the bride, daughter of Mr. and Mrs. Frank P. Hurley of 107 Mt. Vernon street and Ipswich, was given in marriage by her father.

The nuptial blessing was bestowed upon the bride and bridegroom. Seated in the sanctuary were Rev. John Lane, Pastor of St. Teresa's Church, North Reading, Rev. Charles Anadore, and Rev. Leonard F. Hurley of St. Maur's Seminary, brother of the bride.

A reception followed at Mt. Hood Country Club in Melrose.

The bride's gown of summer satin was princess style with cap sleeves and a bodice of Alencon lace heavily embroidered with sequins and pearls. Her three tiered veil of imported net was caught to a cap of Alencon lace and she carried a mother of pearl prayer book marked with white roses. Her sister, Mrs. Robert T. Danahy, was matron of honor, and with her gown of forget-me-not blue tulle over tulle, she wore a matching flowered hat. Miss Anne Marie Hasset and Miss Virginia Ann Broe of Tewksbury were bridesmaids. They wore gleaming pink tulle dresses with flowered hats to match and carried missals covered with shaded pink roses.

Miss Anne Patricia Hasset of Gorham, Maine, was as flower girl, wearing white nylon net over blue tulle, and carrying a basket filled with pink roses to match the flowers in her hair.

For her daughter's wedding Mrs. Hurley wore a lace gown of hyacinth blue with matching hat and shoes, and her corsage was yellow marguerites and bouvardia.

Mrs. Hasset, mother of the groom, wore beige lace with matching accessories and a corsage of American Beauty roses and babies' breath.

Henry W. Hasset was best man for his brother. Ushers were Francis P. Hurley, brother of the bride, and Edward J. Hasset, brother of the groom, Richard J. Hasset and John Kennedy of Allentown, Pennsylvania.

The bride graduated from Keith Hall and Lowell State Teachers' College. Mr. Hasset is a graduate of Holy Cross College and Worcester State Teachers' College. Both Mr. and Mrs. Hasset are on the teaching staff of the L. D. Batchelder School in North Reading.

Following a honeymoon in Bermuda, Mr. and Mrs. Hasset will reside at their new home in Reading, where they will be at home after September 1st.

## RYAN — BOYNTON

At St. Mary's Church on Saturday, August 11, Miss Barbara Ann Boynton, daughter of Mr. and Mrs. Ralph Stuart Boynton of 27 Canterbury road became the bride of Richard Jordan Ryan, son of Mr. and Mrs. Timothy Ryan of 35 Hillcrest road in Milton. The Rev. John Leonard Clancy, S.J., a cousin of the groom, came from Fairfield, Conn., to officiate at the 10 o'clock nuptial mass. The church was decorated with white gladioli, and following the ceremony the bride and groom received guests at the Longwood Towers in Brookline.

Miss Boynton, who was given in marriage by her father, wore a white embroidered organza dress with four tiers of scallops, a sweetheart neckline and short sleeves. Her tulle veil was gathered to a crown of pearls.

Miss Nancy Boynton, the bride's sister, was her honor attendant, wearing a blue pique dress and a large white hat trimmed with matching blue ribbon and white shoes and gloves. The bridesmaids, Miss Carol Ann Moriarty of Quincy, Miss Antistis Collins of Milton, Miss Natalie Cerasoli of Revere and Miss Catherine Sellers of Brookline, all wore identical ensembles.

The bride's mother, Mrs. Boynton, wore her orchid corsage on a rose silk dress matched by a rose velvet hat with feathers. Mrs. Ryan, mother of the groom, wore a blue linen dress with a white hat and a blue and white corsage.

Vincent MacQuency of Washington, D. C., was Mr. Ryan's best man, ushering were Jack Collins of Milton, Robert Jennings of New York City, N. Y., and Guy D'Amelio of Scituate and John Hargaden of Milton.

After a wedding trip to Canada, Mr. Ryan and his bride will live at 14 Francine road in Braintree, where the groom teaches at Hollis Junior High School.

The bride is a graduate of Milton High School and Fisher Junior College, where she was a member of the Newman Club. Mr. Ryan, also a graduate of Milton High School, received his degree from Springfield College.

Miss Leslie Sanger, daughter of Mr. and Mrs. Chester W. Sanger of 1 Chesterford road, is spending three weeks at Camp Weetamoe in Ossipee, N. H.

## FROST — MANSFIELD

At the Unitarian Church on Saturday afternoon, August 11, Miss Diana Bancroft Mansfield, daughter of Mr. and Mrs. Edward Bancroft Mansfield of 84 Walnut street, became the bride of Dr. Albert Denver Frost, son of Mrs. Albert D. Frost of 375 Lowell street, Lexington, and the late Mr. Frost. The minister of the church, Rev. Robert A. Storer, read the marriage service at 2:30 o'clock, and a reception followed in Metcalf Hall. Mary Rantow Witham, church organist and choir director, played the bridal music.

Miss Mansfield was given in marriage by her father. She wore a ballerina-length gown of white silk tulle and Alencon lace with a waist-length veil caught to a coronet of pleated net and orange blossoms. Her cascade bouquet combined white carnations and stephanotis with lily.

Mrs. Alfred C. Conrod of Somerville was matron of honor and Miss Sarah B. Moore, small cousin of the bride, was flower girl. Bridesmaids were Miss Diana B. Barnes and Miss Frances Bailey, both of Brookline.

Mrs. Conrod wore a street-length sleeveless dress of yellow French lawn with a bouffant skirt, and a white pique petal hat. She carried a garden basket of flowers. The bridesmaids wore gowns like that of the matron of honor, Miss Barnes wearing pink and Miss Bailey, blue. They, too, carried garden baskets and wore white petal hats.

The flower girl wore a pale-green pleated nylon dotted-Swiss frock with a white rose headband and carried a Colonial bouquet.

Mrs. Mansfield, mother of the bride, wore an aqua polished-cotton-faille gown with a matching hat and an orchid corsage. The bridegroom's mother, Mrs. Frost, also wore orchid with her blue and white printed silk gown and white hat.

John C. Thalheimer of Dunbar, N. H., was Dr. Frost's best man, and ushers were Alfred C. Conrod of Boston and Justin L. Wyner of Boston.

After a wedding journey to Cambridge Beaches, Bermuda Dr. and Mrs. Frost will make their home in Cambridge.

The bride is a graduate of Jackson College of Tufts University and of the Boston School of Occupational Therapy. Dr. Frost, who is a professor of physics at Tufts University, graduated from Tufts and got his master's degree from Harvard. He received the Sc.D. degree from Massachusetts Institute of Technology.

## APPRECIATION

Dear Citizen of Massachusetts:

The replies to our request to tell us how the CONELRAD broadcast came in your set Friday, July 20, far exceeded our expectations. We received over 2400 post cards and letters and they came from all sections of the State. By recording your observations on this test, you have rendered a real service so as many persons said the message could be understood even though it was faint at times. Others had poor reception. An analysis of the replies will help the U. S. Air Force and Civil Defense in their endeavors to improve the CONELRAD operation.

Civil Defense labels for your radio can be placed on your set to enable you to quickly get the signals. Very sincerely,  
John J. Margolis  
Director of Massachusetts Civil Defense

## RESCUED FROM ENGLISH CHANNEL

Anthony J. Saragosa, 21, of Medford and formerly of Winchester, was rescued from the storm-swept English channel after drifting for seven and one-half hours with 12 companions in two rubber life boats, Air Force Headquarters in Wiesbaden, Germany, reported Tuesday night.

The men were on a survival mission when winds forced them out to sea. The rescue plane taxied through 15 miles of rough seas before returning them to shore. The men, stranded at Drexel, France, put out from Normandy Beach.

Saragosa is the son of Mrs. Joanna Centrella. Born in Winchester, as a boy he lived on Spruce street.

## "ANIMAL FAIR" GOES IN FOR TURTLES!

Animal Fair will feature so many turtles! On Sunday, August 19, on WBZ-TV John MacFarlane will deal with every type of turtle native to New England in his discussions and demonstrations of turtles. Seven snapping turtles will be let loose to enable viewers to study them in motion. There will be a discussion on the background of turtles, information about their general living habits, and a consideration of the benefits of turtles to New England.

## NEWSY PARAGRAPHS

Miss Emma L. Boardman, for several years a resident of Cetus street, is very ill at her home in Calais, Maine. Last week Mr. Robert F. Whitney of Walnut street visited there and drove home her newly new Chevrolet sedan, as a gift. Other visitors were Mr. and Mrs. Crockett of Central street.

It's just in the rumor stage right now, but it is reported that a softball game is in the making between the Town Fathers and the Police Department to benefit the Jimmy Fund. "Dukes" Farrell has agreed to put a team of "coppers" on the field for the game. "Nick" Scott is mentioned as the officials' manager. There must be something in the Scott portfolio rumor for we saw him talking earnestly to "Nick" Fitzgerald Wednesday and by the way big "Nick" was shaking his head "Scottie" must have been asking him to play!

The M.D.C. has finally taken notice of the complaints of the noise of outboard motors on Mystic Lake and has had an officer patrolling there in a boat. An appreciable reduction of noise has been reported during his time on the lake, with the real "hot-rodgers" limiting their activity until after his departure.

"Russ" Francis, popular member of the Moody Motor Sales staff, has returned to his home in Reading after an operation at the Winchester Hospital. He is reported as getting along nicely.

The Winchester Police Station is draped in black in honor of Officer Henry F. Dempsey, who died last Friday after a long illness. According to custom, the Station will be draped in black for 30 days.

Former Selectman Marshall Symmes returned last Friday to his home on Yale street from the Winchester Hospital where he had been undergoing treatment for a back ailment. This was his second hospitalization, he having spent eight weeks in the hospital previously when he underwent an operation on his spine. He is able to get up a bit now with the aid of crutches.

# DECEASED VETS' CHILDREN TO GET EDUCATIONAL GRANTS

More than one hundred fifty thousand children of deceased veterans are expected to be eligible for government grants to further their education, under a new law recently signed by the President, Veterans Administration estimated.

The veterans must have died of injuries or diseases resulting from their military services.

The monthly schooling payments

will begin October 1, 1956.

Children between eighteen and twenty-three whose deceased parents served in World War I, World War II, or the Korean conflict may apply for the educational program. In some instances, however, children will be permitted to begin school before their eighteenth birthday and to finish after their twenty-third.

Education may be taken in college and universities, as well as below-college-level schools. But regular high school training isn't included in the new law, and below-

college-level courses must equip students for definite vocational objectives.

On-the-job training, on-the-farm training, and correspondence courses are not allowed.

Government allowances of \$110 a month are paid to students if attending full-time; \$80.00 for three-quarter time; and \$50.00 for half-time training. The rate of "co-op" courses—alternating schooling and actual experience on a related job—is \$90.00 a month.

Students will be allowed up to thirty-six months of training. The time will be reduced by any Korean GI Bill or Public Law 894 vocational rehabilitation training they might have received as Korean veterans.

Information and assistance regarding Veterans Administration benefits for veterans and their dependents may be obtained from James J. Keefe, Contact Representative in Charge of the Veterans Administration Office, located in the Post Office Building, 237 Washington street, in Union Square, Somerville.

Did you know that the U. S. Army is the only armed force which guarantees high school graduates the technical school of their choice before they enlist?

# ROGERS WINS WINCHESTER SNIPE REGATTA

Last year, visitors attending the annual regatta of the Winchester Boat Club Snipe Fleet had little or no competition from our local skippers, but this year they found the going a good deal tougher. That is, as far as the racing competition was concerned, but not the over-all regatta which was a tremendous success. Art Schmidt and his committee deserve a great big hand for a good job, exceedingly well done. Visitors were housed and fed and entertained with typical Snipe Fleet hospitality, hospitality that has become legendary with fleets throughout New England and New York State. Proof of the pudding lies in the fact that 13 boats from out of town competed in the regatta.

The one skipper we wish had stayed home was Bill Rogers, a sensational skipper from Quassanong, down Connecticut way. He won the regatta with plenty of ease, but only after a brilliant duel with Tommy Legere.

Rogers won the first race on Saturday afternoon barely nipping Cliff Austin who was sailing Lane Porter's sleek sloop. The race settled down to a five boat affair be-

tween the two skippers just mentioned plus Tommy Legere, Herby Alderson and Carl Freyer, the younger. And when the final tally was in Rogers was first, with Austin and Legere in the place and show positions.

Sunday morning's race which took nearly three hours, the wind was so soft, was won easily by pre-regatta favorite Rodney Long, who had virtually eliminated himself on Saturday by placing an astonishing 21st. Tommy Legere captured second place and Fleet Captain Clarence Borggaard served notice that he was still in contention by nailing down the third position.

Since Mr. Rogers had scored a fifth in the second race, Tommy Legere was leading the pack going into the final race. However Tom took an awful beating at the start of the final race and as a result finished ninth. Rogers sailed to a safe fourth, and this position plus his first and fifth gave him the regatta. Legere, in spite of a stunning victory in the final race won the third place trophy. Cliff Austin scored his second, second of the regatta and Herby Alderson a good third, but poor second races cost them both the chance at a prize.

All in all our boys did a slick job, winning two of the three positions against such tough competition the entire weekend must be classed among the best of this or any year.

## Card Party

Another of the popular Saturday Evening Card parties at the Club is scheduled for next Saturday. At 6:30 there will be a Buffet Supper and card playing commences around 8:00 m. If you can't make the buffet, come play cards anyway. There'll be door prizes and other prizes so hurry, hurry.

**Safety Tip:** It's natural to have a moment of anxiety as you drive over the brow of a hill—you are never sure what's on the other side, the Triple-A points out. Be alert for slow moving vehicles in Your Lane—or for a speeding car coming in the opposite direction.

MRS. ANTONETTE DILORETO  
TO RECEIVE DOCTOR'S DEGREE

Mrs. Antonette E. DiLoreto, the former Antonette E. Cannao of Providence, R. I., will be the recipient of the degree of doctor of education at the Boston University commencement exercises to be held on Saturday, August 18, at Symphony Hall.

Dr. DiLoreto was graduated from Bryant College in 1940, receiving the bachelor of arts degree in commercial education; and in 1945 she received her master of education from Rhode Island College of Education.

Dr. DiLoreto is a member of Delta Pi Epsilon, Epsilon Chapter, an honor society at Boston University and a member of the Business and Professional Women's Club of Boston.

Dr. DiLoreto is the wife of Attorney Emidio DiLoreto of 36 Winthrop street. They have two children, a three-year-old daughter, Elizabeth, and a seven-month-old son, Michael.

## MORSE TO GIVE TUFTS COURSE

Thomas A. Morse, assistant principal and director of radio and dramatics at Winchester High School, will give a course on Theatre Arts in the Secondary School in the expanded program of late afternoon and evening courses offered this fall by Tufts University.

In addition to many courses in education for teachers seeking baccalaureate and graduate degrees, there are a number of courses in such fields as literature, sociology and psychology open to non-degree candidates desiring to improve their educational and general cultural background.

Classes begin the week of September 17, and information may be obtained from the Office of the Dean, College of Special Studies, North Hall, Tufts University, Medford.

Get your typewriter ribbons, carbon paper, paper and bond typewriting paper at the Winchester Star. Star Building.

## WINCHESTER LIONS CLUB NEWS

The weekly meeting of the Winchester Lions Club was held at the home of Lion Theodore Boecker, where the meal was served "a la cookout," and was deliciously prepared by Mrs. Grace Boecker, with the capable assistance of several wives of members of the Lions Club.

It is needless to say that there was very little food left, because the members and their wives, "went to town" on the menu, showing why these cookouts are so popular. The Board of Directors reported that they are going to take action on several applications for membership as a result of the membership Committee's drive to obtain new members.

It was also reported that the meeting next week will be held as a cookout, in a joint meeting with the Kiwanis Club. All the members are looking forward to this joint meeting.

The guests for the evening were Ann Price and Molly Flannery of Randolphs, who are responsible for the preparing and serving of the meals at our weekly meetings, which are held at Randolphs on Mt. Vernon street.

Preparations are being made to launch a new project to raise funds for the Project Fund. Peter Graziano will head this committee.

## SWIMMERS INJURED

Two persons were injured while swimming Saturday. Justin T. Callahan, Jr., 14, of 6 Woodside road received a bad cut on the back of his head at Palmer Beach, and was taken by police to the Winchester Hospital where several stitches were taken.

Mrs. Lorraine Dewar of 17 Eaton street was treated at the Winchester Hospital for lacerations of the scalp sustained at Leonard Beach.

## Other low-price cars can't possibly give you these 7 big Plymouth extras!

Do you own a '53, '54 or '55 model of one of the low-price 3's? Then here's what you're missing—look how much more the all-new Plymouth offers:

**1 Tomorrow's styling today:** You can easily see Plymouth is all new, while other low-price cars haven't changed much in the last two years.

**2 Biggest, inside and outside:** Plymouth's the biggest, longest, roomiest car of the low-price three. A smoother ride and more room to enjoy it!

**3 Exclusive Push-Button Driving:** With a mere finger touch, you select your driving range—as you'd ring a doorbell. On left, out of children's reach. Positive, mechanical linkage.

**4 Choice of two superb engines:** Pick either Plymouth's sensational Hy-Fire V-8 (up to 200 hp—240 hp in the Fury) or the PowerFlow 6.

**5 Top take-off and passing power across the board:** Plymouth's 90-90 Turbo-Torque provides

the greatest breakaway and passing power in all models of any low-price car.

**6 Greatest attention to safety:** Plymouth gives you many more standard equipment safety features—Safety-Rim wheels, electric windshield wipers, SafeGuard door latches, dozens more.

**7 Far more extra-value features:** Plymouth's low price includes many exclusive luxury features. Compare at your Plymouth dealer's today!

## PLYMOUTH costs less

From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

### SENATE APPROVES ARCHIVES BUILDING

Senate President Richard I. Furbush has won Senate approval of a \$1,000,000 bond issue for the construction of a State Archives Building for the proper housing of some \$10,000,000 worth of priceless historic documents now stored under "deplorable" conditions at the State House.

The archives building proposed by Furbush, Republican candidate for Secretary of State, would be an underground structure adjacent to the State House. Air conditioning, proper fire protection, adequate drainage facilities, and modern storage methods would all be incorporated to preserve precious documents which are spoken of in every American history textbook. Stored at present in a dark fourth floor corner of the State House are such priceless documents as Indian treaties, records of early trading, the infamous witchcraft trials, papers concerning the notorious pirate Captain Kidd and his contemporaries in crime and all of the beginnings of the American Revolution.

Through the action of Senator Furbush and upon acceptance of the proposal by the House of Representatives, there will be no need, as has been suggested, to sell these treasures at public auction in order to assure at least private-ownership preservation.

### DUMP, BRUSH FLAME AGAIN

The ever-smoldering town dump again broke into open flames Friday afternoon, calling three engines from the fire station. As usual, the battle was long and tiring, and the last engine did not return to the station until 3:40 a. m. Saturday morning.

At 7:15 a. m. an engine returned to the fire, and finally brought it under control by 2 in the afternoon. Saturday afternoon, however, the firefighters had the elements on their side, as a sudden thunderstorm beat them to the scene of a brush fire on Cross street. When the engine arrived only ashes remained.

Two boys were held responsible for a brush fire Saturday afternoon at the rear of 288 Ridge street. The fire started in trees and brush being cleared in the construction of roads on land belonging to the Winchester Realty Developing Co.

### PENCILS FOR LEPERS

The Salvation Army announces it is sending 1500 mechanical pencils to its leper colony in Northern Rhodesia, Africa, for use in the schools there. The pencils are a gift from the Parker Pen Company to Colonel Ralph T. Miller, New England Commander of The Salvation Army, and will eliminate a serious shortage in the colony.

The pencils are the Salvation Army's most useful tool in its effort to stamp out illiteracy in Africa. If you have any spare pencils you would like to send, the address is: Colonel Ralph T. Miller, The Salvation Army, Boston, 16, Mass.

### STATE DEPT. SEEKS WORKERS

To meet their urgent need for professional and clerical personnel, the U. S. Department of State has sent personnel officers to Boston, to interview candidates for positions in the U. S. Foreign Service and in Washington, D. C.

Mr. Edward T. Simms and his staff are now at the Massachusetts State Employment Service Office, 6 Somerset street, Boston, conducting interviews daily from 9 a. m. to 5 p. m. and until 7:30 p. m. on Wednesday evenings and until 12 noon on Saturday through August 25.

Individuals with professional or research experience in the fields of economics, foreign affairs, or language and area specialization are being sought for positions paying from \$5000 to \$10,000 per year plus overseas allowances. Appointments will be made to the Classified Civil Service or to the Foreign Service Reserve for a period of five years. Candidates must be willing to serve anywhere in the world; initial assignments, generally, will be in Washington, D. C.

In addition, Mr. Simms states that they are continuing their search for qualified and experienced secretaries, typists and clerks for positions in the 268 posts in 74 foreign countries where our nation maintains offices. Young men and women who are between the ages of 21 and 35, single with no dependents, in excellent health and who have had 3 years general office experience or the equivalent qualify for interesting and challenging jobs in the Foreign Service. Starting salary for these positions is \$3390 per year plus allowances.

Applicants who lack experience or who are not yet 21 years of age may work in similar positions at the Department's headquarters in Washington, D. C., until they qualify for an overseas assignment.

That hobby shop in the basement: keep it neat. Sawdust and shavings on the motor may catch fire; a match or cigarette dropped among them on the floor would be disastrous. Replace extension cords with permanent wiring. Use lacquers outside, not near the heater; remove all paint rags and overalls. Keep a fire extinguisher handy; a foam or carbon dioxide extinguisher for oil and paint fires, soda and acid for wood or paper.

### REPORTING OF ACCIDENTS TO REGISTRY

Registrar of Motor Vehicles, Rudolph F. King, Chairman of the Massachusetts Highway Safety Committee, officially calls public attention to the change in the law relative to the reporting of accidents to the Registry of Motor Vehicles. Section 26 of Chapter 90 as amended by Chapter 225, Acts of 1956, now reads:

"Every person operating a motor vehicle which is in any manner involved in an accident in which any person is killed or injured therein, or in which there is damage in excess of two hundred dollars to any one vehicle or other property, shall forthwith report in writing to the registrar on a form approved by him. The registrar may revoke or suspend the license of any person violating this section."

This law became effective June 25, 1956 and raises the damage figure from one hundred dollars to two hundred dollars.

### MORGAN MEMORIAL GIFT

Attorney Vincent P. Clarke of 93 Bacon street, president of Morgan Memorial, accepted a gift of \$50,000 from the Hayden Foundation for new buildings at Morgan Memorial's Hayden Village for Boys at South Athol in recent ceremonies there.

James L. Jenks, Jr., of 12 Myopia Hill road was a special guest at the proceedings. He is chairman of the Golden Anniversary Fresh Air Fund.

## PLAYGROUND NOTES

Last Wednesday the Leonard  
Juniors played at Loring with the  
game ending in a 2-2 tie which will  
be played off at a later date. Bond  
and Degele scored the runs for Mc-  
Elholm's Leonard's while Doherty  
and Ring scored the two tallies for  
Cussen's Loring group.

Bond hit a double in the sixth  
and scored on Casalinouva's single.  
Later Neville connected for a two  
bagger as did Mike Bellino and on  
Bellino's hit Degele crossed the  
plate for the tying run.

On Thursday, the Loring Inter-  
mediates went to West Side and  
Vandy French pitched West Side to  
a 5-2 victory after trailing 2-1 in  
the fifth.

Vandy also connected for two  
singles and Martin and Butters got  
one each. Whipper Smith started  
on the mound for Loring but was  
chased and relieved by Paul Del-  
Rossi, Martel, Smith and DelRossi  
each got a single for the losers.

The Winchester playground "All-  
Stars" went to Reading for a play  
day which consisted of a baseball  
game for the 10 year olds, another  
for 12 year olds, a third for the  
10 year olds and finally a kickball  
game for those of elementary  
grades.

The kickballers under Sheila Gal-  
livan had an easy time winning by  
a 3-17 score. Making up the team  
were Bob Turner, Steve Gray, Mike  
Stout, Richard Turner, Susan Gray,  
Joe Curran, Dick Murray, Barbara  
Morton, John MacDonald, C. Oliver  
and Alta Merritt.

In the Junior Baseball game  
Reading won 8-6. Craig Davenport  
handed the group that consisted of  
John Peckham, Jim Flaherty, Butch  
Franson, Bill King, Jack Brunner,  
Dave Hession, Bill MacDonald, Bob  
Coleough, Rick Benincassa, Steve  
Grady and Cacior. Flaherty was  
the big stickler with a triple and  
single closely followed by Peckham  
who had a single and double and  
Benincassa and Casalinouva had a  
single each.

In the senior baseball game  
handled by Jim McElholm, Reading  
won 10-0. Making up the team were  
Whipper Smith, Paul DelRossi,  
Slater Martin, Doug Thomson, Joel  
Peckham, Bob Gray, Doug Martel,  
John Carroll, Vandy French, Mike  
Grady and Ted Freeman. Smith,  
DelRossi, Martin and Freeman hit  
safely for Winchester while Peck-  
ham held Reading to two hits but  
enough to score the winning run.

The Midget game ended in a 3-3  
tie. Joe Cussen handed this group  
and the players were Hession,  
Doherty, Peckham, Luongo, Faiet-  
ta, Reardon, Murray, Gallagher,  
Ring, Cussen and Mawn.

In the hit and run game, Doherty,  
Luongo, Gallagher and Peckham.  
Winchester opened the scoring in  
the first frame with one run, got  
another in the second and the third  
and final score in the fifth while  
Reading got one in the third and  
two in the fourth to tie it up.

On Monday morning Dave Berg-  
quist's West Side Juniors defeated  
Cussen's Loring Juniors 6-3. Butch  
Franson, Dave Hession and Stout  
were the big hitters for the win-  
ners with the first two hitting for  
singles and Stout coming through  
with a triple.

Starting out for Loring were  
Jim Flaherty with a homer in the  
first inning, Billy Ring and Benin-  
cassa coming through with singles.

Tuesday's Intermediate game  
with Ginn at Leonard was washed  
out by the rain the night before.  
In the afternoon Ruth Flaherty's  
Leonard Softballers were defeated  
by Connie Snelling's Ginn team.

For the winners the big hitters  
were J. Reardon and R. Bond who  
connected for homers while J. Peck-  
ham had a triple, P. Reardon a double  
and Donlon and Sullivan a single each.

For the losers Barry Berman had  
a single and double with two  
R.B.I.'s and Sonny Mulloy connect-  
ed for a home run. Dickie Lindsey  
pitched for the losers but insists  
he'll get them next time around.

Speaking of Dickie, special re-  
cognition for this game goes to him for  
his success in restraining his usu-  
ally voluble self to just one oral out-  
burst.

On Thursday the youngsters  
went to Cranbury and it must be  
mentioned that the results of the  
Little League games have kept  
many from signing up for the trip.  
But as they say in the dramatic  
world—"The show must go on" so  
did our Beach Day Plans have to  
go on in order not to disappoint  
those that anticipated such a day.

Parking Tip: Where parking  
space is provided by suburban  
stores, there's usually room for all  
if each car takes up only one  
space, according to the Triple-A.  
The driver who straddles the line  
and takes up more space than is  
necessary, is a selfish person whose  
bad manners are showing.

Sealed proposals addressed  
to the School Committee,  
Winchester, Mass., will be re-  
ceived at the School Depart-

## LIVING WITH YOUR HEART

BY MASSACHUSETTS HEART  
ASSOCIATION

The human heart, a great doctor  
once wrote, is "the last frontier in  
surgery."

There could be no more dramatic  
proof that this is no longer true  
than the conquest of mitral sten-  
osis, an ailment for which little  
could be done as recently as seven  
years ago.

Today correction of mitral sten-  
osis has become a common opera-  
tion, and many hundreds of lives  
have been saved through the skill  
and daring of pioneering surgeons.

The left side of your heart, divid-  
ed into an upper and lower chamber  
connected by a mitral valve, is de-  
voted to the movement of oxygenat-  
ed blood from the lungs to the  
rest of the body. The mitral valve  
—so called because it has leaves  
shaped like a bishop's miter—con-  
trols the flow of blood from the up-  
per (auricular) to the lower (ven-  
tricular) chamber.

When the mitral passage is con-  
stricted to one-quarter, or even less,  
of its normal size, the obvious ching  
happens: just as when the nozzle of  
a garden hose is shut down nearly  
to closing, tremendous pressure  
builds up behind it. This places  
great strain on the heart, starves  
the body for fresh blood and often  
leads to early death through clots  
in the brain, or heart failure.

Surgery was the only answer to  
the problem; to widen the mitral  
passage so blood could flow normal-  
ly. But the heart must keep blood  
moving to the body, and operating  
on a beating, living heart was an  
impossibility for many years.

In 1949, however, three Philadel-  
phia physicians opened a thin sec-  
tion of the upper chamber and,  
using a tiny knifeblade attached to  
a gloved finger, successfully wid-  
ened a mitral valve. The operation  
was refined in Boston; today the  
simple pressure of the gloved finger  
is sufficient to poke an adequate  
opening through the mitral area.

Now it is possible even to sew flaps  
of living tissue to under-sized  
mitral valves so they will close  
effectively without leakage.

The major reason that heart sur-  
gery is so much safer today lies in  
creating conditions under which the  
surgeon can work effectively. By  
lowering the body temperature to  
cut the oxygen need, through the  
use of artificial hearts outside the  
body to create a bloodless field—  
and more recently by stopping and  
re-starting the heart (which is still  
in the experimental stage), medical  
science has crossed that last front-  
ier.

Welcome to Winchester, Martin

## Barkers Adopt Young Korean

The home of Mr. and Mrs. Edward Barker of 389 Washington street was the scene of a warm family greeting on Wednesday. The arrival of Martin, a five-year-old Korean boy, adopted by the Barkers, was the occasion.

The other children, Hope, Townsend, Faith, and Patience were ready and eager to meet him. Prudence, the six-month-old baby, was perhaps unaffected by Martin's arrival.

Everything is new to the youngster, and although Ed Barker had studied not only Korean, but also customs of the country, there are many adjustments to be made. As one close friend of the family said, "I am proud to know them. I wish I had the courage to do such a wonderful thing."

It is obvious that in a very short time the little boy will be absorbed completely in this warm family group. No one is rushing him. He sits, watching the group with interest, and reaching out for toys and food, as they are placed before him. The first doughnut, for example, was eaten with gusto, and then Martin looked about, not doing the usual quick sweep of hand with a pair of trousers. Seeing this, all the others used their napkins, and Martin quickly copied the gesture.

Ed and Louise Barker have waited more than a year for this day. Having read of other children, born of Americans and Koreans, and unwanted there, they decided to do something about it. The waiting has been hard, but on Tuesday they welcomed the youngster to their home. Although Ed and Louise are constantly amazed at the warm reception everyone has given them, no one hears of what they have done without feeling a distinct lump in the throat. There are good things happening in the world.

Both of the parents are active in the community. Ed is a town meeting member, and was very active on the fluoridation bill. Louise is a teacher in the Unitarian Church, and has been a Brownie leader for the Girl Scouts.

Martin will enter kindergarten at the Washington School this fall, with Patience Barker.

Although Ed and Louise are constantly amazed at the warm reception everyone has given them, no one hears of what they have done without feeling a distinct lump in the throat. There are good things happening in the world.

## TO WELCOME LITTLE LEAGUERS

Win, lose or draw, Winchester's Little Leaguers are assured of a rousing welcome on Saturday, when they are scheduled to arrive at Logan International Airport in the event the Little League World Series can be played as scheduled.

The Winchester boys, their coaches and entourage, are expected at Logan at 1:30. Local enthusiasts who are planning to greet the Little Leaguers will meet at 12 o'clock at the Town Hall where a motorcade will form under the direction of the Lions Club, who handled last year's return celebration.

Arthur Hewis is the Lions Club chairman in charge of details.

According to Mr. Hewis, the motorcade will leave the town hall at 12:30 p. m. and go over Border road and the Fellsway to McMillan Highway, thence to the airport.

Riding the motorcade will be members of the reception committee, including representatives of the Board of Selectmen, Little League Mothers and Dads, Winchester Lodge of Elks, other fraternal and civic organizations now being contacted and the Lions Club.

Chief Charles J. Harrold has assigned a police escort and Civil Defense Director Ted Becker and his aides will be in charge of the all important communications.

The return trip will be via McClellan Highway to Revere Beach Parkway, thence to the Fellsway and Riverside avenue in Medford. Moving through Medford Square, the motorcade will proceed along Winthrop and High streets to Main street and home.

At the Medford Line, Fire apparatus under Chief James E. Callahan will meet the motorcade, and since the number of cars that can be accommodated at the airport will have to be limited, the committee suggests that all who wish to join the parade back to town join the line of march at Winthrop street and Lawrence road, Medford, with lights on and using the right hand lane. Since every safety precaution must be taken the committee urges, "No Passing Please!"

The actual parade back to town will form at Main and Chestnut streets with Al Thorne, commander of the Abernethy Post, V.F.W., as chief marshal. The Lancers V.F.W. Bugle and Drum Corps will be in line with other musical units.

The parade route will be over Main and Washington streets to Mt. Vernon street, thence to the center and along Main street and the Parkway to Manchester road where the Little Leaguers and their escorts will enter Manchester Field. No cars will be permitted on the field!

Winchester Lodge of Elks will be in charge of the informal reception tendered the Little Leaguers on the field.

Any one wanting to assist with or participate in the welcome home events are asked to call Arthur Hewis, Winchester 6-1711 or Martha Hitchins, Winchester 6-1711, for motorcade and transportation. Al Thorne, Winchester 6-1070-R about floats, marching units and parade; Al Barnard, Winchester 6-2073 for reception and entertainment.

## JEFFREY ELDREDGE PACETTI

Jeffrey Eldredge Pacetti, infant son of George F. and Barbara (Eldredge) Pacetti, died Monday, August 20, at the Children's Hospital in Boston. He was one of three children, leaving, besides his parents, two brothers, Christopher, 4; and Peter, 2 years. Rev. John W. Ellison conducted private services Wednesday afternoon at the grave in Wildwood Cemetery.

## DADE — HANSON

Of Winchester interest is the marriage which took place at the Hollis N. H. Congregational Church on Saturday afternoon, August 11, when Miss Shirley Ann Hanson, daughter of Mr. and Mrs. Roland G. Hanson of Hollis, N. H., became the bride of Jason Winn Dade, son of Mr. and Mrs. Ernest B. Dade of 68 Hillcrest Parkway.

Baskets of gladiolas and asters, with aisle markers on the pews made an attractive setting for the 3 o'clock double-ring ceremony which was performed by Rev. Harold Burchett and Rev. Melvin Carter. Roy Schofield sang "Because," "O Promise Me," "O Jesus We Have Promised" and "I Love Thee."

Miss Hanson was escorted to the altar by her brother, Roland Hanson, Jr. She wore a gown of lace appliqued on Italian silk tulle with a fitted bodice and bouffant skirt fashioned with a graceful apron effect over a French lace flounce and deep ruffled tiers extending into a chapel length train. Her fingertip veil of net was caught to a crown of seed pearls and she carried a white bible with a matching orchid and streamers of stephanotis.

Miss Diane Smith was maid of honor, and the bridesmaids were Miss Jocelyn Gaudry and Miss Joan Harlow. Miss Linda May Hanson was junior bridesmaid.

All the bridal attendants wore dresses with white lace bodices and lace side peplums over full powder blue floor-length net skirts. Their open crown picture hats of nylon net were adorned with ruffled edges and clusters of valley lilies and they carried Colonial bouquets of summer flowers.

James Cowan was Mr. Dade's best man, and the usher, compensated Robert Hanson, Kent Gordon, Robert Hinckley and Richard Peters.

A reception was held after the marriage in Hardy Parish Hall, of the church. Mrs. Hanson, mother of the bride, wore a gown of pink, green and white tulle with white accessories and a corsage of pink roses. The bridegroom's mother, Mrs. Dade, also wore pink roses and white accessories with her gray and white floral print of dactylon tulle.

After a honeymoon at Nantucket, Mr. and Mrs. Dade will live in Danvers.

The bride is a graduate of Hollis, N. H., High School and is now studying at Gordon College. Mr. Dade, who is studying at Gordon Divinity School, prepared at the Mansueta School and attended the University of Vermont and Gordon College.

## CHARLES CRAWFORD GORST

Charles Crawford Gorst of 433 Main street, collapsed at 6:15 Tuesday evening, August 21, while on his way home from a shopping trip to the center, falling from the rear of the car. He was taken to the nearby residence of Dr. Philip J. McManus at 465 Main street.

Dr. McManus went to Mr. Gorst's assistance and ordered him removed to the Winchester Hospital in the police ambulance. He was pronounced dead there by Dr. John M. Wilcox of Woburn, medical examiner, who attributed his death to heart disease. He was 71 years old.

Mr. Gorst was the son of William and Agnes C. Gorst. He was born November 23, 1884, in Blair, Nebraska, and came to Winchester May 1, 1954, previously making his home in Woburn. During his active years he had been a lecturer on bird life, giving illustrated talks on this subject in many communities. He was a widower, leaving a son, John B. Blod of Roxbury.

Funeral services will be held at 2 o'clock this Friday afternoon, with the Rev. John Snook, Jr., minister of the Crawford Memorial Methodist Church, officiating. Burial will be in the family lot in Roxbury, N. H.

Observed 90th Birthday

Mrs. Mary J. Delorey of North Woburn, a former long-time resident of the North End of Winchester, observed her 90th birthday last Saturday, August 18.

Mrs. Delorey, in excellent health, after a vacation in Newport, Me., with her daughter, Mrs. Dorothy Lord of the Star and her son, Walter, with whom she makes her home, returned from Maine in time to attend the birthday of her grandson, Norman Delorey, and Dorothy Knowles at the Immaculate Conception Church last Saturday morning.

After the marriage she went on to the reception at the Elks Club in Somerville, where she was among the sprightliest guests and thoroughly enjoyed the orchestra's playing "Happy Birthday" in her honor.

## WILLIAMSPORT, HERE WE COME!

Winchester's New England Little League champions entrain at South Station.

DR. BARLOW APPOINTED

Rath & Strong, Incorporated, Industrial Consultants, of 140 Federal street, Boston, announces the appointment of Dr. E. Robert Barlow of Winchester, as a Senior Consultant.

Dr. Barlow recently completed an assignment as Associate Project Director of the International Research Foundation, supervising an 18-month research project for the United States Air Force, involving extensive field work both in the United States and in over twenty countries of Europe, Latin America, and the Middle East. This project was undertaken to determine the extent to which the Air Force could depend upon the growth of commercial international air freight over the next ten years to meet the expanding needs for an emergency military air lift.

Dr. Barlow has been employed as a Special Consultant to Suburban Centers Trust on operational problems in Shopper's World in Framingham, and on the initial economic survey for the new North Shore Shopping Center in Danvers. He prepared the market survey for the new branch of the Provident Institution for Savings at 80 Federal street in Boston, and has worked with leading industrial organizations, establishment of sales quotas, and the introduction of new products.

During 1953 and 1954, Dr. Barlow was a Special Consultant to the U. S. Department of Commerce, Bureau of Foreign Commerce, and participated in a comprehensive study made on the factors limiting United States direct investment abroad by business concerns.

A graduate of Trinity College in Hartford, Class of 1938, Dr. Barlow received both his Master's Degree in 1940 and his Doctorate in 1953 from the Harvard Business School.

In the early 1940's, Dr. Barlow was with the National City Bank of New York as officer-in-charge of various branch operating departments in Bombay and Calcutta, India. He saw service during World War II with the United States Office of War Information in New Delhi and Calcutta, supervising radio broadcasting and information activities.

For many years a member of the faculty of the Harvard Business School, Dr. Barlow is the author of "Operating Results of Variety Chains in 1951," published by the Division of Research of Harvard Business School in 1952, "Management of Foreign Manufacturing Subsidiaries," and featuring Harvard Investment and Taxation" in collaboration with Mr. Ira Wender of Lord, Day, and Lord of New York City, published by Prentice-Hall in 1955.

He resides with his wife and four children at 7 Winthrop street.

## CAMP MEETING PREACHER

The Rev. John Snook, Jr., pastor of the Crawford Memorial Methodist Church, will be the preacher at the closing session of the 27th annual assembly and camp meeting at Ashbury Grove, historic Methodist Camp Ground in Hamilton.

The camp meeting opened Sunday, August 19, and has been in session all this week with many outstanding speakers, games, recreational activities and other events. Salvation Army corpsmen are providing music at Sunday's closing session and consecration.

This Saturday will be devoted to athletic activities and in the evening there is to be a special program sponsored by the Ashbury Grove Corporation and featuring Rev. Mr. Snook in his justly popular monologues.

## PUBLIC HEALTH NURSE RESIGNS

Mrs. Alice V. Murray, R.N., the public health nurse in Winchester submitted her resignation to the board of health this week, to become effective Friday, September 7, 1956. She has been employed by the town since August 1950 and wishes to retire now because of her health.

Mrs. Murray's friendliness and care will be missed by many families who have known her during the past 6 years in the clinic and in their homes. No replacement has been obtained by the Board of Health to fill her position.

## MARRIAGE INTENTIONS

Gay slides in safely on an overthrow following his two-run double in the 4th at Williamsport.

## Bellino Hurls One-Hitter

Winchester World Series Winner, 8-0

Rod Gay's big bat and the stout arm of right-hander "Mikie" Bellino combined Wednesday to give Winchester an all-important 8-0 win over Auburn, Ala., in the quarter-final round of the Little League World Series at Williamsport, Pa.

The victory, revenge for the extra-inning defeat handed Winchester by Auburn in the consolation round of last year's tournament, sent the locals into the semi-final round yesterday with Delaware Township, N. J.; Colton, Calif.; and Roswell, N. M. Winchester played Roswell at 4 o'clock.

Gay, converted first baseman, had a great day at the plate, batting in five runs with a home run, double and single. Bellino held Auburn to a single hit, fanned seven and gave up only two bases on balls, permitting no Auburn player to advance beyond second base.

For "Mikie" the victory was especially sweet, for he it was as a reserve pitcher in last year's consolation game with Auburn who gave up the winning run. Wednesday he was seldom in trouble, mixing his blazing fast ball with an effective curve and showing good control.

The single hit off him was by Auburn's starting pitcher, Frank Salter. It came in the fourth and was of the hard clean variety grounded to third and Neville went all the way to the hot corner when Dowdell lined one into Bellino's ready paws and Salter was doubled up at first.

Besides Gay, Winchester's batting stars were George Neville, with a home run and single and "Richie" Bond, who knocked in the first run. "Jimmy" Flaherty was on base three times, singeing once and reaching twice on errors.

Neville scored the first run in the second, lining a safety to right center to start the inning. Flaherty extended to third and Neville went all the way to the hot corner when Dowdell threw past second crying for the double play. He scored on Bond's single to right, but Flaherty, trying to tally, was erased at the plate.

Physicians may get the vaccine for their private patients by calling at the Board of Health office on weekdays between the hours of 9 A. M. and 4:30 P. M.

Children who received their first inoculations in the public clinics may receive their second inoculations according to the following schedule:

Tuesday, August 28, Lincoln School

9 A. M. - 12 Noon—Children from the Junior High School, George Washington, Lincoln and St. Mary's Schools.

Thursday, August 30, Wyman School

9 A. M. - 12 Noon—Children from the Maycliff Academy, Parkhurst, Wyman, Noonan and Immaculate Conception Schools.

Friday, August 31, Junior High School, Main Street Entrance

9 A. M. - 10:30 A. M.—Pre-school children, 10:30 A. M. - 12 Noon—Children from Mystic School and those in high school up to the age of 15 years.

Individuals in the 15 to 19 age group will receive their first inoculations after the completion of the second inoculations in the 1 to 15 year group. This will occur some time in September. Parental request forms must be signed beforehand and may be obtained at the Board of Health office at 9 Mt. Vernon street.

## To Dedicate Peterborough School Memorial

Mrs. McDonald Taught District 6 School Fifty Years Ago

Mrs. William E. McDonald, Jr., of Hill street, known to most of Winchester as one of the stalwarts of the local political arena, but before, and during her long association with civic affairs a dedicated teacher, has accepted the invitation to be guest speaker at Sunday's dedication of a memorial plaque marking the one hundredth anniversary of the Happy Valley School in District No. 6 of Peterborough, New Hampshire.

Mrs. McDonald's appearance as guest speaker is most apropos, for fifty years ago, as Elizabeth Cullen of Winchester, she commenced her career as a teacher in this same district 6 School in Peterborough. Later she taught in the schools of her native Winchester, and after her marriage, she taught Americanization classes in both Winchester and Boston for 16 years, concluding her long teaching career with 28 years of distinguished service as Director of Americanization Classes in the Stoneham High School in the Stoneham area.

Spaulding of Peterborough is president. With the dedication of the suitably inscribed memorial plaque which is to be placed on a large boulder at the school, this custodianship will come to an end.

Located on what was 100 years ago the Abraham Holmes farm, the District No. 6 School passed through the land on which it stands from the ownership of the Town of Peterborough to the new owners of the Holmes Farm, former Selectman and Mrs. Don S. Greer of Highland avenue.

Mr. and Mrs. Greer will attend the dedicatory exercises on Sunday and will serve refreshments to all present at their summer home after the program.

The choice of Mrs. McDonald as the dedicatory speaker should prove a happy one as her love of teaching, remarkable memory, ready wit and ability to express herself peculiarly fit her for such an assignment.

Following is the letter received by Mr. Cardinal from President McGinnis of the B. & M.

Dear Mr. Cardinal:

I have been thinking of some way to express in a small measure, my sincere appreciation to those employees who have given the company fifty years of loyal and faithful service.

With this thought in mind it gives me a great deal of pleasure to present you with this Fifty Year Diamond Service Pin.

It is my wish that you may enjoy many more years of good health and happiness.

Sincerely,  
Patrick P. McGinnis

## HIGH SCHOOL REGISTRATION

The Guidance Office of the High School will be open for the registration of new students on Tuesday, Thursday and Friday, September 4, 6 and 7. All students who are new to the Winchester school system, and who plan on attending high school this fall should come in to arrange their programs for the year. Office hours will be from 9 to 12 and 1 to 4 on each of the three days.

Those students who plan on taking make-up exams, and who arranged for those exams in June, should report to the high school office on Friday morning, September 7 to 9.

## BUS STOPS RELOCATED

The new street layout in the center and especially the new traffic circle has made it necessary for the Selectmen to relocate some of the bus stops in the square. As of today the Stoneham-Arlington bus will stop only at McCormack's corner on Church street. The Arlington-Stonham bus will stop only at the corner of Church and Common streets opposite McCormack's.

The Woburn-Medford bus will stop only at the corner of Thompson and Main streets at Dorsey's. The Medford-Woburn bus will stop at the corner of Main street and Converse place in front of the Telephone office. One park-space will be lost at each of the last two locations.

WINCHESTER SCHOOLS

### NEW DORMITORY FOR LESLEY

Announcements from both Senator Saltonstall's and Senator Kennedy's offices today to the authorities of Lesley College, Cambridge, revealed that Lesley's application to the Community Facilities Administration for a loan of \$540,000 to construct a new dormitory has been approved by Commissioner John C. Hazeltine.

The new dormitory, to be located at the corner of Everett and Oxford streets in Cambridge, will replace two old converted residences which have until recently housed boarding students. One-hundred and forty-six boarders will be accommodated by the new structure which will include a cafeteria, lounge, date-rooms, and balconied studios. Construction will begin this fall to have the building completed for September 1957 opening.

### TOWN SOFTBALL LEAGUE

The Town Softball League championship playoffs were temporarily postponed last week because of the Little Leaguers making the headlines and because of the many rooters that wanted to see the Little "Big" Leaguers in action before they took the road to win the World Series (we hope). Anyway, since the Little Leaguers have gone to Williamsport, the Town Softball League went back into action and as you read this column the title has been won by the Holy Name Society of St. Mary's Church or the V. F. W. As this goes to press Holy Name has taken the first two games by wide margins and needs one more victory to clinch the pennant.

On Monday night Holy Name defeated the defending champions, V.F.W., by the score of 13-7. Holy Name crossed for four big runs in the initial frame by hits off the bats of McManus, John Dilorio, Bill Murphy, Ken Donaghey and Johnny Farrell. In the second they were held scoreless while the Vets scored two when Tom Cogan and Augie Amico hit safely and were sent in on John Stevenson's long triple. The Vets tallied one more in the third when Joe Farrell reached safely and was sacrificed by Bob Wilson and came in on Seneka's single. Holy Name came back in its half of the third to tally two more and go ahead 6-3. The Vets did not let down and in the fourth came back to knot the score 6-6 but Holy Name had a big half in the fourth when they bombarded for five big ones. Manoli and Lou Farrell connected for homers. The Vets scored one more in the last inning while the Holy Name crossed for two more and the game ended with the Holy name clinching the first game of the championship series 13-7.

The second game was played on Tuesday and again last year's champions, V.F.W., went down in defeat at the hand of the Holy Name. Holy Name won 15-1 with the Vets scoring the only run in the third inning. Both teams went down in order in the first frame but Holy Name came up with three big runs in the second on hits by Kenton, Manoli, Lou Farrell and Bill Murphy's triple. The fourth brought in four big runs for Holy Name, three of which came with Lou Farrell's second homer in the series. The fifth inning was scoreless for both teams and the sixth tallied eight big runs for Holy Name. Bob Saunders was hit hard in this frame and was relieved by Wick Carroll but the changing of pitchers meant little as the Holy Name had the range and continued to hit. John Dilorio homered in this inning with one on base and others to make the hit column were Lou Farrell, Goodnow, Joe and John Dilorio, Ken Donaghey and Johnny Farrell.

The results of the rest of the series will be told to you in this column next week.

### BUSINESS AS USUAL

The Middlesex Rentol Co., of Woburn is open for business as usual, although a devastating fire gutted the building next to it, the Belmont Railing Firm, last Friday afternoon.

The Middlesex Rentol Co., was forced to close for a short time after the fire because of slight water and smoke damage.

### WINCHESTER BOAT CLUB NEWS

#### LEGERE SCORES TRIPLE VICTORIES OVER WEEKEND

Torrid Tommy Legere, the hottest skipper in the Winchester Boat Club Snipe Fleet at the moment, won the regularly scheduled Saturday afternoon point score race and scored a double header victory Sunday morning to virtually clinch the 1956 fleet championship. With but a few more races to go, young Legere has an almost insurmountable lead and it would take several very bad races to bring his standing back down with the rest of the fleet.

#### Capacity Crowd Enjoy Shipwreck Party

Last Friday evening's Shipwreck Party—a come dressed as you were when the ship went down affair—was a tremendous success. There were dozens of ingenious and unusual costumes. Everyone had a whale of a time dancing to the music of a very capable trio. There were plenty of prizes and loads of laughs and everyone stayed until the last strains of Good Night Ladies drifted out over the moonlit lake.

#### Card Party Saturday Night

Don't forget the Card Party tomorrow night. It's too late to make reservations for the buffet supper (we think) but you can still come to the Card Party. You can play any kind of card game you like and tickets are available at the Club. Card playing begins promptly at 8 o'clock. The buffet supper is scheduled for 6:30.

#### Clam Bake Labor Day

The annual Labor Day Clam Bake will be held as usual out on the lawn and the menu will be the same one that has made these affairs such a tremendous success. Following the Clam Bake, there will be dancing and tickets are now on sale at the Club House. There'll be swimming races, and diving contests in the afternoon in addition to the Snipe Fleet and Turnabout Sail Boat Races in the morning. So plan to spend Labor Day at the Boat Club. There'll be something doing from 9 a. m. to midnight.

Navy tractors in the Antarctic weigh 34 tons but are almost as light on the snow as a man on skis. Their treads are 54 inches wide.

### PLAYGROUND NOTES

Today is the final day of the playground summer program and it must be mentioned that it has been one of the most successful seasons.

Last Wednesday, Jim McElholm's Leonard Field Juniors defeated Craig Davenport's Ginn team 6-5. Richie Casalino tossed them up for the winners while Dave Hession and Jeff Peckham pitched for the losers. Richie Murray and Richie Bond were the big hitters for the victors while Dave Hession, Keane and Jeff Peckham led the stickers for the defeated side.

On Thursday the playground youngsters and instructors enjoyed a pleasant day at Crane's Beach. There were 69 in the group and the day was so pleasant because the weatherman was "with" us but mostly because each and every one in the group behaved admirably and had loads of fun.

Last Friday Joe Cussen's Loring Intermediates defeated Dave Bergquist's West Side group in the "rubber" game by a narrow 2-1 margin. It was a pitcher's duel between Vandy French of West Side and Paul DelRossi with DelRossi coming out the winner despite the fact that Paul's team got no hits off Vandy. Then, too, Vandy's team got but one hit off Paul. It was a nip and tuck ball game and could have gone either way.

On Wednesday of this week the boys and girls of the playgrounds went to Fenway Park to witness the Red Sox and White Sox game. As this goes to press before seeing the game there is no telling who won but it can definitely be mentioned

that we certainly were rooting for our own Boston Red Sox and last but not least certainly enjoyed the game.

Supervisor Frank Provinzano would like to take this opportunity to thank his instructors of the various fields for the splendid jobs they did and fine cooperation they showed during the entire season. Last but far from least he would like also, in behalf of the instructors to thank each and every boy and girl who attended the playgrounds for the fine way they handled themselves. We certainly do hope that you had a very pleasant and happy summer by using the facilities that are provided by the Winchester Park Department. See you next summer!

Newspaper report: Fire loss \$50,000 damage; insurance only \$5,000. "Will you start again?" asked the reporter. "I hope I can," replied the farmer. Why not make sure before fire strikes?

## Winchester Little Leaguers Repeat '55 Regional Win

Little Johnny Peckham held the hard-hitting Stratford, Conn., Little League All Stars to four hits at Forest Park, Woburn, last Thursday evening and Winchester went on to repeat its 1954 win of the Region One Little League Championship, 5-1.

An overflow crowd, including a good sized delegation of Stratford rooters, saw the game and marveled at Peckham's mastery of the reputed Connecticut slugger. John Peckham's slick out-drop, which he controls beautifully, had the Stratford boys breaking their backs and often missing the ball by a foot or more. The little right-hander fanned seven batters, gave up only one walk and had a no-hitter going until the fourth when Ron Fiorella, visiting pitcher, rifled a sizzling grounder that bounced off Rod Gay's chest at first base for a hit.

Fiorella, a fire-balling left hander, gave Winchester plenty of trouble, but his own wildness hurt him, for he gave up five bases on balls and matched Peckham in hits, tied for the lead in any game. When his knee-high right-shot was hitting the inside corner he was practically unhittable and twice he set Winchester's slugging "Mikie" Bellino down on strikes.

Bellino wasn't the only Winchester boy bothered by Fiorella. The big dark-hander fanned 10 of the locals and matched Peckham in hits allowed, giving up four. Each pitcher tossed in one home run ball. Winchester opened the scoring in the first inning. Mulloy walked and stole second, scoring when Gay lifted a little fly that dropped safely between the infield and outfield, a ball that the Stratford fielder apparently misjudged.

Once again in the third inning a walk hurt Fiorella. Gay walked, went to second as Neville was retired and advanced to third on a passed ball. Jimmy Flaherty, celebrating his birthday, then got the first real hit of the ballgame, a well stroked double to the center field wall that tallied Gay. Peckham laid down a pretty bunt, scoring the third base and looked good to beat it out for a hit.

Lewis, the Stratford third sacker, made a vain attempt to flag down Peckham, and his hurried throw was well over the first baseman's head. Flaherty scoring the second run of the inning. Any doubt of the issue vanished in the first of the sixth when Winchester added two tallies. A walk once more, this time to "Richie" Bond, counted in the scoring, for with Bond on first Bobbie Colciough came through with his first tournament hit, a home run into the left field stands, scoring Bond ahead of him.

This same Bond made a defensive play of the game in the 5th when Winchester seemed to be getting to Peckham a bit. Marseglia opened the frame with a clean single, but was forced at second on Zileski's grounder to

## RED CROSS SWIMMING CHAMPIONSHIPS

MONDAY, AUGUST 27TH 5:30 P. M.

The annual Red Cross Swimming Championships originally scheduled for tomorrow, Saturday, August 25th, at Leonard Field Pool have been postponed until the following Monday afternoon at 5:30 p. m. This change was necessary so as not to conflict with the big home coming reception planned for our Little League Champions who will arrive from Williamsport, Pennsylvania. It will be noted that this new starting time of 5:30 p. m. will allow many parents to attend who otherwise might not be on hand to observe the progress made by their youngsters during the summer's swimming program.

As was announced last week the activities will include swimming and diving events for boys and girls in all age groups. Certificates, badges and pins will be awarded to the young folks who have succeeded in passing the requirements for the Beginners, Intermediate, Swimmers, Junior and Senior Life Saving Courses.

The following trophies will be awarded:

1. The Gladys F. Dutton Memorial Trophy will be presented for the first time this year by the Winchester Red Cross in memory of Mrs. Gladys F. Dutton, its former Executive Director, who was so widely respected and loved. It will go to the younger boy or girl who has made the most progress since the start of swimming in June.

2. The Red Cross Swimming

## DEL ROSSI PITCHES ONE-HITTER

The Winchester Babe Ruth Phillies with the help of Paul DelRossi of last year's star Little League team and now with the Babe Ruth Indians had the Watertown Yankees, Champions of their league, biting for his curve and pitched a neat 1-hit game.

With the strong Phillies infield intact and their star pitcher, Kevin Kelley playing left field, they went out and scored 3-runs in the first inning.

The two teams will meet again at Loring Field, 2:15 p. m. Sunday.

August 26th and donations received at the game will be given to the Babe Ruth Mothers for the planned cook-out for our boys early in September.

## EDITORIALS

We chanced to drive around by Winchester Station on the post office side of the tracks last week end, and we liked what we saw there. That layout isn't going to be the eyesore so many of us, the editor included, envisaged!

If you want a heartwarming experience read the story elsewhere in this issue about the adoption of a young Korean boy by Ed and Louise Barker. You will get plenty of ammunition to fire at those increasingly prevalent Jeremiahs who never tire of claiming that the world is going to the damnation bow-wow!

"Don't give 'em hell; give 'em leadership!" Whether or not these words spoken by Governor Langlie of Oregon in his keynote speech at the opening of the Republican Convention in San Francisco Cow Palace Monday evening become the campaign slogan of the GOP in the weeks ahead is immaterial. They said, as the saying goes, a mouthful!

Give 'em leadership! That's the stuff! Look how far our Little Leaguers have gone on the sort of leadership they have had from "Art" Johns, Gordon Peckham and "Ken" Hall. Look at the records made by our high school teams last season under the leadership of Coaches Knowlton, Phillips and Provinzano; an undefeated football season, Middlesex League championships in basketball and baseball and an unbeaten dual meet season in track.

Think back through history, especially to the battlefield and recall the forlorn hopes turned into glorious victories by outstanding leadership. Who are the teachers you remember. The ones who let you get away with murder? Not a bit of it! The ones you like to think about are the dedicated men and women who led you into the path of learning and kept you there by the inspiration of their leadership.

What of the clergy? Is it the "give 'em hell" type of preacher who blasts his congregations with oratorical barbs who makes the lasting converts, or the quiet-spoken gentleman who lives his religion himself and by the example he sets leads, not drives, his flock into the Christian concept of life.

We do not decry the strong word, and even the strong arm when unusual circumstances demand an uncompromising show of strength, but generally speaking leadership will succeed where force can only fail. The history of the Christian World is abundant proof of this.

One of the reasons we are so plagued with juvenile wrongdoing is that the old strong leadership of the home is all but non-existent. It's no good to "give the kids hell" without leading them (or adults) into the pathway out of the morass.

"Don't give 'em hell; give 'em leadership!" The Republicans can well build their campaign around these ringing words. Who can say they are not the real answer!

WE AREN'T  
TRYING TO  
FOOL YOU!

We know, the same as you, that you have absolutely no use for a Duo-Therm Space Heater today. We know, the same as you, that the only way we think about heat these days is how to escape it. But if you think it's a harebrained idea to be running an advertisement for Gas heating equipment in the dead heat of summer, read on. You may change your mind!

We all know that cold weather lasts, at most, about 8 months out of the year, and in some parts of the U. S. even less than that. Did you ever stop to think what happens to all the products that are manufactured to help keep people warm and snug in the wintertime? What do you think these manufacturers should do while the weather is warm? Close down their factories? Stop selling their products? No siree! We say — put these products on a 12-month manufacturing basis, keep all those nice people at their jobs year-round, by giving you consumers a better reason for buying during the warm weather months. Then that seasonal production curve will get straightened out and we'll all be happier. Especially the smart customers — all ready to be warm and snug in the first cold snap — who can feel the money saved still jingling in their jeans.

## THANK YOU, FRANK!

Editor of the Star:  
On behalf of the Board of Park Commissioners and myself, as playground supervisor for the Town of Winchester, I would like to express my appreciation to the Winchester Star for the splendid cooperation we have received in publicizing our program during the past summer. The Winchester playgrounds have enjoyed a most successful season and we are grateful to the Winchester Star for the large part it has played in stimulating the interest of the youngsters and informing the public of their activities.

Sincerely yours,  
Frank Provinzano

## HOWLAND — PADEFORD

At Ripley Chapel of the First Congregational Church, on Sunday afternoon, August 19, Miss Grace Anne PadeFord, daughter of Prof. and Mrs. Norman J. PadeFord of Ravenscroft road, and Sullivan Harbor, Me., became the bride of Louis Philip Howland, son of Mr. and Mrs. Louis H. Howland of Watertown, Conn. Dr. Dwight L. Cart, minister of the church, read the 4 o'clock service in a setting of white gladioli combined with asters, delphinium and ferns. Miss Eunice M. Kiley, organist, played the bridal music, and violin selections were played by Miss Mary Elizabeth Koehl of Washington, D. C., cousin of the bride.

Miss PadeFord was given in marriage by her father. She wore a gown of white Italian silk fashioned with a fitted bodice embellished with Chantilly-type lace, and having a low round neckline and short cap sleeves. Her bouffant skirt was encircled with a wide band of matching lace and terminated in a circular train, and her fingertip veil of tulle from her mother's wedding was fastened to a cap of heirloom straw lace worn in 1866 by her great-grandmother, Jane Diantha Lowell, as her wedding bonnet. She carried a cascade bouquet of stephanotis, ivy and roses.

Miss Carolyn PadeFord, who sailed August 22, for Turkey, was her sister's honor maid, and the bridesmaids were Miss Janet Cutter of Shaker Heights, Ohio; Miss Eleanor Howland of Watertown, Conn., sister of the bridegroom; and Miss Margaret PadeFord of Winchester, sister of the bride.

Robert Howland of Watertown, Conn., was his brother's best man, and ushering were Lucian L. Leary and James T. Ream, both of Brookline and George S. Reichenbach of Middlebury, Conn.

A reception was held after the ceremony at Chidley Hall in the church with the parents of the bride and bridegroom assisting in receiving. Mrs. PadeFord, mother of the bride, wore a Delft blue sheath of taffeta and lace with a blue velvet hat, white accessories and a corsage of garnet roses. The bridegroom's mother, Mrs. Howland, wore the same roses and white accessories with her aqua lace gown and matching sequin trimmed hat.

After a wedding journey Mr. and Mrs. Howland will live in Newton. The bride is a graduate of Winchester High School, Denison University and the Harvard Graduate School of Education. Mr. Howland prepared at Tufts School and is a graduate of Cornell University and Massachusetts Institute of Technology. He is now a research assistant in physics at M. I. T.

WINCHESTER  
AT SAN FRANCISCO

Three Winchester residents attended the Republican National Convention at the Cow Palace in San Francisco in an official capacity.

Ralph B. Bonnell, a member of the Republican National Committee, attended as a delegate-at-large, as did State Public Works Commissioner John A. Volpe. Mrs. J. Stanley Barnes was an alternate delegate to the convention with Alden James of Lexington.

## BALFE — HARRIGAN

Miss Joan Claire Harrigan, daughter of Mr. and Mrs. Joseph H. Harrigan of 12 Stone avenue, was married on Saturday morning, August 18, at St. Mary's Church to John Joseph Balfé, III, son of Mr. and Mrs. John Joseph Balfé, Jr., of 1520 Cambridge street, Cambridge. The Rev. Paul Dugan of St. Louis Church, performed the marriage ceremony at 10 o'clock, and was also celebrant of the nuptial mass which followed. White snapdragons and gladioli with a background of cymbodium ferns decorated the altar, and the bridal music was played by Mrs. Marie Ryan. Arnold Callahan, lyric tenor, was soloist.

The honeymoon will be spent in Europe by her father. Miss Harrigan wore a gown of embroidered Swiss organdy fashioned with a Sabrina neckline and a fitted bodice having three tiers of scalloped ruffles and short sleeves. Her veil of silk illusion was caught to a crown of orange blossoms and she carried a white prayerbook adorned with stephanotis and white orchids.

Miss Barbara Harrigan of Winchester was her sister's honor maid, and bridesmaids were Miss Rita Coughlin and Miss Genny Zalonis, both of Cambridge.

The bride wore a dress of pale pink summer taffeta with a fitted bodice and full skirt. Her hat was a matching crown and short veil and she carried a crescent bouquet of rubrum lilies and white cushion poms.

The bridesmaids wore identical Nile green gowns like that of the honor maid, with matching hats and veils and they carried the same flowers.

Edward Donovan of Jamaica Plain was Mr. Balfé's best man and ushering were William Bartlett and Roland Danzou, both of Cambridge, and Judd Connor of Newton, cousin of the bridegroom.

A reception was held after the ceremony at the Mt. Hood Country Club with the parents of the bride and bridegroom assisting in receiving. Mrs. Harrigan, mother of the bride, wore a sheath dress of brown and beige brocade net over beige satin with beige accessories and a green orchid. The bridegroom's mother, Mrs. Balfé, wore a pink orchid with her Dior blue sheath gown and matching feathered hat.

After a honeymoon in Florida, Mr. and Mrs. Balfé will make their home in Cambridge, where the bridegroom is a teacher at the Russell Junior High School.

The bride is a graduate of Winchester High School, class of 1950, and of the Cambridge Hospital School of Nursing. Mr. Balfé graduated from Cambridge High and Latin School and from Stonehill College.

## FORTE INSTRUCTS AT N.H.U.

Mr. and Mrs. Joseph C. Forte and family, Kenneth, Janice, Paul and baby Mark, have just returned from their summer vacation at Rye Beach, New Hampshire. Mr. Forte, Supervising Principal of the Mystic School, was a member of the Summer Session Faculty of the University of New Hampshire at Durham. Mr. Forte was selected to teach two courses for graduate credit, namely, Administration and Supervision of the Elementary School, and A Workshop in Curriculum Problems of the Elementary School (a required course for candidates for a Masters Degree in Education.)

While our local Principal was teaching at the University, Mrs. Forte and the children were frolicking at the seashore and basking in the sunshine at Wallis Sands, and swimming and diving in the beautiful outdoor pool at the University. Of particular interest to the Forte's friends and treasures in their memory book, baby Mark took his first steps "on Campus;" Paul learned to swim at the pool (a full 4 ft.); Janice learned to dive and swim 25 ft. to shore; and Kenneth dove off the 10 foot tower board and swam "the conditioner" (300 yds.) daily. Interestingly enough, Mother and Dad enjoyed the water and their summer experiences tremendously. When asked how he felt about college teaching, Mr. Forte stated it was both an enjoyable and stimulating experience.

## OTTIANO — ROSS

Miss Teresa Christine Ross, daughter of Mr. and Mrs. Daniel Ross of 165 Beach street, Wollaston, became the bride of John William Ottiano, son of Mr. and Mrs. Augustus W. Ottiano of 27 Pierrepont road, at St. Ann's Church in Wollaston, Sunday afternoon, August 19. Father Gerald D. Callahan officiated at the ceremony, which took place at 2:30 o'clock in a setting of shrimp gladioli. Mrs. Doris Kelley played the bridal music.

Miss Ross, who was given in marriage by her father, wore a gown of bombazine silk with a delicate hand scrolled pattern, a portrait neckline and short sleeves. Her gown was fashioned with a fitted bodice, a bouffant skirt of unpressed pleats and a sweep train. Her fingertip length veil of French silk was held by a wreath of orange blossoms, and she carried a cascade bouquet of white orchid and stephanotis.

Mrs. Harvey Marcellis of Fair Haven, New Jersey, was her sister's Maid of Honor, and Mrs. Robert Peterson of Whitman, also a sister of the bride, Mrs. Jacqueline Lopez of Winchester, sister of the groom, and Miss Kathleen Lopez of Winchester, niece of the groom, were bridesmaids.

The bridal attendants all wore waltz length gowns of shrimp crystalite with matching headpieces, and carried cascades of yellow roses and blue delphiniums. Ronald A. Pridham, Jr., of Cambridge was Mr. Ottiano's best man, and Joseph Ross, brother of the bride, Richard Nihan of Reading and Lucien Lavoie of Marion served as ushers.

The bride's mother wore a teal blue dress with white accessories and a corsage of French roses. The mother of the groom wore a dress of rose beige silk organza with matching accessories and a corsage of eucharis lilies.

A reception was held following the wedding at the Furnas Brook Golf Club in Wollaston, where the bride and bridegroom were assisted in receiving by their parents.

After an extended wedding trip to Florida and Bermuda, Mr. Ottiano and his bride will make their home in Boston.

The bride is a graduate of Quincy High School and attended Boston University.

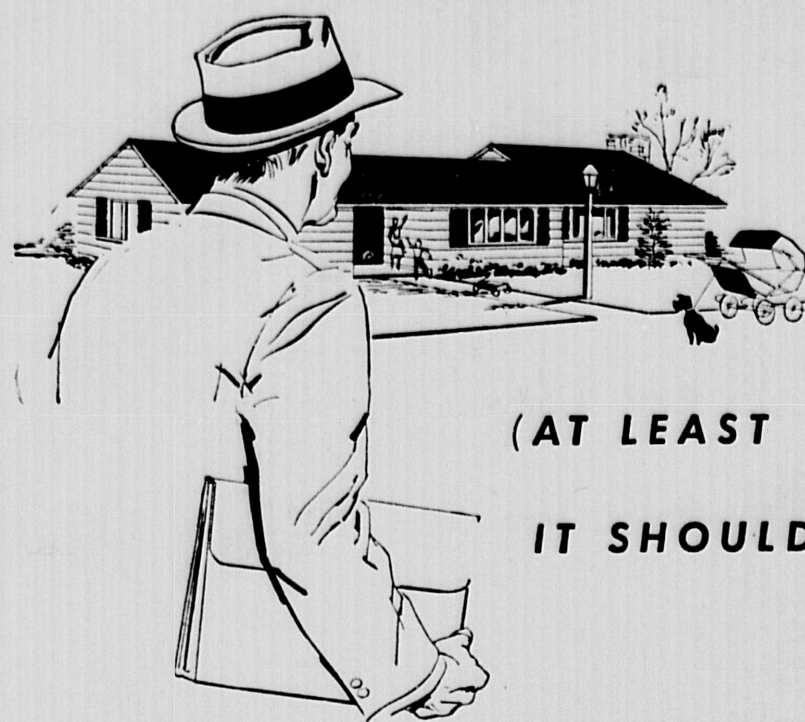

Mr. Ottiano is a graduate of Winchester High School and the Massachusetts School of Art. He is now studying for his Masters Degree at Boston University, where he is also a member of the faculty.

## MacMILLAN — NOWELL

In an attractive setting of white gladioli, Miss Ann Theresa Nowell, daughter of Mr. and Mrs. James L. Nowell of 15 Eaton street, was married at St. Mary's Church on Saturday afternoon, August 4, to George Donald MacMillan of 731 Highland avenue, Malden, son of the late Mr. and Mrs. A. P. MacMillan. Rev. John M. Manion, pastor, read the 4 o'clock service, and the bridal music was played by Mrs. Marie Ryan.

Miss Nowell was given in marriage by her father, and attended by Miss Margaret O'Leary of Winchester as maid of honor. Two small nieces of the bride, Miss Susan Callahan and Miss Phyllis Kennedy, both of Winchester, were flower girls, and bridesmaids were Miss Mary McKinnon and Miss Jennie Campbell of Winchester, cousins of the bride; another cousin of the bride, Miss Mary MacLellan of Randolph, and Miss Jennie Fitzgerald of Winchester.

The bride wore a gown of white lace and nylon net over satin with a boat neckline and a fingertip veil caught to a crown of sequins. She carried a cascade bouquet of orchids combined with white roses and stephanotis.

The honor maid wore a dress of baby blue nylon net and lace over taffeta with matching picture hat and carried a basket of spring

flowers. The bridesmaids wore dresses like that of the honor maid, two wearing yellow and two orchid. All wore picture hats to match their gowns and carried baskets of spring flowers.

The flower girls also carried flower baskets and wore frocks of baby blue net and lace over taffeta with matching hats.

James J. Callahan, Jr., of Winchester, cousin of the bride, was Mr. MacMillan's best man, and ushering were John Nowell of Winchester and Alfred J. Nowell of Woburn brother of the bride; Thomas Kennedy of Winchester, brother-in-law of the bride; and Arthur Carleton of Lynnfield.

A reception was held after the marriage at the Kenmore Hotel with the parents of the bride and Mr. and Mrs. Raymond Crossman of Syracuse, N. Y., uncle and aunt of the bridegroom, assisting in receiving.

Mrs. Nowell, mother of the bride, was gowned in dusty blue crepe and wore white accessories and a matching orchid. The bridegroom's aunt, Mrs. Crossman, also wore a white orchid with her dusty rose gown and matching hat.

After returning from a wedding journey Mr. and Mrs. MacMillan are making their home at 731 Highland avenue, Malden.

The bride is a graduate of Winchester High School and has been in the employ of Patterson, Wyde and Windler, Inc., of Boston. Mr.

MacMillan, a plastering contractor and member of the firm of Giacri and MacMillan, graduated from Malden Vocational School.

## NOT TOO LATE

The healing power of divine Love will

be set forth at Christian Science services

Sunday in the Lesson-Sermon entitled

"Christ Jesus."

Jesus' assurance to his disciples of their

ability to heal the sick by means of prayer

will be included in the Scriptural reading

(John 14:12): "Verily, verily, I say unto

you, He that believeth on me, the works

that I do shall he do also; and greater

works than these shall he do, because I

go unto my Father."

Selections read from "Science and Health

with Key to the Scriptures" by Mary

Baker Eddy will include the following

(24:14): "The divine Love, which made

harmless the poisonous viper, which de-

livered men from the boiling oil, from the

fiery furnace, from the jaws of the lion,

can heal the sick in every age and triumph

over sin and death."

## CHURCH OF THE EPIPHANY

Sunday, August 26. Thirteenth Sunday

After Trinity.

8:00 a. m. Holy Communion.

9:30 a. m. Morning Prayer and Sermon.

## LIVING WITH YOUR HEART

If diseases of the heart were  
considered criminals, angina pec-  
toris would be a town tough with  
an unearned reputation as a mur-  
derer, feared all out of proportion  
to its real danger.

Angina is a literal heartache. It  
comes from a narrowing of the  
coronary arteries, which cuts off  
oxygen-bearing blood from your  
heart. Just as a car splutters and  
knocks when it gets insufficient gas,  
to respond to a high hill, the angina  
heart suffers from painful, fleeting  
starvation.

For many years, angina seizures  
were confused with major heart at-  
tacks, and this is why it is so un-  
reasonably feared even today. The  
thing to fear in angina is its under-  
lying cause—the narrowed arteries  
which could conceivably lead to real  
heart attacks.

The pain in angina varies from  
minor sensations of oppression in the  
chest to sharpness, almost  
impregnable as the heart tries to  
respond to heavy demands. Un-  
usual physical exertion and—to a  
surprising degree—emotional  
storms may cause seizures in the  
angina heart. Cold weather causes  
contraction of the small blood ves-  
sels at the body's surface. This  
raises the blood pressure, makes the  
heart work harder, and brings on  
pain in angina victims, so winter is  
their hardest time of year.

Medical science uses nitroglycer-  
ine, which dilates the small blood  
vessels and widens the blood chan-  
nels in the heart, for complete re-  
lief from attacks in a few seconds.  
Some angina victims take it in ad-  
vance of demanding occasions.

And the heart possesses many  
tiny unused blood vessels which  
open up to build new pathways for  
blood. When this happens, many  
angina victims are tremendously  
improved even to the point of hav-  
ing no more attacks. However, the  
root causes which brought on the  
original situation remain. For this  
reason, even greatly improved an-  
gina hearts must be watched care-  
fully.

Doctors ask their angina patients  
not to smoke, to eat and exercise  
lightly, and to be patient while the  
body goes about its slow but mirac-  
ulous work of setting up collateral  
circulation through the opening of  
new bloodlines.

Those who will may live more  
happily today with angina than ever  
before.

## HOLY NAME SOFTBALL CHAMPS

The Holy Name team of St.

Mary's Parish won the champion-  
ship of the Town Softball LeagueWednesday evening by defeating  
the W.F.V. Team, 14-13 in a thrillerat Leonard Field. Bob Merenda  
pitched for the winners and Saun-

ders and Carroll for the losers.

Although there is an unprece-

dented demand for tickets for  
"South Pacific," currently playing  
at the North Shore Music-Theater,  
Beverly, through September 1st,  
the Management wishes to assure  
the public that tickets are still  
available, but urges patrons to  
state alternate choice in both price  
and date when ordering by mail.

## ALERT TODAY

Rev. Herbert K. A. Driscoll told

the Star yesterday that the Immac-  
ulate Conception parochial school  
that opened for the first time a  
year ago will be increased from two  
to three grades this year. The en-  
rollment has also increased from 90  
to 135 pupils. It is Father Driscoll's  
intention to increase the school a  
grade a year until eight grades are  
reached.

## TRAFFIC TIP

When you're driving

along the highway and approach a  
town, you don't realize how fast  
you're moving, warns the AAA,  
and you're tempted to whiz through  
a populated area at a dangerous  
pace. Start slowing down at the  
first warning, and stay within the  
prescribed limits.

## MARION PRATT HONORED

At the final banquet of Camp Nokomis, Lake Winnepesaukee, New Hampshire, Marion Pratt, daughter of Mr. and Mrs. Arthur Pratt of Salisbury street, received the Best All-Round Camper award. Presented by Camp Director Barbara McDonald, former director of Girl Scouts in Winchester, the trophy bears the names of four other Winchester girls who earned the title in previous camp seasons—Debbie French, Gail Collins, Roberta Rich, and Shirley Bingham. These girls were all present to see Marion receive the award.

The second period of this fifth season at Nokomis was a very busy one. Led by Dottie Pratt of Winchester, senior girls made five three-day trips to Lake Wallace in Canada. Junior and Middle units took overnights at Crawford Notch and Mt. Cardigan.

In camp, a capacity group worked hard in all activities—archery, tennis, pottery, copper jewelry, sailing, water skiing, canoeing, rowing, riflery, and dramatics—to earn points for their Indian headbands. The following Winchester girls received headband awards: Shirley Bingham, Sue Ellen Chase, Sally Clark, Paula Collins, Alice Dunn, Marcia Kimball, Suzie Koch, Susie Nanny, Marion Pratt, Janet Rich, and Carol Schultz.

After the banquet, Marion, Shir-

ley, Marcia and Paula took part in a ceremonial Indian pageant. Other Winchester girls at camp were the following: Joan Binding, Jeannie Chase, Debbie Gay, Janet Herrmann, Bev Holbrook, Nanette Marshall, Betsy McCreery, Weensy Mouradian, and Mappy Mouradian. During the first period, Susan Ahern, Mary Jane Anderson, Jane Overacker, Gail Pettigall, Gail Towner and Susan Williams were at camp. On the staff were Debbie French, head counselor and program director, Gail Collins, Dottie Pratt and Lois Anderson of Winchester; Linda Cederholm and Cynthia Peterson, formerly of Winchester.

NEW SERVICE  
BY NATIONAL BANK

The Winchester National Bank is now adding a new service for its installment loan customers. Beginning August 1st, the bank insures the lives of all installment loan borrowers, at no extra cost, in the amount of the borrowers outstanding loan.

Leslie J. Scott, President of the bank, in announcing the plan, says that the life insurance will cover loans used for the purchase of new and used cars, loans for modernization and repair of homes and all other installment loans up to \$5,000 each.

## OF VITAL IMPORTANCE

His Excellency, Christian A. Herter, Governor of the Commonwealth, Honorary Chairman of the Massachusetts Highway Safety Committee, and Registrar of Motor Vehicles, Rudolph F. King, Committee Chairman, today issued a joint statement in which they urge motorists to plan their Labor Day week-end driving with extreme care giving every consideration to the heavy traffic conditions which will be encountered during the official 78-hour period.

Speaking for Massachusetts Highway Safety Committee, Governor Herter and Registrar King say, "If Massachusetts is to contribute to the reduction of traffic tragedies in 1956, every motorist must make an earnest attempt to cooperate with the officials charged with the responsibility of protecting highway users over Labor Day week-end.

## LEONARD BEACH BREAK-IN

Frank Provinzano, who is in charge of playgrounds, reported to the police that \$5.10 was taken from a glass jar in a store room of the Leonard Beach bath house when the building was broken into Thursday night, August 16. The entrance was made through the rear door after the screws had been removed from the hinges.

Further trouble at Leonard Beach came up Sunday, when life guard Louis Farrell was forced to summon police help in order to eject from the beach three boys who were creating a disturbance.

## TO ATTEND REGIONAL MEETING

Sherman W. Saltmarsh, Jr., a life underwriter with the M. Greely Summers, Jr., Agency of the New England Mutual Life Insurance Company in Boston has, because of the quality of the service he has rendered during June and July, earned the right to attend the regional meeting of the Company's leading producers at Lake Placid in September.

Mr. Saltmarsh is a graduate of Winchester High School, where he played hockey and ran on the track team and of Boston College where he played varsity hockey for four years. He completed two years in the U. S. Navy in November 1955. Mr. Saltmarsh was recently elected a Town Meeting Member from Precinct 2 in Winchester, where he lives at 192 Highland avenue.

Navy sleds being used in the Antarctic were made in Canada while snow flaps are mounted on bamboo from Panama.

## CD STAFF PLANS FOR NATIONAL CD WEEK

At the CD Staff meeting held Wednesday, August 15, 1956, further plans were drawn for the observation of National Civil Defense Week, September 9-15, 1956. It is planned to have various units participate and probably display their skills in the field of Communications, Fire fighting, Traffic control, Rescue procedures and equipment. It is also intended to include a demonstration of techniques used by Frogmen.

An interesting feature of the feature of the contemplated display will be the CD large emergency generating unit. It will be of interest to mention that this piece of equipment was thoroughly tested by connecting it to the Town water and sewage pumps all of which it handled adequately. It also was connected to supply power to the Winchester Hospital where it particularly proved its worth by supplying all normal electric power demands.

The State Civil Defense will give the residents of Winchester the opportunity to inspect the latest and most modern type of Rescue truck completely furnished with emergency generator, stretchers, blankets, chain hoist, jack, wrecking equipment, and first aid supplies. More details in next week's paper.

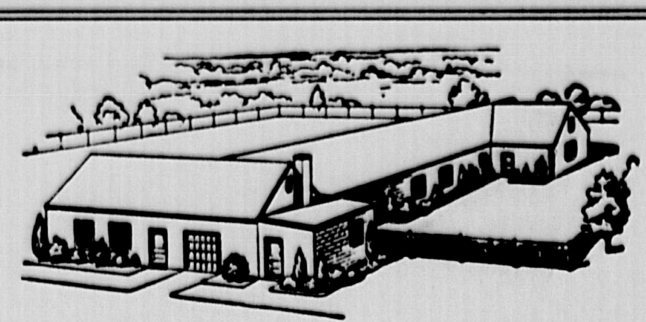

## LOSES CONTROL OF CAR

Elizabeth Kehoe of 6 Horn Pond Brook road lost control of her car while driving east on Cross street Saturday afternoon, and struck a utility pole, snapping it off at the base.

Miss Kehoe was taken to the Winchester Hospital by the police ambulance, where she was treated for lacerated knees.

Former Selectman Harold V. Farnsworth was reported yesterday as resting comfortably after a major operation performed at the Phillips House in Boston.

A number of sisters plan to take the instructors course in the fall.

Standard and advanced certificates were awarded Sisters Mary Donovan, Mary Fitzpatrick, Mary Flannery, Mary Hubbard, Mary LeBlanc, Mary Meyer, Mary Navin, Mary O'Connor, Mary Quinn, Mary Tardit, Mary Ashe, Mary Brown, Mary Collins, Mary Lynch, Mary Ryan, Mary Smith and Mary Sweeney.

**NEW VOTERS**

The Town Hall announces that 564 new voters have registered for the presidential election this fall. This brings the total of registered voters to 9,839, or about 50% of Winchester's population which was 18,126 in the 1955 census.

This percentage puts Winchester in the "average" category of communities in the United States. As Edward R. Murrow pointed out over CBS television Tuesday night, in a good year the voter turn-out is about 55% of our 165 million population, while in most European countries between 75% and 93% of the people go to the polls.

## MISS CORINNE LOOMIS

RETIRED INSURANCE  
EXECUTIVE FORMER HIGH  
SCHOOL TEACHER HERE

Older graduates will recall Miss Corinne Loomis, former Science teacher at Winchester High School, who died August 31, in Duxbury.

Miss Loomis came to Winchester shortly after her graduation from Mt. Holyoke College in 1911 and taught Science before entering the insurance field, in which she attained great success. She was the first woman elected president of the Boston Chapter of Chartered Life Underwriters.

Miss Loomis was born 68 years ago in Mexico, N. Y., the daughter of Fred M. and Viletta (Davis) Loomis. She became manager of the women's division of the Penn Mutual Life Insurance Company in Boston, and later served the John Hancock Mutual Life Insurance Co., in the same capacity, from 1924 to 1933, when she became an associate general agent.

She was a founder and served as chairman of the Women's Quarter Million Dollar Round Table, and at one time served as governor of the First District of Altruism. She was the author of "Life Insurance Counselor Careers for Women" and also wrote articles published in the National Life Association News, Newspapers and other publications did feature stories of her career in the insurance field.

Miss Loomis leaves a daughter, by adoption, Miss Enslin-Tindler of Duxbury.

Funeral services were held at 3 o'clock Sunday afternoon at St. Andrew's Episcopal Church in Hanover.

## HAPPY ANNIVERSARY

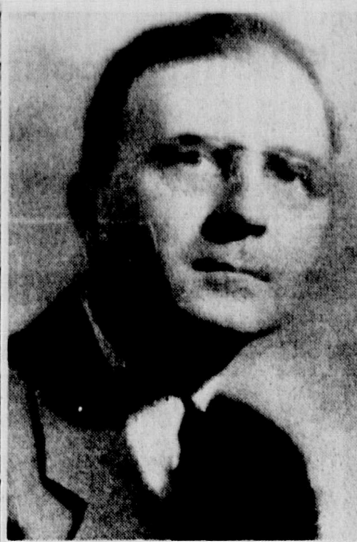

Last Saturday night, Mr. and Mrs. Joseph Maggio were pleasantly surprised with a 30th wedding anniversary party which was held at the home of Police Officer and Mrs. Mario Buzzotta at 24 Raymond place. Members of the immediate family attended and presented the happy couple with several gifts which were highly appreciated but Mrs. Maggio showed most excitement when given a wedding band of gold by her husband. A three-layered "Happy Anniversary" cake was cut by the couple and enjoyed by all.

Mrs. Maggio is the mother of Geraldine Buzzotta and the daughter of Mr. and Mrs. Peter Provanzano of 37 Florence street. The Maggios have two grand-children and were married in St. Mary's Church.

## RECEIVES SCHOLARSHIP

John A. McLean, son of Dr. and Mrs. John D. McLean of 20 Seneca road, a sophomore at Bowdoin College, has been awarded a scholarship there for the academic year 1956-57.

McLean prepared for college at Winchester High School and the Choate school. At Bowdoin he is a member of Delta Kappa Epsilon fraternity and received his numerals in swimming.

VINCENT C. AMBROSE

LOCAL BANKER TO SPEAK  
ON ADULT EDUCATION

Vincent C. Ambrose of 61 Yale street, president of the Winchester Trust Company, will be the featured speaker at the annual consultants' dinner of Boston Chapter, American Institute of Banking to be held at the Surrey Room, Hotel Touraine, Boston, on Tuesday, September 11, at 6:30 p.m. With an expected attendance of close to 300 including senior bankers, the teaching staff and consultants from the various banks of Metropolitan Boston, this "kick-off" dinner signals the beginning of the chapter's 1956-1957 school season.

Mr. Ambrose's subject, "Adult Education," will be most timely since the main objective of the American Institute of Banking is the educational advancement of those engaged in the banking business. To further this objective, the A. I. B. carries on a program of education in those principles of economics, law and accounting which are closely allied to banking. It also seeks to cultivate in bank personnel a clear understanding of good public relations. Currently, national membership is 127,000 while national student enrollment for the 1955-1956 season totaled 68,206.

Mr. Ambrose is a graduate of the School of Banking at Rutgers University, and of Boston University, School of Accounting, Law and Business Administration. In addition he has taken a number of A. I. B. courses.

He is a member of the Rutgers Graduate School of Banking, Board of Regents, and member of the Advisory Committee of Baystate Corporation, Boston.

His participation in community affairs has been constant, being vice chairman of the Board of Winchester Public Library Trustees, former vice chairman Town Finance Committee and former town postmaster. He is a past president of the Winchester Rotary Club, treasurer of the local Heart and Arthritis Funds and former chairman of the local March of Dimes Committee.

## MRS. AMY S. PHILBRICK

Mrs. Amy S. Philbrick of 247 Washington street, widow of William E. Philbrick, and a resident of Winchester for more than 45 years, died Thursday evening, August 30, at the Winchester Hospital. She became ill the latter part of July while vacationing at the Farragut Hotel, Rye Beach, N. H., and was removed at that time to the hospital in Exeter, N. H.

As soon as her condition improved sufficiently she was transferred to the Winchester Hospital where she had been for two weeks previous to her death, for a time showing marked improvement.

Mrs. Philbrick was the daughter of John L. and Emily (Hulme) Scholtes. She was born September 28, 1871, in Lawrence, and spent her early life in that city and in Andover, coming to Winchester from Andover in 1910.

She and her first husband, Herbert Goff, who died February 19, 1927, lived at 12 Stratford road, and she continued to make her home there after her marriage to Mr. Philbrick December 21, 1932. Mr. Philbrick died August 5, 1946, and after his death Mrs. Philbrick moved to the Winchester Arms at 247 Washington street.

She leaves two cousins, Dr. Albert E. Hulme and Frederick R. Hulme, both of Andover; and two nieces, Miss Beatrice Goff of North Haven, Conn., and Mrs. Charles Mason of Hampton, N. H.

Funeral services were held Saturday afternoon at Ripley Memorial Chapel of the First Congregational Church with the Minister, Dr. Dwight L. Cart, officiating. Burial was in Wildwood Cemetery.

HOMECOMING SUNDAY  
AT FIRST BAPTIST CHURCH

Challenged to renewed activity and service in all phases of our church life, First Baptist Church members and friends look with enthusiasm and determination to support the entire program of the church's mission in the world.

September 8 and 9, representatives of the Baptist South Fellowship from all parts of Massachusetts will convene here to make plans for the part they will take in the increased opportunities which lie ahead.

Homecoming Sunday, September 9, all our church school classes will reopen at 9:45 o'clock, under the spiritual leadership of Mr. Joseph M. Dunn, church school superintendent; Miss Muriel Roel, our new director of Christian Education; Mr. Arthur C. Barker, director of Christian Education, and a staff of trained teachers.

"In Quest of the Best," the sermon title chosen by Rev. Bailey for the eleven o'clock service, followed by the observance of the Lord's Supper, will emphasize to the individual the opportunities for service to Him which they are privileged to share. Nursery and kindergarten children will be cared for during this service.

If you are a newcomer to Winchester and have no church home, First Baptist Church extends a warm welcome.

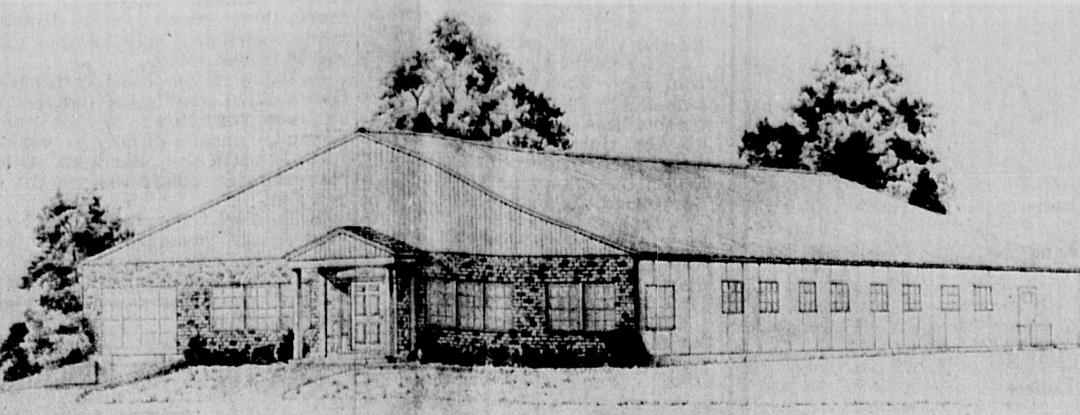

PROTESTANT CHURCHES  
RESUME SCHEDULE

With the closing of the Union Services this past Sunday, each of the five churches participating in the Summer Schedule, will take up its regular schedule this coming Sunday. The churches sharing in the Union services included the Baptist, First and Second Congregational, Crawford Memorial Methodist and Unitarian Churches.

The schedule of services and hour of all churches are listed under "Church Services" elsewhere in this issue of the Star.

## New Industry for Winchester

## Wire Belt Company Builds On River Street

The new colonial-front building now under construction on River street is being built by the Wire Belt Company of America, now located in Cambridge. The building will house their main operations and offices, and company spokesmen indicate that occupancy should be made approximately November 1.

The Wire Belt Company, at one time a division of the J. W. Greer Company of Wilmington, is the first company to purchase and build on a portion of the large industrial tract owned by Nicholas and James Fitzgerald. This land lies between Cross and Swanton streets, roughly paralleling the Abernethy River.

The company's principal product is Flat-Tex Wire Belt, a woven wire conveyor belting of unique construction which suits it for use in a wide range of continuous-process industries such as the bakery, confectionery, textile, tanning, and frozen-foods industries.

President of the company is Fred W. Greer of Lincoln, while two Winchester men, Don S. Greer and Philip P. Wadsworth, are vice president and treasurer respectively. These gentlemen are also chairman of the board, president, and vice-president-treasurer of the J. W. Greer Company.

The general manager, whose offices will be in the new building, is Earle F. Spencer, Jr., also of Winchester.

The company noted that, although still relatively small by industry standards, they have grown very rapidly over the past several years, and it is this growth which has prompted the move to larger quarters. Sufficient land was acquired for more than tripling the plant capacity now under construction.

The company currently employs twenty-one people, twelve of whom are women, and although it is anticipated that the work force will remain pretty much intact after the move to Winchester, a demand for local help is expected to develop as further growth takes place.

A company official commented, "We're still small, but we've grown big. We have a solid core of 30 years' experience behind us, and we know as much about continuous-processing conveyor systems as anyone in the country."

"Our belt was developed thirty years ago with our president, Fred Greer, playing a major role in the design of the belt-making machines. The man who is now our production manager, Salvatore Palmisano, was our first, and only machine operator in those days, and most of our engineers have also grown up with us."

"For many years, our belting was utilized almost solely by the confectionery and bakery trades. More recently, coinciding with the progress made by so many other industries in converting from 'batch' to continuous processing, our applications have broadened tremendously in scope. By keeping abreast of and in some cases originating new developments, we have contributed materially to this progress."

The decision to locate our plant in Winchester was, of course, based on a number of economic factors, and was made only after a thorough analysis of alternative sites. To us it represents a nice compromise between city living and country living, each of which has advantages for an industrial concern. "All interested town officials have been most cooperative in helping us iron out numerous details, and we are certainly looking forward to becoming a new citizen of Winchester this fall."

## SMITH — TAYLOR

Miss Louise Hicks Taylor of Cambridge became the bride of Elbert R. Smith, son of Mr. and Mrs. Harold A. Smith of 17 Bacon street in ceremonies at the First Congregational Church in Cambridge on August 26.

The bride was graduated from Melrose High School and Ohio Wesleyan College, and did graduate work at Long University and has been employed at Harvard University for the past four years.

Mr. Smith is a graduate of Winchester High School, received his B.A. from Bates College and his M.F.A. from the Yale Drama School. He is currently employed as director of the York Little Theatre in York, Pa.

HIGH SCHOOL ASSEMBLY  
MONDAY MORNING

Principal W. Howard Niblock announced that students and teachers at the high school will open the school year with a special assembly on Monday morning.

Instead of going to their rooms, pupils will go directly to the Memorial auditorium. The assembly will begin promptly at 8 o'clock, at which time the pupils will be expected to be in their seats.

## VETERAN'S DIRECTOR RETIRES

Charles D. Roche of 32 Westley street has announced his retirement from the position of Director of Veterans' Services for the town of Winchester. His retirement, which became effective August 31, brought to a close ten years of excellent service at this post. He will be missed by all of his fellow town workers.

## JUST A REMINDER

Don't forget to observe September 11, 1956, Civil Defense Exhibit, Winchester Common, Friday, September 14, 7 P. M.

## PRE-NUPTIAL PARTIES

Pre-nuptial festivities for Miss Jane A. Rainie, daughter of Mr. and Mrs. Harrison McK. Rainie, of 41 Calumet road, consisted of a dinner given by her parents Monday at their summer home "Tyne Taj," Lake Winnepesaukee, N. H., in honor of Mr. and Mrs. Frederick N. Opel, parents of the bridegroom, Mr. Wayne N. Opel, of Leavenworth, Kansas. Other out-of-town relatives attended. The marriage takes place Saturday at four o'clock at the Church of the Epiphany.

A rehearsal supper is being given at the Towne Lyne House, Lynnfield, for all the bridal party and relatives from out-of-town, Friday evening, by Mr. and Mrs. Harrison McK. Rainie, Jr., of Garden City, N. Y.

Mrs. Ethel McGee, of Calumet road, is hostess Saturday noon for the bride's luncheon being held at Shaker Glen House when all the attendants and the mothers of the bride and groom are guests.

Miss Rainie was also guest at a dinner given by Melpar, Inc., restaurant in her honor at Ten Acres, Wayland.

## FALL TENNIS TOURNAMENT

The annual fall tournament to determine the Winchester Tennis Champions will start on Saturday, September 8, at the Palmer Street Courts.

The events which are open to any resident of Winchester are: M.S. (M.D., M.X.D. and W.S.). The winners in each event have their name engraved on permanent trophies which they are then entitled to possess until the next succeeding Town Tennis Championships. In addition, the winners and runners-up in each event are awarded prizes trophies.

At the present time Winchester is fortunate in having five of the entire ten of the Thurston Cup winners in 1955 residing in our town; including three players who are ranked in the first ten in New England, so no competition should be particularly keen.

All entries must be made by telephone or mail on or before that date to the Tournament Chairman, Josiah Bacon, 40 Wildwood street, Winchester 6-2003.

## ENGAGEMENT ANNOUNCED

Mr. and Mrs. Willis H. Hills of Fairville, N. Y., announce to-day the engagement of their daughter, Eloise Hoyt Hills, to Bouldin Gaylord Burbank, Jr., son of Mr. and Mrs. Bouldin Gaylord Burbank of 12 Wolcott road, Winchester. Miss Hills is a graduate of the Fayetteville-Manlius High School and is now a senior at Skidmore College in Saratoga Springs, N. Y. Mr. Burbank is a graduate of Trinity College in Hartford, Conn., in '55 this year he attended the Harvard School of Design. The wedding will take place in June.

## VETERAN'S POST OPEN

In view of the retirement of Charles D. Roche from the position of Director of Veterans' Services in the town of Winchester, the Board of Veterans are interested in receiving applications for this position. Any person who desires to make an application should call the Veterans' office immediately for an appointment for an interview.

## IMPORTANT NOTICE

THE STAR OF JULY 27 carried a news story to the effect that Harrison F. Lyman, Jr., former chairman of the Winchester Board of Selectmen was unopposed in his candidacy for the Republican nomination for State Senator from this district. That statement was correct at the time.

Since then, however, candidates from Arlington and Medford have entered the race. Supporters of Mr. Lyman will have to be sure to vote at the Primaries, therefore, if the Winchester man is to prevail.

MRS. BENEDETTA JOSEPH MELARAGNI

## MELARAGNI — DOHERTY

In a setting of white and gold gladioli at the Immaculate Conception Church on Wednesday morning, August 25, Miss Margaret Doherty of Winchester, two more of the guests of the Boston Red Sox for their game with Baltimore.

The trip was arranged by Warren Hiehorn, President of the Dads' Club. High was profuse in giving assists to Mrs. Johns and Mrs. Peckham for their many telephone calls to the boys. Also to the Coaches, Managers and Dads who helped handle the boys and to the several fine spirited citizens who generously created a fund to provide buses for the occasion.

The boys arrived at Fenway Park at 12:30, on schedule, and promptly took their seats. The All Star team, smartly clad in their World Series uniforms were then escorted by High to the Red Sox dugout where they were introduced to several of the Red Sox players. Between chats with the boys the Sockers signed autograph books, balls, etc. Micky Vernon and Ted Lepore were the favorites and their sincere response to the occasion is one of the reasons why they are so popular everywhere.

The bride wore a gown of white organza over taffeta with short organza sleeves and a bouffant skirt forming a semi-train. Both the bodice and skirt were adorned with white rosettes and clusters of mother-of-pearl sequins. Her veil of tulle was caught to a headpiece of chantilly lace and mother-of-pearl sequins and she carried a bouquet of bride's roses and stephanotis.

The honor maid wore a street-length dress of pale yellow crystal-rod over yellow taffeta with a V-shaped neckline, front and back, and a large full-length bow at the back. She wore a matching yellow picture hat with a large bow at the back and carried a mixed bouquet tied with pastel streamers.

The bridesmaids wore identical dresses like that of the honor maid, except that they were pastel green. They wore matching picture hats and carried mixed bouquets in which pink tea roses predominated, while the predominating flowers in the honor attendant's bouquet were yellow roses. All the attendants wore short white gloves.

Dominic Melaragni of Medford was his brother's best man, and ushering were John J. Doherty of Winchester, brother of the bride; John Doherty of Doherty, cousin of the bride; and John Melaragni of Woburn, another brother of the bridegroom.

A reception was held at the Woburn Legion Hall, the Four Corners with the parents of the bride and bridegroom and the members of the bridal party assisting in receiving. Mrs. Doherty, mother of the bride, wore a street-length dress of white Chantilly lace over rose taffeta. White elbow-length gloves with a matching cup-shaped hat decorated with white ostrich plumes and a corsage of pink roses completed her costume.

After a wedding trip through northern New England and Canada, Mr. and Mrs. Melaragni will live in Woburn.

The bride is a graduate of Marycliff Academy and the Katharine Gibbs School. Mr. Melaragni, who is an electrician, graduated from Woburn High School and is studying for his electrician's license.

## WILLIAMS — GREER

In an evening ceremony at the Crawford Memorial Methodist Church on Wednesday, September 5, Miss Diane Wedgewood Greer, daughter of Mr. and Mrs. Don Swint Greer of 372 Highland avenue, became the bride of Edward Prescott Williams, son of Mr. and Mrs. Frederic B. Williams, Jr., of 22 Redington road, Needham. The Rev. John Snook officiated at the 8 o'clock candlelight ceremony, which was followed by a garden reception at the home of the bride's parents. Assisting in receiving were Mrs. Williams, mother of the groom, Mrs. Greer, the mother of the bride and Charlotte M. Greer, the sister of the bride, and Mrs. George W. Chase, matron of honor.

Miss Greer, who was given in marriage by her father, wore her mother's wedding gown of bluish pink satin, and carried a cascade bouquet of pale pink and white roses with stephanotis. Her finger-tip veil of French illusion was caught to a cap of bluish pink tulle.

Miss Charlotte M. Greer was her sister's maid of honor, and Mrs. George W. Chase, a cousin of the bride, was her bridesmaid. Lynne Stevens of Winchester) was matron of honor, both wearing imported Italian silk waltz-length gowns of changeable emerald and sapphire and carrying bouquets similar to the bride's.

Identically groomed, the bridesmaids, who carried old-fashioned nosegays, were Miss Martha E. Litvany of Glen Ridge, N. J.; Miss Susan E. Brown of Winnetka, Ill.; Miss Ann Hathaway of Longmeadow; Miss Dorothy F. Williams of Needham, sister of the groom; Miss Sonia Norian of Winchester, and Miss Janet E. Macaulay of Marblehead. Mrs. Richard Zwetsch of Pensacola, Florida and Mrs. E. L. Rolett of New York City were honorary bridesmaids.

Mr. Williams' best man was Mr. Clinton E. Batson of Needham. Included as ushers were Mr. Richard D. Watson of Reading, a cousin of the bride; Mr. Jonathan Brower of Belmont, a cousin of the groom; Mr. Edward L. McGowan of Roslindale; Mr. Douglas K. Boyd of Newton; Mr. Charles U. Foster of Fargo, North Dakota; and Mr. Charles J. Hamlin, Jr., of Jackson, N. H. Honorary ushers were Lt. John M. Hoy of West Roxbury; Ens. Paul F. Beatty of Jamaica Plain, and Mr. Dean F. LeBaron of Foxboro.

The mother of the bride, Mrs. Greer, wore a ciel blue peau de soie gown with pink orchids, and Mrs. Williams, the mother of the bridegroom wore white orchids with her peacock blue satin gown.

After a short wedding trip to Bermuda, Mr. Williams and his bride will reside at 60 Brattle street, where they will be at home after September 12.

The bride was graduated from Winchester High School in 1952 and studied at the Universities of Geneva and Vienna. The bridegroom attended Roxbury Latin School, and was graduated from Harvard College, where he was president of the Flying Club, a member of the Hasty Pudding Institute and the Bat Club. At present he is a 2nd lieutenant in the Air Force Reserve. This fall he is planning to study at the Harvard Graduate School of Business Administration.

## STATE SENATOR

(Primaries Tuesday, September 18)

## VOTERS of WINCHESTER:

I am a candidate for the Republican nomination for State Senator from the Sixth Middlesex District.

Our district includes Winchester, Arlington, Woburn and most of Medford. I am opposed in the primaries by candidates from Arlington and Medford. It is most important to me, therefore, that I actually receive every possible vote from my own home town.

I hope the following record of qualifications and of public service will merit your support:

Lawyer (Harvard Law School); Veteran (46 months Army service, World War II)

Winchester Board of Selectmen (youngest man ever elected to that office); Chairman 1952-53.

Winchester Planning Board, 1953 to date (Secretary 1953-56)

Town Meeting Member, 3 terms (twice with town's highest vote)

Present chairman, Winchester Republican Town Committee.

Trustee, Winchester Savings Bank, Winchester Home for the Aged, and Boston Museum of Science; former director, Winchester Hospital; member of corporation, Boston Lying-In Hospital.

My only pledge is that if nominated and elected, I shall devote myself to the best interests of Winchester and the district as a whole.

## CONGREGATIONAL TEACHERS' CONFERENCE

At the First Congregational Church this Wednesday evening, September 12th, the Congregational Teachers' Conference will hold its first of four sessions. This is an opportunity for all people interested in preparing themselves for Church School teaching either this year or at some future time, to meet for discussion and instruction under competent leadership. The courses are designed to give practical help to teachers in each department of the Church School from Nursery through Junior High, with emphasis on understanding children, creative way of teaching, and worship.

The following people will be the leaders for the Conference: Rev. Robert Knowles, Secretary for Jun-

ior High work in the Division of Christian Education for the Congregational Christian Churches, will teach the Junior High; Miss Ruth Spague, the editor of Junior Materials for Pilgrim Press, will lead the Junior department teachers; Mrs. Peter Corea, director of Religious Education at Hough's Congregational Church in Quincy, is the teacher for the Lower Junior department; Mrs. Thomas Kell, former director of Religious Education of Bream Presbyterian Church in Charleston, West Virginia, will instruct the Primary teachers; Miss Mariam Nelson, experienced in Kindergarten work, has been chosen to inspire and help the Kindergarten teachers; Mrs. Dikran Haddian, director of Religious Education at First Congregational Church in Winchester, will teach the Nursery department.

The neighboring Congregational churches of Reading, Stoneham, Wakefield and Winchester Second are participating in this school. All who are interested in improving their teaching are invited to come to this worthwhile conference. The sessions will begin promptly at 7:30. Save the dates September 12, 19, 26, and October 3, for the Congregational Teachers' Conference.

## CIVIL DEFENSE

### SAFETY PRECAUTIONS

The following safety precautions and safety measures may be helpful when warnings of an approaching hurricane have been issued.

1. Keep your radio or television on and listen for latest Weather Bureau warnings and advisories. If power fails, use your car radio.
2. Pay no attention to rumors.
3. Get away from low-lying beaches or other locations which may be swept by high tides or storm waves. If passage to high ground is over a road likely to be under water, leave early. Don't run the risk of being marooned.
4. If your house is out of danger from high tides and is well built then it is probably the best place to weather the storm.
5. Be alert for high water in areas where streams or rivers may flood after heavy rains.
6. Board up, put on storm shutters, tape or otherwise protect windows. Danger to small windows is mainly from flying debris while larger windows may be broken by wind pressure if not protected.
7. Get in extra food, especially things which can be eaten without cooking or with very little preparation. Remember that electric power may be off and you may be without refrigeration.
8. If emergency cooking facilities are necessary, be sure they are in working order.
9. Sterilize the bathtub, jugs, bottles, cooking utensils, and fill with drinking water, as city water service may be interrupted.
10. Have flashlights and/or other emergency lights in working condition and keep them handy.
11. Be sure to have gasoline in your car. If electric power is off, filling stations may not be able to operate pumps for several days.
12. Check on everything that might blow away or be torn loose. Garbage cans, garden tools, toys, signs, porch furniture, awnings, and other objects become weapons of destruction in hurricane winds. Store them all inside if possible.
13. Be sure that a window or door can be opened on the lee side of the house. . . the side opposite the one facing the wind.
14. If the center or "eye" of the storm passes directly over, there will be a lull in the wind lasting from a few minutes to half an hour or more. Stay in a safe place. Make emergency repairs during the lull if necessary, but remember the wind will return suddenly from the opposite direction, frequently with even greater violence.
15. Be calm. Your ability to meet emergencies will inspire and help others.

## Safety Measures

After passage of the hurricane, the following safety measures will prove valuable:

1. Seek medical care at Red Cross disaster stations or hospitals for persons injured during the storm.
2. Don't touch loose or dangling wires. Report such damage to the light and power company, or nearest police officer.
3. Report broken sewer or water mains to the water department.
4. Guard against spoiled food in mechanical refrigerators if power has been off any length of time.
5. Unless you are qualified to render valuable emergency assistance, stay away from disaster areas where you may hamper first aid or rescue work.
6. Drive automobiles cautiously. Debris-filled streets are dangerous, so keep your eyes on the road. Along the coast soil may be washed from beneath the pavement, which may collapse under the weight of vehicles.
7. Be alert to prevent fires. Low-voltage vacuum cleaners fire-fighting difficult after storms.
8. Take down shutters and save the lumber. Store in a handy place for future use.

## NEW EDUCATION DIRECTOR

Miss Muriel Roel has been selected as the Director of Christian Education for the First Baptist Church, Winchester. Miss Roel is replacing Miss Edith Smith who resigned June 1, 1956.

Camden, New Jersey, is the home town of the new Director. She graduated from the Baptist Institute, Bryn Mawr, Pennsylvania, in June, 1955, and has taken further courses at the Eastern Baptist Seminary in Philadelphia, Pa. During the past two summers she has taught vacation church schools throughout the state.

Miss Roel will reside on Washington street and begins her duties on Homecoming Sunday, September 9th.

## SCHOOL BUS SCHEDULE

A new bus schedule, which became effective with the opening of schools on September 10th and which will continue until further notice, has been announced by Superintendent of Schools Harry V. Gilson as follows:

**Parkhurst School**  
One bus will leave Dunster lane corner about 8:20 a. m. arriving at the school about 8:40 a. m. Another bus will leave the Woburn line on Ridge street about 8:20 a. m. arriving at the school about 8:40 a. m. Buses will leave Parkhurst School about 3:00 p. m. arriving at Dunster Lane corner and

Ridge street at the Woburn line about 3:20 p. m.  
**Senior High School, Junior High School, St. Mary's Parochial School**  
One bus will leave Dunster lane corner about 7:20 p. m. arriving at the Winchester Council of Girl Scouts, journey to Cedar Hill in Waltham next Friday for a week end of outdoor fun. Under the leadership of Mrs. W. B. Hersey, senior reservations were quickly taken up when this special affair was first announced late last spring. Because of the demand, additional space had to be arranged, and Mrs. James E. Stewart of Winslow road, arrangements chairman, said that girls and leaders who had not notified the Girl Scout office of their intentions to go, should do so as soon as possible. The final day for reservations is presently set at Friday, September 7, but according to Mrs. Ralph C. Thompson, program chairman, late vacation returns may be afforded an opportunity to sign up on Monday or Tuesday. This latter group will be on stand-by, pending further arrangements for quarters at Cedar Hill. Those who have contacted Mrs. E. M. Shinnick, Winchester's executive director, are enthusiastically awaiting this week-end event. Mrs. Shinnick indicated that the plans already made will delight the Girl Scouts and leaders who are planning to attend this two-day and two-night camp.

## BOAT CLUB NEWS

## WINCHESTER BOAT CLUB BEE HIVE OF ACTIVITY OVER HOLIDAY WEEKEND

Boat Club Members and their guests enjoyed a wonderful week-end at the Boat Club topped off by a holiday that was jam-packed with activity. In the morning, there were Snipe Fleet races for both seniors and juniors as well as a couple of spectacular races by the new Turnabout fleet.

After lunch there were a series of very exciting swimming races and diving contests and then more than 100 enjoyed a beautifully prepared and thoroughly enjoyable Lobster Bake. The finishing touches were supplied by square dancing on the hard top outside the club. A truly enjoyable and exciting day from start to finish.

## Dixie and Data

Tommy Legere and Dick Ivers shared honors in the official Snipe Fleet races on Sunday and Monday morning. John Day creamed the fleet twice in two interesting races. Peter Freyer scored another victory in the Junior races as he solidified his second place standing in this series. . . . Heidi Snow continued her mastery over the Turnabout fleet by scoring two victories.

## BARTLETT SCHOOL

The Bartlett School, 34 Bartlett avenue, Arlington, will reopen for the twenty-fourth season on Monday, September 10.

Children five years of age or over before October 1 are eligible to be tested for admission to the Bartlett School first grade. If above average ability, they are given a six-weeks trial period in Grade 1 to determine if their social and emotional maturity is comparable to their mental capacity. These pupils are not only insured of a successful year in Grade 1 but they will acquire more desirable study habits by working to capacity. For the past twenty-three years all pupils prepared in the Bartlett School (Grades 1, 2, 3 and 4) have successfully passed examinations for promotion into the public and private schools of Arlington and all adjacent communities.

The Bartlett School also has Grades 2, 3 and 4. Class enrollment is small, permitting individual attention. Transportation is provided. Reasonable tuition. School premises have been fully approved by the state inspector.

Norine D. Casey, founder, opened the school in 1933. She is a graduate of Boston Teachers' College with 31 years of teaching experience. Her daughter, Norine T. Casey, is co-director of the Bartlett School. She is a graduate of Wellesley College, has her M.A. in education from Radcliffe, and has just completed four courses at Stanford University in California towards her Ph.D. Her teaching experience includes one year at teaching assistant at Wellesley College and five years at the Bartlett School.

## FOOTBALL TEAM HARD AT IT

## BACKS BIG PROBLEM FOR KNOWLTON THIS YEAR

"We haven't been as thin behind the line for years!" said Coach Henry Knowlton as he discussed the prospects of the 1956 football team at Winchester High School after the first few days of real practice. "Looks like we'll have a big line, with several experienced boys to bolster the front, but in the backfield we have a lot of work to do before that Concord game on September 22."

This situation is one that hasn't obtained at Winchester in recent years. Generally the line has been the problem. The Indian backs have always been the envy of rival coaching staffs, and for the past two seasons Winchester has had backfields fit to run with the very best.

Naturally with the departure of the great All-Scholastic Joe Bellino, and the veteran reverse runner, "Bobby" Haggerty, to say nothing of the capable Johnny Murphy, brother of the "Mighty Moe", Big Mike, local followers could expect a letdown. They are not likely to see backfields like those of the last two seasons again in a hurry.

Back to the Indian attack this fall is John Chapin, 190 pound veteran quarterback, who should have his best season this year, bar accident. Running with John in early lineups have been Captain John Russo, 188 pound fullback, a defensive player last year; Cosimo Paonessa, 130 seatback, who can really fly; and Joe Flaherty, 160 pounder, who is steady and faster than he looks.

Behind Chapin is Larry Longworth, 145; and behind Paonessa is "Doug" Thomson, brother of "Stu" Thomson, a regular quarterback two years ago. "Freddie" Bartlett, a hard running 135 pounder is understudying Flaherty and pressing Russo for fullback are "Butch" Murphy, third of the Murphy boys, a 160 pounder, and Jim Migliacci, 150. Coach Knowlton seems especially high on Thomson and Migliacci at this stage of the game.

Up forward Coach Knowlton has been running Vin Murphy and Dave Bergquist, both 180 pounders at the ends, Bill Edgar, 190, John McCormack, 190, and Jack Kellher, 200, at tackles; and Neil Kerrigan, 185; and "Pucky" Perritano, 188, at the guards.

"Art" Stavarides, a scrappy 165 pounder, has centered this group, backed by tall Jim Wakefield, 185. "Joe" Cussen and Ed Fitzgerald, 160 pounders, have been getting in at ends, and Dave Manning, 170, at guard.

Airman 1st Class Richard F. Hussey arrived at his home, 18 Andrews road, after driving from Kelley AFB, Texas, to spend a 30-day leave with his parents, Mr. and Mrs. Eugene C. Hussey, Jr., before going to Turkey for overseas duty. During his trip he had a very pleasant visit with the Rolfo family, formerly of 48 Westland avenue, now living in Indianapolis, Ind.

## TOWN SOFTBALL

Last week in this column you read that the Holy Name Society Softball team, champions of this year's Town Softball League, is to play and all-colored team for the benefit of the Jimmy Fund. The game is to be played at Leonard Field on Sunday afternoon, September 9, at 2:00 p. m. In the last edition of the Star you were told of the line up for the champions for this contest and they are to meet an aggregation under the management of our own Howard Kirby. The team has played in a fast league and has made an excellent account of itself in playing such teams from Arlington, Cambridge, Medford and Somerville. This same group played a unit of "All-Stars" that were selected from the many teams in the Town Softball League and the All-Stars were the victors by a very close 6-5 score. The game promises to be an exciting one and it is a good opportunity to see this year's champs wind up the season. See you Sunday.

## HIGH SCHOOL DELEGATE HONORED AT ANDOVER

Barbara M. Clark of 3 Greeley road was elected Secretary of the Junior Red Cross Training Center, meeting at Phillips Academy, Andover, Mass., from August 26th - September 2nd.

The Center, one of the many activities sponsored for youth by the American Red Cross, is aimed at training promising High School students for future leadership roles in their communities.

Over 150 outstanding teen-age delegates representing 60 Red Cross Chapters in 8 states attended the Andover Center, one of several similar institutes held throughout the United States each summer. On August 30th a general assembly of delegates was addressed by a special representative of the Vietnamese Junior Red Cross, Miss Blanche Cou.

Paul Sullivan of 30 Wildwood street and Barbara were the two delegates voted by the High School Junior Red Cross to represent the Winchester Chapter on scholarships.

## BACK-TO-SCHOOL, 1956

The Massachusetts Highway Safety Committee today issued an urgent appeal to all parents and guardians to assume their full supervision over their school-age children and to cooperate with educators, police, Registry inspectors, motorists and pedestrians, all of whom are asked to continue every possible endeavor toward the safety of youngsters using our streets and highways going to and from classrooms.

His Excellency, Governor Christian A. Herter, Honorary Chairman, and Registrar, Rudolph F. King, Chairman, speaking for the Massachusetts Highway Safety Committee, call attention to the openings of schools this week and next. They point out the need for immediate participation of all citizens in the program to provide safety for the more than 900,000 school-age boys and girls who this year will be joined by about 135,000 "first-timers." These "newcomers" will feel the strangeness of their new adventure and the need of parental encouragement and supervision.

As in all similar appeals, on the motorist is placed the greatest burden of responsibility because he is the operator of a machine capable of inflicting serious harm. As further evidence of the need for unusual precaution by motorists, Massachusetts now has an additional 80,000 more registered vehicles and 95,000 more licensed operators already operating in excess of thirteen million (13,000,000) more miles each week than a year ago. By themselves, these facts constitute a serious threat not only to the safety of children but to the general public.

The Governor, the Registrar, and all members of the Massachusetts Highway Safety Committee, believe that every Massachusetts child of school age has a right to expect protection and security from their elders.

"Extreme caution" on highways in the vicinity of school buildings must be the permanent watchwords of all motorists.

FRUIT TREES  
IN THE HOME GROUNDS

This time of year emphasizes a point we have raised before regarding the place of tree fruits in the home grounds.

It would be very worthwhile for the home owner to check his apple tree or trees for pests and pest damage. Of very common occurrence now in trees that have not been well cared for are apple maggot flies and fruit infested by the pest. The fly is smaller than a house fly, has a reddish head and is black with white stripes on the abdomen. The flies are easily seen on the apples in partial sun and usually in the lower portions of the tree. These flies have very considerable longevity so that they can fly from tree to tree and infest trees that have had a good, normally-early spray program. Thus, it is possible for the most thorough operator to have his trees infested from trees neglected by his neighbor.

Foliage damage by apple scab and by leaf-chewing insects catches up with those who do not spray apple trees. After a summer of all kinds of weather, they may have become dilapidated and ugly indeed. It takes good equipment and much effort and expense to have large apple trees in the home grounds. There are some who like to do this, but there are others who find it far too expensive and demanding. There is very little choice. One can enjoy the cared-for tree the year round and not just at blossoming time. Uncared for, the apple tree does not help the beauty of the home grounds for the growing season. It should be cared for or removed in favor of other trees that are easier to handle properly.

If one does feel that he should grow tree fruits, dwarf trees are definitely to be preferred. Also, the small fruits are very practical if one has sufficient space on which to grow them.

Swapping tobacco for shoes or cloth worked in Colonial times, but life today would hardly be workable without money. It saves the trouble of lugging around something you don't want, to trade for something you do.

For most people today, people busy living, paying bills in cash can be almost as awkward as paying by barter.

Paying by check leaves you more time for living; it's almost as far ahead of cash bill-paying as money is ahead of barter.

## A YOUTHS' GOODWILL TOUR FOR PEACE

The Girl Scouts of Troop 1 under the leadership of Mrs. Walden B. Hersey of 29 Woodside road are now prepared to present the following tentative program for their European Goodwill Tour for the summer of 1957. A most unique trip in its arrangement, it is based on the needs of teen-age educational and international travel, for youth not yet versed in the knowledge of the arts but who crave adventure, fleet knowledge of many countries and above all social contacts. Wherever possible, lodgings will be at youth centers in preference to hotels; large cities, such as London and Paris, will be given birds' eye views; and Girl Guide groups will be contacted in as many countries as possible. For variety, the traveling, including airplane, day train, night train, boat train, river boat, steamer, bus, bicycle, will be broken up by three stop-overs—three days in Winchester, England with a pen pal youth group; one week in the little Tyrol town of Mayrhofen, Austria, the gathering place of hundreds of youth attending the international summer session of the University of Innsbruck; and two weeks of French study and social life at Caen in Normandy with youth from all over the world at the summer session of the University of Caen, the University founded in 1432 by King Henry VI of England. They will fly from New York to London, go immediately to Winchester, one of the oldest towns and once the capital of England and home of King Arthur's Round Table. Then by overnight rail to Edinburgh, Scotland, where they will explore the grand old castle towering over the quaint Scottish town with its inviting shops along Princess street. After an excursion up into the Trossachs they will go by rail to the Lake District in Northwest England where they will rent bicycles to ride leisurely through this lovely country, stopping overnight at a youth hostel, we hope at friendly Keswick with its genial host. Then they are off by bus or rail back down to Stratford-on-Avon to attend that inspiring Shakespearean Theatre and absorb the nostalgic atmosphere of that town, and a trip to Warwick and Kenilworth with their famous castles.

Then off they go for a day in London to be followed by an overnight boat train trip across the English Channel to Amsterdam in Holland. Then up the Rhine River by bus to Cologne where they embark upon a riverboat to continue on up the river into the castle country to stop overnight at Wiesbaden. In the morning they continue on up the Rhine by bus to Heidelberg, headquarters of the "Student Prince" and the famous castle, and across country to Rotherburg, the "perfectly preserved medieval city, where time stopped centuries ago, everywhere towers, thick gates and sentry walks and treasures dating from the Middle Ages," and on to Munich through a landscape studded with quaint, wine-cave farm houses and story-book villages—Munich, the gateway to the Bavarian Alps.

Into these Alps they go to settle down for a week at the fairy tale Tyrol town of Mayrhofen, where many nations the common advantages of chamber music and folk singing or sports, mountain climbing, hiking, swimming in a pool fed by mountain streams, tennis, dancing and folk dancing, and films and thrill to the folk clog dances of the Schuhplattler based on every con-

ceivable woodland and country theme by boy dancers armored with their rough traditional leather liederhosen and stout pairs of boots that beat out a resounding tattoo against the floor or the partner's body to the accompaniment of the accordionist. One hates to leave this town of friendly, smiling people and looks forward to his return. But, they do have to leave by rail to Montreux, Switzerland, home of Chillon Castle, where they take the steamer up the beautiful Lake Geneva to the international city of Geneva. Then by overnight rail to Paris with an absorbing bus ride through that famous city before they leave in the afternoon for Caen in Normandy, their home for two weeks of study in French where they will make friends and exchange ideas with youth from many nations. There, there will be a variety of social and sports activities, folk dancing, special film showings, bicycle excursions into the renowned Norman country-side and to nearby beaches, and motorcoach excursions to famous landmarks—Mont Saint Michel, Bayeux, Deauville, and Rouen, the Joan of Arc country—a wonderful opportunity to become at ease with the French language. From Caen they travel to the coastal town of St. Malo, take the steamer to the Isle of Wight where they will visit Carisbrook Castle popularized by the novel "Moonfleet." Then to Southampton, London and—America.

We cannot emphasize too much that this is not an ordinary sight-seeing tour but rather, we hope, the beginning of a "Youths' Goodwill Tour for Peace" where young Americans not yet poisoned by prejudice mingle with youth from many nations in common study and social life while they laugh and sing and exchange ideas.

### ENTERING MOUNT HOLYOKE

Miss Judith Cairncross, daughter of Mr. and Mrs. Stanley E. Cairncross of 3 Warren street, and Miss Judith Fowler, daughter of Mr. and Mrs. Alton B. Fowler of 58 Sargent road, will be entering Mount Holyoke College as members of the class of 1960 this fall.

Miss Fowler is the winner of a college scholarship, which is contributed to by the Winchester Mount Holyoke Club. The freshman class will be welcomed by members of their "sister" class, the juniors, among whom will be Miss Nancy Ayer, daughter of Mr. and Mrs. Hazen H. Ayer of 69 Yale street.

## MAJOR JOSEPH C. FORTE RETURNS FROM AUST

Mr. Joseph C. Forte, Principal of the Mystic School, has just returned from two and a half weeks of Annual Unit Training at Fort Devens, Massachusetts. A Major in the Army Reserves, Mr. Forte is the Adjutant of the 305th Civil Affairs Military Government Group, the only Ready Reserve Military Government Group of its kind in the New England States.

Major Forte, in charge of the Advance Party, went to Fort Devens three days prior to the Unit's arrival to prepare for its coming as well as the Military Government Companies from New Bedford, Mass.; Providence, R. I.; Hartford, Conn.; Bangor and Caribou, Me.; who were under the command of the 305th for purposes of the encampment. (A total of approximately 500 troops.)

Major Forte, in his capacity as Adjutant, is responsible to the Commander for the planning and coordination of those functions pertaining to the management of personnel as individuals, both civilian and military; manpower control; personnel records and reports; discipline; law and order; prisoners of war; graves registration activities; morale and personnel services; personnel procedures; the internal organization of the headquarters and its administrative functioning; and many miscellaneous functions assigned by the Commander.

The 305th Civil Affairs Military Government Group is the Unit which received national recognition last year when it conducted the first top-secret mobilization in the Nation for an Organized Reserve Unit. Its accomplishments were recorded in the Congressional Record by the Honorable John W. McCormack of Massachusetts.

## MASS. SPCA ISSUES APPEAL

In an annual appeal to all animal lovers, Dr. Eric H. Hansen, President of the Massachusetts Society for the Prevention of Cruelty to Animals, 180 Longwood avenue, Boston, Massachusetts, yesterday urged vacationists not to abandon their animal pets when closing their summer homes for the season.

"Many well-meaning citizens," stated Dr. Hansen, "are likely to lose sight of the fact that these unfortunate creatures, left behind to forage for themselves, will ultimately starve or become diseased as a result of such unkind and inconsiderate treatment. We, therefore, cannot stress too strongly the importance of vacationists taking their pets with them when returning to the city, thereby eliminating untold suffering to the animal world."

As has been the Society's custom for many years, placards have been posted at various resorts throughout the Commonwealth, warning against abandoning animals by summer residents returning to their homes. Furthermore, a reward of twenty dollars is offered by the Society for the conviction of anyone guilty of such cruelty.

**Teacher-Interns**  
 Four positions are being filled by teacher-interns, all of them graduate students at the Harvard School of Education. As announced last year, Winchester is one of the greater Boston school systems which are cooperating with Harvard University in a program aimed at getting able liberal arts graduates into public school teaching in both elementary and secondary schools.

During the summer, these teacher-interns have been engaged in an extensive program of practice teaching at the Harvard-Newton Summer School. Experienced staff members of the Winchester schools, working in cooperation with the faculty of the Harvard School of Education, will supervise their work in the Winchester schools.

Since the term of each of the teacher-interns is one half-year, a total of eight persons will be employed during the school year. Following is the list of teacher-interns:  
**Senior High School—English**  
 Charles L. Snider, Milwaukee, Wisconsin. A.B. Harvard University.  
 David R. Perry, Milton, Mass. A.B. Haverford College.  
**Junior High School—Social Studies**

**Wyman School—Grade 4**  
 Miss Judith C. Burleigh, Presque Isle, Maine. A.B. Wesley College.  
 Miss Ruthann Simmonds, Jefferson, Maine. A.B. Colby College.

A forest fire is a terrifying thing. Your momentary carelessness with a match, cigarette, or campfire may result in a blackened waste for miles. The rubbish burner also is one of the worst offenders. Take your rubbish to the town dump; make a compost heap of the dead leaves, or dig them into the garden. Never burn without a permit from your fire chief; for the wind may turn your little private blaze into a roaring conflagration almost impossible to stop.

## THE WINCHESTER STAR.

VOL. LXXV NO. 52

THE WINCHESTER, MASS., STAR, FRIDAY, SEPTEMBER 14, 1956

PRICE TEN CENTS

Thanks to Mr. Sumner G. Whittier

## Mystic Lake Speeding Stopped

With your cooperation the Mystic Lakes now has a boat to patrol the Upper Mystic to control the hot-rod motor boaters who have been using the lake as a race course. Mr. Frank Thomas is in charge of the patrol boat and is doing an excellent job. Life is again worth living on the shores of the lake, and the accident potential has dropped greatly. The MDC is holding the boats down to 10 m.p.h., which they interpret as a safe speed for this small body of water. The lake is being patrolled daily from noon to 8 p.m. and moors at the Medford Boat Club when not in use.

Earlier this summer, residents of Winchester who live along the shores of the Mystic Lakes found the weekend days a constant roar of high-powered motor boats that were driven too fast for safety on these small bodies of water.

Not only did lake shore residents suffer, but owners of small outboards and sail boats felt they were taking their lives in their hands when they ventured on the waters.

Captain McCarthy, who was formerly at the MDC Stoneham office did his utmost to curb this menace, but could only do a limited job without a boat. Mr. McCarthy is now at headquarters and Captain Ward is now in charge and he is giving splendid cooperation.

In response to an appeal by a Winchester resident, Lt. Governor Sumner G. Whittier contacted the office of Commissioner Greenough of the M.D.C. and acting Commissioner Harold E. Stevens arranged for a police boat to be transferred from another division to the Mystic Lakes.

Those citizens of Winchester who appreciate what Mr. Whittier has done for us, should drop him a note and thank him for coming to our rescue. Yes, life is more beautiful on the lake.

## MR. DAVID M. HAMMOND

Mr. David M. Hammond of 36 Hemingway street, a resident of Winchester for 50 years, died Wednesday afternoon, September 12. Mr. Hammond was born in Ireland in 1879, the son of David Hammond and Isabelle Maxwell Hammond. When he was a child his family moved to Woburn, and he spent the early part of his life there.

In Winchester, Mr. Hammond worked at the Whitney Machine Company as long as that organization remained in town.

He is survived by his wife, Mrs. Ethel Fletcher Hammond, and two sons, Roland Abbott and Maxwell Walker Hammond.

Funeral services will be held this Friday afternoon at 2 o'clock at the Moffett Funeral Home. Officiating will be the Rev. Howard Lewis of the Trinity Church of Woburn, where the Hammonds have been life long members. The burial will be in Wildwood Cemetery.

BOECKER SPEAKS  
TO AUXILIARY POLICE

Lieutenant Frederick Wier, chairman of the Winchester Auxiliary Police Association, presided at a meeting of the Auxiliary Police at the police station on Thursday night, September 6. He introduced to the meeting Mr. Theodore J. Boecker, who spoke on the many aspects of Civil Defense Week. Some of the policemen were in their new uniforms, and they reported that the public was responding better to their advice than when their mark of authority was only an overseas cap.

It was also reported that there are some openings for active members in the association, who are willing to give the new uniforms a real workout. Mrs. Betty Titilash, for a long time the volunteer secretary of the Auxiliary Association, submitted her resignation from this post. The Association commends her for doing a fine job, to which she devoted many hours of her time.

WILL ESTABLISH  
SCHOLARSHIP FUND

The great humanitarian spirit and love for Winchester of the late Mrs. Amy S. Philbrick, who was long known and well liked around the town, became even more evident when her will was filed Thursday, September 6, in the Middlesex Registry of Probate.

She left a \$25,000 scholarship fund for Winchester High School graduates of a Protestant faith will be established. The provisions of the scholarship fund specify that recipients must be children of members of any Protestant church in Winchester.

The will listed \$156,000 in public and private bequests, including \$20,000 to the Lawrence General Hospital, \$15,000 to the Winchester Hospital, \$15,000 to the First Congregational Church of Winchester, and \$10,000 to the Free Christian Church of Andover.

She also left bequests to many friends. The will directed that the residue, which was not estimated, be divided between the Massachusetts Heart Association and the American Cancer Society of Massachusetts.

## MARRIAGE INTENTIONS

Thomas William Cogan of 54 Richardson street and Barbara Theresa White of 9 Schoolhouse road, Medford.

Walter Francis Cashman of 20 Eaton street and Ann Patricia McCann of 11 Ellsworth street, Somerville.

Edward Alfred Landry of 111 Sylvester avenue and Edith Gregg of 7 Highet avenue, Woburn.

William Peter Holland of 20 Munroe street, Woburn, and Dorothea Marion Kelley of 12 Upland road.

## JIMMY FUND FIELD DAY

September 22, at 11:00 a.m. will be a big day for the Jimmy Fund, as a Field Day will be held at Library Field, Woburn, co-sponsored by both the Woburn and Winchester Police Departments. Both Departments are going all out for such an event and have the green light from both Chiefs and the City of Woburn.

Big Brother (Bob Emery) of WBZ-TV has been asked to make an appearance but as of today there has been no reply. Also to add to the list of stars will be a player of the Boston Red Sox who has not been named yet.

The big event of the day will be the drawing of a new Columbia Bicycle which was brought from Bill Richardson's Cycle Shop on Main street along with many other prizes which are on display in the window of Harvey's Drug. Tickets for this event may be purchased at Hevey's Drug. Please don't be confused between the tickets for these prizes and the tickets to the Policemen's Ball. Starting at 11:00 a.m. a prize will be given away every hour to some lucky ticket holder.

It will also be a big day for the kiddies as there will be foot races of all kinds with some useful prize given to each winner. There will also be rides on ponies and small merry-go-rounds which will be donated by Bond Bread, Wonder Bread, and Cott Bottling Co. there will be a small Fire Truck which was used at the En Ka Street Fair and games for all ages.

Refreshment stands will be set up to satisfy the hungry, which will be operated by the Police officers and the Woburn Fire Department. The prices of food at the stands will be kept as low as possible. The Royal Lancers New Drum and Bugle Corps, sponsored by the V.F.W. local post, will put on a very colorful and interesting show. It was thought that a softball game between the two departments would top off the day but at a meeting held by the committee at the local police station it was most agreeable to all concerned that a talent show put on by local talent would take the place of the Softball Game. Anyone with any talent and all who would like to take part in the show please contact Jim Cogan at the Police Department.

All Proceeds Will Go To The Jimmy Fund

More details will be printed next week after a meeting held next Monday evening.

MRS. SARAH LeBARON  
MacEWEN

Mrs. Sarah LeBaron MacEwen, a former resident of this town, died early Thursday morning, September 6th, at Mt. Auburn Hospital in Cambridge. Mrs. MacEwen had been in failing health for the past two and one half years and for the past five months had been in and out of the Mt. Auburn Hospital.

Mrs. MacEwen was the daughter of Albert and Margaret LeBaron of Salem. She was born April 9, 1890 in Salem and was educated in the Salem and East Boston schools. After her graduation from East Boston High School, she went to work for the old Beacon Trust Company in Boston. While employed at this bank she met her late husband, W. Walter MacEwen. Shortly after their marriage on April 29, 1922, the MacEwens came to their new home at 20 Kenwin road, Winchester. Upon leaving Winchester, Mr. and Mrs. MacEwen lived in the Cregg Manor Apartments in Medford. While living in Medford, Mr. MacEwen passed away. Mrs. MacEwen moved to 285 Massachusetts avenue, Arlington, about three years ago and she was residing here at the time of her death.

Mrs. MacEwen's main interest has always been in her home and she has been a very frequent visitor at the home of her mother-in-law, Mrs. Adelaide MacEwen Laird, of this town.

Mrs. MacEwen leaves a brother, Albert LeBaron of Boston and four sisters, Mrs. Margaret Leith of Brunswick, Maine, Mrs. Lillian Sweet of Danbury, Connecticut, Mrs. Carol Leighton of St. Louis, Missouri, and Mrs. Betty Bicknell of Arlington.

Services were conducted Saturday afternoon at the O'Brien Funeral Home in Arlington by the Rev. Hubler of the (Methodist Immanuel) Church of Waltham. Interment was in the MacEwen family lot in Wildwood Cemetery.

RED FEATHER  
COMMITTEE MEETS

The Red Feather Drive is on! Mr. Bertram Dube, chairman of the Winchester Red Feather Committee, held the first full meeting of the local campaign staff on Wednesday, September 5. He outlined again the time schedule leading up to Red Feather Sunday, October 21. Progress reports were made by different division chairmen, who are lining up assistants and workers to do the big solicitation job.

One of the most time-consuming posts is that of residential division chairman, held by Mr. Thomas Raphael, 24 Tufts road. He has but- ton-holed a citizen from each precinct to act as precinct director in charge of recruiting captains and solicitors in each area. Mr. Raphael plans a meeting soon to get his committee warmed up to the campaign. "Give in Winchester" is the theme he would stress. Though well aware that most individuals are approached for Red Feather contributions through their business associations, he will be out plugging for the local gift so that the town can make its quota.

Remember, these are the six agencies in Winchester that benefit from the Red Feather; Boy Scouts, Girl Scouts, Home for Aged People, Winchester Hospital, District Nursing Association and Immaculate Conception Conference of Saint Vincent de Paul. Mr. Dube's goal is to see that every Winchester resident becomes again aware of the tremendous importance of this campaign and that enthusiasm by the whole town will build up as it has in the past to meet and pass the '57 quota.

First National Stores Buys  
Local Site For New Market

First National Stores' purchase of the George W. Blanchard Lumber Company property was announced this week at company headquarters in Somerville. A new Finast Supermarket will be built on the site and work is expected within the near future.

The property is at the corner of Main street and the new Skillings Bypass. It's other boundaries are the Boston & Maine railroad and the Winchester Theatres. The Blanchard Lumber Company has been in and work is expected to start within the near future.

In the northeast corner of the lot are the remains of a coal pocket. When the granite blocks still to be seen on the site were placed as foundation stones, this was one of the largest facilities for storing coal on the north side of Boston.

The grandfather of Sidney C. Blanchard and Dean Blanchard founded their family business in 1872. He was Alexis Cutting. At first the business was conducted on a site which is now the athletic field. That was sold in 1894 to the Metropolitan District Commission, and Mr. Cutting's son-in-law, with two partners, Emerson and Kendall, moved the growing lumber and coal enterprise to the land which now will be the First National's supermarket location in the heart of Winchester. Parking facilities will be attractively ample, on this more than two acres of land. It is understood that First National will release complete plans for this new Winchester development at an early date.

## CIVIL DEFENSE

Winchester Civil Defense participates in the observance of National Civil Defense Week, Friday night from 7-11 on the Common. The Generator that will be on display has been tested by the Town and Hospital. In case of power failure in Winchester it will be able to furnish electricity for emergency use, in operating the pumps for water and sewage plus the Hospital needs. Translated into house terms it would run approximately 500-1000 Watt lamps.

Also on hand will be the State Rescue truck which is equipped with chain hoists, jacks and other emergency necessities. Along with this will be our own Fire Department Rescue truck manned by the Auxiliary Firemen.

Communications will also be in operation and these are of vital importance during an emergency. The Frogmen will be on hand to demonstrate the technique used in their particular line of work. Fitzgerald Co., will have a piece of equipment to show that they are willing to help Civil Defense.

Traffic will be handled by the Auxiliary police who will be in their new uniforms.

The movie that will be shown is "Ivy." There will be C.D. literature of interest to all.

MISS CATHERINE M. JAMES  
ENGAGED

Mr. and Mrs. Edward M. James of Swarthmore, Pennsylvania, formerly of Winchester, announce the engagement of their daughter, Miss Catherine Murdoch James to Mr. Donald Gordon Follett, Jr., son of Mr. and Mrs. Donald Gordon Follett, of Swarthmore.

Miss James who is a senior at Swarthmore College, graduated from Westtown School, Westtown, Pennsylvania. Mr. Follett attended the University of Pennsylvania and graduated from Swarthmore in 1956 with a BS in Civil Engineering. He is now employed by Bethlehem Steel Co.

EX-TOWN OFFICIAL  
NEW CHIEF JUSTICE

Justice Raymond S. Wilkins, for many years a resident of Winchester before making his home in Andover, was appointed chief justice of the Massachusetts Supreme Judicial Court by Governor Christian A. Herter on Thursday, September 6. He will succeed Chief Justice Stanley E. Qua, a member of the supreme court for 22 years. Justice Wilkins was born in Salem. During his years in Winchester he served the town in many capacities. In 1935 he was elected to the Board of Selectmen, and the next year became its chairman. He was one of the few men to be elected chairman after serving on the board only one year. In 1937 he was chairman of the Community Fund Drive.

He was elected to the office of Town Moderator in 1940, and in that same year was elected as chairman of the local Republican Organization. In 1941 he again became Town Moderator.

A widower with three sons, he is president of the Harvard Law School Association and a director of the Boston Symphony Orchestra.

## STATE SENATOR

(Primaries Tuesday, September 18)

## VOTERS of WINCHESTER:

I am a candidate for the Republican nomination for State Senator from the Sixth Middlesex District.

Our district includes Winchester, Arlington, Woburn and most of Medford. I am opposed in the primaries by candidates from Arlington and Medford. It is most important to me, therefore, that I actually receive every possible vote from my own home town.

I hope the following record of qualifications and of public service will merit your Support:

Lawyer (Harvard Law School); Veteran (46 months Army service, World War II)

Winchester Board of Selectmen (youngest man ever elected to that office); Chairman 1952-53.

Winchester Planning Board, 1953 to date (Secretary 1953-56)

Town Meeting Member, 3 terms (twice with town's highest vote)

Present chairman, Winchester Republican Town Committee.

Trustee, Winchester Savings Bank, Winchester Home for the Aged, and Boston Museum of Science; former director, Winchester Hospital; member of corporation, Boston Lying-In Hospital.

My only pledge is that if nominated and elected, I shall devote myself to the best interests of Winchester and the district as a whole.

#### LEGERES WIN TWO BOAT CLUB CHAMPIONSHIPS

Tommy Legere wound up the Winchester Boat Club Snipe Fleet official point score racing season like a champion should—with two victories over the fleet last weekend. Thus Tommy will step up and accept all the championship honors at the Annual Fleet Dinner on September 30. Runner up to Tommy was Dick Ivers and Herby Alderson proved to be the third best sailor in the fleet this year.

Not to be outdone by her illustrious brother, Ann Legere, who helped Tom to his victory by turning in a season of fine crewing jobs.

won the junior sailing championship of the Fleet. Last Sunday afternoon Ann added a second and first to her season's record to cop top honors. Peter Freyer is the runner up this year and the third place trophy will go to John Montminy.

All the above does not mean that sailing at the Boat Club is over. Far from it. The Alden Sherman series and Bob Hall trophy races are still to be run and the annual interclub battle with Medford's

#### NO WORD FROM PARROT

If anyone spies a young parrot, green with blue tail feathers and red beak, sitting in a tree, don't think your eyes are going bad, or that we are about to have a tropical heat wave. The bird, about the size of a young pigeon, belongs to Norman Harrold of 22 Lincoln street, who reports that it disappeared from his piazza on Thursday, September 6, and would appreciate any information leading to its recapture.

Ordinarily the supplying of this information would have been left to the parrot, but this fellow is only 14 months old, and can't talk yet.

Mr. and Mrs. Dexter Derby and little daughter, Becky, flew East from their home in California, to visit Dexter's mother, Mrs. Edythe Derby of Black Horse terrace, who has been spending the summer at Harwichport, Cape Cod.

## LEXINGTON CHORAL SOCIETY

The Lexington Choral Society invites all interested singers to attend its first rehearsal of the 1956-57 season Tuesday evening, September 18 at 8 o'clock at the Maria Hastings school in Lexington.

Membership in the society is open to any qualified singer, and last season numbered over a hundred men and women from Lexington, Bedford, Waltham, Arlington, Cambridge, Watertown, Winchester, Brookline and Lincoln. It is expected that the music programmed this year will attract even more singers from the greater Boston area. Further information on the society can be secured from the membership chairman, Mrs. David A. Stuntz, VO 2-1453.

## ODD CHANGE HARVEST CAMPAIGN

Richard Maguire, 20 Ridgfield road, has been appointed Captain of the Odd Change Harvest campaign taking place in Winchester and the other cities and towns of the five eastern counties of the state from Labor Day through Columbus Day, John E. Sullivan, Jr., General Chairman, announced today.

A former campaign chairman for the Guild, Mr. Maguire is a partner in the law firm of Maguire, Roche and Garrity, 31 Milk street, Boston. Proceeds from this annual drive support the unique work being done by Rev. Thomas J. Carroll, Director of the Catholic Guild for the Blind, at St. Paul's Rehabilitation Center for the newly blinded, 770 Centre street.

## RADCLIFFE GROUP TO GREET MRS. NIBLOCK

A warm welcome to Winchester is being planned for Mrs. W. Howard Niblock, the wife of the new principal of the senior high school, at a tea to be held on Wednesday, September 19, by the Radcliffe women of Winchester. The tea is to be held at the home of Mrs. William E. Spaulding of Main street, and special guests will be Mrs. George B. Redding, president of the Radcliffe College Alumnae Association, and Mrs. James Donovan of Cambridge, the association's first vice-president.

The Niblocks have brought their family of three boys from Pittsfield, Maine, to a home here on Cambridge street, and anxious to make them feel more at home in Winchester are the many local graduates of Radcliffe, where Mrs. Niblock was a member of the class of 1935. Mrs. Arthur P. Schmidt is in charge of the tea, and among those who are helping her plan it are: Mrs. John W. Ellison, Mrs. Everett A. Tisdale, Mrs. John H. Linsley, Mrs. Darrell A. Root, Miss Virginia McPartland, Mrs. C. Darwin Carroll, and Mrs. William F. Morton.

## BENEFIT CONCERT

by  
Helen Walker and Esther Cooper

At 8:15 p.m. on September 20th at the home of Mrs. Stanley K. Cooper, 69 Cambridge street, Helen Walker, soprano, will join with Esther Cooper in presenting a concert of American art songs, composed by Esther Cooper.

For many years, Mrs. Cooper has been composing songs for solo voice and chorus, both secular and sacred. On three occasions she was awarded first prize by the Pennsylvania Federation of Music Clubs for her outstanding compositions. Mrs. Walker, who in recent years has been identified with local art groups, has returned to her role of professional singer through the inspiration of Mrs. Cooper's music. Her lovely voice and rare interpretive ability make these songs a delight to hear.

The program is presented for the benefit of the Church Home Society, an Episcopal organization devoted for many years to the placing of underprivileged children in foster homes.

Due to widespread interest in this concert, all tickets for September 20th have been sold. The artists have graciously consented to repeat the entire program on September 27th at Mrs. Cooper's home.

Tickets at \$1.50 may be had at the office of the Parish of the Epiphany or by calling Mrs. Stephen Nichols, Winchester 6-3330.

## MYSTIC GLEE CLUB

The Mystic Glee Club opens its 17th season Monday, September 17 at 6:30 p.m. in the Masonic Hall. Dinner is to be served at 6:30 during which the Club President John Lyman will brief the men on plans for the coming season.

After the good fellowship dinner a warm up rehearsal will be in order. It is the expressed hope and desire that all or many of the former singing members will be on hand to help make this coming season a banner one.

Reservations for the dinner will be accepted by Mr. Frederick C. Rozelle, Jr., telephone Winchester 6-0125 not later than Saturday, September 15, 1956.

## MAKES CORPORAL

Mrs. Hazel Wheaton of 48 Oak street, received a letter this past week from her son George, who has been stationed in Mainz, Germany, for the past 18 months with the 67th Tank Batt., U. S. Army. George wrote that he has made the rank of Corporal and that he is a Supply Clerk.

He has visited many places in Europe and it has been a wonderful experience for him, but he says he'll be very happy to get back to Winchester, his old home town, next July.

## MAN'S BEST FRIEND

Because of the large number of dogs and the increasing number of densely populated areas, dog control is an urgent and many-sided problem.

Dogs on the loose are a serious nuisance. The damage done by them to gardens, shrubbery and lawns is overwhelming. Dogs can bite, and have been, the cause of automobile accidents resulting in injury or death to both humans and themselves.

They are a source of danger from biting, and as disease carriers and a menace to their own kind. Dogs get into and knock over garbage cans, and create a disturbance by incessant, needless barking.

Is any of this the dog's fault? We doubt it. The disobedient dog or the wandering stray is a serious reflection upon his master, who should learn the responsibilities of dog ownership—or not be allowed to own a dog. When a person obtains a dog, he buys companionship and devotion.

It is little enough to expect in return for this the proper care and training that will make the pet an obedient and well adjusted animal. Man's best friend can be every one's best friend if given the right chance.

Many dog owners seem to believe that the license they buy for their pets absolves them of any further responsibility to the dog or to the community in which they live. This is not the fact.

Until the dog owner faces up to his responsibilities the problems of disease, safety and ordinary nuisance will continue to vex townspeople.

And it will not be the dogs who are to blame. From "Our Fourfooted Friends" published by the Animal Rescue League of Boston.

The 54th Annual Fair of the League will be called Autumn Harvest Festival and will be held Thursday and Friday, October 25-26.

Many and various articles will be needed, and it is hoped that many people will help.

Right now, remember to give your dog plenty of care.

When school starts do not let your dog follow the children.

## LOCAL MAN ON DEAN'S LIST

William J. von Rosenzweig, son of Mrs. Theodore von Rosenzweig, of Winchester, has been named to the Dean's List at Babson Institute of Business Administration, according to Everett Stevens, Babson's Dean of Students.

von Rosenzweig, who will begin his Senior year at Babson this fall, was placed on the Dean's List in recognition of high scholastic achievement during the past academic year. At Babson, an overall average of slightly higher than B or better is the criterion for Dean's List honors.

## BROWNE RECEIVES PATENT

Theodore C. Browne of 37 Calumet road was the co-recipient on August 28, 1956, of U. S. patent No. 2,760,567, entitled "Flexible Doors."

This invention pertains to improvements in self-closing doors such as are used in industrial establishments. Such a door swings in both directions; and it opens upon impact by a lift truck or the like and then closes automatically after the truck has passed through. Thus, continuous passage of the truck is permitted, with no delay or stopping.

This novel door of Mr. Browne and his associates is of inflated construction. It consists essentially of two webs of strong fabric, such as is woven on a push or carpet loom, that are joined together at their ends to form inflatable fabric loops. At one end, the two sides of the casing converge to form an elongated section by which the door is supported along its whole margin by a clamping member having a pair of adjustable projecting nose sections.

Upon the impact of a lift truck or the like, the door swings open and bends about one of the projecting nose sections of the clamping element. This results in a change of air pressure within the door so that it swings back into its closed position as soon as the opening force ceases to act. In other words, the arrangement is such that the door closes pneumatically.

According to Mr. Browne and his co-inventors, their novel door requires no hinges for its mounting and involves a minimum of expense and labor for its installation and maintenance. It is held accurately in its closed setting and it responds in a lively manner under a blow and absorbs heavy impacts without ripping or tearing. Furthermore, the speed at which it closes may be adjusted; and the

force needed to open it may be varied. This patent has been assigned to Oliver C. Eckel, Boxboro, Mass.

## EDITORIAL

This past week, as we have learned from various articles and posters, was national Civil Defense Week, and in observance of this week the Winchester Civil Defense Department will hold an exhibit on the Common tonight at 7 p.m.

For the average citizen of Winchester, this special week will bring civil defense to his attention, and then it will probably fade into the background again, forgotten in the stress of everyday living.

But for the Civil Defense worker, this special week is just one of the fifty-two every year during which he is constantly alert and on call to protect the lives and property of his fellow citizens.

Few of us realize that in Winchester a group of men and women, made up of the heads of all the town departments and 14 private citizens, meet every other Wednesday night to discuss both local and state civil defense problems and to act upon them. The only one of this group who receives any remuneration for her services is the secretary, who works full time.

To the question of "What does the civil defense do?" the answer is that they are always there, ready and able to help in time of emergency. And emergency does not mean just enemy attack, which many of us feel could never happen here. It means fire, flood, epidemic, or any other kind of disaster. Like the fireman, the civil defense worker is never thought about until he is needed, and then it is his job to be as close as the nearest phone. A call to the police station will bring him into action.

The Civil Defense Department also provides training courses in first aid and emergency work which are open to any citizen, and it would be wise for all of us to take advantage of these courses, and to support the Civil Defense every week of the year, for they are only the core of an organization that must, if it is to be completely successful, include every citizen of a community.

Civil Defense is a job for everybody; it is our job.

DIVING, SWIMMING  
AT WATER SHOW

A late afternoon rain dispersed to make way for the first annual Winchester Country Club Water Show, which was held at the new kidney-shaped pool there Wednesday evening.

A large crowd gathered on the cement skirt of the pool and the back porch of the club house to watch the show, which began with a diving exhibition by Jill Sibley of Winchester and Dick O'Neill of Tufts University. O'Neill was the only person in the show who was not a member of the club.

Asst. Professor Larry Palmer of Tufts, who has been director of the pool since it was built, M.C.'d the show. During the diving he explained the various positions and degrees of difficulty to the audience. At Tufts, Mr. Palmer is coach of freshman and varsity swimming and diving.

The diving was frequently interrupted by two strange characters in weird outfits who had their own versions of the dives. Their attire of polka-dot shirts and top hats hardly seemed proper for swimming, but nevertheless they engaged in a grueling race over one fifth of the length of the pool and

gave an amazing demonstration of water rescue work. Later investigation revealed these clowns were Skip Hall and Dave Fessenden.

The next number was a duet in synchronized swimming by "Pete" Birchall and Sally McCabe. The girls were dressed in "black cat" suits, with a series of small light bulbs attached to their arms and legs. When the pool lights were turned off, the lights made an interesting and attractive pattern in the water. The girls swam through a fog like mist formed over the top of the water by several pieces of dry ice which had been dropped in the trough around the edge of the pool.

Eight girls formed the next group of synchronized swimmers, dressed in blue suits and caps decorated with gold and diamond sparkles. Both synchronized numbers were done to music, and the girls deserve much credit for some beautiful swimming, especially considering that rehearsals could be held only frequently and at odd times.

The finale of the program was a spectacular dive by Skip Hall through a pool of flames burning on top of the water. Mr. Palmer says that next year he is hoping for an even bigger and better

water show, and members of the club will certainly be looking forward to it.

## BELLS TOLL

Editor of the Star:

I bought my house in Winchester five years ago, in a quiet neighborhood. It so continued for two years.

Then the bell at the corner of Church and Central streets began to ring all day, every day. This bell may not be the most melodious in New England but I would not doubt it to be the loudest. Various quiet appeals were made by those affected but the mournful tolling continued until about last Easter. Two and one half long years, then there was a merciful respite, until last August 27th.

Now the tocsin rings anew. My personal privacy and the value of my property are being again assaulted. My enjoyment of my home and my investment in it are apparently subject to the caprice of an individual or group that is fully capable of destroying them. I may be forced to sell. Who would buy other than a man whose family is noisier than the bell?

Perhaps I am alone, perhaps other residents consider the constant pealing a boon to the neighborhood. If so I shall sell to a bell-lover (who else?). However, I believe that there are enough who feel as I, that this bell must be limited to its proper sphere of calling people to worship at scheduled services, to persuade the selectmen to take regulatory measure.

An ashamed member of the Episcopal church,

William M. Herron  
 7 Central street.

THANKS FROM  
BABE RUTH LEAGUE

Editor of the Star:

The Officers and Directors of the Winchester Babe Ruth League would like to express their appreciation and thanks to The Star, our Park Department, Sponsors and many individuals for the splendid co-operation and support given our program during a most successful season for our teen age boys.

Sincerely,  
 Carl A. Morton, President

 extra  
 funds  
 are a  
 "must"—

You have to respect the youngsters who reach out for ways to earn money—baby-sitting, mowing lawns, summer jobs, after-school work. They often lessen the financial burden their parents carry.

But there are periods when the total earnings of even a hard-working family are not enough to meet expenses. This is apt to happen when a school year starts—with tuition, clothing, and equipment to pay for.

When you hit a high-cost period, see us about a low-cost bank loan. You'll get the money fast, but you'll have plenty of time to repay.

LYMAN SEEKS  
STATE SENATE SEAT

Harrison F. Lyman, Jr., former chairman of the Board of Selectmen, is a candidate for the Republican nomination for State Senator from the Sixth Middlesex District. He is opposed by candidates from Arlington and Medford, and therefore all of his supporters will have to go to the polls in order for Winchester to have a candidate for State Senate.

Mr. Lyman is the youngest man ever to have been elected to the position of chairman of the board of selectmen. He and his wife Anna live at 7 Ridgefield road with their four children, Frederick, 9; Daniel, 6; Jane, 5; and Margot, 3 months.

Miss Priscilla A. Ward of 28 Stone avenue is one of the 29 new students who have qualified as pre-clinical students for the Melrose Hospital School of Nursing. This is an honor for Miss Ward, as the school has many more applications than they are able to accept.

## BOYS' TENNIS

Modern Traffic  
needs Concrete pavement

Traffic has increased steadily in weight and volume. Yet for more than a quarter of a century thousands of miles of concrete roads have rendered uninterrupted service while carrying most of the heaviest traffic.

Concrete meets every requirement of modern traffic. It is moderate in first cost. It has lower maintenance cost and at least twice the service life of other pavements. It is the safest pavement too. Its gritty surface grips tires firmly, permitting quicker stops in emergencies. Its light-colored surface allows maximum visibility at night. If you can't see you can't be safe.

Durable, safe, economical concrete roads are today's best pavement value. Only concrete pavements deliver true low-annual-cost service.

Most of the 597 miles of concrete pavement in Massachusetts is more than 25 years old. It has stood the steady pounding of increasing traffic loads from the day it was built. Other types of pavement have failed under this traffic pressure, requiring higher maintenance expense and complete reconstruction. The concrete, although built under old engineering standards, still exists, either as a riding surface or a load-carrying base. Now smoother concrete pavement, built according to modern engineering standards, is designed for future traffic and can last for 50 years.

## CANDIDATES FOR GOVERNOR

Sumner G. Whittier  
Everett, Age 45  
Republican

What, in your opinion, has been most valuable in preparing you for the public office you now seek?

The experience of nearly two decades in public office. I served 4 years in City Government and 16 years at the State House under 5 Governors. I have held 5 different public offices and have been a member of many major committees and commissions. As a member of the Governor's Council, I have been very close to the problems of the Executive branch—this training and experience has been a most valuable preparation for the office of Governor.

Present occupation: Lieutenant Governor.

Foster Furcolo  
Age 45  
Democrat

What, in your opinion, has been most valuable in preparing you for the public office you now seek?

Yale College 1934; Yale Law School 1936; practicing attorney 19 years; Congressman 1948-1952; State Treasurer 1952-1954; served on 6 state-wide boards dealing with problems of local communities in Massachusetts.

"Most programs affecting our families are a combination of Federal and State where experience in both is invaluable. It is virtually impossible to comprehend the entire problem, and give effective leadership, without having had experience on both Federal and State levels."

Thomas H. Buckley  
Abington, Age 58  
Democrat

What, in your opinion, has been most valuable in preparing you for the public office you now seek?

13 years experience in executive branch of state government. Auditor and first deputy auditor 6 years; Commissioner of Administration and Finance 7 years. As Commissioner, concerned with and cognizant of problems of every department and agency, budgetary, expenditures, housing, revenue and personnel. Ex-officio, member and acting chairman state public building commission 7 years. 19 years financial experience prior to state service. As Auditor, made annual survey of departmental operation. Member special commission on Taxation and Public Expenditures. Member Boston chapter, Society for Public Administration. Practising attorney. Former Town Moderator. Prominent in civic affairs. Active Democrat.

Present occupation: Attorney-at-law.

## LIEUTENANT GOVERNOR

George A. Wells  
Worcester, Age 45  
Democrat

What, in your opinion, has been most valuable in preparing you for the public office you now seek?

A background of practical experience in government and a continuing quest for knowledge on governmental matters. I have served as Alderman at Large of the City of Worcester, City Councillor of the City of Worcester under the Council-Manager Government for a continuing period of 10 years and am now in my second term as a

member of the Governor's Executive Council. Possessed of a broad knowledge of State and Municipal finance matters, my constant study of government has, I believe, equipped me for filling a position such as Lieutenant Governor.

Present occupation: Editor, Public Relations Counsellor, Radio Commentator.

Robert F. Murphy  
Malden  
Democrat

What, in your opinion, has been most valuable in preparing you for the public office you now seek?

12 years service in the Massachusetts House of Representatives, 6 of which was spent as majority and minority leader of the Democratic Party while there.

Present occupation: Public relations, Advertising Counsellor.

Charles Gibbons  
Age 55  
Republican

What, in your opinion, has been most valuable in preparing you for the public office you now seek?

I believe that the 14 years of service in the House of Representatives (two of which were spent as Speaker of the House and six of them have been in a leadership capacity) will be my most valuable asset in the office of Lieutenant Governor.

Present occupation: State Representative; Owner, Parcel Trucking Co.

SENATOR

been most valuable in preparing you for the public office you now seek?

I was a member of the Medford Licensing Board for a period of eight years and served as its spokesman for more than half of that period. Twenty years ago I was a candidate for Alderman at Large for the City of Medford. I have continuously participated in the various fund raising drives, such as The Salvation Army, Red Feather, March of Dimes, Heart, Cancer, etc., in the city and have been very active in civic affairs. I am married and the father of three sons and they are at present attending the following universities: Suffolk, Boston College and Tufts. I have been a successful business man, having been the proprietor of the Arlington Motor Sales for 16 years and a service station and garage proprietor for 5 years. I was educated in the Boston Public Schools and attended B. U. Law School for three years.

2. Why is the office you seek of particular interest to you?

Having been a businessman in my district for many years I feel that I am well acquainted with the details of its economic structure and with the economic requirements peculiar to its people. Moreover, my experience as a citizen, a businessman and a worker in the fund raising campaigns of charitable organizations has put me in touch with the people on every social economic level in my district. I believe, therefore, that age and experience has qualified me to become the Republican Party's spokesman from the Sixth Senatorial District.

Present Occupation: Businessman.

Frederick T. McDermott  
Medford, Age 49  
Democrat

1. What, in your opinion, has been most valuable in preparing you for the public office you now seek?

My knowledge of the needs of the people acquired during my twenty years of public service as Mayor of Medford, State Representative and State Senator. That experience together with the exercise of thoughtful judgment are my enabling factors in deciding what is in the public good.

2. Why is the office of particular interest to you?

It is at the State level—yet allows for my continued close association with all of the people of our district. The success that I have achieved during the past two years as State Senator is, I believe, indicative of greater accomplishments during the next two years.

Present occupation: Salesman, Present Senator.

Harrison F. Lyman, Jr.  
Winchester, Age 35  
Republican

1. What, in your opinion, has been most valuable in preparing you for the public office you now seek?

Much of the business of the Massachusetts Senate relates to municipal affairs. My experience as a member and Chairman of the Winchester Board of Selectmen and as Secretary of the Winchester Planning Board has, therefore, been most valuable.

2. Why is the office you seek of particular interest to you?

I want to serve in the State Senate because it will enable me to apply both my training as a lawyer and my experience in public affairs to the furtherance of good government for our district and in the state at large.

Present occupation: lawyer.

Harrison Chadwick  
Winchester, Age 53  
Republican

1. What, in your opinion, has been most valuable in preparing you for the public office you now seek?

My general interest in government, my experience in business, my sixteen years as a town meeting member, and my ten years as state representative have all been valuable preparation for the office I now seek.

2. Why is the office of particular interest to you?

I like people and I like to help people; I like combining economic theories and governmental philosophies; I like to be concerned with endless variations of complex situations that arise between a citizen and his government as they unfold in an industrial society.

Present Occupation: Trustee.

Following Principal Niblock's brief address, Assistant Principal John D. Stevens dismissed the pupils to their respective home rooms for the usual registration period. The main innovation in the day's schedule is a lunch period in three shifts, the first beginning at 11:35 and the last at 12:47.

A similar incident occurred last week when Officer Robert Stevenson caught three boys who had broken into a home on Sunset road. The boys, ages 17 to 19, are from East Boston and Winthrop, and are each held on \$1500 bond pending a hearing before the Grand Jury.

## PETERBOROUGH SCHOOL MEMORIAL DEDICATED

MRS. McDONALD GUEST  
SPEAKER

Peterboro, N. H., dedicated a boulder, suitably inscribed with a bronze plaque, on Sunday, August 26, to mark the 100th anniversary of the opening of the Little League Valley school.

The day was perfect. The great open field in front of the school, surrounded by age-old pines, oaks and maples, with fall flowers nodding beside the stone walls, made an ideal setting for the bit of Americana that was to be enacted.

From nearby and far, the former pupils had gathered. (Carl Spaulding having traveled 400 miles from Houlton, Me.) to honor the school where they had received their early education.

When Mrs. William E. McDonald and her husband arrived on the scene, promptly at 2:00 p. m., a reception committee, composed of several of her pupils of 50 years ago, rushed to the car as it came to a stop and gave her a joyous welcome which nearly smothered her.

Then the school was inspected. On a long table were several of the books used in that long-ago era. Cyr's readers, Werner's Mental Arithmetics among them.

## WINCHESTER MAN NAVY RESERVE CAPTAIN

J. Edward Sharkey, trade teacher in the Somerville School System, was recently promoted to the rank of Captain in the Naval Reserve. Now residing at 220 Forest street, he lived in Somerville for 50 years.

Captain Sharkey is currently commanding officer of the First Naval District's Educational Unit since World War II, has been active in all phases of Naval Reserve Training, including Conference Leading, Teacher Training, Unit Inspections and Writing Training Manual Lessons.

During World War II he was assigned to the staff in San Francisco as the District Vocational Training Officer, supervised Navy Inspector Schools in Chicago and San Francisco and was given a commendation by former Secretary of State Stettinius for his work at the United Nations Conference at San Francisco.

Captain Sharkey has been a member of organized labor for 33 years, is a member of the Joint Apprenticeship Committee of the Electrical Industry of Greater Boston, supervisor of Apprentice Curriculum—and conducts classes for the State Department University Extension in "Preparation for Electricians Examinations."

## FALL TENNIS TOURNAMENT

The annual fall tournament to determine the Winchester Tennis Champions will start on Saturday, September 8, at the Palmer Street Courts.

The events which are open to any resident of Winchester are: MS, MD, MXD and WS. The winners in each event have their name engraved on permanent trophies which they are then entitled to possess until the next succeeding Town Tennis Championships. In addition, the winners and runners-up in each event are awarded prizes/trophies.

At the present time Winchester is fortunate in having five of the entire ten of the Thurston Cup winners in 1955 residing in our town; including three players who are or were ranked in the first ten in New England; so competition should be particularly keen.

The draw will close Wednesday, September 5, and all entries must be made by telephone or mail or before that date to the Tournament Chairman, Josiah Bacon, 40 Wildwood street; Winchester 6-2003.

## HIGH SCHOOL REGISTRATION

The Guidance Office of the High School will be open for the registration of new students on Tuesday, Thursday and Friday, September 4, 6 and 7. All students who are new to the Winchester school system, and who plan on attending high school this fall should come in to arrange their programs for the year. Office hours will be from 9 to 12 and 1 to 4 on each of the three days.

Those students who plan on taking make-up exams, and who are arranged for those exams in June should report to the high school office on Friday morning, September 7 at 9.

## HEADS U. N. DAY HERE

The Board of Selectmen has appointed Mrs. Albert L. Fisher of 6 Bacon street to be chairman of Winchester's committee charged with arrangements for the town's observance of the 14th anniversary of United Nations Day on October 24. Mrs. Fisher is currently at the United Nations sessions and wrote the Selectmen accepting her appointments from the U. N. Headquarters in New York.

## Visitors Welcome for Winchester

### Little Leaguers Met At Airport

The Winchester Rifles were met by an eager, cheering crowd at Logan International Airport in East Boston Saturday evening when they returned as third-place winners of the Little League World Series at Williamsport, Pennsylvania.

In the welcoming throng were not only many Winchesterites who were proud of their team, but also parents who were anxious to see their boys after an absence of nearly a week. The boys alighted from a TWA Constellation at 7:22 after a two-hour flight, and posed for pictures around the steps leading from the plane. It was rumored that a couple of the stalwart Leaguers were a little pale after the ride, but this indisposition was soon replaced by smiling faces and waving blue and red caps.

### STILL OUR CHAMPS!

Returning Little Leaguers at Logan Airport Saturday evening, August 25. With the boys are Coach Gordon Peckham (left), Player Agent "Ken" Hall (center) and Manager "Art" Johns.

The welcoming motorcade of between 30 and 40 cars, organized and under the direction of Arthur Lewis of the Lion Club, left from the town hall shortly after 6:30 and steadily wound its way, like a long, and many-bright-eyed caterpillar, up Border road and down to the Fellows, onto Revere Beach Parkway and finally to the airport. The lead car was manned by Police Sergeant Connie Bowler, accompanied by George Redding, chairman of the Board of Selectmen.

At the airport the boys, all in full uniform, were loaded into four convertibles at the head of the procession, and the motorcade, now swelled by Winchester cars which had come to the airport individually, headed for home in the fast-gathering night.

The Long Road Home

Nobody seems quite certain of just what happened next. May it suffice to say that the fame of the Winchester Rifles was spread by horn and voice through Revere, Malden, Medford, and most of East Boston. Several policemen in neighboring towns, who were quietly directing traffic, were distressed by the sudden appearance of a stream of noisy autos, led by a ghostly white Ford Thunderbird with "Winn's Friction Proofing Special" inscribed on the side.

The motorcade reassembled at Symmes corner, where the boys clambered onto the three fire trucks that Chief Callahan now added to the parade.

With sirens screaming, bells clanging, and lights flashing, the parade rumbled down Bacon street and up to Church street, then turning right and rolling down into the center, where the sidewalks were covered by a cheering, applauding crowd. Swinging around McCormack's Drug Store, the cars went up Main street to Swanton, along Swanton to Washington street, and down Washington to the lot in back of the town hall.

Team Receives Praise

Fire station spotlights were trained on the platform of the fire escape at the rear of the town hall, where the team assembled to be introduced individually by Mr. Hewis to the crowd which stretched as far back as the evergreens on the library side lawn.

In a short speech by Mr. Redding the boys were commended not only for their victories, but for their fine sportsmanship and hard work. The talks were made over a loud-speaker system borrowed from the Babe Ruth League.

As a final flourish to the grand reception the team and all present at the town hall were treated to ice cream and cokes by the Elks.

## FINAL UNION SERVICE

On Sunday, September 2nd, the last of the summer-long series of Winchester union services will be held in the First Congregational Church at 10 o'clock.

The preacher at this service will be Reverend Wesley A. Mallory, the associate minister of the church. Miss Sylvia Smith of Woburn will again be the organist.

The soloist will be Miss Yolande Moe, the young and talented soprano soloist at the Lutheran Church of the Redeemer in Woburn. Although Miss Moe has sung with choruses of the New England Conservatory of Music and choruses and oratorios around Greater Boston, this probably is her first appearance in Winchester.

Miss Moe's musical background comes from her father who for several years played violin with the Boston Symphony Orchestra and the Pittsburgh Symphony Orchestra and the Cleveland Symphony Orchestra.

The public is cordially invited to this service.

## NEW TEACHING POST FOR WINCHESTER GIRL

Mrs. Louis E. Crandall, Jr., the former Anne Murray of Winchester, who has been living and teaching in Westerly, R. I., left this week for her new home at Hicksville, Long Island, N. Y., where she is to teach this fall in a new \$3,500,000 high school. Both she and her husband will teach in the new school.

Mrs. Crandall is a graduate of Winchester High School and of Boston University Sargent College of Physical Education. She was married August 17, 1952, and first taught Physical Education in Bloomfield, N. J.

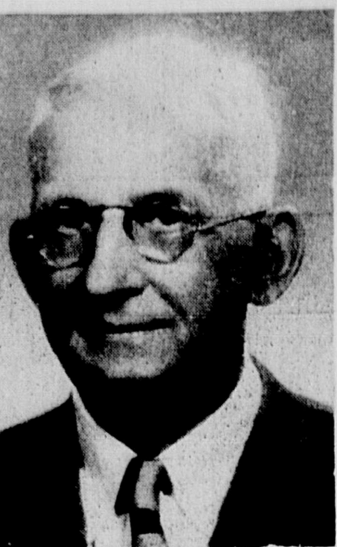

Hicksville, where she and her husband are to teach, is a town of 52,000 population, and among other facilities has seven outdoor swimming pools. Mrs. Crandall, who formerly was head lifeguard and swimming instructor on the Winchester beaches, is looking forward to putting these pools to good use another year.

For her many friends in Winchester and elsewhere, Mrs. Crandall's new address is 9 Story lane, Hicksville, Long Island, N. Y.

## REGISTRATION OF NEW PUPILS

Parents of children who are entering the Winchester Public Schools, kindergarten through Grade Six, for the first time, are advised to bring their children to their respective schools for registration on Thursday or Friday, September 6th or 7th, from 9:00 a. m. to 12 noon. This notice does not apply to children who were registered earlier this year.

Students entering the Seventh and Eighth Grades, who have not previously attended the Winchester Public Schools, should register at the Junior High School on Tuesday or Wednesday, September 4th or 5th, from 9:00 a. m. to 12 noon or 1:30 p. m. to 4:00 p. m.

JUDGE CURTIS W. NASH

## RETIREES AFTER 35 YEARS ON BENCH

Judge Curtis W. Nash, associate justice of the Woburn District Court for the past 35 years, has retired from the bench, and his resignation has been accepted by Governor Christian A. Herter. He sat for the last time July 17. It is not known whether a successor to him will be appointed.

Judge Nash was appointed to the bench in 1921 by then Governor Channing Cox. In point of service he was the oldest of those presently serving in Woburn, serving under the late Judge Edward F. Johnson, Acting Chief Justice John G. McGuire, Judge Jesse W. Morton and Judge William H. Henchey.

He regularly sat on civil cases on Wednesdays and also on cases called on Fridays. His seniority gave him the privilege of acting as chief trial judge in criminal and civil cases in the absence of the chief justices, and he sat on some important cases during his 35 years on the bench, enjoying a reputation for fairness and fitness among police and lawyers alike.

## JIMMY FUND SOFTBALL GAME

The newly crowned champions, Holy Name Society of the Town Softball League are to play the Harvard A.C., an all-colored team for the benefit of the Jimmy Fund at Leonard Field on the first Sunday after Labor Day at 2:00 p. m.

The Harvard A.C. played an All-Star aggregation last year for the same purpose and a good crowd was on hand to witness the contest.

The Holy Name team under the management of Fran Allen has such stalwarts and past baseball stars as John, Lou and Bob Farrell, Bob Merenda, Charlie Manoli, Paul McLaughlin, Joe and John Dione, Don Kenton, Dick Violante, Ken Donaghey, Paul Roche, S. A. Walsh, Rennie Goodrow, Paul Amico, Dick Farrell and Jake Chisholm.

This is a fast group and was the team that knocked the V. F. W. out of the championship of the Town Softball League by winning three straight. It is a hustling ball club and the Harvard A.C. must do some real ball playing to beat them.

The Harvard A.C. is managed by our own Howard Kirby and he claims to have a team that will give the Town champions a run for their money. A summary of howie's team will be printed in this column next week so look for it, because you'll want to know who to look for in action! Don't forget—For the Jimmy Fund—Leonard Field—Sunday, September 9—2:00 p. m. See you there!

## LIVINGSTONE — ASTLEY

Miss Ardith Diane Astley, daughter of Mr. and Mrs. Alexander Astley of Appleton, Wisconsin, and Guy Philip Livingstone, Jr., son of Mr. and Mrs. Guy Livingstone of Chestnut street, were married on Saturday morning, August 25th, at the Sacred Heart Church in Holyoke, Mass. A reception and wedding breakfast followed at the Hotel Roger Smith.

The bride was gowned in white orrany, fashioned with a fitted bodice, Sabrina neckline, and a skirt in three tiers, with a finger-tip veil of illusion, arranged in an orrany headpiece. She carried a cascade of white roses and stephanotis.

Mrs. Christopher Giacino of Rutherford, N. J., as matron of honor and only attendant, wore a pink lace and taffeta gown in ballroom length, complemented by a picture hat and colonial bouquet of pink roses.

Frank Livingstone, the bridegroom's brother served as best man and the Rev. Christopher Giacino of Rutherford, N. J. and Lewis Green, of Holyoke, Mass., assisted in receiving the guests.

The bride's mother wore an aqua sheath gown with black accessories, and an orchid corsage; and the bridegroom's mother, a rose-beige faille gown with an orchid corsage.

After a wedding trip to New York City, Mr. and Mrs. Livingstone will make their home in Syracuse, N. Y., at 438 Columbus avenue.

The bride is a graduate of Syracuse University. Mr. Livingstone graduated from Brown University and did graduate work at Syracuse University. He is a teacher in the Syracuse Public School system.

## SIDNEY J. SNOW

Sidney J. Snow, 75, of 1427 North avenue, Burlington, Vt., a former resident of Winchester for many years, died in Burlington, Mass., on May 28. Private funeral services were conducted on May 31, by the Rev. Robert Miller, and cremation followed the service. In accordance with a request of Mr. Snow there were no flowers and memorial contributions were sent to the Long Trail Council of Boy Scouts in Burlington.

Mr. Snow was born in Burlington, Mass., March 24, 1881, and came to Vermont in 1922.

An expert machinist and tool maker, Mr. Snow learned his trade with United Shoe Machinery Company in Beverly. He was also with the General Electric Co., in Lynn, and with the National Biscuit Company and Batchelder and Snyder in Boston.

For a number of years Mr. Snow was with Dr. Vannevar Bush at Tufts College when Dr. Bush conceived his famous wireless experiment in collaboration with Marconi in Italy.

In Burlington, Vt., Mr. Snow worked for Brodie and Niles, the C. P. Smith Company, Inc., the Vermont Clearing Company and the Vermont Structural Steel Corporation.

Mr. Snow was a Silver Beaver Scout. Scouting was his first interest. He followed by a life-long love of plants, trees and garden. He was a member of the Unitarian Church.

He leaves his wife, Mrs. Kate N. Snow, two sons, William N. Snow, a business manager of Drake University in Des Moines, Iowa, and Norman S. Snow, Scout Executive at Springfield; and two grandchildren, Andrew, and Ann Snow.

## "OPEN AIR" MOVIES

Plans are being made to show interesting, moving pictures during National C.D. Week with an "Open Air" effect, provided the weather man cooperates. These will be the latest releases of C.D. activities and may possibly include recent views of the Hydrogen bomb tests. They will be shown on the Common at the west end where all the other C.D. equipment will be displayed.

On this occasion the Townpeople will have the opportunity to inspect and appraise the new uniforms issued to the Auxiliary police. They are similar to the uniforms worn by the Winchester police and have an identifying C.D. shoulder patch worn on the left shoulder.

C.D. posters are expected soon and the various business men in town will be asked to lend their cooperation by displaying these in their windows.

We are glad to welcome back to Town, John Blanchard our Deputy Director. John has been in the Galva event of the year to pay honor to the State Commander.

Some Committees were appointed, date and place is set, November 3rd, at Medford Army.

Committee is headed by Pat Foley as Chairman, with Fred Gray of Woburn Post and John Wrenn of Marsh Post of Cambridge as Co-Chairmen.

After and Dance Orchestra to be selected by the members of Hall will be handled by members of Medford Post.

Committee promises that this will be the event of the year and you will hear more about it later.

Committee is headed by Pat Foley as Chairman, with Fred Gray of Woburn Post and John Wrenn of Marsh Post of Cambridge as Co-Chairmen.

After and Dance Orchestra to be selected by the members of Hall will be handled by members of Medford Post.

Committee promises that this will be the event of the year and you will hear more about it later.

## Trophies Awarded

### Annual Red Cross Swimming Championships At Leonard Pool

Last Monday afternoon at 5:30 a large crowd of approximately 700 parents and friends witnessed the 26th Annual Red Cross Swimming Championships. There were 24 swimming and diving events for boys and girls of all ages. The program was under the direction of Joseph F. Burns, Water Safety director of the Winchester Red Cross. Gold, silver and bronze medals were awarded to first, second and third-place winners. In addition Red Cross swimming certificates were presented to youngsters who had qualified in the beginners, intermediate, swimmers, junior and senior life-saving classifications.

Highlight of the afternoon-evening program was the awarding of trophies to young people who had made outstanding records in swimming this summer. Mrs. G. T. Richards, executive secretary of the Winchester Red Cross, presented permanent trophies to Robert Carroll and Brenda McGowan for swimming accomplishments in 1955, and temporary trophies to James Reynolds and Patricia Murphy for excellence in swimming in 1956.

### WINNERS OF MCGOWAN MEMORIAL SWIMMING TROPHIES

Left to right: Alan McDougall, Brenda McGowan, Brenda Cunningham, Robert Carroll.

A new trophy was awarded for the first time this year by the Winchester Red Cross. It is the Gladys F. Dutton Memorial Trophy in memory of the beloved late Executive Secretary of the Winchester Red Cross. This trophy is open to the younger boy or girl swimmer in the Beginners, Intermediate or Swimmers Classification who makes the most progress in swimming during the 8 week instruction period. This year's winner was Peter Cunningham, son of Mr. and Mrs. Arthur P. Cunningham of 41 Church street.

Park Commissioner James H. Coon with a few well chosen words described the origin of and made the presentations of the Park Department's Thomas P. McGowan Memorial Trophies. These trophies named in honor of the late Thomas P. McGowan, former Park Superintendent, are awarded to the boy and girl swimmers who have exemplified most highly the qualities of courtesy, cooperation and good sportsmanship coupled with genuine ability and interest in swimming. Permanent trophies for 1955 went to Alan McDougall and Brenda Cunningham, and temporary trophies for 1956 to Robert Carroll and Brenda McGowan. It is interesting to note that the girl's award this year was received by the daughter of the person for whom the trophy is named.

Over one hundred swimmers took part in the racing events and some 80 medals were presented after a many well contested events. Jim Reynolds was the big medal winner for boys showing a smoothness in his strokes which is the result of hard work this summer. For the younger girls honors were pretty well divided, but with Patty Overacker, Julie Devaney, Debbie Nichols and Kathie Cox outstanding. For the older girls Ann Neville with three first place medals showed a high degree of polish in all strokes.

In recognition of the efforts of the Winchester Swimming in competition this summer warm-up jackets with the Winchester letters were presented to the following:

Brenda Cunningham  
Brenda McGowan  
Ann Neville  
Carleen Johnson  
Patricia Murphy  
Alan McDougall  
Robert Carroll  
James Reynolds  
Arthur Cunningham  
Coach Joe Burns

## OPEN HOUSE

The Central Board of the Winchester Mothers' Association will hold open house for teachers and parents on Wednesday, September 5, at 3:30 p. m. in Wyman School Auditorium.

Refreshments will be served and the occasion should afford a pleasant informal opportunity for faculty and parents to become better acquainted with each other.

## VETERAN TEACHER RETIRES

Charles D. Roche of 32 Westley street, better known far and wide in sports circles as "Chucker" Roche, has retired from his position of teacher of Physics and Aeronautics at Woburn High School after 32 years service. His retirement takes effect August 31.

Mr. Roche has lived in Winchester since 1927, following his marriage to the former Catherine L. Maguire, sister of the late Henry J. Maguire who was formerly chairman of the Board of Selectmen.

He grew up in Woburn and graduated from Woburn High School in 1917. After working a year he entered Tufts and graduated there in 1922 with the degree of Bachelor of Science in Chemical Engineering.

Mr. Roche first taught mathematics in Salem High School and in 1925 returned to Woburn High School where he has remained a member of the faculty, teaching Physics and Aeronautics and coaching baseball and hockey. One of the best outfielders in the college and semi-professional ranks in his younger days, "Chucker" coached the Woburn High nines for eight years, and the hockey teams for seven years.

During World War II, Mr. Roche served for 27 months in the United States Navy as a specialist in SONAR and anti-submarine warfare with the rank of lieutenant, senior grade. After the submarine menace was adjudged over he was assigned to teach Physics at the Midshipman's Training School at Camp Perry, Va.

Mr. Roche is an active member of the Winchester Post, the American Legion, and is Veteran's Director for the Town of Winchester. He and Mrs. Roche have two sons, Charles Jr., former Harvard athlete, now as reporter with the Boston Herald; and Paul, a student at Tufts, after being in the armed service.

## REMATCH WITH WOBURN

The cry of "Revenge!" went up at the police station after the humiliating 30 - 25 defeat which the Woburn police last week.

It wasn't the score that was so humiliating—it was the low-down, underhanded way that the Woburn locals won, that aroused the ire of the locals. Not only did the lights go out whenever Woburn men were on base, but they brought along an adding machine to total up their score on. It is also rumored that both umpires were residents of Woburn, although we would hesitate to say this influenced their decisions in any way.

Winchester's chance for revenge will come Sunday afternoon at 2:15 at Ginn Field, and the local team manager points out that this game will be played in broad day light, with no chance for shenanigans with the lights, and that the umpires will be from Winchester, and will allow "no overhand pitching."

The local team is also confident that Winchester will be able to top the \$76 collected in Woburn for the Jimmy Fund.

## JOSEPH T. GOLDEN

Joseph T. Golden, former veteran employee of the Highway Department, who had been living with his daughter, Helen, at 5 Winslow road, Belmont, died Saturday, August 25.

Mr. Golden was the son of Bartholomew, and Hannah (Welch) Golden. He was born June 2, 1873, in Woburn, and joined the Highway Department in March of 1912. For many years, until his retirement in June of 1943, he was stable man at the Town Yard in the days of the old horse drawn equipment. At the time of his retirement he was given a testimonial by associate employees in White's Hall.

Mr. Golden first lived in town at 735 Main street and then in the town-owned house at 11 Linden street next to the town yard. His wife, the former Mary F. Looby, died February 21, 1936.

The funeral was held Monday morning with requiem high mass at St. Raphael's Church in West Medford. Burial was in Wildwood Cemetery.

## FIRST AID CERTIFICATES TO SISTERS

A group of Medical Missionaries of Mary, whose local headquarters are at One Arlington street, recently received their first aid certificates after completing standard and advanced courses under the able direction of Mr. Gerald V. Hills, assisted by Sergeant Edward F. Bowler.

The certificates were awarded by Winchester Chapter of the American Red Cross. A number of the sisters are planning to take the Instructors First Aid Course in the fall.

## FLOWER MISSION

The Flower Mission will be in charge of the New Hope Baptist Church, Tuesday, September 4. Besides flowers for the Hammer, you may also bring preserves, fruit and jellies.

Mrs. Henry G. Terrell is chairman. Tel. Winchester 6-1536-M.

## FIRE ALARM STRUCK

When firemen responded to an alarm from Box 43 at Salem and Main streets Monday afternoon, they found the instrument was signaling its own distress. A truck driven by Richard L. Woolridge and owned by Henry D. Rodgers of Burlington had struck the box and knocked it to the ground, while avoiding hitting another car.

## LABOR DAY SPECIAL EMPHASIS MESSAGE

Registrar of Motor Vehicles, Rudolph P. King, Chairman of the Massachusetts Highway Safety Committee, today appealed to motorists and pedestrians to "participate more than ever before in the official Labor Day week-end program to save lives, prevent personal injuries, and reduce economic costs caused by highway accidents. We must have the complete confidence, support and cooperation of every citizen," said Registrar King.

"There are 75,430 additional registered vehicles and 96,633 newly licensed drivers already operating in excess of three hundred and fifty million, five hundred and seventy-seven thousand, two hundred and eighty-nine (350,577,289) miles more than a year ago, thus creating greater traffic hazards. During this last long holiday of the summer season many family groups will be on our highways returning from vacation spots or enjoying a week-end of travel.

"Despite these added hazards, it is possible to have a death-free Labor Day week-end, but it will require the combined best efforts of every motorist and pedestrian. The 'Slow Down' and 'Live' campaign being conducted in Massachusetts will conclude on Labor Day. Large motorists to continue their cooperation with the more than 6,500 uniformed enforcement officers on the highways regulating and controlling traffic. May we who are responsible for your safety count on you to help us save lives this Labor Day week-end?"

## EXCHANGE LIBRARIAN

### STILLMAN HILTON TO SPEND YEAR IN LONDON

Stillman Hilton, son of Mrs. Ruth Hilton of 184 Mystic Valley Parkway, a librarian in Brooklyn, N. Y., has been selected to be an exchange librarian for a year's study in library methods in London, England. He commences his vacation September 1, and leaves then for a month's travel in Italy, Austria and Germany, before going on to London and his work there.

Mr. Hilton graduated from Winchester High School and left his course at Bowdoin to serve in the Navy Intelligence during World War II, seeing service on Guam. He was later recalled to duty during the Korean fighting.

comment. He later did newspaper work with the Boston Record-American, before entering the Library field. He has been with the Brookline Library for the past two years.

## WOBURN POLICE BEAT WINCHESTER

### 30-29 SOFTBALL GAME BENEFITTED JIMMY FUND

According to our esteemed contemporary, the Woburn Daily Times, Winchester and Woburn Police Departments met at softball last Friday evening at Library Park in Woburn, and the approximate score of the resulting classic was Woburn, 30; Winchester, 29. The local finest staged a thrilling 13 run rally in the last inning before dropping from exhaustion, and their complete physical collapse prevented their protecting a wafer-thin one run edge, the canners staggering to a pair of runs and the game before some one mercifully turned out the lights.

The game was played for the Jimmy Fund and some \$76 were picked up at the field. Since the players of both teams played strictly at their own risk none of this amount could be used for doctors' bills.

Winchester was dissatisfied with the outcome, and as soon as they caught their collective breath sufficiently challenged Woburn to a return game. After a time out or two to consider their sprains and spavins Woburn accepted the challenge and another game seems definitely in the making.

Winchester made 37 base hits and Woburn, 42. Officer Leo McElhiney singled in Sgt. Ken Murphy and Officer Sam Seire for Woburn's tying and winning tallies. The summary:

| WINCHESTER                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | WOBURN   |

last week end talk began to turn toward high-school football for the coming season. Several of the players have been working out individually at Manchester Field for a week or so and practice started Wednesday.

At first glance this year's team has quite a way to go to approach the unbeaten record hung up by Joe Bellino and Company last fall. It isn't likely this year's eleven will be as good as last. You don't lose outstanding stars like Bellino and not miss them, no matter how good the incoming prospects may seem, and when you add to the missing the All-Scholastic Joey, such veteran backs as Bobby Haggerty, dependable reverse runner, and Johnny Murphy, fullback, you really have some gaping shoes to fill.

Only starting back available this year is John Chapin, who developed into quite a quarterback last season, and, barring accident, he should give the Indians some real strength at this important position.

Also available for this year's team is Captain John Russo, a 185-pound fullback, who played principally on defense last year, but who is expected to go both ways this autumn after a season as a sprinter with the track team.

Only experienced backs avail-

able to start the 1956 campaign are Cosimo Paonessa, a flyweight speedster, at 140, and the hard-running Freddy Bartlett, only five pounds heavier, Joe Flaherty, 165, and Steve Fisher, 170, are other backs who have been tested, with Ed Fitzgerald, 165; and Larry Longworth, 145, candidates for quarterback.

Up front the hardest slot to fill will be the left end position, handled so capably last year by Frank Dattilo, one of Winchester's best ends, a 185-pounder who did everything well. Big Mark Apsey, 190-pound wingman, will also be missed though it was not until late season that he reached his real potential. Junior Quill blossomed into stardom as a guard against Woburn and big Caputo, center on offense and tackle on defense, will be hard to replace.

Winchester will start this season with two letter ends in Dave Bergquist and Vinnie Murphy, a couple of 180-pounders who have been under fire. Bill Edgar, 190-pound tackle, is a letter man available for line duty, as is Neil Kerrigan, 190-pound guard, whose father played a guard position for Wendell Mansfield years ago.

There really is no experienced center available to start the season, but both Art Stavarides, 170, and John Gharardin, 170, are candidates who are not entirely green.

Behind Murphy and Bergquist are two 165-pounders, Joe Cussen and Dan Toppi. A pair of 200-pounders, Jack Kelleher and John McCormack, are tackle candidates with some experience, as are also Pete Cullen, 180, Jim Wakefield, 180, and Sophomore Dave Schinmacker, 6-03, 190 pounds. Dominick Serratore, 180, and Mike McDonald, 180 are other candidates.

Behind Kerrigan at guard are Dave Manning, 175, Bob Needham, 170, Walter Watson, 180, a transfer from New Jersey, and Ken Erb, 175, Anthony "Pucky" Perritano, 185 pounder, saw quite a bit of service last year as a guard and should help this season.

These candidates with more or less varsity experience will have to keep moving, to outrun the challenge of boys from that good freshman team of two years ago. In this group are Jim Migliaccio, Peter Graham, Pete Morgan, Doug Thomson, Bob Peluso, Tony Tofuri, Butch Murphy, brother of "Mike" and last year's Johnny; Don McGhee, Pete Lindvall, Ed Mirak, John Curtis, a real scrapper; Mike Houghton, Danny Serieka, brother of the great "Jockey"; Dan Vespucci and Tim Reynolds.

Coach Knowlton will be assisted with the varsity by Frank Provinziano and Frank Finigan. Jim Phillips and Ed Burns will handle the freshmen. Johnny Foster is team manager.

## TOWN SOFTBALL LEAGUE

HOLY NAME SOCIETY  
CHAMPIONS

In the third, and as things turned out, the final game of the series for the championship of the Town Softball League, the Holy Name Society of St. Mary's Church, under the management of Frank Allen, wound up as this year's title holders by knocking off the defending champions, V. F. W., Wednesday, August 22, by a close 13-12 score.

The new champions, being in the League for only the second year, defeated the defending champions, 13-7, in the first contest, 15-1, in the second, and came through in its deciding game 13-12. This is the first time in the League's history that the championship was won in a clean sweep.

There was much rejoicing on the winners' bench at the conclusion of the game but considerable dejection on the losers' side. Excellent sportsmanship was displayed, however, when every member of the defeated team visited the happier side to express their congratulations and what more could be asked.

The series, as is usually the case each year, was extremely exciting and enjoyed by the many fans attending, as well as the participants themselves. There were eight teams in the League and all eight teams played good, hard sound softball right down to the very end. There were several "Lippy Loos" acts during the season but they are part of the game and are soon forgotten.

The teams finished in the following order and the first four mentioned are the teams that participated in the championship playoffs: Sons of Italy, Holy Name Society, Dineen's Grocery, Veterans of Foreign Wars, Mid-Town Caterers, Conlon's Jokers, Calidyne and Satchels.

The boys that took part in the League are grateful to the Winchester Park Department for providing such an excellent program for all. The players do realize what the town has done for them and wish to make it known here and now that all was greatly appreciated.

Director Frank Provinziano also wants to thank all participants for their loyal support and cooperation. He wishes, too, to thank the Park Board for keeping the playing surfaces in such excellent condition.

Mr. Provinziano wishes to extend his appreciation and thanks to the Winchester Star publishing the results and progress of the games to the readers each week. And last, but far from least, many thanks go to the fans who attended the games with enthusiasm and loyal support for their respective teams. So another reason has passed but now is the time to think about entering your team in the League next summer. Get busy on it now!

Now for a summary of the game that gave the pennant to the Holy Name Society when they defeated the Vets in three straight.

**Championship Game**  
In the first inning the new champs scored three quick runs on hits by John Dilorio, Ken Donaghy, and Manoli, and an error on Kenton's hit. The V. F. W. came back to tie it up 3-3 when Tim Connors, Swymmer, Tom Cogan and Amico hit safely.

Both teams did no damage in the second but in the next frame Holy Name crossed pay dirt once more when John Dilorio hit safely and scored on Donaghy's triple. The Vets went down in order in its half of the inning.

The fourth stanza was a big one for Holy Name when they got five big runs to go ahead 9-3. Lou Farrell homered, Merenda, McManus and John Dilorio all hit successively and then Ken Donaghy connected to clean the bases.

In the bottom half of the fourth, the Vets would not give up and came up with another tally when Paul MacDonald tripled and came in on Joe Farrell's safety.

Holy Name went down in order in the fifth while the Vets reached pay dirt for three more runs to make the score 9-7. Cogan, Amico, McDonald and West found the

range for safeties to account for the runs.

In the sixth frame the Holy Name scored four runs when McManus reached on a hit, John Dilorio was walked, Goodrow connected for a single, and Manoli hit to left.

In the bottom half, the Vets refused to fold and tied it up with five big runs. Swymmer, Cogan, Amico, MacDonald and Farrell all met Merenda's tosses for safeties. Going into the last inning Holy Name scored for deciding run when winning pitcher Merenda crossed with the big one after hitting safely to score on Dilorio's hit.

S. O. I. NAME  
BANQUET COMMITTEE

The Order of the Sons of Italy in America recently formed a "Sons of Italy Inter-Lodge Columbus Day Banquet Committee" to arrange for a banquet October 11, in Medford, to celebrate the Columbus Day Holiday.

At this banquet one hundred new members of the Sons of Italy from lodges located in Malden, Medford, Somerville, Winchester and Woburn will be initiated.

The Banquet Committee is made up of all the officers of the Men's and Ladies' Lodges of Malden, Medford, Somerville, Winchester and Woburn, with Madeline N. Miceli of Medford, Chairman; Joseph H. DeStantis of Malden, Assistant Chairman; Geraldine D'Onofrio of Winchester, Secretary; and Steve Dagata of Woburn, Treasurer.

Venerables of each Lodge from the executive board as follows: Malden, Mrs. Edith Messina and Frank Carrabino; Medford, Miss Fannie Mattalano and Louis A. Forti; Somerville, Mrs. Rose Gigli and Edward T. Spinucci; Winchester, Mrs. Lillian Garcia and Richard Penta; and Woburn, Miss Mary Benullo and Dominic DiLorenzo.

Airman, 3/c, Roger W. Delorey, son of Mrs. Charles Allen of Clark street, returned last Sunday to Barksdale Air Force Base in Louisiana after two weeks leave at home.

LITTLE LEAGUE CROWN  
TO ROSWELL

It took a champion to beat Winchester in the Little League World Series at Williamsport, Pa. last week, for as things turned out it was the Roswell, New Mexico, team that ultimately won the World's Championship, by defeating Delaware Township in the final round of play, 3-1.

A year ago, Morristown, Pa., the ultimate champions, knocked off Winchester in the same semi-finals. It was Roswell that eliminated Winchester in the semi-final round of play last Thursday, 6-3, and it was Roswell's Tommy Jordan, son of former big leaguer, "Buck" Jordan, who pitched and batted the New Mexico team to the title.

Jordan is the boy generally pick-

ed by the experts as the outstanding player of the entire series over Winchester's Rod Gay, though the tall first baseman from the home town was the best hitter of the tourney. Jordan and Bellino were generally conceded to be the best pitchers in the tourney with Jordan having any edge there was between the pair.

George Neville also did some heavy hitting for Winchester, getting a home run and a double in the Auburn victory, a home run in the loss to Roswell and a single and game-winning double in the California win. The entire team was great out there and played with a spirit that can well make the town proud of them all.

## EDITORIALS

It was interesting to get the different reactions of those who called the Star last Thursday afternoon to find out about the Little League game in Williamsport. All were disappointed, of course, but beyond that some were broken-hearted, some angry and some philosophical.

The reaction we like best to remember was that of one long identified with sports as an athlete and official. His personal acquaintance with baseball and the breaks of the game enabled him to appraise what happened at Williamsport much more accurately than those whose knowledge of athletics is picked up in the stands and along the sidelines. "Too bad," said the experienced sportsman. "But didn't the boys do well. They are only kids, you know!"

That about sums it up. They are only kids, great kids, every mother's son of them. Each one has been an ambassador of good will, selling Winchester to the teams, officials and spectators gathered at Williamsport from all over the country. And didn't they do well! Finishing third in a field of more than four thousand entries is hardly a showing over which to hang our heads.

Great work, boys! Heartiest congratulations to you and your great handlers, "Art" Johns, Gordon Peckham and Ken Hall! The whole town is proud as Punch of you!

We have noticed in trips around town lately that political signs and posters are commencing to show their faces in places where under Article 3, Section 11a of our By-Laws, they have no right to be.

Already the Selectmen have had complaints about these signs and steps are being taken for the removal of all those displayed in contravention of the law.

It is doubtful at best how much good these political signs do. Perhaps some communities do not mind them, though we would hardly think the residents of such cities and towns would make up their minds in the polling booths on the basis of a billboard.

Here in Winchester the townspeople have always opposed signs of all kinds, except regulated business signs in business and industrial districts. They believe the promiscuous display of signs, political or otherwise, about town is detrimental to the appearance of the town. Political candidates could do well to remember this. They are not

## EASY DOES IT!

Charles C. Morrison of Boston gives blood at recent "Inplant" Bloodmobile visit to National Lead Company plant on Holton street. Others in picture, left to right, Miss Catherine Daley, R.N., Dr. Richard W. Sheehy, dean of Winchester's practicing physicians; Mrs. Roy Wilson, Gray Lady; Mrs. James Beale, nurse's aide.

NATIONAL LEAD COMPANY  
PIONEERS "INPLANT"  
BLOOD DAY

Pioneering a way of outstanding community service a newcomer to Winchester's roster of industrial organizations staged, last week, the first "inplant" Bloodmobile visit ever put on in Winchester.

Twenty-one members of the 308 Club, an organization of employees at the National Lead Company's new atomic energy plant on Holton street each gave, last Friday, a pint of blood to the Red Cross blood bank to keep up its vital supply at a time of year when vacations drastically cut down the available quantity on hand.

Members of other industrial groups have often given blood at the downtown blood center on past Blood Days, but this was the first time the Bloodmobile has set up its equipment in a plant in Winchester.

This concern, a relatively recent addition to the town's business life, operates a laboratory working on the atomic energy industrial program and developing processes for the treatment of uranium-bearing ores. Its personnel is comprised of scientists, engineers and highly trained and skilled technicians, who are doing nationally important work in an attractive and splendidly equipped modern building on the Woburn line. Work in this plant began only two years ago.

Inspiring the 308 Club members to contribute their blood in this worthy cause were the officers of the club, directed by the president, George Trueman. When the Star reporter looked in on the Bloodmobile a Red Cross nurse was right in the act of taking a pint of his blood, while on the next cot another nurse was doing likewise for last year's club president, Robert Eisenhauer. You've guessed it; he's called "Ike!" The other club officers working for this Blood Day were Robert Johnson, vice-president,

Pauline Dennison, secretary, and Eugene Sullivan, treasurer. Director of the National Lead laboratory is John S. Breitenstein. Two company executives who did much to help plan and organize this initial effort were Frank Plasha, public relations officer, and Dr. Arthur M. Ross, director of chemical activity who has just recently located in Winchester on Town Way. Dr. Richard W. Sheehy volunteered his services for the day.

It would be a rank understatement to say simply that the Red Cross is highly pleased with the outcome of this welcome innovation," commented Red Cross Blood chairman Oscar Merrow to the Star reporter.

This is not a large company in number of people, but the proportion of those donating blood was so high that, on a percentage basis, it would be about equal to what all Winchester would give in several years. And Winchester has a statewide reputation in the blood program for community responsibility, as you know. What is more, some members of the 308 club have enthusiastically told us they intend to make their inplant blood contribution an annual affair.

Donors were: Robert J. Allen, Robert J. Barry, Richard J. Bischoff, Rose A. Catalano, Robert A. Eisenhauer, Harlie P. Foremes, Joseph C. Galipeau, Edgar J. Hammond, Jr., Robert U. Johnson, Charles C. Morrison, Jr., Leonard Newman, Oscar A. Nietzel, Kenneth P. Quinlan, Stanley E. Richardson, Arthur M. Ross, Evelyn H. Silva, Frank L. Stevens, George Trueman, Sherwood L. Warren, Bernard W. Wessling and Alfred Whitman.

## FROM THE HOMECOMING COMM.

Editor of the Star:

The Homecoming Committee was amply rewarded by the enthusiastic reception to our returning Little Leaguers. We regret of course that the arrival was scheduled after dark, and that part of the program was necessarily cancelled.

Our efforts were directed to a hearty town-wide thank you to all Little Leaguers, to the fine groups of men and women who have contributed so many hours to coaching and planning this recreation, and to the sponsoring organizations and business firms that make it a continuing success.

This salute could not have been possible without the co-operation and work of many people. The committee therefore would publicly thank:

The Police Department of this town under the direction of Chief Harold and the departments of Medford and the State Police. Chief Callahan and the firefighters, Auxiliary Chief George Hendricks and the men of his organization, the Civilian Defense communications and director Ted Boecker, also the following drivers and owners of the loaned cars, Dr. Beck, Mrs. Price, Johnny Mangano, Jasper Asaro, George Neville and Winchester Motors; to Filene's and other stores for the displays and announcements.

Much of the committee's work was done over the telephone and our thanks go to the operators for their patience and assistance, and last but by no means least, the Winchester Star.

The Homecoming Committee consisted of representatives of the following organizations:

Board of Selectmen, Chairman George Redding; Little League Mothers' Mrs. Martha Hutchins; Little League Dads, Mr. Neal Doherty; the Elks, Exalted Ruler Robert Quine.

It was Bob Quine's group that donated the ice cream and tonic and his committee deserves a special thank you for their part in the show; V.F.W., Comdr. Al Thorne; Rotary, William A. Wilde, Jr.; Lions Arthur J. Lewis, Jr.; Park Commissioners, Jim Coon; Star, Phil Whitesell and Photographer Bill Ryerson.

My personal thanks to the above, to the ball players, Gordon Peckham and "Art" Johns, "Well Done!" Arthur J. Lewis, Jr. For the Committee Lions Club

## Little Leaguers Semi-Final Victims

History repeated for the Little League All Stars Thursday afternoon when Roswell, New Mexico, eliminated Winchester from the World Series at Williamsport by beating the local boys, 6-3. A year ago Winchester was eliminated by Morristown, Pa., in the same semi-final round after winning its first game.

The local youngsters made a great bid for the game and for a time looked good to win. In the first inning big Rod Gay, batting hero of the series, banged a sizzler off the Roswell second baseman's glove and adding some heads-up running to his smash, legged it around to second base for a double.

George Neville took a ball and a strike before belting one over the right center-field fence for a home run and a 2-0 lead for Winchester, but Roswell came back with a run in its half to serve notice that it was very much in the game.

Johnny Peckham, who started on the mound for Winchester, served up a home-run ball to Roswell's second baseman, Tommy Jordan, in the bottom of the first, and neither team was able to break through in the second.

"Mike" Bellino slashed one off First Baseman Smith in the third for a double and was singled home by Gay to boost the Winchester lead to 3-1, but once again Roswell came right back in its half.

It makes no difference that the tally was unearned, riding in on a hit, a walk and an error. It closed the gap to 3-2 at the end of three, and in the fourth the dam burst.

Peckham, for all his curve wasn't effective as it was against Stratford in the Region 1 final at Worcester, wasn't hit too hard. The first two hits of the inning by Hobson and Valdez were squeakers, the first along the third-base line that Jimmy Flaherty couldn't play and the second in the hole between Flaherty and Bellino.

With two men on Garrett slapped one at Bellino that Mike couldn't come up with and the sacks were jammed.

If this could have been converted into a double play, Winchester would have gotten out of the inning with a tie score, for Smith's succeeding single to left center would have scored only one run instead of two.

As it was, however, two runs came over to put Roswell in the lead for the first time in the game, and with still two men on bases, Peckham walked Sherrod.

That was all for Johnny, who still had pitched well enough to have survived if it hadn't been for errors and those two fourth-inning grounders with "eyes on them."

Jack Brenner replaced Peckham and fanned Belivi, but Jordan hit past Bellino and Dunham singled off Mulloy's foot for two more runs. Some good relay work cut down Sherrod at the plate and Brenner fanned Stribling to end the inning.

That was it. Brenner was immense in the fifth, striking out the side, and in all fanning five of the seven men he faced, including the last four.

Winchester, however, just couldn't get any more runs, either, though the boys never did give up trying, and in the fifth loaded the bases with only one out. A walk, a single by Bellino and an error got the ducks on the pond, but Neville fanned and Flaherty rolled out with the ducks still settin'!

In the sixth it took two great plays by Roswell Shortstop Jim Valdez to slam the door and keep Winchester from scoring. After the game Manager "Art" Johns said there wasn't much comment he could make. He felt Peckham wasn't as sharp as usual but thought his team would have been all right with tighter fielding.

Following is the summary:

## Bellino Downs California Nine, 2-1

For the second time in three days the stout right arm of "Mike" Bellino pitched Winchester to victory in the Little League World Series at Williamsport, Pa., last Friday morning as the local boys won the consolation-round game from Colton, California, 2-1, to finish third in over 4000 entries in the tournament.

Bellino allowed five hits, fanned nine, gave up no bases on balls and hit a batter. He was seldom in trouble and it wasn't until the final inning that Colton was able to score.

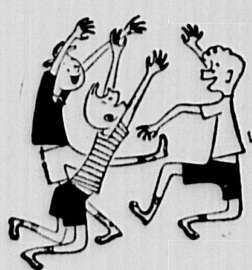

Smith, Sherrod, Bellino, Gay, Neville, Asstas: Dunham 2, Valdez 2, Sherrod 2, Mulloy, Bellino, Flaherty, Peckham 2, Casalinuovo, Errors: Colclough, Mulloy, Bellino, Hobson, Sherrod 2. the inning and save the game for Winchester.

Gay and Neville, whose bats played such a decisive part all the way in Winchester's post-season play, combined to win the game for the locals in the first inning. With one out in the opener Bellino beat out an infield hit. Gay got his sixth consecutive World

Series hit, a double to center, putting Bellino on third. Neville then doubled to center to score Bellino and Gay for the fourth and fifth runs he batted in during the tourney.

**GALVIN — KNAPP**

The altar of Saint Mary of the Nativity Church in Scituate Harbor was banked with cybodium ferns and white gladiolus interspersed with pink snapdragons Saturday morning, August 25, for the marriage of Miss Margaret Dianne Knapp, daughter of Mrs. Margaret V. Knapp of Marshfield Hills, and Mr. Elwin Duane Knapp of Fort Lauderdale, Florida, to Vincent Galvin, son of Mrs. William T. Galvin of 310 Main street, formerly of Belmont and Boston, and the late Mr. Galvin. The Reverend Daniel A. Flynn officiated at the 10 o'clock nuptial mass and a reception followed in the Oval Room of the Sheraton Plaza.

The bride, given in marriage by her father, wore a period gown of candle-light satin with a fitted bodice and imported French lace forming a polonaise in front and a wide panel of the same lace ending in a cathedral-length train. Her chapel length veil of rare old Bruges lace was gathered to a double ring crown of bouvardia, and she carried a lace covered missal with a cascade of white orchids.

Her sister, Mrs. John H. McCarthy Jr., of Marshfield Hills, was matron of honor, and Miss Mary Grozier of Cambridge, was the maid of honor. The bridesmaids included Mrs. Donald W. White of Scituate, sister of the bride; Miss Barbara Kelly of Jamaica Plain and Miss Mary Jane Moyles of Brookline, New York.

They wore ballerina length Swiss embroidered light blue dresses cinched at the waistline with a wide band of blue satin, and matching small hats. They carried a cascade bouquet of pale pink snapdragons and ivy accented with stephanotis.

For her daughter's marriage, Mrs. Knapp chose a gown of Navy blue Chantilly lace accented by her French beaded winterberry colored hat, and white orchids adorned her handbag. Mrs. Galvin, the bridegroom's mother, was gowned in new taupe pure silk faille with matching hat and accessories.

Malcolm P. Galvin of Braintree was his brother's best man, and the ushers were Thomas A. Dwyre, III, of Waban; Paul E. Mitchell of West Roxbury; Donald W. White of Scituate; and Mr. John H. McCarthy Jr., of Marshfield Hills.

The bride was graduated from the Newton Country Day School of the Sacred Heart and attended Newton College of the Sacred Heart. The bridegroom, who served with the Air Force in World War I, was graduated from Boston University College of Business Administration in 1951, where he was a member of "Lock" Honor Society. A member of the Boston and Massachusetts Bar Association, he was graduated from Boston University School of Law in 1953.

After a wedding trip to Murray Bay, Canada, Mr. and Mrs. Galvin will live in Wollaston.

**HAYES — McTEAGUE**

White gladiolus and carnations decorated the altar of St. Mary's Church yesterday for the wedding of Miss Glenna Eleanore McTeague, daughter of Mrs. Howard Joseph Hayes, Duxbury, and the late Mr. Hayes. The eleven o'clock nuptial mass was performed by the Rev. Martin J. Dolphin and a reception followed at the Music Hall.

The bride, daughter of Mr. and Mrs. John McTeague of 33 Cambridge street, was given in marriage by her father. She wore a princess-style gown of ivory silk taffeta with a yoke of Alencon lace re-embroidered with seed pearls. Her shoulder-length veil of imported French illusion was held in place by a cap of matching lace and she carried a cascade bouquet of stephanotis, orchids and ivy.

Miss Muriel McTeague, sister of the bride, was maid of honor. She wore a full-length gown of honor. She carried a pink sequined headband and matching accessories. She carried a cascade bouquet of pink rosebuds and ivy.

The mother of the bride was gowned in champagne lace with matching accessories and a corsage of cymbidium orchids. The mother of the bridegroom wore a gown of rose silk with matching accessories and a corsage of white sweetheart roses and stephanotis.

Mr. Joseph Kellner of Needham, brother-in-law of the bridegroom, was best man. Ushers were Lt. (j.g.) Robert D. McTeague of Chicago, Ill., brother of the bride; and Mr. A. Robert MacLean of Saugus.

The bride graduated from Boston University, College of Liberal Arts, and received her master's degree from its School of Education.

Mr. Hayes attended the American Institute of Banking and Boston University, College of Business Administration.

After a wedding trip to Canada Mr. and Mrs. Hayes will make their home in Winchester.

**GRAHAM — FOLEY**

At a small family wedding at St. Mary's Church on Thursday afternoon, August 23, Miss Ellen Virginia Foley, daughter of Mr. and Mrs. P. T. Foley of 79 Mystic Valley Parkway, became the bride of James Edward Graham, son of Mr. and Mrs. James F. Graham of 24 Crest avenue, Melrose. The Rev. Edmund Parker read the 5 o'clock service which was followed by a dinner and reception at the Winchester Country Club.

Miss Foley was given in marriage by her father and attended only by her sister Miss Charlotte Foley of Winchester. Richard P. Graham of Newbury attended his brother as best man.

After a wedding journey by motor through New England and Canada, Mr. and Mrs. Graham will live in Winchester.

**DELOREY — KNOWLES**

Miss Dorothy Winifred Knowles, daughter of Mr. and Mrs. Wilfred G. Knowles of 15 Clark street, was married on Saturday morning, August 18, at the Immaculate Conception Church to Norman John Delorey, son of Mrs. Charles Allen of 31 Clark street and the late John M. Delorey, formerly of this town. The pastor of the church, Rev. Herbert K. A. Driscoll, officiated at the 10 o'clock marriage ceremony and was also celebrant of the nuptial mass which followed. White gladiolus made attractive altar decorations.

Miss Knowles was given in marriage by her father. She wore a princess style gown of nylon lace and tulle with a panel of Chantilly lace extending from the waistline at the back to form a train. Her fingertip veil was caught to a crown of iridescent sequins and pearls and she carried a cascade bouquet of white roses, carnations and stephanotis centered with an orchid.

Mrs. Gilda Marico of East Boston was matron of honor, and the bridesmaids were Miss Winifred Hughes, cousin of the bride and Mrs. Mary MacMillan, sister of the bride, both of Winchester; Mrs. Neilson of Framingham, Mrs. Catherine Bondi of Woburn and Miss Lolita Amodia, of Arlington; and Miss Linda Widell of Lynn, cousin of the bridegroom.

Miss Patricia Hughes of Winchester, cousin of the bride, was junior bridesmaid and Miss Patricia Allen, also of Winchester and sister of the bridegroom was flower girl.

The matron of honor wore a yellow ballerina-style dress with a crown of matching roses and a short veil. She carried an old fashioned bouquet. The bridesmaids wore blue, pink and mint green dresses like that of the honor attendant with matching rose crowns and they too carried old fashioned bouquets.

The junior bridesmaid wore a yellow frock with matching crown of roses and short veil. Both she and the flower girl carried old fashioned bouquet and the flower girl wore a pink frock with a tiny matching hat.

Airman Roger Delorey of Barksdale Air Force Base, Louisiana, was his brother's best man, and ushers were Fred Kimball, cousin of the bridegroom and William Rizzo, both of Woburn; James Cogan, Robert Merenda, cousin of the bridegroom; Joseph Knowles, brother of the bride, and Robert Queen, cousin of the bride, all of Winchester. Paul Knowles, cousin of the bride was ring bearer.

A reception was held after the marriage at the Elks Club in Somerville, with the parents of the bride and the mother and stepfather of the bridegroom assisting in receiving.

Mrs. Knowles, mother of the bride, was gowned in aqua and wore pink accessories and a matching corsage. Mrs. Allen, mother of the bride-

**SARGENT — RITCHIE**

Miss Neta Edna Ritchie, daughter of Mrs. David Crandall Ritchie, of Moncton, New Brunswick, and Mr. Neil Sargent, recently of 32 High street, were married Friday, August 3, at the First Parish Universalist Church in Malden, with Richard William Knost officiating. They were attended by Mr. and Mrs. Warren Hersey of North Billerica, Mass.

Miss Ritchie was attractively gowned in a brown silk ensemble, with matching hat, and beige accessories. Mrs. Hersey, wore a beige frock with white accessories.

Immediately after the ceremony, Mr. and Mrs. Sargent left for Paris by Air France. From there they start on a tour of Europe, visiting Nice, Rome, Florence, Venice, Montreux, Interlachen, Lucerne, Zurich, Heidelberg, Weissbaden, Cologne, Amsterdam, London and Edinburgh; returning via BOAC on September 22. They will make their home at 1120 Terrace Drive, Richmond Heights, Missouri, on November first.

The bride, before her marriage, was Director of the Malden Visiting Nurses Association. Mr. Sargent is an Assistant Research Director for the Monsanto Chemical Co., of Everett, and will assume the same position in Monsanto's new Research Laboratory at Creve Coeur, Missouri.

SUPERIOR LAUNDRY  
CELEBRATES 43rd ANNIVERSARY

When Fred H. Campbell established the Superior Laundry Co., on Concord avenue, Cambridge, in 1913, it was under conditions that were greatly different from those under which his sons, Fred C. and John H. are carrying on today.

At the beginning, the bulk of the business was wet wash—forerunner of the present laundrette service—and the laundry bundles were picked up and delivered by horse and wagon. The finished work consisted largely of detachable collars and cuffs. The competition consisted of an abundant number of wash women who were paid 50¢ for a long day's work.

Superior's management has always kept pace with changing conditions, anticipating housewives' needs and wishes, and constantly improving its service and techniques. During the depression, for instance, it offered a "budget bundle" of completely finished work which provided such recognizable value and quality that it required two shifts to meet the demand for it.

During World War II, Superior's facilities were commandeered by the army for the duration. Immediately upon being returned to the company, the entire plant was completely renovated to give clean, airy, spacious working quarters which attract the most capable employees. Up-to-the-minute equipment was installed to provide speedy and immaculate individual handling of laundry and cleaning.

Ample drive-in facilities were added, and offer an extra convenience to the people of Cambridge,

Belmont, Arlington, and neighboring towns.

The dry cleaning department was established in 1935 and quickly pioneered in the use of synthetic solvents which eliminate the danger of cleaning fluid odors and restore fabrics and colors to their fresh-as-new appearance. Superior's cleaning work is of such high quality that they have been licensed to use the nationally famous Sanitone process under periodic and rigid inspections.

The Superior Laundry Company has built and maintained its leadership in the surrounding communities by adhering strictly to the three principles of service, quality, and value. When desired, rush jobs can be handled speedily and efficiently, and the regular services match or surpass any available at comparable prices.

The Superior Stores are conveniently located in Cambridge, Lexington, and Melrose. The main offices and store are a landmark at 625 Concord avenue, Cambridge.

PETERBOROUGH SCHOOL  
MEMORIAL DEDICATED

(Continued from Page 1)

On the large blackboard in the front of the room were the names of the teachers who had taught in the school since 1856.

Mrs. McDonald was requested to stand "up front" with Supt. of Schools Badger and the Officers of the District number 6 School Ass'n., the former pupils took their seats, and pictures were snapped.

Then all proceeded to the school yard where the formal program was conducted. Mrs. Marguerite Ramsey Jackson, Secretary of the Association, gave an interesting history of its accomplishments and then introduced its President, Clayton Spaulding, whose duty it was to surrender the key of the school to Supt. of Schools Badger.

Mr. Badger's witty remarks preceded his placing the key in the hands of Don Greer, whose purchase of the school completes his ownership of the 165 acres of pasture, farmland, and woodlands, that make up the historic Holmes estate.

Don, in both serious and humorous vein, and with the facility of speech so familiar to our Town Meeting goers, assured his friends and neighbors that the key would hang always just inside the kitchen door of his summer home where any one who wishes to visit the little school can find it handy. He then presented his fellow townsman Elizabeth McDonald, the guest speaker.

Mrs. McDonald's Address  
Mrs. McDonald's remarks were of a reminiscent nature, with some humorous recollections interspersing them, but she did touch on the changes in modern education which have come about and which, she said, have not added too much to the pupil's preparation for life if he finds himself in the middle or lower group mentally.

To substantiate this assertion she quoted from the N. Y. Times Report of the 30 National Educators who worked during the past year under the Princeton Foundation to discover why so many youngsters of today dislike mathematics. This report may be read in the Times issue of June 4, 1956.

Mrs. McDonald spoke of the Winchester and Woburn residents who had taught in Peterboro, of Sara Libby (Chevalier) who taught at No. 6 and May Tracy (Clarke) of Woburn, who also taught there; of Kathryn Mawn (Maloney) who taught at Wilson Corner, as did Kitty Tracy (Callahan) of Woburn who taught in that same school, and Mary Hurley (McPartlin) who taught in the East school; of Mary Foley of Hill street, Winchester, who was Principal of the school in West Peterboro before she became an outstanding teacher of History in the Mary Curley and Mary Hemingway Junior High schools in Boston. Miss Foley is now retired.

Mrs. Chevalier's daughter Barbara and her husband, of Waltham,

were present at the dedication.

Winchester People Present  
Present from Winchester, also, were Bob and Helen Richardson, Pat and Marie Colella and their children, Paul and Mary Faith; and Frank and Helena Rogers who, all of them, after reading last week's news about Peterboro in the Star, had decided to attend the dedication, too.

These Winchester friends were cordially invited by Don and Mrs. Greer to attend the refreshment hour at their beautiful home, "The Boulder," set atop a high hill and surrounded by attractive grounds, carefully kept but with their rural attractiveness left intact.

Most of the guests enjoyed their repast on the broad screened porches, from which the view of Mt. Monadnock was ideal.

As she walked about among her many friends, Mrs. McDonald received so many compliments about her exquisitely lovely white and gold corsage that it was announced that it had been telegraphed to her for this special occasion by her son, Bill, and his wife, Claire, of Dover-Foxcroft, Me., with congratulations "to Mother for her 50 years of teaching."

After many goodbyes and good wishes the McDonalds, headed north to Lisbon, N. H., to visit friend William Young and then continue down through the mountains to Joe Tansey's summer home in Groton, N. H., where they planned to spend the rest of the week with Elizabeth's sister, Anne Rainville, and husband Remi, who are carrying on at "Hunter's Rest," for the summer.

Travel Tip: When you're looking for a place to stop—for a picnic or an overnight lodging—drive well to the right of the pavement and maintain a reasonable speed, advises the AAA. Signal your intentions to stop or turn off the road. Let the fellow behind you know what you intend to do.

## TO ORGANIZE AIR FLIGHT

It was announced to the Star today that the local Air Force recruiter, Master Sgt. Al Raftopoulos, is organizing a flight of young men from the Winchester area to be enlisted into the United States Air Force during the month of October. The young men in the flight will leave for basic training together and will train together. After basic training there will be groups of the young men going on to technical training at Air Force schools together. The last flight of young men from the Winchester area left on the 5th of July and are now going through basic training as a group.

Sgt. Raftopoulos may be contacted at his office at 49 High street, Medford, Mondays through Fridays from 8 a.m. to 5 p.m.; for appointments at the homes of applicants he may be reached by calling Winchester 6-1764. Sgt. Raftopoulos told the Star that he will be available for appointments to explain the opportunities offered to young men enlisting into the Air Force each evening from now until October. This includes Saturdays and Sundays if more convenient for the applicant.

Not just "fully-cooked"  
but oven-baked!

The minute you unwrap it, you'll know this is no ordinary "ready-to-eat" ham. The ruddy brown surface color, the inviting aroma, the absence of excess fat tell you this is true *baked ham*! No flavor-stealing moisture touches E-Z-Cut during processing. It roasts to a turn in its own sweet juices. Be sure to enjoy a Morrell Pride E-Z-Cut Ham soon. There's no finer ham to be had—and there's no other ham quite like it!

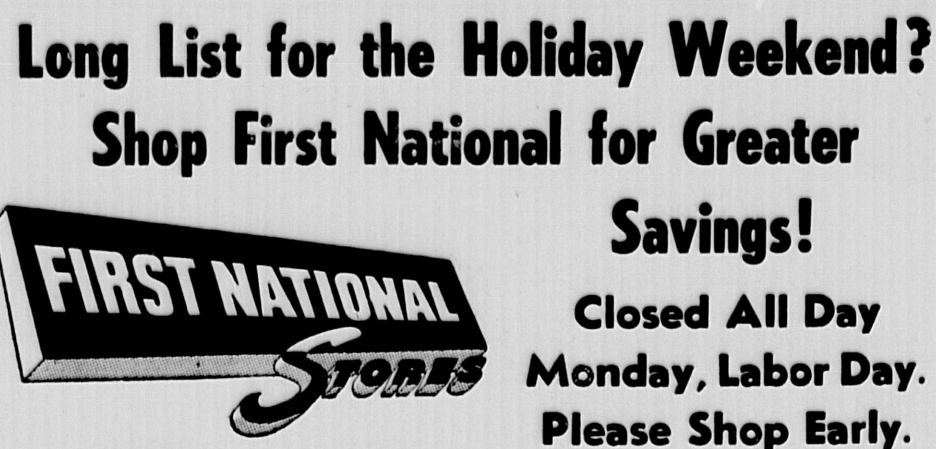

\* And you can buy it at your favorite meat counter, ready to glaze and garnish your favorite way!

## McHUGH — BROWN

Miss Georgia Ellyson Brown, daughter of Mr. and Mrs. Milton Leslie Brown of 38 Cabot street, was married to Robert Joseph McHugh, son of Mrs. John McHugh of 1 Clark street, and the late Mr. McHugh at St. Mary's Church Saturday morning, August 18. Rev. Stephen Burke of the Immaculate Conception Church read the 11 o'clock service, and a reception followed at the home of the bride's parents.

Miss Brown was given in marriage by her father, and attended by her sister, Mrs. Joseph Ann Brown, maid of honor. Mrs. Donald Pope of Shelby, Ohio, and Miss Kathleen McElroy of Chelmsford were bridesmaids.

The bride wore a princess style gown of white organdy with a chapel length train and panels of embroidered organdy down the front and back. Her fingertip veil was caught to a Juliet cap and she carried white daisies and stephanotis.

All the bridal attendants wore waltz-length dresses of white embroidered organdy with open crown picture hats adorned with bands of velvet ribbon falling the full length of their skirts. They carried crescent bouquets of pink daisies.

Mrs. Brown, mother of the bride, wore a dress of cocoa brown silk crepe with a matching straw hat and cymbidium orchids. The bridegroom's mother, Mrs. McHugh, wore the same dress with her dress of navy and pink lace and her pink lace hat.

John McHugh of Winchester was best man for his brother, and ushering were Paul Murphy, cousin of the bridegroom, and Edward Serjeka, both of Winchester; James Tiernon of West Orange, N. J., and Philip Johnston of Chelmsford.

After a wedding journey to Canada, Mr. and Mrs. McHugh will make their home at 911 Main street in South Weymouth.

The bride is a graduate of Winchester High School, class of 1952, and of Boston University College of Fine and Applied Arts, where she was president of the senior class, president of Pi Kappa Epsilon professional and sorority, and president of the AEPX3 honorary leadership society.

Mr. McHugh graduated from Winchester High School in the class of 1948. He is now attending Boston University after service with the 1st Cavalry Division in the Far East during the Korean Conflict.

## SENIOR SISTER AT STEPHENS

Selected to serve as a Senior Sister at Stephens College in Columbia, Mo., during the 1956-57 school year is Miss Margaret Thompson, daughter of Mr. and Mrs. Walcott B. Thompson of 16 Cabot street. She is also a member of the Evening Prayer Council, of Kappa Alpha Phi Social sorority, and of Stephens Recreational Association.

Senior Sisters aid the new students in their orientation to campus life, sharing their previous experiences in group living. They reside in the residence halls which house the first-year students and are available all times for counseling and comradeship.

To qualify for this important campus post, a student must maintain a good grade average and have proven leadership abilities. Together with other campus officers, the Senior Sisters have been invited to return to the campus for a leadership conference, September 9-10, which precedes the arrival of all students on September 11.

## WEBB — ORDWAY MARRIAGE SATURDAY

Many in Winchester are interested in the coming marriage of Miss Carol R. Ordway of Lombard, Ill., to William Webb, son of Mrs. W. Seward Webb of Delray Beach, Fla. Miss Ordway, daughter of Mr. John R. Ordway and the late Marjorie Ellis Ordway, and Mr. Webb will be married Saturday afternoon at St. Andrews-by-the-sea in Hyannisport. A busy week of parties has preceded the event.

Miss Ordway's father is a former Winchester boy, son of Mrs. Harold P. French of Samoset road and the late Dr. Clarence E. Ordway, former practicing physician and chairman of the Winchester Hospital staff.

## TRUCKS DAMAGED

The Whitten Construction Co., of Holton street, reported to police that over the weekend one of the cement mixer trucks in the yard was entered, the air compressor gauge broken, and three holes burned in the seats with cigarette lighters. Several small parts from the crane were strewn about the yard, and police believe the damage was done by children.

## NASH — MURPHY

At a nuptial mass in St. Mary's Church on Saturday morning, August 18, Miss Beverly Ann Murphy, daughter of Mr. and Mrs. Daniel Leach of 227 Forest street, became the bride of William Edward Nash, son of Mr. and Mrs. Ivan Joseph Nash of 50 Nelson street. White gladioli and aster decorated the altar for the 9 o'clock marriage ceremony which was performed by the pastor, Rev. John M. Manion, who was also the celebrant of the nuptial mass which followed.

Miss Murphy was given in marriage by her father. She wore a gown of Chantilly lace and tulle over satin with an illusion neckline and a chapel train, embroidered with sequins and seed pearls. Her fingertip veil of imported French illusion was caught to a Juliet cap of lace and she carried a white prayer book with an orchid and streamers of delphinium and stephanotis.

Miss Eleanor Dufour of Lexington was maid of honor, and Miss Brenda A. Murphy, sister of the bride, and Miss Helen A. Nash, niece of the bridegroom, were flower girls. Bridesmaids were Miss Patricia F. Murphy of Winchester, sister of the bride; Miss Adeline Pereira of Woburn and Miss Geraldine De Matteo of Chelsea.

The honor maid wore a waltz-length dress of powder-blue taffeta with a contrasting blue bustle bow and a hat of dark-blue leaves. Her flowers were blue delphinium and white carnations.

The bridesmaids wore identical dresses like that of the honor maid but their hats were light blue and they carried blue delphinium, only.

The flower girls wore full-length frocks of powder blue with tiny bows of dark-blue leaves and carried miniature bouquets of blue delphinium.

John F. Nash of Winchester was his brother's best man, and another brother, I. Joseph Nash, Jr., of Winchester, ushered with Donald L. Murphy, brother of the bride, and Robert Sullivan, both of Winchester.

## SAMSON — WHITING

At their home on Harrison street, Mr. and Mrs. Walbridge P. Whiting held a small family wedding for their daughter, Coralyn, on Saturday, August twenty-fifth. For her marriage to Mr. Olin D. Samson of Franklin, Vermont, Miss Whiting wore a princess style gown of white taffeta with an illusion-net veil attached to a Juliet cap of Chantilly lace and seed pearls. She carried a prayer book with a single white orchid and stephanotis.

The Rev. John A. Skeirik of the Second Congregational Church performed the ceremony.

Mrs. James V. Robinson of Concord, was her sister's matron of honor. She wore a blue-green chiffon gown and carried an old-fashioned rose-gay. David D. Samson, United States Air Force, served as best man for his brother.

Mrs. Whiting, mother of the bride, wore a light blue peau de soie dress and a corsage of pink roses. Mrs. Laurel E. Samson, mother of the bridegroom, wore a gown of mauve silk with a corsage of lavender roses.

The bride is a graduate of Colby Junior College and the University of Vermont. Mr. Samson was graduated from the University of Vermont and is continuing his studies at the Medical school of that University.

After their wedding trip through New York state and Canada, Mr. and Mrs. Samson will reside in Burlington, Vermont. Mrs. Samson will teach in the Elementary School and Mr. Samson will complete his medical studies.

## MAN STRICKEN

While patrolling Cambridge street Tuesday morning Officer Thomas Parsons saw an elderly man collapsed on the sidewalk. He summoned the police ambulance, which was driven by Officer Pronski, and with the aid of a passing motorist the officers took the stricken man to the Winchester Hospital.

He was identified as James F. Humphrey of 295 Cambridge road. Woburn, and is now reported as resting in the hospital.

## GIRL SCOUT TROOPS CAMP AT CEDAR HILL

Despite the constant downpour last week-end, representatives of 11 Winchester Girl Scout Troops opened the Fall season with an intensely interesting outdoor camping experience.

Under the guidance of Mrs. James R. Stewart, Jr., 7 Winslow road and led by Mrs. Waldo B. Hersey, 2 Woodside road, 26 girls left the Girl Scout cabin on Friday afternoon and were driven through the rain to the Waltham Camp. There the Scouts were to carry out the painstaking outdoor camping program planned and supervised by Alison Hersey and 5 Senior Girl Scouts of Troop No. 2.

First procedure was fire wood, dry firewood, since the first shower had ended, but lowering skies, light-

ning and thunder presaged more rain to come. The girls all pitched in after stowing their duffie in the board floor tents, while the 5 Patrol Leaders rushed to pitch and ditch their ground tents.

While the girls were getting supper, later, over three outdoor fire places, rain started to fall again, but laughter broke the tension, and the broiled swordfish was thoroughly enjoyed by all, rain or no rain.

By the time the bean hole fire was ready to be lit, the water in the hole had dried out and campfire songs accompanied the burying of the bean pot in its bed of coals.

Saturday morning was different — there was no rain! Various breakfast menus were cooked, exemplifying one of the features of the week-end, and Mrs. Vincent March, 20 Standish lane, arrived just in time to participate in a long, lousie game of Frisbee. This exercise served well to help gain extra appetites for the bean hole beans, if any extra was needed.

No trip to Cedar Hill is complete without a journey through the "Maze," so the afternoon hike around the large "campus" included this wetting and besetting game among the closely packed over-

Saturday supper was a new treat of "Slungullion" and reflector-baked gingerbread. Then came indoor skit night (it was raining again!). From the 6 patrols there never was a more diversified program of fun and frolic. The rain hesitated after the campfire, just long enough for everyone to have a chance to cook "some more" around the outdoor main fireplace and tumble into bed for a sound slumber to the tune of rain on the roof. Individual comments as each tent group dropped off to sleep centered around the things about outdoor cooking they had learned that day, and the various ways many foods could be prepared to assuage the pangs of hunger open air living generated.

Sunday's "Scouts Own" was ably handled by Stephanie Hersey, Carlie Clark and Sandy Lawson — (Scouts Own is an impressive Girl Scout ceremony of song and prayer, especially planned for troop participation). Then "clean up and wash up" duties found Sherwood Campsite in excellent condition, according to the Cedar Hill Supervisor. And by the middle of Sunday afternoon, all the girls were back home damp and tired, but with cheerful smiles and heartfelt thanks for a grand time.

A great deal of credit goes to the Patrol Leaders for their excellent program — Ann Burroughs, Joyce Connell, Sandy Lawson, Carlie Clark and Stephanie Hersey. Credit is due, too, to the other Senior Scouts and Intermediate Scouts from Junior High School for their spirit and cooperation — Susan Ahern, Debby Eddy, April Godwin, Virginia Lavin, Shabs March, Cathy Oliver, Cindy Stewart and Nancy Stone, Seniors; Joyce Barnard, Nola Carucci, Jeanne Chase, Mary Cronin, Joan Denton, L'Anne Grant, Mary Jo Hanley, Karen O'Donnell, Jeanne Prue, Cindy

## SECTOR PLAN LAUNCHED AT FIRST BAPTIST CHURCH

Over fifty Sector Plan Meetings were held simultaneously across the country Monday evening, September 17, when representatives of the Baptist denomination held the first of five gatherings to prove that "people give according to their interest, not according to their ability."

The meeting for this section was held at First Baptist Church, with representatives from Winthrop, Lynn, Newburyport, Chelsea, Dorchester, Belmont, Medford, Somerville, Reading, Woburn and Winchester. After a delicious catered supper served at six-thirty o'clock, the Eight Step Every Member Canvass was thoroughly explained by Rev. Robert L. Weaver, Director of Missionary Cooperation of the Massachusetts Baptist Convention and Rev. Walter O. Macoskey, Field Representative, Council on Missionary Cooperation New York area, assisted by Rev. Ralph Lightbody, Washington Street Baptist Church, Lynn, Mass.

Inspired by the facts placed before them, the eight-five men and women, dedicated to the task ahead, left the meeting determined that the Kingdom of God can and will be extended locally and throughout the world.

## MYSTIC SCHOOL COFFEE

A morning coffee for mothers new to the Mystic School was given by the Executive Board of the Mystic School Mothers' Association on Thursday, September 20, at the home of Mrs. Malcolm S. Burr on Grove street. Mrs. Henry K. Porter and Mrs. Frederick C. Rozelle, Jr., were responsible for arrangements and refreshments.

## LIONS SPONSOR SCOUT TROOP

The Winchester Lions Club is making plans to sponsor the now inactive Troop of the Winchester Boy Scouts.

The first reorganizing meeting will be held on Wednesday, September 26, at 7 p. m. at the Noonan School. All the subsequent meetings of Boy Scout Troop 1 will be held at the Noonan School on Wednesday evenings.

Boys who are 11 years old or over and who are residents of Winchester may join the Troop. Applications must be signed by a parent or parents and they are requested to be present with their sons at the first meeting which is being held on September 26.

The Lions sponsoring committee will consist of Randolph Kazarian, Chairman; Gerald Connors, Treasurer; Wallace Serivens, Peter Giannotti, Michael D. Saraco, Scout Master; and Victor J. Ficciello, Assistant Scoutmaster.

Many residents of Winchester have at one time or another been members of Troop 1 and it is the hope of the committee that these past scouts of Troop 1 will take part in helping to revive the Troop.

## ENTERED HARVARD

In the class of 1100 who entered Harvard College this week as freshmen were ten Winchester boys, evenly divided between Winchester High School and private schools.

Graduates from Winchester High School were:  
Herbert S. Gardner, Jr., 14 Dix street.

Russell Harwood 3rd, 18 Norwood street.

Renner M. Johnston, 33 Grove street.

Robert W. Kneeland, 99 Wildwood street.

Robert A. Page, Jr., 17 Everett avenue.

Those entering from private schools were:  
Walter D. Abbott, 27 Lawson road.

John P. Cotton, 5 Oneida road.

Langley C. Keyes, Jr., 1 Copley street.

John E. Page, 2nd, 7 LaGrange street.

John B. Watkins, 47 Swan road.

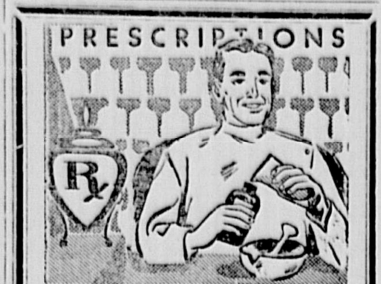

Abbott and Page prepared at Belmont Hill, Cotton at Exeter, Keyes at Andover and Watkins at Browne and Nichols.

Over fifty per cent of the entire class were admitted from high school and nearly seventy per cent received scholarship or applied for loans or for work.

Langley C. Keyes, Jr., was awarded an Honorary National Scholarship.

The administration offices at Harvard have also announced the award of a \$300.00 scholarship to Robert Dero who is entering his senior year. On graduation he will enter medical school.

**HARRIERS OPEN WITH SALEM****HARRIERS OPEN 1956 SEASON  
ON THURSDAY AGAINST  
SALEM**

The Winchester Cross Country team is hard at work prior to their opening against the all veteran team from Salem on Thursday, September 21st.  
The local club had their finest season last year when they swept to a grand slam, almost unprecedented in cross country, with five straight dual meet victories, the Pilgrim Division title, their first MCLL championship, the State Class C crown, and the first New England title for any Winchester team.  
The team lost three outstanding runners in Co-Captains Ozzie Osborne and Bob Becker plus Paul Franson. It is difficult to replace such capable performers but the squad has the good fortune to have a fine runner in Captain Ken Brown.

**Marietta Barnes Cornwall**  
Winchester 6-1205

backed up by lettermen Harold Ekstrom, Robin Carlson, Quentin Roberts and Bill Emerson.

From the strong JV team of last year much is expected from Dan O'Connell, Charlie O'Connor, and Billy Saurman. The return to the squad after a year's absence of Mike Callahan and Don Seaver should help. Several other boys from last year's JV's give promise of some fine running before the season is over.

The squad this year numbers over 50 which is the largest group to report in the history of the sport at WHS. Already some of the newcomers indicate that they will be giving some of the veterans strong competition before many weeks have passed.

The first meet with Osgood and his all veteran team from Salem can be vital to the success of this year's team. It looks as though the visitors will have a slight edge in experience but the local harriers will be out to make them prove it stride for stride over the rugged 2.5 mile course in the Fells.

This 1956 club has a fine record to maintain and although it looks like a tremendous job to match the 1955 record the team is determined to give it their very best!

**S. O. I. BOWLING LEAGUE**

Once again we take our pen in hand and draw back the curtains as another season of bowling starts in our organization.  
First and foremost in our minds, we of the S. O. I. wish to express and extend our sincere gratitude to the Little League champions and their coaches for their outstanding contribution in their show of sportsmanship and credit to our wonderful town and may the coming season carry them to the ultimate top.

I'm sorry to state that we have lost ten of our bowlers as this season commences. Reasons that are beyond my jurisdiction force me simply to state that because of reasons unknown, and marital happiness being jeopardized, these ten will be among the missing!

So let us let the suppressed be and welcome the new bowlers who are Joe Amico, Fred LaTorella, Tony Bardascino, Danny Mistretta, Sam and Frank Corby, Bob Fiore, Carl Bertolucci, Moose Bellino and Dick Tofuri.

There was quite a bit of fanfare the opening evening as many of the bowlers hadn't seen each other since the immortal bowling banquet. As things quieted down and bowling commenced most of the boys started out like a house afire and as the third string rolled around they were huffing and puffing and their muscles were really aching.

Opening night only five of the boys hit the charmed 300 circle. The greatest effort ever made on opening night was made by "Babe" Tofuri who bowled a superb 352, giving him an average of 117.3. The others were Joe Berardi, 313; Johnny Mangano, 307; Tony Cheval, 303; and Max LaCruella, 303.

There has been a change in team names this year to correspond to the times we live in, so here are the team standings as of the end of our first night.

**Team Standings:**  
Blue Eyes 4-0  
All Stars 4-0  
Blue Hops 3-1  
Jitterbugs 3-1  
Rock and Roll 1-3

Organization of Junior High Troops—A cookout and meeting of Girl Scouts in the seventh and eighth grades, who would like to be placed in a Junior High Troop, but who have no leader, is being planned for Monday, September 24, at the Girl Scout Cabin at 4:30 p. m. This will include girls now registered in the following troops who are interested in continuing in Girl Scouting—troops 22, 25, 26, 28, 36, 39, 60.

Each girl is requested to bring her own food to cook or sandwiches and a record of badges earned. Parents of the girls attending, are invited to come to the Cabin at 7 p. m. to become acquainted with plans made by the group, and to provide transportation home for their daughters.

From the mothers of girls in this troop, we hope to recruit troop committee members and program consultants to help with specific badge work during the coming Girl Scout year.

**TO ALL MEN INTERESTED IN  
THE WINCHESTER LITTLE LEAGUE**

More manpower is needed if the Winchester Little League is to carry on its work for the boys of Winchester.

It is planned to expand next year so that there will be 8 major league teams instead of the present 4.

If you are interested in being considered for a managing or coaching job in the Little League or the farm organization next year, please telephone or write to Dan Chane at 125 Forest street, Winchester 6-3221 as soon as possible.

We will need at least 8 or 9 more managers and coaches than we had during the 1956 season.

Arthur Johns, President  
Winchester Little League

Miss J. Dona Macaulay of 270 Main street, who was graduated from Kents Hill School in 1953, has completed her studies at the Katharine Gibbs School in Boston and has secured a position through the Placement Department of the school at Tufts College in Medford.

COMMUNITY CHEST  
AIDS GIRL SCOUTS

(First in a series of six articles  
on Red Feather benefits to  
Winchester)

The Winchester Council of Girl Scouts, composed of more than 200 adult volunteers and two professional workers, and coordinating the activities of more than 800 girls, is one of six agencies here in town which benefit directly from the United Community Chest. The individual Girl Scout troops are self-supporting and also share in Council support through the annual cookie sale, but more than half of the administrative cost of the Council is met by the Red Feather campaign. This year's campaign begins Sunday, October 21.

The Girl Scout Council maintains an office at 573 Main street, where an executive director and a secretary help the volunteer organization to plan troop and day camp activities, to train and place leaders, and to keep attendance records. The council is met by the Red Feather campaign. This year's campaign begins Sunday, October 21.

This year, Mrs. Edward Shinnick, executive director of the Winchester Girl Scout Council is again emphasizing the development of a year-round outdoor program—in the almost daily use of our Cabin for out-of-door activities and troop meetings. Many hikes, cookouts and overnights are scheduled for the next two months. Camp Joy, or day camp, was operated for two, two-week periods this year. The attendance of 101 campers for the first period, and 77 campers for the second period, proved that our day camping program is filling a community need. Many of our girls and leaders camped overnight or longer at our own cabin at Cedar Hill in Waltham, or on other approved campsites, during the past year.

Training has been offered for all of our volunteers, although most of our training courses are set up primarily for our leaders and their assistants. A course in outdoor leadership was given locally last spring, and basic leadership courses for all leaders will be given this fall. Some of our Board and Board Committee training has been done cooperatively with nearby councils. Seven Board members completed a twenty hour course in Maiden last spring.

Service to the community is an important part of our total program. Our girls have helped on many service projects: the Easter Seal drive, March of Dimes campaign, Red Cross blood donor days, the collection of toys and clothing for local agencies at Christmas, etc. One of our Senior troops has for many years been known as a "Hospital Aide" troop, giving assistance and service at the Winchester Hospital throughout the year, and, although the membership in the troop may change from year to year, the service to the Hospital goes on.

Another of our senior troops, Troop 1, interested in the out-of-doors and international friendship

part to their program, is planning a trip to Europe in 1957. This is a troop project, and financed as such, with none of the money coming from our Council budget. We are sure that these girls and their leaders will have a much better understanding of the problems of the countries to be visited, and of Girl Scouting as part of a World organization, when they return."

## SQUARE DANCING — MIDCO

MIDCO, the Middlesex County Square Dance Club, opened its season on September 18th in Waterfield Hall. Bill Baxter of Wakefield is calling for the club, and all are looking forward to a happy year of dancing together.

MIDCO will again sponsor a beginners' course this season to be held at Waterfield Hall, Church street, beginning on Tuesday, October 9th, from 8:30 to 10:30 p. m. Gene Marsden of Medford and Bill Baxter will call, and members of MIDCO will be on hand to assist.

This course is planned to give couples who know little or nothing of square dancing the chance to learn how much fun square dancing is. More people each year are discovering the fun and relaxation of this popular recreation. For further information, please call Mrs. Darrell Root at Winchester 6-1604-J.

The officers of the club are: Presidents, Mr. and Mrs. Darrell Root of Winchester; Vice Presidents, Mr. and Mrs. Dennis Heindel of Winchester; Secretary-Treasurer, Mr. and Mrs. Coleman Flaherty of Woburn.

## ST. MARY'S MR. AND MRS. CLUB

The first meeting of the St. Mary's Mr. and Mrs. Club is to be held Wednesday, October 3. A very interesting evening is being planned for this first meeting. There is to be a "Barn" dance with that very famous Billy Baxter calling, and "Surprise" door prizes, so don't miss it.

In charge of Catholic Action will be Dr. James and Marie McDonough.

Chairmen for refreshments will be Helen and Dick Hegarty and chairman for the entertainment will be Chris and John McDonald.

Let's make a date, and greet your old friends, and meet new ones on Wednesday evening, October 3, at 8:15 p. m.

## 6000 Miles in Great Britain

## Moreys Visited World War I Boys

Mr. and Mrs. Richard T. Morey of 10 Salisbury street returned last Saturday from a trip through Great Britain; a trip that was planned as a visit to a group of British Service boys who had been guests of the Moreys during World War I days and turned out to be a 6,000-mile good-will tour of England and Scotland.

During World War I the Moreys entertained at their home 171 boys who were representatives of the Armed Forces of the British Commonwealth of Nations. Most of the boys came from Great Britain but some came from as far distant as Australia and New Zealand. Through the years the Moreys have been able to keep in touch with some 40 of the boys who visited them during the war, and it was with the idea of returning the visits of these war-time friends that the trip, from which they returned last Saturday, was planned.

It was planned last October, at which time all 40 of the boys were contacted, meeting places determined and the hotel reservations made to permit the Moreys to be at the pre-arranged places at the proper times.

Not once were the Moreys "stood up" by their English friends, one of whom met them at the junction of a dual highway and a street-car track, the only place possible for him. Not once did the carefully planned Morey schedule make it necessary for them to disappoint any of those waiting to see them.

Mr. and Mrs. Morey sailed on the Empress of Scotland June 5, arriving at Liverpool June 12. They were met at the boat by one of their most frequent war time guests, Harry Jones, now a customs official in Liverpool. From the boat they went directly to the home of another favorite service man, Frank Manning, in Knutsford, Cheshire. After three days there the tour of England began.

The Moreys had anticipated no prominence being attached to their visits to their soldier friends. As a matter of fact they believed that aside from the boys they had entertained at 10 Salisbury street during World War I, no one would know they were in England.

As things turned out nothing could have been further from the facts, for news of their coming had been spread throughout entire sections of England, and where the visits were not anticipated their Cadillac, which they took to England with them, attracted throngs.

Much of England's motoring is done in the small cars which are coming to be familiar objects on the roads of this country. The big powerful Cadillac was an object of interest wherever the Moreys went, and in one place school was closed so that the teachers and children could see the car.

Starting out on their round of visits, the Moreys found that they were not going to see only 40 boys with whom they had kept in touch through the years since the war. Wives, of course, they had counted upon, but they had not reckoned with the fact that the boys were now married and had families, and their "sisters and their cousins and their aunts," the Gilbert and Sullivan song talks about. Wherever they went the visits mushroomed until they had no time at all for anything except the entertaining they encountered everywhere.

During the time they were in England they visited 150 English homes, from the richest to the poorest. Nowhere was there any difference in the warmth of the welcome or the pleasure of the visit. The English and Scottish folk they visited won the hearts of the Moreys completely, while the letters, telegrams, cards and other expressions of esteem which the Moreys received during their stay in England, and while on their way across the ocean, would indicate that the feeling of affection was mutual. Many referred to the Moreys as "ambassadors of good will" and both the Moreys and those they visited describe the experience as never to be forgotten.

During their time in England the Moreys visited factories, schools and other public buildings as well as private homes. They estimate that they met and talked with some 10,000 people during their visit which covered 6,000 miles. More than 50 papers reported their trip and they twice appeared on the British radio, speaking on B.B.C. Midlands Station July 11 and on the B.B.C. feature broadcast, "In Town Tonight," in

London, August 11, appearing just before Charles Coburn.

Boys came from as far as 150 miles to see the Moreys and at the Adelphi Hotel in Liverpool the night before they sailed for America one of the guests came 350 miles from Glasgow, Scotland, sitting up in a bus all night to make it.

Thirty-five boys and their wives attended this farewell dinner party and twelve boys stayed over until the next day to see their old friends off on their homeward voyage. The Moreys' statement on the same Empress of Scotland was full of flowers from many who they said "could not afford to send them," and other bon voyage messages were received right up to the time the vessel sailed.

The Moreys left Liverpool September 7 and arrived home last Saturday to find awaiting them more letters and cards from their English friends, all expressing the joy experienced during the time the Moreys were their guests. These letters, many expressing a great, and very real affection, will be among the Moreys' most prized possessions henceforth.

Among the mail received was a card from the verger of a cathedral, whom the Moreys met quite incidentally, yet who wanted them to know of his pleasure in the meeting. Laughingly, Mr. Morey claimed the reason was a "good story" he told the verger. Another letter they liked was from a man they met for the first time in England, who signed himself their adopted son.

"We just didn't have time to do anything except visit while we were in England," said Mrs. Morey to the Star. "We couldn't visit points of interest like Shakespeare's home at Stratford-on-Avon, because our schedule of persons to visit there would not permit. "Around Birmingham" chimed in Mr. Morey, "we averaged 100 miles of traveling a day for nine days, and often

our days lasted from 6 in the morning until 2 o'clock the next morning." "And we loved every minute of it," added Mrs. Morey. "We found the English people charming and very much worth while," added the Moreys. "We only wish every one in America could know them as we do. We will never forget our heart-warming experiences among them."

**I. C. SODALITY  
PLANS OCTOBER RETREAT**

Mrs. Florence McCall, Prefect of the Immaculate Conception Sodality, announced today that the annual retreat sponsored by the Sodality will be held on the week-end of October 5-7, at the Carmelite Retreat House, Hamilton, Mass. The popularity of this spiritual event has grown each year and consequently reservations will be at a premium. Accommodations at the Retreat House are limited, so women interested in this spiritual activity should submit their reservations early to members of the committee in charge. "Deadline" for Reservations: September 30th. From the I.C. Rectory at 6:00 p. m. on Friday October 5th, and will arrive so that the group will take the evening meal at the Retreat House. The retreatants will be in the company of the retreat house, excellent food, and spiritual solitude and guidance are but a part of the wonderful experience that is a week-end retreat. The retreat costs but the effort to make it a free will offering left in a blank envelope so that no one need stay away for financial reasons. The Retreat is limited to members of the Sodality, so that any married or single woman in the locality is welcome to attend.

For reservations call: Miss Lillian Salice (Winchester 6-0829-W) and Mrs. Bridget McDonough (Winchester 6-0436-M) for Winchester residents; and Miss Kathryn McLaughlin (Woburn 2-0361-M) and Mrs. Sabina McGonigle (Woburn 2-4740) for residents of Woburn.

Papermates, piggy-back Papermates, Scripto pen and pencils, Parker jotters, Esterbrook pen and pencils at the Star Office, Star Bldg.

## CHURCH IMPROVEMENTS

During the summer a program of renovation has been in progress at the First Congregational Church with the result that parishioners returning from summers out of town have noted a distinctly improved appearance.

The long hall at the rear of the old church building running from the Vine street parking lot to the Dix street entrance has been repainted and decorated, with new drapes placed at the windows. The attractive cloister between the church and parish house has also been newly painted and decorated together with the hallway at the top of the cloister stairs.

Upstairs in the parish house the former Forum Room, now the Henry Room, has been cleaned and painted, and the Edward A. Tucker Room, formerly the Primary Room, has been completely done over.

All this work has been done under the direction of the church Prudential Committee, of which Mr. Robert Lowery is chairman.

The Women's Association has been responsible for the improvement made in the former Ladies Parlor, now the Clara Palmer Room.

This attractive room of the lounge type has been completely repainted and decorated, the floors

refinished and the furniture newly upholstered. A most attractive large mirror has been installed on the east wall and new appointments added here and there.

When completed a portrait of Mrs. Palmer, done by the Maine artist who did the portrait of Dr. Chidley, now hanging in Chidley Hall, will be hung over the big fireplace in the Palmer Room.

In addition to the work on the building the chapel organ is undergoing a thorough cleaning and reconditioning.

Douglas E. Barnard of 6 Indian Hill road, was one of 278 new students who attended Washington and Lee University's 25th Annual Freshman Camp at Natural Bridge, Va., September 12-14. Campers heard talks and took part in discussions concerning life at Washington and Lee, and generally got to know each other. They returned to college at Lexington, Va., late on September 14 and registration began the next morning. Classes were scheduled to start September 19.

#### WALTZ EVENING

##### A SILVER ROSE BALL

Once again the season has rolled around to time for the sixth annual Waltz Evening, sponsored by the Friends of the Winchester Hospital. This ever popular dance is eagerly awaited by many Winchesterites as a start of the many social activities of the Fall and Winter. It is with great enthusiasm that the Committee has gone ahead with plans for your evening's entertainment this year and, as usual, something new has been added. The theme of the dance will be developed around the Sterling Silver Rose which is unique in its field and has been raised by the well-known rose grower Mrs. Fisher of Woburn. This flower will be used in the extremely choice corsages and we are very fortunate in having the famous Sterling Silver Rose available to us.

Friday, October 19th, will be the date and dancing will be enjoyed from 9 until 1 in the rally decorated Town Hall. Mrs. Theodore von Rosenzweig III, and Mrs. Richard Bannister are chairmen of the capable decorations committee and the transformation in the Town Hall will be a delight to see. Music will be furnished by the popular Herbie Sulkin's Orchestra which is so well known in Boston for playing at Debutante parties and other Holiday Balls. Once again Mr. Russell Curry, assisted by Mrs. Wendell Irving, last year's winner of the Annual Waltz Contest, will serve as Judges for the several prize dances.

The Committee, under the direction of Mrs. Warren E. Jackson, Chairman, are already hard at work to make this another pleasant and memorable evening. Many dinner parties will be held before the dance. Mrs. James B. Lane is ticket chairman.

Acting in an advisory capacity will be Mrs. Arthur T. Hertig, President of the Friends of the Winchester Hospital, while other Committee Chairmen are: Mrs. John J. Lennon, Mrs. William J. O'Malley, Floor: Mrs. Charles Blanchard, Mrs. Robert Joyce, Re-

HOW'S IT LOOK TO LEWARD?

The Charles Haggertys and their guests wait for good weather at the Portland, Me., Yacht Club after being fog bound while participating in the annual Boston-Corinthian Yacht Club Down East Cruise this year. This is the third straight year that the Haggertys have participated in the cruise in their yacht, the "Pretty Penny." The Winchester sailors in the New England "Yachtsman" photo are, left to right, Chester Thibault, Charles J. Haggerty, well-known garage man, and his brother, Joe. Also in the photo are Mrs. Walter Conway of Marblehead, John Forte of Bedford and far right, Joseph P. Norton of Marblehead. The photo first appeared in the August number of the "Yachtsman."

## TENNIS NEWS

The semi-finals and finals of the men's singles championship will be played at the Palmer Street Courts on Sunday, September 23, at 9:30 and 1:30 respectively. Charles Watson who upset the second seeded player, former town champion and perennial contender, Henry Pitts by the score of 4-6, 6-4, 6-4, will meet Arthur R. Hills who defeated Robert Horne, in the other half of the draw, the winner of Robert Joslin vs. Gratton Williams will play James Coon, another former town champion, who defeated David Moore, Captain of the High School team, in the quarter finals by the score of 6-4, 2-6, 3-6.

The Ladies' singles final will also be played Sunday, September 23,

between Mrs. Arthur R. Hills and Ruth Murray.

The men's doubles final will be played Sunday, September 30, at which time the mixed doubles final will also be played.

The town champion in the Boys' 13 and under tennis championship is Parker Gray who defeated Jeff Hills 6-4, 6-3. In addition to receiving a suitable trophy, Parker and a large number of the W.T.A. members were surprised to see him receive a "special" prize of a Jack Kramer racquet from Everett Whitney Gray who played on the "B" Team this year. A very exciting three set final in which the winners came from a 0-4 deficit, was witnessed in the Boys 13 and under doubles. Robert Gowdy and Jeff Hills defeated Parker Gray and James Reid 3-6, 7-5, 11-9.

## OVERHEAD DOORS

Work was completed yesterday on four new overhead doors installed at the fire station by the Cliff Compton Overhead Door Co., of Norwood. The new doors, three in front and one in back, replace the old swinging type that had been in the station for many years.

These doors, hand operated by a system of ropes and pulleys, are not only faster operating than the old type, but also permit more room for the engines in the station.

## UNUSUAL FRIENDLINESS

Editor of the Star:  
After living in five different cities I returned to Winchester and found the most unusual friendliness.

Will you let me express my thanks to all those who came to me in spirit, word or deed during difficult days.

Most sincerely,

## PRINCIPAL NIBLOCK ADDRESSED STUDENT COUNCIL

Principal W. Howard Niblock spoke to the newly-elected members of the high school Student Council at their first meeting yesterday morning. Principal Niblock, who has been actively identified with student council activities for the past 15 years, assured the representatives that he was ready to give his full support in becoming an effective and respected group of student leaders.

President Ronald Roberts presided at the opening meeting assisted by Vice-President Paul Sullivan, Secretary Carol Eaton, and Treasurer Janet Lynch. Faculty adviser is F. Meredith Cooper.

Following is the list of new homeroom representatives to the Council:

Robert Carter, Peter Morgan, Donald Seaver, Ann Neville, David Allen, Victoria Russell, Douglas Thomson, Roger Symmes, Barbara Clark, Susan Wallace, Paul White, William Lamarche, Mary Jellison, Dan Doherty, Stephanie Hersey, Robert Freeman, Martha Dyer, John Horn, Nancy Pizzano, Donna Violante, Sue Mallory, Col. Sweet, Douglas Gowdy, Jean Elliott, Ann Rittenhouse, Daniel Brenner, John Curtis, Quentin Roberts, Frank Leverone, Helga Hammerschmidt, Mary Welden, and Susan Black.

## WOOLWORTH MERIT SCHOLARSHIPS

The F. W. Woolworth Co., announced today a scholarship program for high school seniors of exceptional ability who plan to enter college at the beginning of the 1957-58 school year. It will include supplemental "cost of education" grants to the colleges selected by the successful candidates.

One scholarship will be granted in each of ten geographical sections of the United States. Scholarship awards will be made following a nation-wide talent search, conducted by the National Merit Scholarship Corporation among approximately 26,000 secondary schools in the country. This independent, non-profit organization will match the ten Woolworth Scholarships with ten scholarships of its own. It is expected that the program will be continued, and that each year thereafter a similar number of F. W. Woolworth Co. Scholarships will be awarded.

Mr. James T. Leftwich, President and Chairman of the Board of F. W. Woolworth Co., said, "Our company has been impressed with the fact that annually thousands of young people, who rank in the upper quarter in academic ability, do not receive a college education due to financial considerations. This, however, is only part of today's educational problem. Increasing costs seriously threaten the very survival of the private undergraduate colleges. They, too, need financial assistance. We are therefore happy to help through 'cost of education' grants to the colleges selected by our successful candidates."

## SALE OF ANTIQUES

There will be an interesting pre-sale of small antiques — choice glass, china, small items — many from \$1 to \$5 — on Tuesday, September 25, from 10 to 4 o'clock at the home of Mrs. Norman Duehring, 31 Bacon street. Punch will be served. Mrs. Duehring is chairman of the Antiques Booth at the Winter Wonderland Fair, First Congregational Church (November 14 and 15), and this fall pre-sale is an introduction to the treasures of her fascinating booth. It is hoped that those who collect antiques, and those who like them for gifts for special friends, will visit the sale on Tuesday.

## MARRIAGE INTENTIONS

## IKE BAND WAGON HERE TUESDAY

A Citizens for Eisenhower Bandwagon will arrive in Winchester next Tuesday morning, September 25, at 11 o'clock, coming here from Stoneham by way of Forest street. A delegation of Winchester enthusiasts will meet the bandwagon at the Stoneham line and join in a tour around town.

All who wish to join the bandwagon and cavalcade are welcome, and material for decorating their automobiles may be secured at Republican Headquarters on Mt. Vernon street. Mrs. Warren Whitman heads the Winchester cooperating group.

Six official Eisenhower Bandwagons have begun a nation-wide tour as part of the National Citizens for Eisenhower drive to bring to the state and precinct level the spirit of President Eisenhower's program of peace, prosperity and progress.

Each bandwagon is a 32 foot, fifteen-ton semi-tractor trailer van, housing helium and 40 ft. cables for Ike barrage balloons, flares for

torchlight parades, newly designed Ike girl dresses and parasols for local girls who will ride the wagon. Also included are complete public address systems, tape recordings of campaign songs, cartoons of Ike buttons, banners and posters. There are also two ranch wagons, bicycles and searchlights and a jeep, colorfully decorated and complete with its own power plant and public address system.

This jeep is rolled from the van upon the approach to a city or town and leads the parade through the streets of the community to be visited.

In the 1952 Presidential campaign the original Eisenhower Bandwagon traveled over 55,000 miles. The 1956 Bandwagon Fleet will cover approximately 180,000 miles.

Miss Martha Branneman of 9 Sheffield road, who was graduated from Winchester High School in 1954, has completed her studies at the Katharine Gibbs School in Boston and has secured a position through the Placement Department of the school at Harvard Business School.

## PLAYERS' TRYOUTS TUESDAY, SEPTEMBER 25

"The Solid Gold Cadillac" recent Broadway comedy hit about a delightful old lady who probes the mystery of big business, will be the fall play given by the Parish Players, First Congregational Church, with try outs for casting to be held Tuesday evening, September 25, 7:45 in the Parish Hall.

The dates of the performances are November 1, 2 and 3, with Mr. Harlan P. Grant directing. These plays are open to all men and women interested in dramatics.

Mr. George S. Hebb, chairman of the Parish Players board, announces "Anastasia" for the spring play in May, with a cast of 12 men and 6 women. "Solid Gold Cadillac" was chosen for the opening play because acting rights are being given to amateurs for a period up to February only, at which time the play is to be withdrawn, and road shows organized. The Players felt it a good time to give their audience a good comedy, and to take advantage of the play while it was available.

### WHO SAID FISH!

It seems Mary Anne Damon and her younger sister, Carol, are chips off the old block, when it comes to fishing, and even dad and mom, Mr. and Mrs. Harry E. Damon of Arlington street, could well be proud of their daughters' catch last week while the girls were fishing from "Gunny" Eldredge's boat off Chatham.

Twelve tuna Mary Anne and Carol hooked, weighing from 68 to 85 pounds, for one of the season's best catches. Both girls have had a lot of fishing experience, but this was their first time out for tuna, and both claim it wasn't beginners' luck either!

Of course that feller, Charlie Koch, takes most of the credit, for Mary Anne and Carol were using those native-despised rubber mackerel lures made out on the west coast and sold in Charlie's Chatham Sportsman's Center.

### RETARDED CHILDREN ASSOCIATION MEETS

The initial fall meeting of the East Middlesex Association for Retarded Children will be held Wednesday evening, September 26, at eight o'clock in the YMCA in Wakefield on Main street.

The Association, which is in its first year of existence and whose membership is open to Winchester residents, offers to Winchester parents and friends of retarded children an opportunity to learn more about a new-found approach to an old problem. At this meeting they may learn about the goals, various functions and projects of the Association.

### OPERATION FOLLOW-UP

"Operation Follow-up" is now being conducted by the Salvation Army Friendly Annual Appeal in Winchester; it was announced today by General Chairman Charles W. Blanchard, of 28 Seneca road.

This year's campaign was changed from its usual fall date to the spring. "However, many contributors prefer to give in the fall, as they have done in the past," said Blanchard. "We are now contacting them by letter, knowing the Salvation Army can count on their continued support." Charles W. Butler is the Winchester treasurer. The Winchester Service Fund Unit retains 20 percent of the money raised for local needs and emergencies. This fund provides dental care, eye glasses, clothing and shoes for school children, fuel and grocery orders, x-rays, aid for burned out families, and similar services.

### DRIVER AWARD TO MASSACHUSETTS

Governor Christian A. Hertz, Honorary Chairman of the Massachusetts Highway Safety Committee, and Registrar of Motor Vehicles Rudolph F. King, Chairman, have been advised by Thomas N. Boate of the Association of Casualty and Surety Companies that the Board of Judges of the National High School Driver Education Award Program has granted to the Commonwealth, for the fifth consecutive year, the Award of Excellence—the nation's highest honor—for achievement in Secondary School Driver Education and Training programs during 1955-1956.

### MYSTIC SCHOOL FALL MEETING

The first meeting of the Mystic Mothers' Association is to be held September 27, at 2:15 p. m. in the school auditorium. Mr. Joseph C. Forte, principal, is to be the speaker and his subject is "What Goes On At The Mystic School." An informal reception for teachers and mothers will follow. Refreshments will be served by Mrs. Ernest Phillips, Jr., and her tea committee.

### U. N. DAY COMMITTEE

Representatives from a number of Winchester Clubs and organizations met at the library on Tuesday evening to make suggestions, and begin to formulate plans for observance of U. N. Day in Winchester.

President Eisenhower officially issued a Proclamation last June 21st declaring in part "Whereas the General Assembly of the United Nations has resolved that October 24, the anniversary of the coming into force of the United Nations Charter, should be dedicated each year to make known the purposes, principles, and accomplishments of the United Nations; Now, therefore I, Dwight D. Eisenhower, President of the United States of America, do hereby urge the citizens of this nation to observe Wednesday, October 24, 1956, as United Nations Day by means of Community programs that will demonstrate their faith in, and support of, the United Nations and will contribute to a better understanding of its aims, purposes, and accomplishments."

The function of this committee is to encourage the schools, churches, service clubs, and all other interested groups and organizations to help accomplish these purposes mentioned in the President's proclamation. In addition to President, the Governor of each State issues a similar proclamation, and writes to the Mayor of each town with a population of over 2500 requesting him to appoint a committee of interested citizens. It is thus an official occasion deserving of the support of the community and its people.

A second meeting of the committee is to be held next Tuesday, September 25, at the Albert Fisher home 6, Bacon street, and the invitation to anyone sincerely interested, as an individual or as a representative of a group or organization, to attend is repeated.

### HOOD HONOR TO MAWN

A thirty year gold service pin has been awarded by H. P. Hood and Sons to James F. Mawn of 51 Forest street.

Mr. Mawn joined the dairy company in September of 1926. He was one of forty-one people with company service records of from twenty to forty-five years honored at a service awards presentation luncheon at the Hood milk plant in Charlestown.

Mr. Mawn is a route supervisor at the Medford milk sales branch of the company. He received his service pin from Gilbert H. Hood, Jr., vice president and treasurer of the company.

### CONGREGATIONAL TEACHERS' CONFERENCE

The first meetings of the Congregational Teachers' Conference, held at the First Congregational Church, have been very worthwhile. This has proved an excellent opportunity for Church School leaders and teachers from the Congregational Churches of Reading, Stoneham, Wakefield and Winchester to improve their skill in teaching. The third meeting will be held on Wednesday evening, September 26th, from 7:30 to 9:30. All who are interested are most welcome to attend these meetings.

### LITTLE LEAGUE ELECTIONS

At a recent organization meeting of the Winchester Little League the following officers were elected for the 1957 season: President, Warren Hichborn; Vice President, William Urmsen; Players Agent, Kenneth Hall; Secretary, James E. Haley; Treasurer, Manlio G. Moffett.

EFFECT OF FROST  
ON HORTICULTURAL CROPS

The first severe frost often is very significant from the standpoint of horticultural people, both in the home grounds and in commercial production. This is particularly true during delayed growing seasons. A late start in planting this spring meant a delay right through the season. The results, however, attained by good management and planning have been surprisingly good. As we write this there has been a light frost with no significant damage, but September 15 is often the date for the first killing frost. Sometimes it occurs then

and sometimes there are only light ones in September. All are hoping that there will be the latter delay this year.

Tender annual flowers have blossomed well and profusely during the latter part of the summer. Flowers were affected very significantly by the late planting date and of course the later the frost holds off the more satisfaction will be derived from flowers. It was difficult to get early bloom so the season will be much shortened by early frost.

Sweet corn was not harvested as early as usual due to the late planting and poor growing weather of the early planting season. Late plantings have the potential of balancing the loss in the early ones if

there is time to mature them. Tomatoes each year are stopped by the first freezing temperatures, and there are a large number yet to be harvested. Tomatoes, however, are often picked a bit more heavily in the green stage and many are saved this way. Strictly green tomatoes are in demand for pickles, pickles, etc. Tomatoes approaching the possible picking stage will color well indoors. Home owners, to do this, should avoid placing them in sunny exposures. They color better at uniform temperatures and in partly subdued light.

Squash keeping quality is greatly affected by the proper maturity at harvest. Also, frost damage is a cause of poor keeping. Probably growers of this crop are hoping more than others that frosts and freezes will be delayed.

Cabbage, root crops, greens and many others are not affected by the first light frosts, and harvest of them can go on into late fall or early winter. Parsnips may actually be left in the ground to be dug as needed.

Those cold, frosty nights add color to the apples, so fruit men find them a help. Thus, it is seen that first killing frosts have a variable effect in the field of horticulture.

## BETA SIGMA PHI

Beta Nu Chapter of Beta Sigma Phi opened their 1956-57 season with a meeting at the home of Nancy Wilde. President, Cynthia Frink opened the meeting, followed by Madeline Derro who read the minutes of the last meeting and Jean Wisley then gave the treasurer's report.

The members of Beta Nu Chapter discussed plans for making a doll's outfit. Chances will be sold on the doll and her clothes which are being made by the members. The doll will be displayed in one of the store windows down town and it will be raffled off a few weeks before Christmas.

Beta Sigma Phi's Fall Rushing Program starts during October. The Winchester chapter is now in the process of planning their rushing activities.

The meeting adjourned with the serving of refreshments by Nancy Wilde, hostess for the evening.

## M. S. P. C. A.

Dr. Eric H. Hansen, President of the Massachusetts Society for the Prevention of Cruelty to Animals, 180 Longwood avenue, Boston, Mass., yesterday issued a warning to all animal-owning parents, urging them not to allow the family pet to follow their children to school.

"I realize only too well," stated the Society head, "how attached these animals are to their little masters and mistresses and it is natural for a dog, and in some cases a cat, to trot after them wherever they go. However, due to the increased number of automobiles on our highways today, the lives of these much-loved pets are in constant jeopardy, and for that reason our keen interest in the welfare of all animals compels us to appeal to their owners to do everything possible to prevent serious and sometimes fatal injuries to these creatures."

"Therefore," concluded Dr. Hansen, "we feel that if parents will cooperate with us in this matter, the animals will not only be protected from grave danger, but the children themselves will be spared many a heartache, in the event of their pets' being struck or run over by an automobile."

EPIPHANY RESUMES  
REGULAR SCHEDULE

This Sunday the Church of the Epiphany will resume its regular schedule of three services each Sunday morning and one on Sunday evening.

The service at 11:15 a. m. had been discontinued during the summer months. At 7:00 p. m. Evening Prayer will mark the opening sessions of both the YPF and the Junior YPF.

Church school classes will begin for all ages at the 9:30 a. m. service on September 30. This Sunday the children will attend the 9:30 service with their families. At the service hymn the children will go to the parish hall where a motion picture will be shown to them.

## NOVENA TO ST. JOSEPH

The annual parish Novena to St. Mary's this year will be made in honor of St. Joseph, foster-father of the Child Jesus, husband of Mary, and Patron of the Universal Church.

The first exercises will be on September 20th—a Thursday night—7:45 p. m. They will last one half hour. As the name indicates, there will be nine nights of prayer, each Thursday for nine weeks, ending on November 15th.

## WINCHESTER D. N. A.

A meeting of the Board of Directors of the Winchester District Nursing Association was held Friday, September 14th at the Town Hall. The meeting was called to order at 9:45 by the president, Mrs. Clarence W. Luitwieler. The roll call was read by Mrs. Ronald Wyman, the recording secretary. The secretary's report of the all day June meeting was read and approved. Mrs. Austin Broadhurst presented the treasurer's report.

Mrs. Luitwieler then asked Mrs. Wiklund to give her report of activities since our last meeting. Mrs. Wiklund reported a busy three months. During August she said the staff held many meetings to discuss courses taken by members of the staff last year. She reported that during the coming year Miss Plummer will take a course in Social Anthropology at Simmons on a Middlesex Health Association Scholarship. Mrs. Symmes will take Social Service Work in Public Health Nursing at Boston College and Mrs. Wiklund will take the Instructor's Course offered by the American Red Cross in Mother and Child Care, with plans in mind for future Mothers' classes.

She reported that the school program is going well. She attended the Massachusetts Public Health Institute held in Amherst on September 7th and 8th. Mrs. Wiklund said that the Massachusetts Department of Public Health Inservice training course, this time on the subject of Cancer, will again be held at the Winchester Public Library. Also during the summer a meeting of the opportunity and admiration for our office written by Mrs. Phyllis Bromwell, Field Instructor and Supervisor.

Mrs. Donald Wright reported for the Nursing Service that things had gone very well during the summer with much volunteer service being given. The registration of Miss Alice B. Petersen was read and noted by the Board with a great deal of regret.

Mrs. Conlon reported for the Public Relations Committee on tentative plans for the display to be placed in Hevey's window during the Red Feather drive.

Mrs. Patrick, chairman of the Educational Committee, presented several ideas for speakers at the October meeting which as usual will be open to all Associate members. Due to the fact that the second Friday in October falls on the 12th this meeting will be held October 11th and as usual in the Town Hall. This should be a very interesting meeting and it is hoped that all associate members will be able to come, for, as Mrs. Wiklund says, the Winchester District Nursing Association is of importance to all Winchester residents of all ages. The meeting adjourned at 11:45.

11th AIRBORNE DIVISION  
IN EUROPE SEEKS ENLISTMENT

The opportunity to enlist for a direct assignment to the 11th Airborne Division in Europe is being offered qualified young men of this

area, according to Sergeant First Class William Bonnell of the local Army Recruiting Station at 49 High street, Medford square. In order to qualify for this assignment the young man must be in excellent physical condition and obtain at least an average score on the mental test. If accepted, he will go to Fort Dix, N. J., for a few days processing and then be sent to the 82nd Airborne Division at Fort Bragg, N. C., for basic training. Following a leave at the end of basic training, he will be sent to join the 11th Airborne Division in Europe.

Only 20 men from the First Army Area may obtain this assignment each month from now through January. The First Army Area includes New England, New York and New Jersey, so it is obvious that those desiring to enlist for duty with the 11th Airborne in Europe should contact the local recruiter as soon as possible in order to be sure of the opportunity to qualify before the allotment is filled.

## FIRST BAPTIST RETREAT

The Senior High young people of the First Baptist Church held their Annual Retreat at Ocean Park, Maine, this past weekend. They had a very successful Retreat and plans for the coming year were made.

They will have their first meeting Sunday evening at six-thirty, when they will go out to visit the inactive members of their group. Starting September 30, their meetings will begin at seven o'clock.

The Officers of the Senior High Fellowship are: John Foster, President; Jean Dawson, Vice-President; Frances Bosselman, Secretary; Edwin H. Tuller, Treasurer; and Muriel Roel, Counselor.

## L. W. V. NOTES

LEAGUE PREPARES FOR  
FINANCE DRIVE

At one o'clock on September 24, a large group of members of the League of Women Voters will assemble at the home of Mrs. Howard Aiken for a kick-off meeting to prepare for the League's annual finance drive. After dessert and coffee are served, the members will be briefed on the purposes of the drive by Mrs. Aiken and Mrs. Roland Patrick, co-chairmen of the finance committee.

In order that the dues of the League be kept at a minimum, it is necessary to ask a selected few public-minded citizens to contribute to the support of the League. Solicitors will be trained to explain the League's needs to these prospective contributors, and a few mock interviews will be demonstrated.

Election years are always particularly busy ones for the League with increased activity in the Voters Service department. Enthusiasm is high that the 1956 finance drive will be the most successful in many years.

Participating in the drive in addition to board members are the following volunteer solicitors, to whom the league is especially grateful: the Messrs. Walter Abbott, Theodore Atkinson, Gordon Bird, Austin Bunker, F. E. Carlson, Ernest Dieterich, John Eliot, Don Greer, Robert Griffith, Vance Holdam, Richard Hegarty, Olcott Hooper, Lawrence Kelbley, H. Parker Melanson, William Spaulding, Oscar Surtees, and Theodore von Rosenberg, III.

**WATER AND SEWER BOARD**  
WINCHESTER, MASSACHUSETTS  
CONTRACT NO. 2  
WATER WORKS IMPROVEMENTS  
Sealed bids for water works improvements will be received by the Water and Sewer Board, Winchester, Massachusetts, in the office of Camp, Dresser & McKee, Consulting Engineers, until 2:00 P. M., E. D. T. on September 28, 1956, at which time they will be opened and read.  
Work consists of the cleaning of approximately 43,380 feet of 6-in. through 10-in. cast iron water mains under Part A; for the construction of a chemical feed station, including equipment; an altitude valve chamber, including a pump, and the installation of a new pump, meter and controls in an existing station under Part B. Bids will be received on either Part A or Part B or both.  
Sub-bids are to be submitted for Electrical Work.  
Plans, specifications and other contract documents may be secured at the office of the Water and Sewer Board in the Town Hall at Winchester, and at the office of the Consulting Engineers upon the deposit of \$10.00. Said deposit will be refunded if the documents are returned within ten days after bids are received.  
Each proposal must be accompanied by a certified check in the amount of \$1,500 payable to the Town of Winchester, Massachusetts. This check will be subject to the conditions provided for in the "Information for Bidders." All checks, except those of the three lowest responsible and eligible bidders, will be returned within five days, Saturdays, Sundays and holidays excluded, after the opening of proposals. All bid deposits will be returned on the execution of the contract, or if no award is made, within thirty days after opening of bids.  
No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening thereof.  
The minimum wage rates to be paid by the Contractor on this work shall be determined by the Massachusetts Department of Labor and Industries. A copy of the schedule of wage rates is included in the contract documents.  
A bond in an amount equal to 100% of the total amount of the bid with a surety company satisfactory to the Town of Winchester, as surety, will be required for the faithful performance of the contract and the payment for all labor and materials used in the work.

## THE WINCHESTER STAR.

VOL. LXXVI NO. 2

THE WINCHESTER, MASS., STAR, FRIDAY, SEPTEMBER 28, 1956

PRICE TEN CENTS

DIAL PHONES COME NEARER  
SITE FOR NEW EXCHANGE  
CHOSEN

The site for a new telephone building that will provide dial service for all Winchester and Woburn telephone users within about two years has been selected by the New England Telephone and Telegraph Company, on the northern corner of Main and Hemingway streets in Winchester. James E. Lowthers, Winchester Manager of the Telephone Company, said the Company plans to construct a two-story building to house the new dial equipment that will be manufactured by the Western Electric Company. Before dial service can be provided, it will be necessary to replace more than 17,000 telephones in Winchester and Woburn with instruments of the dial type, and to complete rearrangements and extensions of the outside cable and wire plant so that the new equipment will be ready to meet the needs of telephone users as the communities continue to expand and grow.

The site of the new telephone building is a vacant lot, now owned by Ersilia N. Sylvester of Winchester. Preliminary plans call for a masonry structure measuring approximately 86 feet by 70 feet, with a basement. There will be a parking area and the grounds will be landscaped to maintain the attractive appearance of the neighborhood.

During the past ten years alone, the number of telephones in Winchester has nearly doubled, from 4,700 at the end of 1945 to more than 8,000 today, reflecting the growth of one of the favorite residential communities in the Greater Boston area. Growth is continuing, according to James E. Lowthers, Winchester Manager of the Telephone Company.

Winchester has had telephone service continuously for three-quarters of a century. The first mention of telephone service in Winchester was in an early Woburn newspaper (Advertiser) which reported that the first news story ever transmitted to the paper by telephone reported the burning of a barn and the loss of a horse in the barn in Winchester on December 15, 1881.

In January, 1883, Winchester had nine telephones, all served by the telephone exchange at Woburn, which continued to serve Winchester telephones until the first local switchboard was placed in service in the White Building, now 572 Main street, on September 12, 1892, to serve 15 Winchester subscribers.

When the first Winchester telephone building, at 125 Washington street, went into service in 1907 to serve 897 telephones, the Winchester Star stated that "probably no town in the United States has so many new subscribers to telephone service."

Mr. Lowthers said that engineering and planning for Winchester's new dial telephone service has been under way for some time, and that from now on telephone people at places as distant as Chicago will be working to complete the plans and to manufacture the special equipment that will be shipped here as soon as the new building is complete.

MISS NOWELL  
MR. KIMBALL ENGAGED

Mr. and Mrs. Francis R. Nowell of 98 Nelson street, announce the engagement of their daughter Mary Lou to Mr. Richard W. Kimball, son of Mr. and Mrs. Everett W. Kimball of 33 Westley street.

Miss Nowell is a graduate of Marycliff Academy and is now a senior student at Catherine Laboure School of Nursing. Mr. Kimball is employed at Melpar Electronics. A graduate of Winchester High School and Massachusetts Radio and TV School, he is now studying engineering at Northeastern University.

## ENTERTAINED AT LUNCHEON

Mrs. Henry Muggah of 9 Stowell road entertained at luncheon on Tuesday at her home a group of her associates in the old "Fadettes," first women's orchestra to play Keith's Circuit and to be featured in concerts in this country and Canada.

Present were Mrs. Harry Batton, clarinetist; Mrs. E. B. Younman, trumpet; Mrs. Harry Borbridge, trumpet; Mrs. George Clough, clarinetist; and Miss Fannie Young, trumpeter.

After a delicious luncheon six-handed canasta and a social hour were enjoyed.

THE DEMOCRATS NEED  
MONEY, TOO

Everyone knows the Republicans have the biggest political war chest in history. The Democrats need only a fraction of this huge sum since the facts are on their side, but they do need some money to bring their story to the voters.

Please send your contributions to J. Joseph Maloney, Jr., Treasurer, Post Office Box 6, Winchester.

The results of the Maine election make it apparent that most Independents and many Republicans are on the Democratic side this year. Their contributions will be welcome, too.

COURTNEY A. CRANDALL  
CRANDALL VICE PRESIDENT

Dickie-Raymond of Boston and New York announces the appointment of Courtney A. Crandall as Vice President of the Winchester Republican Town Committee. Mr. Crandall, who lives at 2 Ardley place, attended Winchester schools and was graduated from Harvard in 1948. He was formerly in the theatrical business and served in World War II as an infantry officer with the 10th Mountain Division, as a writer for Signal Corps films and Armed Forces Radio, and as a lecturer for the Infantry School on tactics and new weapons.

After his graduation from Harvard, Mr. Crandall joined the Cabot & Company, Boston advertising agency, as copywriter. He was made Copy Chief in 1952 and a year later was elected Vice President, Creative Director and Chairman of Plans Board. In this post he guided copy and art plans and directed the Radio-TV and Publicity Departments. His background also includes account executive experience, with extensive client contact work on a number of major New England accounts.

## MRS. DORIS CUSACK

Mrs. Doris Cusack, of 38 Rangleway road, died suddenly Monday, September 24, at the Winchester Hospital, following a brief illness.

Mrs. Cusack was the daughter of Dr. Edward W. Sprague, prominent Orange, N. H. surgeon, and the late Harriet (Newman) Sprague. She was born April 9, 1908, in New York, N. Y., and had lived in Winchester for the past 10 years, coming here from Short Hills, N. J. Greatly interested in the welfare of the blind, she had done much volunteer work for Perkins Institute and other institutions for the blind.

Besides her father, Mrs. Cusack leaves a daughter, Mrs. Robert L. Swanson, a son, Edward James Cusack, Jr., both of Winchester; two sons, Robert and Richard Swanson; and two sisters, Mrs. James J. Slattery of Louisville, Ky., and Mrs. Olive Sprague Johnston of Orange, N. J. Private funeral services were held Wednesday forenoon at the home of Mrs. Cusack's father in Orange, N. J. Burial was in the family lot in Mt. Pleasant Cemetery, Newark, N. J.

## MISS WESTAWAY ENGAGED

Mrs. Woodley Westaway of Winford way and West Yarmouth announces the engagement of her daughter, Adele Marie Westaway, to Mr. Eugene Joseph Heft, son of Mrs. Heft of Malden and the late Mr. Heft.

Miss Westaway, daughter of the late Mr. Westaway, graduated from Medford High School and from Boston University College of Practical Arts and Letters. Mr. Heft, an electronics engineer, graduated from Malden Catholic High School and from Northeastern College of Engineering.

Miss Westaway has chosen May 4, 1957, as the date for her wedding.

## BILLS OF WINCHESTER INTEREST

Governor Herter last month signed the bill that transferred to Winchester from Medford 27 acres of land off Border road, most of which was originally a part of the old Symmes Farm.

The transfer was made because Medford was unable to service the land, and also had not zoned it. Located as it is adjacent to what is a desirable and rapidly growing development in Winchester, the Town authorities felt it wise to take title to the land as a protective measure.

Winchester's Representative Harris Chadwick sponsored the bill, signed by all the legislators of this district, authorizing the State Department of Public Health to make a complete study of the entire Abington River drainage system, and to secure expert advice if needed.

The study is being undertaken to provide a long range and permanent solution of the river pollution problem.

Rep. Chadwick was also successful in getting referred to a recess committee of the Legislature for study the problem of the motor boat nuisance on Mystic Lakes.

Regardless of how the committee reports, Rep. Chadwick will again introduce the bill, unsuccessful last year, to register motorboats on inland waters.

Still another bill successfully introduced by Rep. Chadwick is House Bill 1701. This bill, of interest to income tax payers, allowing a capital loss carry over, permitting a loss from the sale of intangible property, not offset by gains, to be carried forward up to three years of other future gains.

Rep. Chadwick tried to have the forward carry extend over five years as the Federal Income Tax law permits, but was unsuccessful.

## STONEHAM HERE SATURDAY

Winchester's Indians after a week of licking the wounds received in the opening game defeat at the hands of the Concord Patriots last Saturday, face Stoneham High in another Middlesex League engagement on Manchester Field tomorrow afternoon at 1:30.

Stoneham doesn't loom as any real threat. Last week the hockey towners played Melrose to a 13-1 tie, showing a passing game featured by the heaves of quarter-back Billy Munde.

Concord didn't have to throw the ball too much with its running so effective, so how the inexperienced Indians will react to a wide open game remains to be seen.

Pictures of the Concord game show Winchester's blocking ineffective and its tackling leaving a lot to be desired. On the rushing line, Concord continually got the jump on the big Winchester forwards, riding them backward to open big holes in the line.

Coach Knowlton has been working his charges hard on fundamentals this week and has also tried some lineup changes, one of which has Longworth at quarterback, Chapin at fullback and Thomson at right halfback, with Flaherty and Russo shifted to defensive roles.

RED FEATHER PRECINCT DIRECTORS

Left to right: George Whitten, Prec. 4; Francis H. Keenan, 1; Thomas Raphael, division chairman; Eugene S. Lane, 6; Roland Moody, 3; Hiram L. Smith, Jr., 2; James Cullen, 6.

Red Feather Campaign  
Starts Build-Up

Definitive plans for the Winchester Red Feather campaign began to take shape during a meeting of precinct directors at the home of Thomas Raphael, 24 Tufts road, on September 19. Mr. Raphael is chairman of the Residential Division of the 1957 Winchester Red Feather campaign. Present at the meeting were representatives of Winchester's precincts which included the following: Francis H. Keenan (Precinct 1), Hiram L. Smith, Jr. (Precinct 2), Roland Moody (Precinct 3), George D. Whitten (Precinct 4), and Eugene S. Lane and James Cullen (Precinct 6).

The group was privileged to receive words of guidance from the chairman of the Winchester staff, Bertram H. Dube, as well as John J. Ahern and James C. Fullerton from campaign headquarters. The metropolitan representatives revealed that the Greater Boston goal for 1957 is \$6,567,000 and that Red Feather Sunday would be October 21. Mr. Dube announced that the '57 theme is an accent on youth and showed how a significant percentage of all donations went to the aid of children. Winchester Vice Chairman Robert E. Williams detailed plans for a captain's party at the Masonic Hall during the week preceding Red Feather Sunday, at which time the solicitors' kits would be distributed. Frederick C. Rozelle, Jr., outlined the plan for coordinating and assembling returns during the evening of Red Feather Sunday.

Winchester residents should understand that the 1957 Red Feather campaign is 277 drives rolled into one with youth having the biggest stake. Give once for 277 health and social welfare agencies.

WINCHESTER REPUBLICANS WITH IKE BANDWAGON

Left to right: Florence Goodhue, Jane Lyman, Anna Lyman, Harrison F. Lyman, Jr., GOP candidate for State Senator; Lillian Whitman, Rep. Harrison Chadwick, GOP candidate for re-election; Alice Browne, Edith Underwood.

## IKE BANDWAGON HERE

Winchester greeted the Eisenhower Bandwagon with music and cheers last Tuesday morning.

Nothing daunted by the fact that Winchester has a Town By-Law prohibiting the use of mechanical soundtrucks, the loyal Republican Town Committee arranged for the hoisterous, melodious efforts of four jazz musicians supplied by orchestra leader Baron Hugo. Riding in an open truck furnished for the occasion by a Winchester resident, the musicians made the "joint jump" by spearheading the Eisenhower Bandwagon through Winchester Square to the tune of "As the Saints Go Marching In."

Arriving from Stoneham at 11:30 Tuesday morning, the Bandwagon was greeted by a police escort in the person of Chief Harold and was joined by several Winchester cars decorated with signs and stickers for Harrison F. Lyman, Jr., candidate for the State Senate from this District.

The Bandwagon then proceeded down Forest street to Washington street, along Washington street to Swanton street, then along the length of Swanton street to North Main street. Proceeding down Main street through the center, the

## DEANERY WOMEN TO MEET

Woburn Deanery of the Archdiocese of Boston will sponsor one of the series of Institutes at the Deanery level on October 28, at St. Mary's School. The series opens with the Newton Deanery Institute September 28, in Brookline and closes with a combined meeting of the Lawrence, Lowell and Haverhill Deaneries November 18 in Lawrence.

Mrs. William D. Rodgers, president of the Woburn Deanery, will preside at the Institute in Winchester on October 28, at which Rt. Rev. Msgr. Joseph M. Fitzgibbons, spiritual moderator of the Deanery, will be present. The Woburn Deanery comprises Arlington, Billerica, Woburn, Concord, Lexington, Stoneham, Wakefield, Winchester and Woburn.

## ENLISTS IN ARMY RESERVE

Paul W. Murphy, son of Mr. and Mrs. Walter Murphy of 10 Canal street, enlisted in the United States Army Reserve through the local Regular Army Recruiting Station at 49 High street, Medford Square. A recent graduate of Boston University, he will be assigned to C Company of the 319th Engineer Group of the 94th Infantry Division, which holds its meetings at the American Legion Hall on Vine street.

Interested young men of military age can obtain information on the various Reserve and Regular Army programs by contacting Sergeant First Class William Bonnell at the recruiting station or by telephoning MStic 6-5777.

## MISS WALCOTT ENGAGED

Mr. and Mrs. Theodore E. Walcott of 12 Allen road announce the engagement of their daughter, Virginia Ellen to SP-3 James Louis Emerson, son of Mr. and Mrs. Sterling C. Henderson of Phoenix, Arizona.

Miss Walcott graduated from Medford High School, class of '52, and graduated from the Massachusetts School of Physiotherapy. She is currently attending Wilfred Academy, Boston.

Mr. Henderson attended the University of Arizona before entering the United States Army. No wedding date has been set.

## NEW VETERANS AGENT

The Board of Selectmen has appointed Joseph E. Flaherty of 11 Ridgefield road as Director of Veterans' Services, succeeding Charles D. Roche, who has resigned after several years of highly satisfactory service.

Son of a former Fire Department Captain, the late Eugene Flaherty, the new Director has grown up in Winchester, graduated from Winchester High School where he captained the football team, and attended Norwich University. An Army veteran with the rank of major, he is a salesman and a current member of the Finance Committee.

## BON VOYAGE PARTY

Mr. and Mrs. C. Norman Noonan of 48 Woodside road gave a bon voyage party last Sunday at their home for Mrs. Noonan's mother, Madeline Mellon, before her return to her home in Oldham, England.

Mrs. Mellon has been in Winchester for the past year, and has made previous visits, making friends during the time she has spent in town.

BACON AND SWANTON STREET  
BY-PASSES CLOSE OCTOBER 1

The By-Passes at Bacon street and Swanton street will close October 1.

Trucks now using Bacon street and Swanton street will be detoured through the Centre. Pleasure cars will have the option of using routes through Mystic Valley Parkway, the Centre, or Cross street. Motorists travelling between Boston and areas north of Winchester are advised to use Routes 3 or 28 and Route 128.

The underpass at Wedgemere Station will be open for pedestrians. During daylight hours and early evening, a flagman or policeman will be on duty for the Railroad.

A temporary sidewalk will be available for pedestrians on Swanton street. The Swanton street By-Pass will be reopened about ten days after trains begin running on the main line.

It is estimated that, weather permitting, Bacon street will be reopened to through traffic about December 25.

DEMOCRATIC  
TOWN COMMITTEE MEETS

At a well-attended meeting in the Town Hall General Comm. room on Tuesday evening, Chairman Ray Rigney praised the splendid reports of the members who are working to complete registration in the precincts.

Their success is assured, as the many independent new voters whom they have contacted assure them that their interest this year is Democratic.

Chairman Rigney, appointed Mrs. Richard Sheehy, Jr., Chairman of Coffee Hours and telephone service. Mrs. Sheehy's Co-Chairmen will be Mrs. Angela Dyson, Ridgefield road; Mrs. Irene Lynch, Grove street; and Mrs. Estelle O'Brien, Bonad road. This group will be assisted by a large number of excellent workers.

Mrs. William E. McDonald has been appointed to head the Comm. on Associate Members of the Democratic Town Comm. She is being assisted by Mrs. Ruth Tansey, Mrs. Bee Wilson, Martha Nixon, and Mrs. Mary Chisholm of the Committee. This associate group has increased in numbers to the point where it will have to be separated into precinct sub-divisions but Mrs. McDonald wants everyone to know that many more workers will be welcome. They may enlist by calling Winchester 6-1460.

Treasurer Joe Maloney reported on finances and plans for further financing, as he discussed the drive on October 20.

The Committee was pleasantly surprised when State Senator Fred McDermott of Medford dropped in on his way from the Democratic Senators' Forum in Boston to the large Democratic Ward and City Comm. meeting in Woburn where the committee membership of 245 members were gathered to finish plans for a tremendous all-time high in Democratic registration in that city. Fred could stay only long enough to deliver old friendship and meet the new Comm. members. His talk was short and to the point as he brought to the enthusiastic workers a pledge of help from the National and State Democratic committees.

JEAN KATHARINE MILLIKEN

MISS MILLIKEN,  
MR. CUSACK ENGAGED

Mr. and Mrs. Albert Edward Milliken of Kingston, N. Y., announce the engagement of their daughter, Jean Katharine, to Mr. William Carlyle Cusack, Jr., son of Mr. and Mrs. William Carlyle Cusack of Lakeview road. A winter wedding is planned.

Miss Milliken attended Colby Junior College and the Berkeley School, and is a member of the Kingston Junior League.

Mr. Cusack is a graduate of Choate School and of Hobart College.

## FALSE ALARM SET

At 2:43 Wednesday afternoon the fire alarm box at the Senior High School sounded. Upon arrival fire fighters found it to be a false alarm, a repetition of several such incidents last spring.

Chief Callahan believes the setting of the alarm is deliberate, and warns that if the pupils who set this false alarm, or any pupils setting alarms in any of the schools, is detected, he or she will be subjected to disciplinary action not only from the school, but also from the fire department.

The Chief advises pupils and their parents that even though the incident may take place in school, it is still a legal false alarm, and as such comes under police and court jurisdiction.

Even a short false alarm cost the fire department from \$60 to \$75; the department and all Winchester tax payers as well.

MISS O'ROURKE ENGAGED  
TO MR. MARTIN

Mr. Charles Philip O'Rourke of Symmes road announces the engagement of his daughter, Miss Nancy O'Rourke, to Donald G. Martin, son of Mr. and Mrs. George E. Martin of Wedgemere avenue and West Harwich.

Miss O'Rourke, who is the daughter of the late Eloise B. O'Rourke, graduated from Mount Saint Mary College, Hooksett, New Hampshire, and is teaching in the Lexington schools.

Mr. Martin attended Kimball Union Academy and Babson Institute.

Mr. and Mrs. James Phillips of Park road announce the birth of a son, Michael, on September 21, at the Winchester Hospital. Mr. Phillips is a member of the high school faculty and coach of basketball.

Mr. and Mrs. Richard W. Beaton of 9 Hancock street, announce the birth of their second child, a daughter, Mary Ann, at the Winchester Hospital, September 14. Grandparent honors go to Mr. and Mrs. William F. McGovern and Mrs. Alice Beaton of Woburn.

Lt. and Mrs. Gordon R. Bryan, Jr., of Norfolk, Virginia, announce the arrival of their second child, second son, Steven Gild Bryan. Grandparents are Mr. and Mrs. John E. McIntyre of Tenafly, New Jersey, formerly of Winchester; and Mr. and Mrs. Gordon R. Bryan of Milford, Connecticut.

## AIR POSITION TO CORNWALL

Pan American World Airways announced today the appointment of Leonard P. Cornwall, a native of Winchester, as Cargo Sales Manager—U.S.

Mr. Cornwall will assume his new position on October 1 at the airline's offices in Long Island City, New York.

Joining Pan American in 1946, he was assigned to Lisbon the next year as cargo sales representative. He returned to New York in 1949 as assistant to cargo traffic manager and in 1950 he became superintendent of cargo sales for the Atlantic Division. In 1951 he was appointed regional traffic and sales manager for the Middle East Region at Beirut. A graduate of Northeastern, his most recent position has been assistant to the Atlantic Division traffic and sales manager.

# Winchester SAVINGS BANK

Since 1871

In 1924 this bank set up a School Savings System in the Winchester Public Schools to promote thrift and to make it easy for the students to make regular weekly deposits.

This system has been carried on thru the years and at the present time deposits have reached \$200,000 in 3221 school accounts.

Our 32nd year will start with the "First Bank Day" on Tuesday, October 30th, and continue each Tuesday through the school year. Banking is done in the classrooms, and through this system substantial balances are being provided for the future use of the students.

This is one of the many services provided by this MUTUAL SAVINGS BANK.

## ART CLASSES

The Winchester Art Association is offering classes for adults and children in the study of painting and drawing. These classes will start on Thursday, October 4th, at 9:30; a class for children at the Public Library Gallery at 3:30 p. m. and an evening class at the Public Library Gallery at 7:30 p. m.

The adult classes of ten lessons are open to beginners and to those who have had some experience in painting and will include instruction in painting, picture organization, the fundamentals of drawing, and the use of color.

Morning Class — Parkhurst School at 9:30 conducted by Mrs. C. B. Hoag (Alexandra Bradshaw). Miss Bradshaw holds degrees from Stanford University and University of California; has studied at Columbia University under W. T. Hedges, and with Hans Hoffman and Andre L. Hote. Locally she is a member of the Boston Society of Water Color Painters and the Boston Independent Artists. She has had many awards for her work and has exhibited in many places.

Children's Class — Public Library Gallery Thursday at 3:30 p. m. Conducted by Mrs. S. Kennedy Tully (fourth year). Mrs. Tully is Director of Arts and Crafts for the Girl Scouts, and is currently studying with Mrs. Robert Estabrook of Newbury street, Boston. The class works in pencil, poster paint, Dutch pastels, lettering and has field trips.

Adult Class — Public Library Gallery Thursdays at 7:00 p. m. Conducted by Mr. King Coffin (fourth year). Mr. Coffin is currently teaching at the de Cordova Museum in Lincoln and is well known in Winchester. He is recognized as one of the best figure drawing teachers in the Boston area. He offers a wealth of constructive information through individual instruction and demonstrations.

For further information or if you wish to enroll call Mrs. Guy Livingstone, Winchester 6-3976.

## NEEDLEWORK GUILD

### "TWINS" FOR ALL WHO NEED THEM

In 37 of our 48 states, "Twins" articles of clothing and household linen will be collected and distributed this fall by the 470 branches of The Needlework Guild of America. Men, women, and child members will have the thrill of adding their gifts of "Twins" to those accumulated at the Ingathering of each local branch, and distributed by the branch to institutions and welfare agencies in their own locality, where there is a need. The sets of "Twins" will go together, so that each recipient will have "one to wear, and one to wash."

Since 1885, more than 67,000,000 garments have been collected and distributed through the Needlework Guild to unfortunate people, regardless of color, race or creed.

During the week of October 1-6, your local branch will be enlisting new members desirous of donating at least one set of "Twins" or a sum of money, so that some poorly cared-for old man, a shoeless child, an orphan, a deprived infant, a cripple or otherwise deserving person will have not only new clothing, but new hope.

You have never known the complete satisfaction of helping others, until you have shared in the "Twin garment" giving of The Needlework Guild of America. You will be happy to learn more about membership from the branch president in your locality: Mrs. Gilbert Tapley, 26 Glen road, phone Winchester 6-0570, or the secretary, Mrs. Harold Farnsworth at 4 Central Green, phone Winchester 6-1650. Remember, membership requires nothing more than two garments a year.

You can help give "Twins" to those who need them!

Don't forget your confetti for the football games. Get it at the Star Office. Star Bldg.

## GALA EVENING PLANNED

Friday evening, October 19th, promises to be one of the most delightful of the Fall Evenings sponsored by the Friends of the Winchester Hospital. Preparations are going along as scheduled and reservations are being made in large numbers. If you have not already contacted Mrs. James B. Lane at Winchester 6-1351, we would suggest you do so promptly. Dancing will be to the popular Herbie Sulkin's Orchestra and will be enjoyed from 9 until 1. The well-known Russell Curry of Boston will judge the three best couples in the annual Waltz Contest.

Don't miss the Silver Rose Ball and Mrs. Lane urges those planning to attend to make their reservations as tickets are limited to 150.

Among the Patrons and Patronesses who have either sent a donation or made reservations for the dance are:

Mr. and Mrs. Edward H. Kenerson  
Rear Admiral and Mrs. William H. Burdick  
Mr. James B. Harlow  
Mr. and Mrs. Paul B. Leverette

WINCHESTER BOAT CLUB  
HARVEST DINNER DANCE  
SATURDAY, OCTOBER 6TH

The entertainment committee is going to combine the cool dance band that we had at the Shipwreck Party with a luscious spaghetti and meat cakes feed for what looks like a whing-ding of a party. The food and fixin's are going to be prepared by some of the gals and you and you are cheerfully invited to lend a helping hand. Just call Mae Sullivan and she'll tell you how you can help. The men have promised to do the clean up job—so that evens things up.

Make your reservations right now so we'll know how many yards of spaghetti to prepare. Dinner will be served at 7:30 p. m.

Fleet Dinner Sunday Evening

The Annual Winchester Boat Club Snipe Fleet Dinner is set for this Sunday evening. This party is open only to Fleet Members, their crews and their families. It's the big night when all the prizes are awarded and next year's Fleet leaders are selected. Incidentally, a couple of real hot Snipes are on the market (their skippers have ordered new ones) and now is the time to get a real buy and be part of the fleet next year. The Competition and camaraderie are tops.

## S.O.I. BOWLING LEAGUE

With opening night under their belts and the pressure easing up a little the second night of bowling went off fairly well.

Circumstances beyond anyone's control exist at the present time, which may tend to change the entire bowling roster, pending a special meeting which has been called.

The reason is that two of our top bowlers, Johnny Mangano and "Moose" Bellino, have been called to the colors as of October 5.

We wish to extend our well wishes to these boys, as they have been

an inspiration to those around them, and their return will be looked forward to by the entire S.O.I. organization.

Until the situation is clarified we will forego the policy of posting the team standing, until a ruling has been passed down, regarding less of any ruling the averages will be maintained.

Top six bowlers:  
Babe Tofari 106.7  
Tony Saraco 100.0  
Richard Bucci 99.7  
Joe Berardi 99.3  
Bob Fiore 98.0  
Choppers Gangi 96.8  
Unfortunately only three were

able to hit the 300 mark this week, and as it was last year, the battle for the high average looks to be between Tony Saraco and Richard Bucci. I will predict that Babe Tofari and Bob Fiore, a newcomer, will push the two top bowlers of last year all the way!

"Moose" Bellino was stricken ill after bowling last week, but we are happy to announce as this column is being written he is well, and up and around again. It has been rumored that he was poisoned, and is also rumored it was self-inflicted, but regardless, Uncle has cured for all ailments starting October 5.

Johnny Mangano, the other buck private, well known for his contributions to society and woman suffrage, has requested that I publicize that he has put his Cadillac convertible up for sale along with his lavender-covered book complete from A to Z.

An urgent matter was overlooked last week, and because of my negligence I received many letters and calls in regard to this matter. So let me say here and now that Hokie, yes Hokie, is bowling again!

I would like to bring you up to date on this person from the time of the banquet to the present time.

May 16, Softball teams picked, Hokie elected captain, coach, manager.

May 17, First game, first play of game, Hokie stricken with severe charley horse of left leg!

June 15, Half-way mark, Hokie back in lineup. First man up at bat, never left batter's box. Severe case of charley horse in right leg.

August 15, Last game. Hokie up

as pinch hitter, carried from batter's box, both legs paralyzed! S.O.I. loses playoffs!

Sept. 13, Bowling season starts. Hokie benched with a boil on right knee and listing heavily on the port side.

Sept. 20, Hokie bowls 96-86-84! A complete report will be made to keep his vast public up to date on his present physical condition each week.

There's an old expression that "the show must go on," and this was proved this bowling night as a great athlete, "Curly Locks" Chic Vespucci, though in excruciating pain in his bowling hand, which was completely bandaged, still bowled not to let the team down. Your scribe has authentic proof that it was a severe superficial wound contacted at his place of employment. Enough of this!

In closing, it is wonderful to see that the boys are having a fine time and it has been that way for as many years as I can remember.

The night isn't complete without an award, and the winner this week is Corregidor Fiore.

See you next week.

## PEE WEES WON OPENER

The Winchester Pee Wee football team journeyed to Medford Sunday to open their season with a win.

The Winchester youngsters won by a score of 20-13.

Bob Benacasa scored twice for the victors and Barry Johnson scored once. Benacasa played a brilliant game both offensively and defensively. Kent Parrot quarterbacked one team to the win using Benacasa, Johnson, and Brink in well mixed play that kept Medford off balance.

Billy Riley played a superb game for Medford which lost the game despite his two touchdowns and many brilliant runs.

At center for Winchester were Ed Masi, Bruce Howes, J. Burroughs and Punk Young. Ends were T. Root, D. Brink, D. Swanson, R. Wild and William Schneider. Backs were B. Johnson, R. Bonacasa, K. Parrot, H. Lewis, B. Kelleher and W. Gay.

## ENROLLED AT BROWN

Timothy M. Hennessey, son of Mr. and Mrs. Paul T. Hennessey of 21 Clearwater road; Alan W. Osborne, son of Mr. and Mrs. Warren B. Osborne of 120 Forest street, and John A. Tisdale, son of Mr. and Mrs. Everett A. Tisdale, 15 Jefferson road, are enrolled as freshmen at Brown University.

Hennessey and Osborne are former Winchester High School athletes. Hennessey is participating in football and track, and Osborne in football and Cross Country. Tisdale prepared at Governor Dummer Academy.

## Indians Lose Gridiron Opener

An alert, hard-hitting Concord High eleven handed Winchester its first opening-game defeat in a year in a resumption of the Middlesex Football League last Saturday afternoon on Manchester Field, 25-13. A fleet-footed fullback named Flanagan scored three touchdowns for Concord, carrying the ball nearly every other play, and was the difference between the two teams.

Winchester had nothing offensively to match Flanagan, but in fairness to the local backs it should be said that seldom did any of them get a chance to get started, so completely did the Concord forward wall outplay the Indians' line. What the local runners could have done once past the line of scrimmage no one had a chance to find out, for generally the Indian ball carriers were stopped at, or behind the line of scrimmage.

Concord made 12 first downs to 6 for Winchester, rushing for 277 yards while limiting the Indians to 97. The Patriots threw six forward passes, completed three for 14 yards, recovered their only fumble and lost 30 yards in penalties.

Winchester completed two of six passes for 43 yards and had one pass intercepted for a touchdown. Two other effective passes were nullified by penalties. The locals lost 25 yards in penalties and fumbled four times, recovering three times.

The real story of Winchester's defeat lay in Concord's superior blocking and tackling. Especially was the Indians' blocking poor, and there were several times when Winchester plays failed to go a long way, if not for scores, because a key block was lacking.

Concord seemed much further along than Winchester in all around development and the Patriots played with much more fire than the Indians manifest.

A crowd of perhaps 4000 saw the game, and because of the great success enjoyed by recent Winchester teams, a great many left the field feeling Winchester was pretty futile.

The Indians were far from impressive, but no one acquainted with the local picture expected a finished performance by Winchester last Saturday in view of its losses by graduation last year.

Concord kicked off to the Concord 12, and the Patriots advanced to the Winchester 24 where the locals stopped Flanagan a yard short of first down.

Winchester couldn't go, and Russo kicked to the Concord 38. The Indians stopped Concord, and Gilman kicked to Chapin at Winchester's 23.

Taking the ball on the run, big "Jaw" cut to the sidelines and set sail for the Concord goal line, getting a key block at mid-field and another about the Concord 20.

Cutting diagonally across the field, Flanagan threw himself at Chapin at the Concord 10, but bounced off the big Winchester boy without breaking his stride. Chapin went all the way to score, and added the extra point on a surprise pass to Bergquist, to put Winchester ahead, 7-0.

Following the kickoff Concord, with Flanagan doing the bulk of the carrying, moved the ball from its 34 to the Winchester 27, where two passes fell incomplete and Winchester took over.

An offside nullified a 15 yard pass from Chapin to Flaherty for Winchester's first offensive gesture, and on fourth down Russo, attempting to kick, fumbled the pass, and then unsuccessfully tried to hit a team mate with a forward pass.

Concord took over at the 25, and Flanagan and Gilman advanced to the nine, from where Flanagan circled Winchester's right end to score standing up. The try for extra point from placement was wide and the half ended soon afterward.

Winchester, in the first half, made eight yards on the ground

and lost eight for a net gain of nothing at all. The Indians did better the second half, but so did Concord.

Winchester stopped a Concord thrust in the third quarter at its nine, and then despite losing a pretty pass from Chapin to Murphy for about 20 yards because of an offside penalty, moved the ball from its nine to its 35.

Here Winchester lost five yards for delaying the game, and from the 13 Crawford sprinted out to the left for the score, a desperate lunge just failing to knock him outside at the goal line. Evans bucked for the extra point, and Concord led 25-7 with little time left to play.

Both Winchester and Concord had second stringers on the field and Flaherty ran the kickoff back to his 28. Bartlett picked up three, but a 15 yard gainer by Longworth was nullified by a clipping penalty, putting the ball back at the Winchester 35.

Longworth, however, hit Thomson with a pass for a first down at the Concord 45, and then Longworth got away to the Patriot's 24 for another 1st down.

Longworth again found Thomson with a pass and "Doug" rammed his way to the Concord goal line, from where Longworth sneaked over. A pass for the extra point from Longworth to Thomson failed when the Winchester boy slowed up to avoid hitting a little girl who had wandered onto the field. The summary:

THOMAS G. GORMAN

### NEW MANAGER FOR WEEI

Tom Gorman has been named General Manager of WEEI in Boston, it was announced on September 12 by J. Kelly Smith, Administrative Vice President of the CBS Radio Network. Mr. Gorman succeeds Harvey J. Struthers, who becomes Manager of WHCT-TV, Hartford, Conn. The appointment becomes effective immediately.

Mr. Gorman has been Sales Manager of WEEI since September 12, 1955, a year to the day from his new appointment. Prior to that he was account executive with CBS Radio Spot Sales in New York.

The new General Manager received his first experience in radio with WOR-New York, where he was an account executive. Mr. Gorman joined WBSN-New York in the same capacity in June, 1952, moving to CBS Radio Spot Sales in December, 1952.

A native of Bronxville, New York, he is a graduate of Princeton University and also attended the Graduate School of Architecture there. In 1942 he enlisted in the Army and served for four years, getting his discharge in 1946, as Captain in the Corps of Engineers after duty in the ETO.

Mr. Gorman is married and currently resides in Cohasset.

### ST. MARY'S MR. & MRS. CLUB

The first regular monthly meeting of the St. Mary's Mr. and Mrs. Club will be held Wednesday evening, October 3.

The business meeting will start immediately at 8:15 p. m., after which there will be entertainment with Billy Baxter doing the calling for the "Barn" Dance; so wear your comfortable shoes and don't be late.

With the following entertainment chairman and their committee, you may be assured of a most enjoyable and interesting evening:

Chairman, Chris and John McDonald  
Committee: Rita and John Dwyer  
Jeanne and Gil McEwan  
Dot and Warren McKenna  
Norman and Bob Schell  
And, as we all know, one of the highlights of these meetings is the refreshment period. At this first meeting of this season the refreshment committee will be headed up by Helen and Dick Hegarty with the following assistants:

Please. Let's all try to be at the meeting promptly at 8:15 p. m. See you Wednesday.

### W. D. N. A.

We would like to correct an error in last week's Star in the report of the first fall meeting of the board of the Winchester District Nursing Association. It was not the "registration" but rather the resignation of Miss Alice B. Petersen that the board accepted with such regret. Miss Petersen has served the Association with great faithfulness and ability for eighteen years. It is with the sincerest regret of all members of the present board as well as many who have served on previous boards that Miss Petersen's resignation has been accepted.

See our line of Eaton's fine writing paper. Winchester Star, Star Building, 3 Church street.

### CONCERT OF AMERICAN SONGS

A rare treat was enjoyed by the music lovers who flocked to Mrs. Stanley Cooper's on Cambridge street Thursday evening. The concert by Helen Walker, soprano, and Esther Cooper, pianist, given for the benefit of the Church Home Society and repeated last evening because of limited space the first night, proved to be one of the choicest musical events that Winchester has seen for a long time.

The songs were a perfect blending of lovely poetry and poetic music, where each seemed to have been created for the other, and neither was either leading or following.

Helen Walker's lovely voice is clear and vibrant and exquisitely true. Her high tones are rich and sweet, and her low ones are full of warmth. She can interpret many moods: the languor of a hot summer hillside ("Blackberry Hill") or the thrashing of a willow in a winter storm ("Willow in My Garden"); a humorous yet touching understanding of Adam's plight ("Yes, Lord") or a deep surge of feeling in the "Ceaseless Wave" which carries God's love from shore to shore. She has an easy range of volume, from the softness of a lullaby ("Did a Great Bell Ring?") to the magnificent grandeur of a triumphant "Maytime entrance into Heaven itself" ("Let It Be May"). She always sings as if she loved it, with a friendly manner of including her audience in her enjoyment, which, coupled with her lovely appearance, is thoroughly delightful.

Esther Cooper, who not only played all the music but also composed it, is a musician of extraordinary ability. There is no sameness to her music. She can move from the gaiety of a bright April morning ("Another April") to the tragedy of renunciation ("Why Must I Dream?") or from the simple sketch of a little Negro boy dreaming of Heaven where he hopes to have a "Silver Horn" and a robe to wear, all the way to the impassioned love song ("Enough") or the crash of a great wave against a cliff ("O Ceaseless Wave"). Each composition is so completely an interpretation of the poem, that it becomes a part of it. And Mrs. Cooper's exquisite touch, her lovely fingers almost seeming to caress the piano and make it sing too, created a feeling of oneness with the voice which is hard to describe.

The poems were written by several people, two by Helen Walker, one by Esther Cooper, one by Sara Teasdale, and the rest by Helen Williams. Esther Cooper's interpretive music made with each of them a complete and harmonious whole. Thus originated material worthy of the finest artists, and consequently a program of remarkable beauty.

Following the concert, Mr. and Mrs. Cooper invited the audience to remain for a social hour and refreshments, which made a delightful ending for the evening.

The program follows:

### COMMUNITY CHEST POINTS TO BOY SCOUT BENEFITS

(Second in a series of six articles on Red Feather benefits to Winchester)

Boy Scouting is one of the worthwhile youth programs which the United Nations Services helps to keep functioning in Winchester and other suburbs as well as in the city. Although the individual troops are self-supporting, Red Feather funds meet a large part of the administrative costs of the Fellsland Council, which supervises Scout activities for 2500 boys in Winchester and four neighboring towns, from its headquarters on South Border road. The Red Feather campaign begins Sunday, October 21.

Scouting is firmly rooted in Winchester's busy junior civic life, with 400 Cub Scouts, 250 Boy Scouts and 10 Explorer Scouts participating. Besides, or perhaps because of, what Scouting does for a boy in the way of character-building, it does a great deal for the community. Last year Winchester Scouts participated in the national conservation good turn by planting tree seedlings and building anti-erosion soil projects. This year's good turn is to assist the Freedom Foundation in getting out the vote through a poster campaign. Locally, Scouts help the Winchester Hospital by cleaning up the grounds at regular intervals. They stand ready at all times to help other organizations, such as Civil Defense, with every kind of distributing or collecting project, except fund-raising.

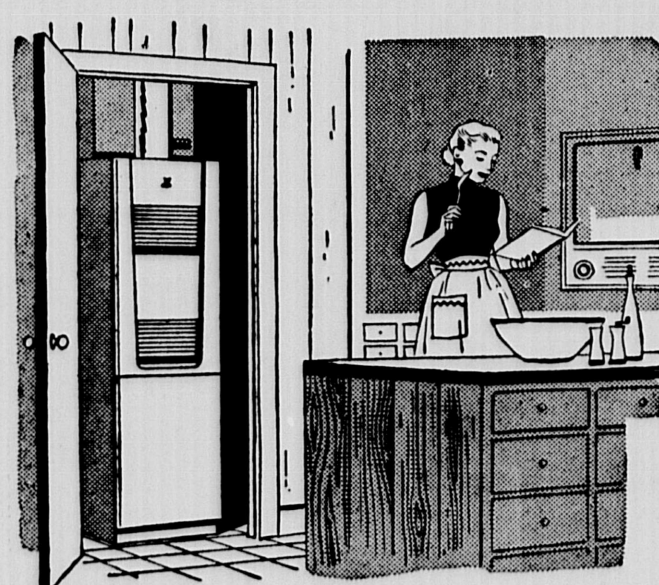

All Scout units are led by adult volunteers and are set up through sponsoring organizations, such as churches, lodges, schools or veterans' groups. Bruce E. Stewart, executive director of the Fellsland Council, explained here recently. The sponsoring groups may give their own awards in addition to official scout awards, and in other ways lend their characteristics to their troops, but it is up to the coordinating council, with its trained professional staff, to see that the broad policies of the Boy Scouts of America are carried out. The Council finds and then coaches sponsoring organizations where new units are needed, and helps to find and train leaders, develop interesting and worthwhile programs, and provide equipment. Its headquarters is a constant source of advice and information for existing units and leaders and a reservoir for membership and advancement records.

### SO MUCH for SO LITTLE

Into each prescription goes the scientific research that discovered and developed the ingredients. In it, too, are the manufacturing "know-how" that produced the drugs at moderate cost... the knowledge of the physician who wrote the prescription... and the skill of the pharmacist who compounded it. The real "miracle" of modern medicine is that so much goes into your prescription at so little cost to you.

ords. One of Fellsland Council's most important jobs is the administration of the summer camp in Amesbury, one of the finest Scout camps in New England.

The Council's professional staff, two executives and a secretary, is the same size as it was when organized 30 years ago, but it now serves more than twice as many Scouts. Besides camp fees, the Council also receives funds from sustaining adult memberships and from the proceeds of the Scout-o-rama, the giant Scout exposition put on annually by the boys themselves. However, without the broad base of community support through the Red Feather Campaign it would be necessary for the Fellsland Council to curtail the services it now gives to the Boy Scouts of Winchester, Medford, Woburn, Stoneham and Burlington.

### NEW WASHER FOR HOSPITAL

FORD FOUNDATION PROVIDES MUCH NEEDED IMPROVEMENT

One of the reasons that the Ford Foundation Grant to the Winchester Hospital is so welcome is now on view in the Hospital Laundry. It is a big shiny stainless steel \$5600 washer, standing 7 feet long and 4 feet high. It is a "Troy Electro-manual Slide Out Washer" of 225 pounds capacity, very efficient to operate and easy to unload.

In the deciding to buy this equipment to replace a thirty year old machine, Mr. John Connors, manager and Mr. Harlan L. Paine, Jr., administrator made careful studies. The laundry processes 20,000 pieces a week, including 2500 sheets per week and 700 diapers a day. Each patient uses 13 pounds of linen per day. It was found that by operating its own laundry the Hospital's cost to the patient for laundry is kept at a minimum.

Efficiency is higher than ever in the Laundry, thanks to the Ford Foundation Grant.

The homes to be opened this year include those of: Mr. and Mrs. James L. Jenks, Jr., 12 Myopia road; Mr. and Mrs. Hiram F. Moody, 85 Arlington street; Mr. and Mrs. John A. Sulmonetti, 21 Swan road; Mrs. Donald Belcher, 64 Old Mystic street, Arlington; Mrs. Franklin A. Flanders, 10 Bacon street; Mr. and Mrs. A. R. Gunnar Brink, 33 Samoset road.

The Committee for the Tour is as follows: Co-Chairman, Mrs. W. B. Hersey and Mrs. Martin Swanson; Tickets, Mrs. P. Russell Thompson and Mrs. Philip Marvel; Hostesses, Mrs. Emmone Ellis; Flowers, Mrs. Hazen Ayer; Mrs. Adin Bailey and Mrs. Joseph Dolben; Publicity, Mrs. Sears Walker.

Miss Judy Fowler was the recipient of the scholarship for this year.

### TO TEACH AT PEESKILL

Howard Moore, Headmaster, Peeskill Military Academy at the opening of the Academy's 124th year of operation takes pleasure in announcing the addition to his staff of Lieutenant William S. Nichols, USMC, of Winchester.

Lieutenant Nichols, son of Mr. and Mrs. Loring P. Nichols of 31 Winslow road, holds an A.B. degree from Dartmouth College, and did graduate work at Boston University.

He is a former Winchester High School football star, playing tackle on John West's championship team of 1946.

### TUFTS WORKSHOP

A workshop in technical writing begins Tuesday evening, September 25, on the Tufts campus, administered by the Tufts University College of Special Studies. It is announced by Dean Richard A. Kelley. It will be directed by Dr. Paul H. Flint dean of the Graduate School of Arts and Sciences and former president of the Society of Technical writers.

The workshop will meet Tuesday evenings from 7 to 9:30 p. m., and will continue for a 15-week period. It may be taken for academic credit or for a certificate.

Students may enroll at the opening of the first or second meeting

of the class, or in advance by registering with Dean Richard A. Kelley, of the College of Special Studies, Tufts University.

### ST. MARY'S SODALITY

The solemn opening of St. Mary's Sodality will take the form of a Holy Hour on Monday evening, October 1st, at 7:45 p. m. in the lower church.

A banner attendance is expected to begin the year of devotion to Mary, the Mother of God. Communion Sunday will be as in the past years, the third Sunday of each month.

## NEW DIRECTOR AT EPIPHANY

Mrs. W. E. Austill of Wellesley has assumed her duties as director of Christian Education at the Church of the Epiphany. In this position she will have charge of all educational and youth programs in the parish. Mrs. Austill has had wide experience in many fields; director of summer camps for 12 years, including six years for the New Haven Hospital in connection with the Yale Institution on Human Relations and Dr. Gesell; program director of Y. M. C. A. at Silver Bay; director of Boston Friendship Tours; religious education director at the Central Presbyterian Church in Denver, Colorado; and St. James Episcopal Church, New York City; while in Japan with her husband (then an army chaplain) she organized and conducted two world tours. Mr. Austill is now the Protestant chaplain at the Veterans Hospital, Jamaica Plain. Her son Stephen is minister-in-charge of St. Anne's Church, North Billerica. Another son is in charge of the dormitories of the University of Chicago and working on his PhD in Education.

## LWV NOTES

Federal Loyalty-Security Programs will be the topic of discussion at the first general meeting of the Winchester League of Women Voters. Delegates to the league's national convention last spring felt that this subject was so interesting and so vital that they voted for it as one of their two topics of study at the national level for the next two years.

The meeting will be held at 2:30 on October 3 at the home of Mrs. James G. Baker at 7 Grove street.

Don't forget to register!—Last day, October 5, 8:30 a.m. to 10 p.m.

## APPEALS FOR SICK ANIMALS

The Massachusetts Society for the Prevention of Cruelty to Animals, 180 Longwood avenue, Boston, yesterday appealed to all animal lovers for discarded blankets and cotton cloth, to be used in the cages of its Angell Memorial Animal Hospital. Society officials made the following statement: "It has been called to our attention that the present supply of blankets and cloth is nearly exhausted, and we find it necessary to replenish our needs if we are to provide maximum care and comfort for the many animals that are brought to us daily for hospitalization. This is particularly true in the Macomber Ward, where distemper cases are treated and where bedding must be constantly refreshed."

## FILENE'S CHARITY DRIVE

Filene's will open 15 minutes later than usual on Saturday morning, September 29, in behalf of a good cause. The store, which normally opens its doors at 9:15 will suspend business while its employees hold an all-in-one charity meeting for the benefit of the Red Feather Drive, from 9 to 9:30 a.m. There will be a speaker and entertainment at the rally which is headed by several of the employees. They are hoping for a 100% record of donations from the store. Donations will be collected by an employees' payroll deduction plan. Girl Scouts will be at the entrance of the store for the half hour, and any customers who wish to enter the store will be admitted while the rally is in progress.

## ANNOUNCING

## THE LEXICON CENTER

A Cultural Institution with a Modern Approach

The world is shrinking. Intercontinental traffic is fast and heavy. Individuals trapped behind language barriers are becoming provincial. The child of tomorrow who is not a linguist will be underprivileged.

Scientific tests reveal that our national aptitude for language is high—G. I.'s all over the world have proved it through speedy fraternization. Yet, many Americans have developed a mental block in this respect. Why?—Our deficiency has multiple roots: a misguided attitude and lack of interest; fear of ridicule and of painful effort; inadequacy of facilities; and lack of opportunity to practice.

The Lexicon Center is a scientific experiment to overcome these handicaps. Ample cultural material will be correlated with possible trips abroad, to stimulate interest. Classes will be kept small,

to insure individual attention and painless performance. Facilities will present daily opportunity to read foreign newspapers, periodicals and books; to listen to foreign records with HI-FI equipment; to make individual tape recordings; and to converse with fellow linguists.

The first year, classes will be given in French and Spanish, at elementary, intermediate and advanced levels. Italian, German and Russian will be added subsequently, in accordance with public interest. Fifty-hour courses, in two terms, will run from November to June. Minimum fees will compare with those of sponsored adult education centers in Cambridge and Boston.

The Center will be open to members daily, with facilities of special interest to the following groups:

1. Students enrolled in courses anywhere, who seek daily practice.
2. Parents of language students, who want to make this cultural pursuit a living, family project.
3. Individuals planning to go abroad, who would double their enjoyment and experience.
4. Foreign nationals, competent linguists and language teachers eager to preserve their cultural advantages through active association.

Annual membership fees will be nominal. The Lexicon Center will be directed by Normand R. Cartier, of Lexington. Professor Cartier holds an A. B. degree from Assumption College, Diplomas from the Sorbonne and the Institut de Philosophie Internationale, Paris; A.M. in Education, Teachers College, Columbia; A.M. in Romance Languages, Harvard; PhD in Romance Philology, Harvard. Years of foreign study took him to France, Switzerland, Germany, Italy, Spain and Mexico.

His professional experience is extensive. Before World War II, he was head of the French and Spanish Departments at Marymount College. Since 1946, he has served in various capacities at Harvard University: Instructor in French and Spanish; Coordinator of Romance Language Instruction; Department Advisor to A.M. candidates in the School of Education; Assistant Professor in Romance Languages and Literatures; Member of the Committee on Educational Policy; Senior Tutor and Advisor in the Department of Romance Languages. He is also a member of the Modern

Language Association and of the Mediaeval Academy of America. For three years, he has been in charge of the Harvard University Extension course in Elementary French, and is thoroughly familiar with the special problems of language study for adults.

A two-time veteran, Professor Cartier interrogated enemy spy suspects as a Special Agent of the Counter Intelligence Corps, with the spearhead, from the Normandy beaches to Leipzig, Germany, in World War II. During the Korean melee, he was recalled as reserve officer, to teach and to write a manual at Counter Intelligence Corps Headquarters.

The Lexicon Center will be located, temporarily, above the Lexington Savings Bank, 1774 Massachusetts Avenue, within minutes of the Battle Green. A brochure will be available shortly, upon request. Schedules and further notices will be published later. Inquiries may be addressed to the director, 41 Somerset Road, Lexington—V01unteer 2-0427.

—AT THE BLOODMOBILE ON MONDAY, OCTOBER 8, AT THE PARISH HOUSE OF THE FIRST CONGREGATIONAL CHURCH.

## M. S. P. C. A.

The Winchester Branch Auxiliary will be very fortunate at its first meeting this fall in having for the speaker Dr. Eric H. Hanson, the president of the Massachusetts Society for the Prevention of Cruelty to Animals; affiliated with and a part of this society is the American Humane Education Society.

Dr. Hansen will tell us much of the work of both the societies. He has not been to Winchester for several years; we all will be looking forward to the meeting day, October 11, Thursday, at 2:30 p. m. at the home of Mrs. Frederick Cardin of 8 Copley street.

It is twenty-five years this October since the first group of Winchester women held a gathering to plan particular humane work here.

A great deal has been done during these years; there is a never ending need along these lines, and the scope of possibilities for us to do more is ever before us.

We will gladly welcome prospective new members and visitors. The group must continue to grow, and efforts in the direction of Humane Education can be very far reaching. Remember the date and come.

## LINCOLN SCHOOL DADS' CLUB

There will be a general meeting of the Lincoln School Dads' Club in the Lincoln School Auditorium on Monday, October 8, at 7 p. m. A delicious roast beef dinner will be served at that hour and plans for the coming year will follow. New officers will be elected.

Since there is a large enrollment at the Lincoln School this year, we look for 100% participation by the dads. A cheerful evening is promised. In fact, there is a lot of fun in store for the coming year for those interested in making life pleasant for our children. So, come on, Dads, let's get together in this common cause.

We hope to have Dr. Harry Gilson, superintendent of schools, and Mickey Mouring, athletic director, on hand, and maybe they can be persuaded to give short talks.

By the way, in case you don't receive a notice from school by way of your child, to be returned advising us of your intentions, then telephone Charlie Buchanan at Winchester 6-1506-R, or Charlie Merenda at Winchester 6-3123.

## WILLIAM A. DURANT

William A. Durant, former clerk in the office of the Street Commissioner of the City of Medford and a veteran of World War I, died Saturday evening, September 22, at his home, 24 Symmes road, after an illness extending over two years.

Mr. Durant was the son of John M. and Clara (Emerson) Durant. He was born December 30, 1894, in Medford, and grew up in that city, attending the Medford schools and graduating from Medford High School. For 25 years, until ill health forced his retirement, he was clerk in the Medford Street Commissioner's office. A veteran of World War I, with service as a sergeant in the infantry, he was a member of Medford Post 45, the American Legion; and of St. Joseph's Holy Name Society of Medford.

On October 19, 1940, Mr. Durant married Ann Elizabeth McKenzie of this town, who is his only survivor.

The funeral was held Tuesday morning from the late residence with solemn requiem high mass celebrated at St. Mary's Church at 10 o'clock. Rev. Martin J. Dolphin was celebrant. Rev. Samuel J. Mathews, S.S.J., pastor of St. Richard's Church, Roxbury, was deacon, and Rev. James Walsh, M.S., of Altamont, N. Y., was subdeacon. In the sanctuary were Rev. Thomas F. Ferris, pastor of St. Monica's, Methuen; Rev. Thomas Conlon, pastor of St. Margaret-Mary, Westwood; Rev. John Manion, pastor of St. Mary's; Rev. Samuel Lombard of St. Monica's, Methuen; Rev. Joseph P. Mahoney and Rev. Lawrence Doyle, both of St. Joseph's, Medford.

Military honors were accorded by the Medford Legion Post. A firing squad from Fort Bliss fired three volleys at the committal service in Oak Grove Cemetery, Medford, and taps was blown by a bugler.

## MRS. MATTIE E. SMITH

Mrs. Mattie E. Smith, widow of Eben R. Smith and mother of Theo W. Smith of 5 Manchester road, died at midnight Friday, September 21, at the Pond View Nursing Home in Stoneham, following brief illness. She was in her 92nd year.

A native of Cambridge, N. Y., Mrs. Smith was born on a farm there, November 12, 1864. She grew up on the farm, moving to Ipswich as a young woman and living there for some years, her late husband having been proprietor of an Ipswich drug store.

Following the death of her husband, Mrs. Smith made her home with her son, coming with him to Winchester in 1920. She was a member of the Ipswich Women's Club and the First Congregational Church. Her son is her only survivor.

Private funeral services were held Monday morning at the Kimball Chapel, 101 North Street, by the Rev. John L. Lobingier, retired Congregational clergyman and neighbor of the deceased, officiating. Burial was in the Smith family lot in Highland Cemetery, Ipswich.

## SENIOR FORUM

The Senior Forum of the First Congregational Church will open its season with a supper meeting in Chidley Hall on the 1st of September 30. Registrations will be received by Bob Kugler, Treasurer, and Bill Emerson, Assistant Treasurer, beginning at 5:30 p. m. At 6 o'clock, supper will be served by a committee of Forum mothers, headed by Mrs. H. Kimball Archibald, and including Mrs. McHenry Browne, Mrs. Lyndon Burnham, Mrs. William Burrows, Mrs. Francis Colclough, and Mrs. Robert Stoffregen.

At the business meeting to follow, Bill Mason, President, will introduce Forum advisers for the year. Committee chairmen will briefly describe the functions of their committees, and opportunity will be given for all Forumites to sign up for committee work. The year's program will be presented in the brochure for 1956-57. An entertaining skit will be presented by the Student Council class representatives: Twinkle Mueller and Hank Schumacher for the Juniors, Sue Mallory and John Curtis for the Sophomores, and Betsey Schaefer and Philip Nichols for the Freshmen.

Dr. Dwight L. Cart will speak on the subject: "What's the Big Idea?" and will officiate at the installation of officers.

At the Winchester Star you can buy dictionaries, slide rules, pocket adding machines, brief cases, zipper notebooks. 3 Church street.

## EDITORIALS

Only slightly more than 35 percent of Winchester's registered voters, 3471 of 9840, took the trouble to vote in the primaries. It is scant wonder that government at all levels is deteriorating in the face of such voter apathy.

The "Oh I don't vote in the primaries but I always turn out for the elections" attitude is no good either, for if the good candidates are not nominated in the primaries, you cannot elect them in the elections.

Perhaps our present primary system is undesirable, as some seem to believe, but while it is the law there ought to be more than 35 percent of the voters in a town like Winchester sufficiently interested to take the short time necessary to exercise a franchise so many enslaved people of the world would be so happy to possess.

We like copy typewritten. It is easier to read and is much more likely to get printed correctly than handwritten matter. Especially is this so with regard to names, where accuracy is particularly desirable. We have only one warning for those who type. Watch your ribbon! Copy typed with a worn-out ribbon is often more difficult to decipher than even slovenly handwritten words.

We have had some pretty bad copy come in to us of late. We have done our best with it, but there can well come a time when we won't be able to devote the extra time necessary to figure out words that are only a little more legible than if typed with no ribbon at all in the machine.

When such a time comes the poor copy will have to give way to the easily legible, and both the Star and its correspondent will lose this way. So-o, you correspondents, write your copy clearly, preferably on a typewriter, or with ink if you prefer. Don't use a pencil unless you have to, and then only if it has a soft black lead that is easy to see.

Remember, the people who set your copy, proofread it and print it do not know what is in your mind as you write!

SHOULD BE ACCEPTED  
AS FRIEND

Editor of the Star:

Thousands of times a year, our telephones and doorbells are rung by people soliciting time and money for medical funds and welfare organizations.

Right now it's for the United Community Services (Red Feather) when captains will be making their calls for over 500 solicitors, who will, in turn, make it possible to raise nearly \$60,000.

Nobody really likes to solicit people's time and money. However, some accept it as part of their obligation and responsibility for living in a society and community such as ours. They know full well that some people need assistance, and probably always will, in solving everyday personal problems, even during prosperous times such as we are experiencing today.

We hear, time and time again, how annoyed people get when approached for their time and/or money to support reputable welfare organizations, and how this annoyance is translated directly to the solicitor in terms of unfriendliness, discourtesy and sometimes even abuse. It is hoped that this attitude is reflected through a minority, but why should we hear such comments at all?

The solicitor's work should be appreciated by all of us, and he should be accepted into our homes as a friend and neighbor, whether we contribute or not. It could be that he has accepted a job that we have refused to do; he is doing a job for us.

Many solicitors feel a little uncomfortable about asking for help for somebody else. The least we can do is to be polite when they call regardless of the many drives, or our personal feelings about these drives.

We should be truly grateful that the moneys being raised by many campaigns are to help people less fortunate than ourselves. And although all this may sound trite to many, we should think about it the next time someone calls upon us for help.

Yours truly,  
Robert F. Williams

A MESSAGE  
FROM THE GRINDLES

September 16, 1956  
Editor of the Star:

We wish it were possible to express our thanks individually to those friends who have made our wonderful European trip a reality. But this is not possible, both because of the time required, and the fact that most of them are unidentified to us. Therefore we follow the good old Winchester practice of using the Star as the vehicle of conveying our message to the hundreds of friends whom we wish to reach.

This is written on the balcony of our hotel room from which we have a glorious view of lovely Lake Lucerne, and the snow-capped Swiss Alps not far beyond. Yesterday we had lunch on top of Mount Pilatus. Switzerland is so lovely that it hardly seems real.

We arrived here after a series of most interesting experiences, including a smooth ocean crossing; an automobile trip through rural England; the bright lights of London and Paris; through Belgium to the canals and wind mills of Holland; four days in Germany which included the castles on the Rhine, Heidelberg, and a trip by private car through rural towns and medieval walled cities. Most interesting.

We leave here Monday for Milan, Florence and Rome. From which city we fly to Nice for a few days before returning to Paris. And finally to Le Havre where we embark on the Mauretania October 6th.

Our trip is half over and much as we have enjoyed it so far, we face the last half with anticipation

## MY SINCERE THANKS

To the people of Winchester who expressed their confidence by voting for me in my candidacy for the office of State Senator.

The vote accorded me was most gratifying in my first attempt for State office.

To the many loyal and faithful workers who labored in my behalf, my warmest appreciation.

Congratulations to all who exercised their right and privilege to vote.

## THANK YOU!

Laura B. Tolman, chairman of the Second Congregational Church wishes to extend her sincere thanks to all those individuals, organizations and florists who filled the mission hamper with such beautiful flowers at the station Tuesday. The flowers were greatly enjoyed by those to whom they were sent by the Mission.

EMERALDS OF BEAUTY  
AND LEGEND AGAIN POUR  
FROM COLOMBIAN MINE

In the high Andes of Colombia, 60 miles north of Bogota, the old emerald mine of Muzo once more is turning out the glowing green stones of conquistadors' treasure.

Operated irregularly in recent years, the mine has gone back into full production following discovery of new and valuable deposits.

The finds recall bonanza days of Spanish conquest when the gems of Muzo were snatched home with gold to the monarchs who had struck the New World jackpot. But long before the Spaniards came in the 1530's, says the National Geographic Society, Andean Indians worked Muzo, Somondoco and other sites. They used the gems for personal and temple decoration, and often buried the ornaments with their owners.

From Paris to Persia  
Of the South American emeralds, the Spaniards sent to Madrid, many found their way to Paris and other European capitals. One of the largest chunks was made into a four-inch ointment jar for the Hapsburgs.  
Still other stones reached India, Turkey and Persia to become the property of Oriental rulers. A 75-carat gem, now in a diamond-studded brooch, once served as belt buckle for the Turkish sultan Abdul Hamid.

A much larger green crystal was carved into a cup said to have been given by his favorite wife to the Mogul Emperor Jahangir. Jahangir, the story goes, was a heavy wine drinker. His wife, noting the capacity of his golden goblet, persuaded him that the "Conqueror of the World" should drink from the more valuable, unusual—and smaller—emerald cup.

Although Colombia has yielded the world's finest emeralds for the last four centuries, the jewel itself is one of earliest history. It is mentioned in the Bible, and in 4,000 B.C. was sold in Babylon markets.

Emeralds for Cleopatra  
Upper Egypt, near the Red Sea, was an ancient emerald source. Greeks worked this region at the time of Alexander the Great, and Cleopatra obtained many stones there. From one of its mines may have come the green crystal that Nero reputedly gazed through in watching gladiatorial games.

Other countries that have produced lesser emerald ores include Russia, Norway, Austria, Burma and Australia. About 1875, minor emerald deposits were discovered in Alexander County, North Carolina.

Emeralds are a variety of beryl, a mineral that has new significance today as the source of strategic beryllium. The brilliant green color of the emerald is due to traces of chromium. Another impurity, causing sea-blue tints, creates aquamarine.

Emeralds are relatively soft when first mined and are seldom found without flaws. But carat for carat, those of high quality sell for more than diamonds.

Tradition birthstone for May, the emerald was once prized as a charm to ward off evil, restore health, bring wealth, and soothe tired eyes. To lose a stone from a

setting was a sign of personal loss to come.

Modern techniques now produce synthetic emeralds that closely resemble the natural crystal. One such process was developed in Germany before World War II. More recently an American research chemist has "cultured" emeralds that are chemically and physically similar to nature's product. Experts, however, can detect differences through microscopic examination. Another more extravagant test is to subject specimens to intense heat. The synthetic stone remains undamaged, it is said; the genuine cracks, a high price to pay for the knowledge.

CAMEL NUMBERS GROW  
IN WORLD'S DESERTS

In a mechanized age when tractors supplant horses and mules, the number of camels keeping growing.

A recent United Nations estimate of 9,700,000 "ships of the desert" represents a significant increase in world camel population—24 percent above prewar times, or five today for every four camels in 1939.

Though one of nature's most ungainly offspring, camels have largely made possible human existence in the deserts of Mongolia, Arabia and North Africa, the National Geographic Society says. Their outstanding asset is the ability to forego water on long heat-ridden journeys.

No Built-in Tanks  
The camel does not carry water in his hump, as one unfounded legend would have it. The hump is a mass of fat. Nor does the desert freighter have special water tanks in its stomach. An ability to conserve water in the body tissues essentially accounts for the camel's thirst-defying reputation.

Despite prodigious labors, the camel's contributions are generally made under protest. Gifted with sassiness, he often kicks or bites while being loaded, and is apt to spew his cud at bystanders. He even displays a dislike for his own kind by refusing to yield right-of-way when meeting another upon narrow trails. Experienced camelers occasionally give the beast their clothes to maul as a release for his anger.

Famed in history and a mainstay of the circus, the camel matches the lion and elephant as an animal familiar to millions. Its trademark is the hump, but other distinguishing features are its pop-eyes, the goose-shaped neck and loosely-hung legs. Long lashes and overhanging lids protect the eyes from desert sun. Nostrils close tightly when sand blows.

Tough knee pads protect the beast when kneeling for loads. Board-cushioned feet prevent the heavy creature from sinking in deep sand. The yellowish teeth are efficient: the camel is credited with eating blankets, bones and leather, among other things.

The common Arabian camel, topped by one hump, may be of several colors—brown, white, gray, sandy buff and occasionally black. The two-humped Bactrian type is often of a dappled brown color. The Bactrian has existed both wild and tame since prehistoric times in Chinese Turkistan and Mongolia. The two-humped beasts carried supplies for the Red Chinese armies during the Korean War.

Mischiefous Progeny

Australia imported more than a score of camels during the mid-19th century for the use of explorers and subsoil traders—and later wished it hadn't. A few years ago, several hundred of their wild progeny were roaming a wide northern area of Western Australia, wrecking windmills, sheep-and-cattle water-troughs and fences. Farty of them once blundered into a fence, dragging it half a mile before exterminating themselves.

But for other desert lands around the world the camel is no nuisance. Arabs make tents of camels' hair and drink camels' milk. The skin makes tough, useful leather and the hard bones offer a substitute for ivory. The grotesque camel may not inherit the earth, but it is a ready savior over much of its sandy spaces.

**NEW DIESELS FOR B & M**

The Board of Directors of the Boston and Maine Railroad at their meeting today in Worcester, Mass., approved the purchase of 50 new diesel locomotives and elected Maurice A. Traverse of Chestnut Hill a member of the Board.

This purchase of locomotives costing nine million dollars, consists of 50 all-purpose 1,750 horsepower diesels of the latest type and makes a total of forty-four million dollars spent by the Boston and Maine for new equipment since the new management took over the road under the leadership of President Patrick B. McGinnis. The new equipment consists of roller bearing freight cars, locomotives, air-conditioned Budd Highliner passenger cars, Talgo trains, and the latest type of piggy back equipment.

The election of Traverse to the Board of Directors fills a vacant position on the Board. He has been in the radio broadcasting industry all of his business life and has been an executive of the Yankee Network for the past twenty years.

He attended Boston English High School and Northeastern University. He is married and has three children and is a member of the Blue Hill Country Club, The Boston Club, and the Radio and T.V. Executive Club.

### WOMEN'S LEAGUE FIRST BAPTIST CHURCH

The Women's League of the First Baptist Church will meet in the Social Hall Thursday, October 4, at 1:15 p.m. Mrs. E. D. Littlefield, president of the league, will preside at the business meeting.

Mrs. Lewis W. Williamson of the Trinity Baptist Church of Arlington will present a monologue on India. Miss Daisy Smith will have charge of the devotions. All members and friends of the league are cordially invited to attend the meeting as well as a luncheon served at 12 noon. Mrs. H. Stanley Kinsley is luncheon chairman.

There will be White Cross Sewing at 10 a.m. with Mrs. Paul L. Eaton in charge.

### WINCHESTER MORNINGS

It was a stimulated audience that left the Music Hall last Thursday at the close of the Wellesley Club's first Mornings lecture. Certainly a livelier speaker than Prof. Barbara McCarthy of Wellesley would be hard to find, or a subject more absorbing than her story of the Elizabeth Barrett letters.

As a professor at Wellesley Miss McCarthy had been familiar with the college's rare collection of Elizabeth Barrett papers. It was the chance remark of a colleague that aroused her serious and deeper interest in the collection, those letters exchanged between the poetess and the blind scholar of Greek, Hugh Boyd, in particular. As a professor of Greek, Miss McCarthy was keen to learn more of Miss Barrett's knowledge of the classics. Her letters, with their literary allusions to the Bible, to Greek and English writings, their astute political comments, were a liberal education in themselves. Yet as Miss McCarthy read, the personality of the poetess began to overshadow their common interest in the classics. Elizabeth's problems, her environment, her family were so engrossing, Miss McCarthy decided to publish the letters. Then her own problems really began. (Her book, "Elizabeth Barrett to Mr. Boyd" was published last fall.)

Establishing an accurate text from Elizabeth's crumpled and confusing script made Miss McCarthy detective, historian, traveler in turn, roles she played with lively imagination. She is perhaps the first person since 1850 to read all of Hugh Boyd's dusty words in the British Museum. Such thorough research enabled her to correct mistakes of previous scholars. For example, in one letter Elizabeth describes the visit of royalty to the famous Barrett showplace "Hope End." A reference here to the "Duke of Luper" becomes Miss McCarthy's more accurate "Duke of Sussex."

The second in this series of Mornings, given for the benefit of the Winchester Scholarship Foundation, the Wellesley College Student's Aid Society, and Development Fund, will take place at the Music Hall on Thursday morning, October 4. Mrs. Ralph Jope will introduce Mary Craig McLane of the Beaver Country Day School and Theodore Wood, Associate Prof. at M.I.T., in a program of American and European Folk Songs.

Mr. Wood has studied American folk songs as a hobby and learned quite informally how to play the guitar.

Mary McLane has traveled considerably around Europe, learning the songs from many countries. To her there is great meaning in music as an international language. She writes: "Mr. Wood and I both play the guitar, singing sometimes alone, sometimes in duet. . . always striving to create the mood of the song, not a concert performance." They both feel that folk songs reflect very dramatically the life and ideals of the country they represent.

Who can resist one of the now-famous Methodist Couples' Club Smorgasbord Dinners? Everyone will be welcome on Tuesday, October 2, when the delicious array of foods will be laid out sharply at 7:00 p.m. A "juice 'n' chat" hour will precede the dinner by a half hour where new folks may have an opportunity to get acquainted and "old timers" in the club will catch up with the summer doings of friends.

Outstanding entertainment is in store this month when Mr. Kenneth Crannell of Emerson College will present "The Hasty Heart," and a business meeting will also take place at which time the program for 1956-57 will be presented.

### METHODIST COUPLES' CLUB

### U. N. DAY COMMITTEE

The greatest responsibility to promote world understanding lies with leaders and teachers of children and young people. For that reason the committee for the observance of United Nations Day in Winchester was particularly anxious to secure the cooperation of the schools and youth organizations. They were therefore gratified to learn at their meeting on Tuesday evening that the principals of the Winchester schools had expressed their unanimous wish to cooperate, particularly on the sixth grade and junior and senior high levels, and that plans will soon be under way.

Other organizations have been equally cooperative. The American Legion Auxiliary has offered to sponsor a cake sale in the near future to help provide a working fund for the committee which is absolutely without funds of its own. With this fund it is hoped that additional materials may be purchased for educational purposes and to purchase U. N. cook books, napkins, Christmas greetings, etc., which in turn can be sold to increase the working capital.

The American Legion and the representative of the service clubs have expressed an interest and are studying the various offerings of the U. N. with a view to making a contribution through the schools. The service clubs hope to have a tri-club meeting on U. N. Day with special observance of the occasion. The League of Women Voters have plans which are awaiting the decision of the school officials. The churches have promised their cooperation and will probably observe U. N. Sunday on October 21. The library will have its usual fine exhibits, and tribute will be paid to U. N. Week by at least three stores who will feature the international aspect in their window displays throughout that week: Filene's, Renton's Market and Mary Spaulding's Book Store. Further plans are in the making, and other groups are pondering the contribution their specialized interests can make possible.

### WINCHESTER MOTHERS' ASSOCIATION

The members of the Central Board of the Mothers' Association would like to clarify a few points of the voluntary insurance program which they sponsor.

First and very important, is the fact that the insured child is covered for 12 months no matter what the length of the actual school year. This school insurance coverage is effective even though the family may also carry other accident insurance. Every child, who participates in or simply attends any school sponsored activity, is fully insured.

This voluntary insurance plan in no way conflicts with the insurance plan for those participating in interscholastic sports, this is sponsored and paid for by the town.

This fall as we start the 4th year there are 3060 pupils enrolled in this insurance program. During the three years that Winchester has had this insurance there have been 106 claims filed and accepted. Those injured have received various amounts totaling \$2,417.00.

Accidents will not be prevented by insurance, only education, vigilance and courtesy can do that. The Central Board, in sponsoring this voluntary insurance program, hopes to provide help to those who through misfortune become the victims of circumstance.

### ART IN CHRISTIAN TEACHING

Winchester church leaders will be interested in a course on "Art in Christian Teaching" to be given at 7:20 during six Monday evenings, beginning next Monday, October 1st. This has to do with the great religious pictures of the ages. The instructor is Miss Norma Crawford of the Division of Education of the Boston Museum of Fine Arts.

This is only one of twenty courses that are being included in the program of the Beacon Hill School of Religion, an interdenominational school for this area, with classes at 6:20, 7:20, and 8:20. The place of meeting is St. Paul's Cathedral on Tremont street, Boston, across the street from the Park Street Subway Station.

Sponsored by the Department of Religious Education of the Council of Churches this is planned for people of all denominations. It is of interest, not only to church school workers, but also to any man or woman who is looking for a better understanding of the Bible, Church History, Christianity in the Far East, child Nature and other subjects. Dr. Forrest Knapp of Winchester is teaching one of the courses on the timely subject, "Religion and Public Education." More detailed information as to the fee and the courses may be secured from any of the Protestant churches of Winchester.

School supplies available at the Star Office, Star Bldg.

### RADCLIFFE AND THE OLD VIC

The welcoming tea held last week by the local Radcliffe alumnae group to honor Mrs. W. Howard Killock, wife of the new Senior High School principal, was a large and happy success. It was also the occasion for an announcement of great interest made by Mrs. James Donovan of Cambridge, President of the Radcliffe Club of Boston, which claims many Winchester members inasmuch as the local group is an official and informal one. Mrs. Donovan previewed a very interesting year's program for the Club and told especially about the plan it has to share with the English Speaking Union in sponsoring the Old Vic Company of London in a performance of "Romeo and Juliet," starring Claire Bloom, on January 14th, at the Boston Opera House. This is a date for Winchester people to note well.

Mrs. William E. Spaulding was hostess at this pleasant social afternoon where many Winchester alumnae and friends, many napkins, Christmas greetings, etc., were: Mrs. Theodore Browne, Mrs. Lynwood Bryant, Miss Alice Main, Mrs. Richard Johnson, and Mrs. Avery Weisman.

### WINCHESTER RESIDENTS AMONG NEW BELMONT HILL STUDENTS

Eleven Winchester residents, the largest number from any town, are among the sixty new boys attending Belmont Hill School this year. According to Headmaster Charles F. Hamilton, the total enrollment of 275 boys at Belmont Hill is the highest in the School's 34 year history.

Enrolled last week for the first time at Belmont Hill were: Charles Carlson of 36 Hillcrest parkway, Form V; William Mitchell, III, of 7 Gardner place, Form V; Christopher Beal of 7 Woodside road, Form IV; Robert R. Dickey of 55 Salisbury street, Form IV; Edward W. Blackwood of 29 Wedgemere avenue, Form III; Gerard Patrick of 1 Ledgebrook, Form III; Andrew B. Cornwall of 57 Grove street, Form II; John F. ## COOPER A DELEGATE

F. Meredith Cooper, head of the Social Studies Department, will be a delegate from Winchester High School, to the Industrial Council, a national forum of educators and industrialists, to be held at Rensselaer Polytechnic Institute, Troy, New York, on October 11, 12 and 13. This session of the Council will study the economic and social role of "The American Securities Business" and its meaning for the national and international scene.

More than 650 social studies teachers from the 48 states will meet with 150 of the industry's executives in the three-day Council forum. Receptions, addresses and informal group discussions will highlight the gathering. Principal speakers will be representative

leaders of "The American Securities Business."

The October session is another step in the efforts of The Council to bring about better understanding between distinguished educators and prominent industrialists about the role that every major industry plays in American life. Social studies teachers form the nucleus of the educators invited because of their role in interpreting the social and economic structure of the nation to the young people of America.

## INSTALLATION BANQUET

Winchester Council, 210, Knights of Columbus will hold its annual Installation banquet on Monday evening, October 1, at St. Mary's Hall, at 7 o'clock. The dinner will be catered and the usual large turnout is expected. Those who have not made reservations may contact Chairman Vincent McCabe, John Mulrean, Bart Conlon, Jack Connors, Jim Goughlin, Jr., Al Barnard, Ed Quill or Richard Fiore.

## YOUTH STRUCK

Peter Provinzano, son of Mr. and Mrs. Frank Provinzano of 31 Lebanon street, was seriously injured Saturday, when he was struck by a car after running onto Swanton street.

He was taken in the police ambulance to the Winchester Hospital, where he was treated for a head injury and a broken leg.

Top Entertainers  
Make Sister Kenny  
Radio, TV Appeals

Minneapolis, Minn.—The 1956 annual fund appeal of the Elizabeth Kenny foundation, with national headquarters here, has received wholehearted support from a select group of the nation's outstanding radio, screen, stage and television stars, according to Marvin L. Kline, executive director.

"Musical Memories," a series of quarter-hour, transcribed radio shows, features such top-name talent as Jaye P. Morgan, Jo Stafford, Peggy Lee, Lauritz Melchior, Mimi Benzell, Peggy King, Gisele MacKenzie, Patrice Munsel, Rosemary Clooney and Sammy Davis, Jr. Old and new songs, with which each singer is identified, are presented in this series.

Another series, comprised of radio "disk jockey cut-ins," has been prepared by Nat "King" Cole, Frankie Carle, Frankie Laine, Ray Anthony, June Christy, Dinah Shore, Lawrence Welk, Frankie Masters and Nanette Fabray.

For use on television, there is a series of one-minute appeals by Richard Kiley, Arthur Kennedy, Jayne Mansfield, Dave Garroway, Tommy and Jimmy Dorsey, Zachary Scott, Joseph Schildkraut, Ezio Pinza, Will Rogers, Jr. and Andy Griffith.

"In their appeal for continued public support, these entertainers cite the need for funds to permit the Kenny foundation to continue its program of medical research now under way at many leading universities and hospitals," Kline declared.

"They also describe the Kenny foundation's continuing fight against polio crippling and its expansion program to extend benefits of the Kenny technique in the rehabilitation of victims of other neuromuscular disorders."

Comic Strip Folk  
Ask Sister Kenny  
Fund Contributions

Minneapolis, Minn.—Several of the country's favorite comic-strip characters are making pleas for generous public support of the 1956 fund appeal of the Elizabeth Kenny foundation in daily and weekly newspapers throughout the nation.

They include Donald Duck, by Walt Disney; Bugs Bunny, Warner Bros. Pictures, Inc.; Lili Abner, by Al Capp; Terry, by George Wunder, and Rip Kirby, by Alex Raymond.

Each cartoon character emphasizes that the Kenny foundation is expanding its treatment and rehabilitation program to include not only polio victims, but those of all ages with other neuro-muscular disabilities.

"The Kenny foundation rehabilitation program for polio patients and those with other disabilities which our medical staff feels may be helped is a complete one," Marvin L. Kline, national executive director, declared. "It strives not only to help patients make physical adjustments, but attempts the solution of problems concerning family, mental outlook, education and ability for gainful occupation."

"Because of its tremendous demands in terms of trained personnel, a program of this nature is extremely expensive and one that will require subsidization from the Kenny foundation which has no source of income other than public contributions."

**BACK STAGE WITH TV STAR:** Contributing to help the Elizabeth Kenny foundation prevent polio crippling and extend its rehabilitation program to victims of other disabling disorders provides satisfaction akin to that felt by an actor, following a letter-perfect performance, according to Zachary Scott, rugged stage, motion picture and television star. Scott is shown applying make-up preparatory to recording a television appeal, urging public support of the Kenny foundation's 1956 annual fund appeal. His message is being heard over TV stations across the nation.

## GIRL SCOUT NEWS

## REGIONAL CONFERENCE

The twenty-fourth biennial conference of Region 1 Girl Scouts, will be held this year in Springfield, Mass., on October 24, 25 and 26. More than 2,000 representatives from the Girl Scout Councils of the New England states are expected to attend the sessions planned around the theme "Believe, Belong, Build." Over 100 selected Senior Girl Scouts will join their leaders as delegates from their councils.

Four general sessions will be held at the Springfield Municipal Auditorium. The programs will include the keynote address by Miss Olga Schrotky, special adviser in the field department of national headquarters of the Girl Scouts of the U.S.A.; a panel discussion on community relations; a business meeting and a featured speech by Mr. Philip Cummings, noted commentator, news analyst, sociologist and educator.

An innovation this year will be a large number of small group sessions covering subjects ranging from the Brownie Scout program to Community Chest relationships, and from camping and square dancing to visual aids demonstrations. The topics illustrate the wide range of interests explored by the scouts and their adult leaders.

Girl Scouts from the hostess Pioneer Valley Council will present a short program at each of the general sessions.

Any adult registered with the Winchester Council of Girl Scouts is cordially invited to attend any or all of the sessions. Advance registration is required and anyone interested is asked to call the City Scout office by October 10. Mrs. E. M. Thomas Hill, president, Mrs. E. M. Shinnick, executive director, Mrs. Ralph Thompson, program chairman, and Mrs. James Stewart, camp chairman, will be attending from Winchester.

Attention: all girls who received letters regarding home nursing course, do not forget to send your check to the G. S. office by October 1.

**Training**  
A sectional training course for neighborhood service teams will be given in Somerville, starting October 1, at 9:30 a. m. Any troop organizer, troop consultant or neighborhood chairman who has not been contacted is asked to call the Girl Scout office at once to register or for further details.

RELOCATION OF ROUTE 28  
GETS PRIORITY

Of special interest to residents in communities which lie along the proposed relocation of Route 28 was an announcement this week by the U. S. Bureau of Public Roads that the first contracts had been made in the U. S. Interstate and Defense Highway program.

Contracts were awarded for about 17 miles of highway in St. Louis, Mo., and nearby St. Charles County. The contracts total approximately \$4,000,000 and include 850,000 square yards of concrete pavements as well as grading and structures.

Under terms of the \$35 Billion Interstate and Defense Highway Act of 1956, some 40,000 miles of highway will be constructed throughout the U. S. joining all the principal cities of the nation in a vast highway system or network. Of this some 347 miles of highway have been approved for Massachusetts. The relocation of Route 28 from Boston to the New Hampshire line has been earmarked for the first Interstate project in Massachusetts. The construction will be financed 90 percent by the Federal government, 10 percent by the states.

The Massachusetts Legislature is expected to give top priority to raising funds for this purpose when it comes later this month.

Private Michael J. Connolly, son of Mrs. Patrick Connolly of 56 Richardson street, has arrived at Fort Dix, N. J., and been assigned to "N" Company, 1st training regiment of the U. S. Army Training Center, Infantry, for eight weeks basic training. Prior to entering the Army, Private Connolly attended Winchester High School and was employed by Harry B. Feldman, School street, Boston.

A morning coffee for mothers new to the Parkhurst School was given by the Executive Board of the Parkhurst Parents' Association on Thursday, September 20th, at the home of Mrs. A. R. Brink on Samoset road. Despite the inclement weather, a large group attended this informal gathering, a successful beginning in becoming better acquainted.

METHODISTS PLAN  
TO BREAK GROUND THIS FALL

Regular meetings of the Planning and Survey Committee relating to the new wing of the Crawford Memorial Methodist Church has been meeting regularly during the summer and early fall.

Plans are in the final stages preparatory to the actual building. The Methodist Church is planning to add some 18 new Sunday School rooms, including a reconstruction of the Social Hall in the present building.

A new Social Hall and kitchen will be added to the wing. In the long range thinking of the church leaders the new hall will be considered as so to add collapsible partitions for additional Sunday School rooms whenever needed in the time ahead.

The financial campaign this past spring, along with money on hand designated for the program brought the total fund in cash and pledges to approximately \$115,000.

With the program yet to be completed the church people hope to reach a goal exceeding \$125,000. The Crawford Memorial Methodist Church has well over doubled its membership in its last several years and more than tripled its Sunday School enrollment. Every available space is being used at the moment including the Social Hall kitchen, but the young people are looking forward to the very near future when they will be privileged to study in modern classrooms.

For the schedule of Sunday service, Church School study and Youth programs along with other activities of the church see "Church Activities" listed in the Star each week.

REMEMBER ROTARY  
WHEN MOVING

Are you moving, or thinking of moving, either in, or away from Winchester? Whichever way you move, if you move you will come across a lot of stuff you want to get rid of, and if you are like a great majority, you will wonder what to do with it!

Don't junk it! Winchester Rotary Club will be glad to come around and take your superfluous items off your hands for probable sale at their annual Spring Charity Auction. You would be surprised to learn what prices people pay at these sales for those items you wonder why you kept at all, and certainly, so long!

And the Rotary will be at your door promptly after receipt of your invitation to call. As a matter of fact, don't go down town or to the PTA right after hoping either the "Homespun Boy" or Elliott; or "Mr. Winning Farm" or Charlie Murphy. A truck is liable to be grinding to a stop in front of your house before you get the phone back on the stand. These boys work fast!

Rotary does a whole lot of good with the money from its Spring Auctions. The Scouts, Police Athletic League, Winning Farm, Home for the Aged, Scholarship Foundation, High School, Little League and Babe Ruth League are only a partial list of organizations they have assisted.

So if you move, or if you don't, and have some stuff you want to be rid of, just call Winchester 6-2171 or Winchester 6-7090. You'll lose the stuff, pronto, and you can be really glad you did!

LINCOLN SCHOOL  
MOTHERS' ASSOCIATION

The first meeting of the fall of the Lincoln School Mothers' Association will be held on Tuesday, October 2, at 8:15 p. m. in the school auditorium.

The teaching staff will be introduced as well as the board for the new year. Mrs. Harry Wood will preside and following the meeting refreshments will be served by Mrs. Leonard Mead and her committee. Small children will be cared for at the school during the meeting. All new mothers are cordially invited to attend so that they may better acquaint themselves with the school and its fine staff.

RED FEATHER FUND RAISER

F. W. Schumacher, of Winchester, manager of the Everett Refinery of Esso Standard Oil Co., will direct fund-raising efforts in Greater Boston Fuel companies for the Maroon (industrial) division of the 1957 Red Feather Campaign.

Mr. Schumacher is a graduate of Cornell University. He belongs to Sigma Alpha Epsilon fraternity and to the Algonquin Club, Boston. Mr. and Mrs. Schumacher reside at 350 Highland avenue with their five children: William, 20, twins Constance and Mary, 18, Henry, 16, and David, 14 years old.

"SHY GUY"  
AT THE METHODIST CHURCH

At the Youth Fellowship programs of the Crawford Memorial Methodist Church this coming Sunday a film will be shown entitled, "Shy Guy."

The Junior Fellowship comprising the 7th and 8th grades will meet at 5 p. m. The Senior High Group will conduct its meeting at 7 p. m. The Youth Minister, Rev. Charles Johnson, will also present an analysis of problems facing our young people today. This is taken from a report presented by doctors and psychiatrists of some 200 questions asked by young people all over the country concerning particular problems that they have faced at one time or another. The young people will be checking the problems which they are interested in which in turn will guide Rev. Johnson in setting up a program of special interest to the group.

Others in town who have no connection with any youth group are cordially invited to attend these special programs.

## UNITARIAN CHURCH SCHOOL

On Sunday, September 30, the Winchester Unitarian Church School will reopen, with registration for all classes and a Family Worship Service.

From 10:15 to 10:45, children and young people, ages three through high school, will register with their teachers. Members of the religious education committee will be in the Main Street Cloister to greet parents and children, and to direct them to assigned classrooms.

All young people (with the exception of the 3-year olds, who will remain in the Nash Nursery), will attend church with their parents. A brief dedication for all teachers will be held. Mr. Storer's sermon will be: "Teaching Religion." After the church service, there will be a reception for our teachers in the Ladies Parlor. Juice will be served to all members of the church school in Lawrence Hall.

Among the teachers participating will be the following: Mrs. Dennis Heindel, Mrs. Robert Pritchard, Mrs. Arthur Cabot, Mrs. Charles Doe, Mrs. Lee Aubrey, Mrs. Stanley Proffitt, Mrs. Ernest Dieterich, Mr. and Mrs. Alan Groetsch, Mrs. Theodore Robinson, Mrs. Arthur Rich, Mrs. Richard French, Mrs. Nelson Fontaine, Mrs. Richard Alt, Mrs. Peter Laban, Dr. Thomas R. P. Gibb, Mrs. John Harrison, Mrs. Lindsay Caldwell, Mrs. Howard Aiken, Miss Grace Wills, Mr. Darwin Carroll.

On Friday and Saturday, September 28 and 29, members of the teaching staff, with Rev. Robert A. Storer, minister, Mrs. Ralph Lasselle, director of religious education, and Mr. Arthur Rich, chairman of the religious education committee, will go to Fraternity Farms in Ashby for teacher training, orientation and fellowship.

## MEDICAL AUXILIARY MET

I. C. SODALITY  
PLANS OCTOBER RETREAT

Mrs. Florence McCall, Prefect of the Immaculate Conception Sodality, announced today that the annual retreat sponsored by the Sodality will be held on the weekend of October 5-7, at the Carmelite Retreat House, Hamilton, Mass. The popularity of this spiritual event has grown each year and consequently reservations will be at a premium. Accommodations at the Retreat House are limited, so women interested in this spiritual activity should submit their reservations early to members of the committee in charge. Deadline for Reservations: September 30th! A bus with the retreatants will leave from the I. C. Rectory at 6:00 p. m. on Friday, October 5th, and will arrive so that the group will take the evening meal at the Retreat House.

Pleasant and modern surroundings, excellent food, and spiritual solitude and guidance are but a part of the wonderful experience that is a week-end retreat. The retreat costs but the effort to make it and a free will offering left in a blank envelope so that no one need stay away for financial reasons. The Retreat is not limited to members of the Sodality, so that any married or single woman in the locality is welcome to attend.

For reservations call: Miss Lillian Salice (Winchester 6-0629-W) and Mrs. Bridget McDonough (Winchester 6-0436-M) for Winchester residents; and Miss Kathryn McLaughlin (Woburn 2-0361-M) and Mrs. Sabrina McGonigle (Woburn 2-4740) for residents of Woburn.

## UNITARIAN PLAYERS

The fall offering of the Winchester Unitarian Players will be an exciting three-act melodrama with humorous highlights, titled "Ladies in Retirement," which had a successful run on Broadway in 1940, and since then has enjoyed considerable popularity with summer theatre, college and university groups, and little theatre organization for Friday and Saturday, November 16 and 17.

This year, the group will be under the direction of Robert P. Hazeltine of Cambridge, Mass., who recently became Youth Director at the Unitarian Church. Mr. Hazeltine is taking his Master's Degree in Directing at Boston University School of Fine and Applied Arts, Theatre Division, and was associated with the Falmouth Players as Production Assistant during the past summer.

There will be preliminary tryouts for the several fine character parts in "Ladies in Retirement" at 3 p. m., at the Windsor Room at the Unitarian Church on Tuesday, October 2. At that time, Mrs. Olive F. Anderson, who is production chairman, will be on hand during the course of the evening to sign up any people who want to participate in the various behind-the-scenes activities in connection with the play. Anyone interested in any phase of theatricals will be cordially welcomed, whether a member of the group at present or not.

## STORING SQUASH

Squash is one of the main fall and winter vegetable crops grown in this area. The space required prohibits growing of the crop in smaller garden plots. Those with sufficient space, however, find the squash a most attractive crop to grow. Commercially it is extensively grown and placed on the market. Traditionally, it is typically New England and squash and boiled squash are most popular assets to the consumer's table.

In the fall we have Turbans, Delicious, Des Moines, Buttercup and Butternut. For the fall and also into the winter there are Butternuts and the different kinds of Hubbard, of which the Blue Hubbard constitutes most of the volume.

Storage of squash is practiced commercially, and properly done it is very successful. If the basic factors are not understood and provided for, however, storage may result in heavy loss. Once the various organisms start through a room of squash, it proceeds very rapidly and the loss will be heavy.

Butternut and Hubbard are the varieties that are widely stored. Butternut are best held not much later than mid-January. Hubbards may be held until March and some growers successfully keep them even later.

Squash should be mature and well cured for storage. Some of the best operations involve holding squash at 70 degrees for three to four weeks and gradually dropping them to 50 degrees - 55 degrees, which is the proper temperature. The squash must be kept dry and good ventilation must be provided. In the case of Hubbard they should be stored in piles but there should be provision for air to circulate underneath them and alleysways should be provided about every five or six feet. Fans aid in the circulation of air and may be provided very economically. Many growers use a series of simple electric fans that are easily replaceable.

Butternut squash are stored under about the same conditions as Hubbards. They are usually placed in crates or boxes that may be stacked one on the other to conserve space.

## CONGREGATIONAL TEACHERS' CONFERENCE

The final meeting of the Congregational Teachers' Conference will be held this Wednesday evening, October 3, from 7:30 - 9:30 at the First Congregational Church. This has been a valuable contribution as is evidenced by the enthusiastic comments of those who have attended and by the ever increasing enrollment. At the close of the class sessions (at 9:10) there will be a demonstration of how to teach music to children. Following this a social time is planned when refreshments will be served and all attending will have opportunity for fellowship with the leaders and other church school teachers.

"IT GIVES ME GREAT PLEASURE"

Police Chief Charles J. Harrold receives AAA Pedestrian Safety Award from Anthony A. Bonzagni, deputy registrar of motor vehicles. School Supt. Harry V. Gilson flanks Chief Harrold and Selectman Leslie J. Scott is at Registrar Bonzagni's right.

## AAA AWARD TO WINCHESTER

Police Chief Charles J. Harrold represented the town of Winchester in receiving the AAA Award for Excellence of Pedestrian Record in 1955 in ceremonies in the guard room of the police station Friday afternoon. The award was in recognition of Winchester's having had no pedestrian fatalities in the last two years.

Deputy Registrar of the Registry of Motor Vehicles Anthony A. Bonzagni presented the citation, and gave a short history of the Registry, explaining its development in safety skills, and the meaning of the three E's of the Registry: Engineering, Education, and Enforcement.

The role of the Class room teachers in impressing good safety habits upon the children and also the Winchester High School Driver's Training Course were commended in several short talks by town and school officials.

Present at the ceremony were Charles J. Harrold, Chief of Police; Leslie J. Scott, Selectman; Howard Niblock, Principal of Winchester High School; Harry V. Gilson, superintendent of schools; James A. Wakefield, Jr., superintendent of streets. From the Registry of Motor Vehicles were H. O. James, Perry of Lawrence; Anthony A. Bonzagni, deputy registrar; Joseph Murphy, supervisor of press and radio; Edward Reidel, publicity; William J. Webb; and Walter Strobel.

## HARRIS WIN OPENER

The Red and Black cross country runners opened the 1956 season by beating Wakefield at Wakefield, 21 to 47 on Monday.

Nearly 50 runners faced the starting gun for the rugged race over the 2.7 mile course. After the first half mile the pattern of the run became apparent as three runners moved to the fore. Mike Callahan and Kenny Brown of the Winchester team and the top runner of the home team, Bill Lobdell, took over a 50 yard lead.

At the mile mark the pace proved a bit stiff for Mike and Brown and Lobdell began to pull ahead. They matched strides for the next half mile but after taking the last big hill Captain Brown pulled away from Lobdell and went on to win over 100 yards.

In the meantime, Winchester's supporting runners began to move up and at the finish both Harry Ekstrom and Mike Callahan were closing in on Lobdell.

Frank Bartlett of Wakefield just managed to get in 5th in front of Quent Roberts and rapidly improving sophomore Billy Saunman. Dan O'Connell and Don Seaver took 8th and 9th and gave indication of being strong varsity runners before the season is over.

The Junior Varsity continued to match the winning ways of the Varsity as they posted a 15 to 50 win. Bill Emerson in the 10th position was the first JV scorer.

The local club has a busy schedule ahead as they travel to Haverhill on Friday and then the really big meet of the season comes on Monday as they entertain the strong Salem club. The Salem meet will be a real test of their strength. The summary:

Varsity  
1. Brown, 13:52; 2. Lobdell (Wak), 14:19; 3. Ekstrom, 14:48; 4. Callahan, 14:46; 5. Bartlett, 14:44; 6. Saunman, 14:50; 7. Roberts, Q.; 14:55; 8. O'Connell, 15:00; and 9. Seaver, 15:02.

Emerson, 15:04; 2. Carlson, 15:15; 3. Clifton, 15:18; 4. O'Connor, 15:44; 5. DeRenzo, 15:52; 6. Van Ummersen, 15:54; 7. Cooper, 15:56; 8. Lewis, 16:01; 9. Bates, H., 16:14; and 10. Dryer, 16:32.

## FIRST GRADUATION OF C. D. RESCUE SQUAD

Last week the first Graduation exercises were held at the C. D. Training Center off of Route No. 17 near Ipswich. These men had spent two weeks of rigorous training and had successfully completed their courses in rescue work.

The 2500 acres that the training center is located on, was given to the government by the Bradley W. Palmer estate. The government turned the land over to the state to use for a Civil Defense Training Center.

During the evening a mock evacuation was held to show what was being taught at the Center. A house had been partly demolished where dummies had been placed inside. The Rescue Squad went to work to bring them to safety. Another feature of the rescue was the demonstration of prying up timbers in damaged buildings.

Now that school has started, we hope the various school committees will renew their efforts towards school evacuation plans.

## HARVEST HOME SPEAKER

The Reverend Doctor Frederick M. Meek, Minister of the Old South Church (Congregational) of Boston will be the speaker at the Annual Harvest Home Supper at the First Congregational Church on next Tuesday evening, October 2, at six forty-five o'clock.

Dr. Meek has been minister of the historic Old South Church in Copley Square, Boston, since 1946. He is a popular speaker at schools and colleges and has been a lecturer on various foundations. In 1950, he was the General Council preacher at the General Council of Congregational Christian Churches which met in Cleveland.

In September 1951, the Oxford University Press published a collection of Dr. Meek's sermons entitled "Monday To Friday Is Not Enough." The book was a Pulpit Book choice. Oxford brought out another book for Dr. Meek in the spring of 1955 entitled "This Is The Life."

The turkey dinner will be served by the Armenian Congregational Church of Watertown. A special Double Mixed Quartette under the direction of Mr. J. Albert Wilson will sing. Tickets may be secured through the Church Office not later than this coming Sunday. Reservations are limited to three hundred and fifty people.

## ABERJONA

(With profuse apologies to Jerome Kern)

Aberjona, Old Aberjona, He don't look pretty, He's mighty messy, He don't do nothing, But just keeps smellin' along.

His rip-rap fallin', He old banks rotten, Canoes and boatmen Are long forgotten, While he keeps smellin' along, Yes, keeps on smellin' along.

Feels like gravel, looks like goo, Ducks keep dyin', fishes, too! Hurry by, and hold your breath, Get one whiff, and it smells like death.

Aberjona, Old Aberjona, He plugs and gurgles, He blubs and bubbles, And just keeps smellin' along! Yes, keeps on smellin' along! R. F. J.

## ROSS CANNON TO SPEAK

Ross Cannon will be the guest speaker at the opening meeting of the Women's Association of the First Congregational Church on Tuesday, October 3.

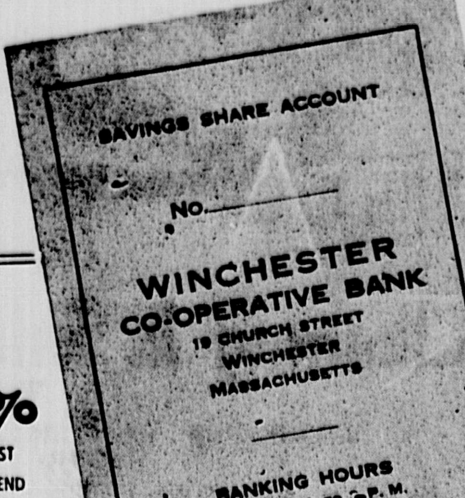

Dr. Cannon will speak on "Tasks Adequate to Our Strength," and with his experience and interest in the foreign field, as well as his better known work as a minister, in the Middle West and New England, he will surely give us all, enthusiasm and inspiration to carry out the ambitious program of the Association.

This meeting will start with a luncheon at 1:00 p. m. in Chidley Hall. Mrs. Norman Duehring and Mrs. D. P. Morse, of the Social Service Guild, will head the committee in charge of the lunch. Mrs. Charles E. Greene, President, wishes to extend an invitation in behalf of the officers, to all women to attend this opening meeting.

Child care will be provided in the nursery adjoining the office. It is planned that the meeting will be adjourned in time for mothers to be at home to greet the school children.
